

ADITYA BIRLA FINANCE LIMITED

Our Company was incorporated as 'Town Finance & Investments Private Limited' as a private limited company under the Companies Act, 1956, pursuant to a certificate of incorporation dated August 28, 1991 issued by the Additional Registrar of Companies, Maharashtra. Subsequently, our Company was converted from a private limited company into a public limited company and the name of our Company was changed to 'Town Finance & Investments Limited' pursuant to a fresh certificate of incorporation dated March 17, 1994 issued by the Registrar of Companies, Maharashtra at Mumbai. Subsequently, the name of our Company was changed to 'Aditya Birla Finance Limited' pursuant to a fresh certificate of incorporation dated December 21, 2009 issued by the Registrar of Companies, Maharashtra at Mumbai. On March 30, 2011, a certificate of registration of Company Law Board for the change of state was issued by the Deputy Registrar of Companies, Gujarat at Ahmedabad ("RoC") consequent to which the state of our Registered Office was changed from Maharashtra to Gujarat. Our Company obtained a certificate of registration bearing number 13.01163 dated February 12, 1999 issued by the RBI to carry on the business of non-banking financial institution without accepting public deposits under Section 45IA of the RBI Act, 1934. Subsequent to the change of name of our Company from 'BGFL Finance & Investments Limited' to 'Birla Global Finance Company Limited' a fresh certificate of registration bearing number 13.01163 was issued by the RBI. On the change of registered office from Maharashtra to Gujarat, our Company has obtained a fresh certificate of registration bearing number N-01.00500 dated August 9, 2011 issued by the RBI to carry on the business of non-banking financial institution without accepting public deposits under Section 45IA of the RBI Act, 1934. For further details, see "History and Other Corporate Matters" beginning on page 107.

FORWARD-LOOKING STATEMENTS

Certain statements in this Draft Prospectus that are not statements of historical fact constitute “forward-looking statements”. Investors can generally identify forward-looking statements by terminology such as “aim”, “anticipate”, “believe”, “continue”, “could”, “estimate”, “expect”, “intend”, “may”, “objective”, “plan”, “potential”, “project”, “pursue”, “shall”, “seek”, “should”, “will”, “would”, or other words or phrases of similar import. Similarly, statements that describe strategies, objectives, plans or goals are also forward-looking statements.

All statements regarding expected financial conditions, results of operations, business plans and prospects are forward-looking statements. These forward-looking statements include statements as to business strategy, revenue and profitability, new business and other matters discussed in this Draft Prospectus that are not historical facts. All forward-looking statements are subject to risks, uncertainties and assumptions about our Company that could cause actual results and valuations to differ materially from those contemplated by the relevant forward-looking statement. Important factors that could cause actual results, including financial conditions and results of operations to differ from expectations include, but are not limited to, the following:

1. We require substantial capital for our business and any disruption in our sources of capital or an increase in our average cost of borrowings could have an adverse effect on our business, results of operations and financial condition.
2. We are affected by volatility in interest rates and other market conditions, which could materially and adversely impact our business, prospects, financial condition, results of operations and cash flows.
3. If our customers default in their repayment obligations, our business, results of operations, financial condition and cash flows may be adversely affected.
4. We may not be able to manage the growth of our business effectively or continue to grow our business at a similar rate to what we have experienced in the past.
5. If we are unable to control the level of Stage 3 Assets in our portfolio effectively, it may impact our profitability due to higher provisions.
6. Our inability to meet our obligations, including financial and other covenants under our financing arrangements could adversely affect our business, results of operations and financial condition.

For further discussion of factors that could cause our actual results to differ, see “*Risk Factors*” on page 13. Certain other additional factors that could cause actual results, performance or achievements to differ materially include, but are not limited to, those discussed under the “*Industry Overview*”, “*Our Business*” and “*Outstanding Litigations and Defaults*” on pages 73, 87 and 206 respectively.

The forward-looking statements contained in this Draft Prospectus are based on the beliefs of our management, as well as the assumptions made by and information currently available to our management. Although our Company believes that the expectations reflected in such forward-looking statements are reasonable at this time, it cannot assure investors that such expectations will prove to be correct or will hold good at all times. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements. If any of these risks and uncertainties materialize, or if any of our Company’s underlying assumptions prove to be incorrect, our actual results of operations or financial condition could differ materially from that described herein as anticipated, believed, estimated or expected. All subsequent forward-looking statements attributable to us are expressly qualified in their entirety by reference to these cautionary statements.

By their nature, certain market risk disclosures are only estimate(s) and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated. Neither our Company nor the Lead Managers nor any of their respective Directors and officers, nor any of their respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the SEBI NCS Regulations, as amended, our Company and the Lead Managers will ensure that investors are informed of material developments between the date of filing the Prospectus with the RoC and the date of receipt of listing and trading permission being obtained from the Stock Exchanges for the NCDs.

CERTAIN CONVENTIONS, USE OF FINANCIAL, INDUSTRY AND MARKET DATA AND CURRENCY PRESENTATION

In this Draft Prospectus, unless the context otherwise indicates or implies, references to “you”, “offeree”, “purchaser”, “subscriber”, “recipient”, “investors” and “potential investor” are to the prospective investors in this Issue, references to our “Company”, the “Company”, “we”, “us”, “our” or the “Issuer” are to Aditya Birla Finance Limited. Unless stated otherwise, all references to page numbers herein are to the page numbers of this Draft Prospectus.

In this Draft Prospectus, references to “Rupees”, “₹”, “Rs.”, “INR” are to the legal currency of India and references to “USD”, “US\$” are to the legal currency of the United States of America. All references herein to the “U.S.” or the “United States” are to the United States of America and its territories and possessions and all references to “India” are to the Republic of India and its territories and possessions, and the “Government”, the “Central Government” or the “State Government” are to the Government of India, central or state, as applicable.

Certain figures contained in this Draft Prospectus, including financial information, have been subject to rounding adjustments. Unless set out otherwise, all figures in decimals, including percentage figures, have been rounded off to one decimal point. In certain instances, (i) the sum or percentage change of such numbers may not conform exactly to the total figure given; and (ii) the sum of the numbers in a column or row in certain tables may not conform exactly to the total figure given for that column or row. Further, any figures sourced from third party industry sources may be rounded off to other than one decimal point to conform to their respective sources. India has decided to adopt the “Convergence of its existing standards with IFRS with some difference” referred to as the “Indian Accounting Standards” or “Ind AS”. In terms of a notification released by the MCA, our Company is required to prepare its financial statements in accordance with Ind AS for accounting periods beginning on April 1, 2019.

Unless stated otherwise all references to time in this Draft Prospectus are to Indian standard time.

Presentation of Financial Information

The current financial year of our Company commences on April 1 and ends on March 31 of the next year, so all references to particular “financial year”, “fiscal year” and “fiscal” or “FY”, unless stated otherwise, are to the 12 months period ended on March 31 of that year.

The Financial Statements in this Draft Prospectus consist of (a) the Audited Financial Statements which have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 (the ‘Act’) read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other relevant provisions of the Act and the guidelines and directives issued by the Reserve Bank of India (RBI), to the extent applicable; and (b) the Limited Review Financial Results which have been prepared in accordance with the SEBI Listing Regulations, as applicable, applicable accounting standards prescribed by the ICAI and Companies Act, as applicable, and are included in this Draft Prospectus in “Financial Statements”, beginning on page 286. Further, the Limited Review Financial Results for the quarter ended June 30, 2023 is not indicative of results for a full Financial Year and are not comparable with Audited Financial Statements.

Unless stated otherwise and unless the context requires otherwise, the financial data used in this Draft Prospectus is derived from the respective Audited Financial Statements and the Limited Review Financial Results, as included in this Draft Prospectus.

Our Company prepares its financial statements in lakhs or 1,00,000 and for the purposes of this Draft Prospectus, our Company has presented all numerical and financial information in “crore” units, “million” units, “billion” units or in whole numbers where the numbers have been too small to represent in crores, millions or billions. One crore represents 1,00,00,000, one million represents 1,000,000 and one billion represents 1,000,000,000. Accordingly, any amount below ₹ 5,00,000 has been rounded off to ₹ 0.0 crores in this Draft Prospectus.

Currency and Units of Presentation

All references to:

- “Rupees” or “₹” or “INR” or “Rs.” are to Indian Rupee, the official currency of the Republic of India;
- “USD” or “US\$” or “\$” are to United States Dollar, the official currency of the United States of America.

Exchange Rates

This Draft Prospectus contains conversion of certain other currency amounts into Indian Rupees that have been presented solely to comply with the SEBI NCS Regulations. These conversions should not be construed as a representation that these currency amounts could have been, or can be converted into Indian Rupees, at any particular rate or at all.

The following table sets forth, for the periods indicated, information with respect to the exchange rate between the Rupee and USD (in Rupees per USD):

Currency	As at			
	June 30, 2023	March 31, 2023	March 31, 2022	March 31, 2021
1 USD	82.04	82.22	75.81	73.50

Industry and Market Data

Unless stated otherwise, industry and market data used throughout this Draft Prospectus has been obtained from various industry publications and sources, including the Reserve Bank of India Bulletin August 2023 (Volume LXXVII Number 8) and the reports titled ‘Non-banking Financial Companies: Well-placed for strong performance in FY2024 as well’ dated July 2023 and ‘NBFC-Infrastructure Finance Companies: Earnings profile improves, driven by better asset quality: Entities well-poised for growth’ dated April 2023 (the “ICRA Reports”).

Industry publications generally state that the information contained in such publications has been obtained from publicly available documents from various sources believed to be reliable but accuracy, completeness and underlying assumptions of such third-party sources are not guaranteed. Although the industry and market data used in this Draft Prospectus is reliable, the data used in these sources may have been re-classified by us for the purposes of presentation however, no material data in connection with the Issue has been omitted. Data from these sources may also not be comparable.

Disclaimer of ICRA

This Draft Prospectus contains data and statistics from the ICRA Reports, which is subject to the following disclaimers:

“All information contained herein has been obtained by ICRA from sources believed by it to be accurate and reliable. Although reasonable care has been taken to ensure that the information herein is true, such information is provided ‘as is’ without any warranty of any kind, and ICRA in particular, makes no representation or warranty, express or implied, as to the accuracy, timeliness or completeness of any such information. Also, ICRA or any of its group companies, while publishing or otherwise disseminating other reports may have presented data, analyses and/or opinions that may be inconsistent with the data, analyses and/or opinions in this publication. Such data involves risks, uncertainties and numerous assumptions and is subject to change based on various factors, including those discussed in “Risk Factors”, on page 13. Accordingly, investment decisions should not be based solely on such information.

SECTION II: RISK FACTORS

An investment in NCDs involves a certain degree of risk. You should carefully consider all the information contained in this Draft Prospectus, including the risks and uncertainties described below, before making an investment decision in relation to NCDs. The risk factors set forth below do not purport to be complete or comprehensive in terms of all the risk factors that may arise in connection with our business or any decision to purchase, own or dispose of the NCDs.

If any of the following risks or other risks that are not currently known or are now deemed immaterial, actually occur, our business, financial condition and results of operations could suffer, the market price of the NCDs could decline and you may lose all or part of your interest and/or redemption amounts. The risks and uncertainties described in this section are not the only risks that we currently face. Additional risks and uncertainties not known to us or that we currently believe to be immaterial may also have an adverse effect on our business, results of operations and financial condition.

Unless the context otherwise requires, indicates or implies, “we”, “us” or “our” refers to our Company.

This Draft Prospectus contains forward looking statements that involve risk and uncertainties. Our Company’s actual results could differ materially from those anticipated in these forward-looking statements as a result of several factors, including the considerations described below and elsewhere in this Draft Prospectus. Unless otherwise stated in the relevant risk factors set forth below, financial or other implications of the risk factors mentioned below are not quantifiable.

To the extent applicable financial information as of and for the Financial Years 2021, 2022 and 2023 used in this section is derived from the Audited Financial Statements and the financial information as of and for the quarter ended June 30, 2023 is derived from the Limited Review Financial Results included in this Draft Prospectus. For further information, see “Financial Statements” on page 286.

INTERNAL RISKS

1. ***We require substantial capital for our business and any disruption in our sources of capital or an increase in our average cost of borrowings could have an adverse effect on our business, results of operations and financial condition.***

The liquidity and profitability of our business depends, significantly, on our timely access to, and the costs associated with financing. Our financing requirements have historically been met from several sources, including term loans, external commercial borrowings and working capital facilities, proceeds from non-convertible debentures, commercial papers, market linked debentures. As at June 30, 2023 and Financial Years ended 2023, 2022 and 2021, the capital adequacy ratio (Tier I and Tier II) of our Company was 16.0%, 16.4%, 21.8% and 22.7%, respectively. Further, our total borrowing as at June 30, 2023 and as at the Financial Years ended 2023, 2022 and 2021 was ₹75,476.0 crore, ₹70,770.7 crore, ₹45,985.8 crore, and ₹41,215.2 crore, respectively.

We may require additional capital for our business operations from time to time. The actual amount and timing of our future capital requirements may differ from estimates as a result of, among other things, changes in business plans due to prevailing economic conditions, unanticipated expenses and regulatory changes, including any changes to RBI’s monetary policies which are applicable to us or unforeseen delays in our operations. To the extent our capital requirements exceed our available resources, we will be required to seek additional debt or equity capital. Additional debt financing could increase our interest costs and require us to comply with additional restrictive covenants in our financing agreements.

Our ability to raise funds on favourable terms, at competitive rates and timely manner, depends on various factors, including our current and future results of operations and financial condition, our credit ratings, the regulatory, environmental and policy initiatives in India, macro and micro economic conditions and lack of liquidity in the market. Further, any additional financing that we require on an ongoing basis for our capital requirements may place restrictions on us, which may, *inter alia*, limit our flexibility in planning for, or limit our ability to pursue our growth plans or require us to dedicate a substantial portion of our cash flow from operations to service our debt obligations, or reacting to changes in our business and our industry, either through the imposition of restrictive financial or operational covenants or otherwise.

We cannot assure you that we will be able to raise financing on acceptable terms in a timely manner or at all. If we are unable to obtain adequate financing in a timely manner and on acceptable terms, our business, results of operations and financial condition may be adversely affected.

2. ***We are affected by volatility in interest rates and other market conditions, which could materially and adversely impact our business, prospects, financial condition, results of operations and cash flows.***

Our results of operations and cash flows are dependent upon the level of our interest income which represented 95.7%, 94.4%, 95.4% and 95.6% of our total income as at June 30, 2023 and Financial Years ended 2023, 2022 and 2021, respectively. Further, the rate of interest that we charge on the loans that we provide impacts the market demand of the loans that we provide.

The carrying amount of fixed interest-bearing AUM in our Company was ₹34,341.2 crore and ₹31,133.7 crore for the quarter ended June 30, 2023 and the Financial Year ended 2023, respectively, which represented 40.0% and 38.7% of total fixed interest-bearing AUM for the respective periods. On the other hand, the carrying amount of floating interest-bearing AUM was ₹51,550.0 crore and ₹49,421.9 crore for the quarter ended June 30, 2023 and the Financial Year ended 2023, respectively, which represented 60.0% and 61.4% of total floating interest-bearing AUM for the respective periods.

Further, our fixed interest-bearing borrowings was ₹32,879.8 crore, ₹31,958.9 crore, ₹25,882.6 crore and ₹26,122.6 crore for the quarter ended June 30, 2023 and Financial Years ended 2023, 2022 and 2021, respectively and our floating interest-bearing borrowings were ₹53,894.5 crore, ₹49,225.3 crore, ₹28,115.1 crore and ₹22,566.6 crore for the quarter ended June 30, 2023 and Financial Years ended 2023, 2022 and 2021, respectively.

Interest rates are highly sensitive to many factors beyond our control, including the monetary policies of the RBI, domestic and international economic and political conditions, deregulation of the financial sector in India, and other macro and micro economic factors, which have historically resulted in changes in interest rates in India. For instance, between January 2022 and June 2023, the RBI has revised the repo rate from 4.00% to 6.50%, which has led to increase in interest rates by lenders. Fluctuations in interest rates may also adversely affect our operations. In a rising interest rate environment, especially if the rise is sudden or sharp, we could be adversely affected by the decline in the market value of our securities portfolio and other fixed income securities. Further, in a rising interest rate environment there might be decline in the demand of loans from our customers. Further, to the extent our borrowings are linked to market interest rates, we may have to pay interest at a higher rate than companies that borrow only at fixed interest rates. Our failure to pass on increased interest rates on our borrowings to our customers, including pursuant to the measures taken by us for protection against interest rate volatility or our inability to effectively and efficiently manage interest rate variations, may result in decline of our net interest income, which would decrease our return on assets and could adversely affect our business, prospects, financial condition, results of operations and cash flows. While we believe that we adequately hedge our foreign currency exposure, we cannot assure that we will be able to mitigate the losses incurred entirely due to the fluctuations in the interest rate of our external commercial borrowings, and the same may affect our financial condition, results of operations and cash flows.

Further, in a declining interest rate environment, if our cost of funds does not decline simultaneously or to the same extent as the yield on our interest-earning assets, it could lead to a reduction in our net interest income and net interest margin, which may affect profitability and financial condition of our Company.

3. ***If our customers default in their repayment obligations, our business, results of operations, financial condition and cash flows may be adversely affected.***

Our customers may delay and/or default on their repayment obligations due to a variety of reasons, including as a result of their business failure, insolvency, lack of liquidity, government or other regulatory intervention. In addition, our customers may not have credit histories supported by tax returns and other documents that would enable us to assess their creditworthiness, and we may not receive updated information regarding any change in the financial condition of our customers, or may receive inaccurate or incomplete information, as a result of any fraudulent misrepresentation by our customers. Additionally, some customers may intentionally default on their repayment obligations. Historically, customers in our loans business have been adversely affected by economic conditions in varying degrees. Such adverse impact may limit our ability to recover the dues from such customers and the predictability of our cash flows. Increasing credit losses due to financial difficulties of customers in our business in the future could adversely affect our business, financial condition, results of operations and cash flows. Further, we also provide financial services to mid corporate borrowers / clients with limited banking and credit history.

Earning capacity of customers depends on various macro and micro economic factors that affect them from time to time. Further, we may not be able to recover, on a timely basis or at all the full value of the security provided by our customers or amounts which are sufficient to cover the outstanding amounts due under defaulted loans. The value of the security provided to us, may be subject to reduction in value on account of extraneous reasons *inter alia*, prevailing market conditions, general economic and political conditions etc. Consequently, the realizable value of the security for the loans provided by us, when required to be liquidated, may be lower than principal amount outstanding along with interest and other costs recoverable from such customers. We have a greater risk of loan defaults and losses in the event there are

adverse economic conditions which may have a negative effect on the ability of our borrowers to make timely payments of their loans. As a result, we are more vulnerable to customer default risks including delay in repayment of principal or interest on our loans.

As of June 30, 2023, March 31, 2023, March 31, 2022 and March 31, 2021, our Gross Stage 3 Assets % was 2.8%, 3.1%, 3.6% and 2.9%, respectively, and our Net Stage 3 Assets % was 1.5%, 1.7%, 2.2% and 1.7%, respectively.

We also provide loans to customers who are unrated SME borrowers and mid corporate borrowers / clients where rating is not applicable. Such customers are often considered to be higher credit risk customers due to their increased exposure to fluctuations in cash flows particularly in adverse economic conditions. To the extent we are unable to successfully manage the risks associated with lending to such customers, it may become difficult for us to recover outstanding loan amounts from such customers. We cannot assure you that our risk management controls will be sufficient to prevent future losses on account of customer defaults, which may adversely affect our business, results of operations, financial condition and cash flows.

We have previously faced certain instances of customers defaulting or failing to repay dues in connection with loans or finance provided by us. We have, in certain instances, initiated legal proceedings to recover amounts due from such customers. For further information in relation to litigation, see “*Outstanding Litigations and Defaults*” beginning on page 206.

If we are unable to effectively manage credit appraisal, portfolio monitoring and recovery processes, the proportion of Stage 3 Assets in our loan portfolio could increase or there may be a delay in the recovery of dues, which may, in turn, have an adverse effect on our business, results of operations, financial condition and cash flows.

4. ***We may not be able to manage the growth of our business effectively or continue to grow our business at a similar rate to what we have experienced in the past.***

We have experienced significant growth in our business in recent periods. While our Company’s total revenue from operations has grown to ₹8,236.9 crore for the Financial Year 2023 from ₹5,511.5 crore for the Financial Year 2021, representing a CAGR of 22.3%, our Company’s profit after tax has grown at a CAGR of 42.2% to ₹1,553.8 crore for the Financial Year 2023 from ₹768.8 crore for the Financial Year 2021. We may not be able to effectively manage this growth or achieve the desired profitability in the expected timeframe or at all and may not be able to reflect improvement in other indicators of financial performance from the expansion.

Our inability to manage our expansion effectively and execute our growth strategy in a timely manner, or within budget estimates could have an adverse effect on our business and results of operations. We will also need to manage relationships with a greater number of customers, service providers, lenders and other parties as we expand.

In order to manage our growth effectively, we must implement and improve our operational systems, processes, procedures and controls in a timely manner. If we fail to implement these systems, processes, procedures and controls in a timely manner, we may not be able to meet our customers’ needs, hire and retain new employees or operate our business effectively. Our ability to sustain our rate of growth also depends significantly upon our ability to select and retain key managerial personnel, maintaining effective risk management policies and training managerial personnel to address emerging challenges. Further, a number of external factors beyond our control could also affect our ability to continue to grow our business and loan portfolio, such as demand for small business loans in India, business and domestic economic growth, the RBI’s monetary and regulatory policies, RBI Master Directions, inflation, competition and availability of cost-effective debt and equity capital. We cannot assure you that our existing or future management, operational and financial systems, processes, procedures and controls will be adequate to support future operations or establish or develop business relationships beneficial to future operations.

5. ***If we are unable to control the level of Stage 3 Assets in our portfolio effectively, it may impact our profitability due to higher provisions.***

As a NBFC, we are regulated by the RBI and are required to adhere to the prudential norms on income recognition, asset classification and provisioning (“**IRACP**”) notified by the RBI from time to time, in addition to the Ind AS accounting and provisioning requirements applicable to our Company in the ordinary course. For instance, on November 12, 2021, the RBI issued a circular titled “Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances – Clarifications” (“**November 12 Circular**”) with a view to ensuring uniformity in the implementation of IRACP norms across all lending institutions. The November 12 Circular, among other matters, requires borrower accounts to be flagged as overdue by lending institutions as part of their day-end processes for the due date, irrespective of the time of running such processes. Similarly, classification of borrower accounts as special mention accounts (“**SMA**”) as well as NPA is required to be undertaken as part of day-end processes for the relevant date, such that the date of SMA/ NPA shall reflect the asset classification status of an account at the day-end of that calendar date.

The November 12 Circular clarifies that the SMA classification requirement for borrower accounts is applicable to all loans, including retail loans, irrespective of size of exposure of the lending institution. Further, the November 12 Circular provides that accounts classified as NPAs may be upgraded to 'standard' only if the entire arrears of interest and principal are paid by the borrower, as opposed to such upgradation being undertaken upon payment of only interest overdues.

On December 14, 2021, the RBI issued a circular titled "Prompt Corrective Action (PCA) Framework for Non-Banking Financial Companies (NBFCs)" ("**PCA Framework Circular**") to enable supervisory intervention and implement 18 remedial measures of NBFCs, including NBFC-NDs, on the basis of tracking certain indicators such as CRAR, Tier I Capital Ratio and Net NPA Ratio. Pursuant to the PCA Framework Circular, the PCA framework for NBFCs has come into effect from October 1, 2022, based on the financial position of NBFCs on or after March 31, 2022.

As of June 30, 2023, March 31, 2023, March 31, 2022 and March 31, 2021, our Gross Stage 3 Assets amounted to ₹2,418.9 crore, ₹2,507.1 crore, ₹1,956.0 crore and ₹1,422.5 crore, respectively and our Net Stage 3 Assets amounted to ₹1,292.3 crore, ₹1,349.2 crore, ₹1,183.2 crore and ₹832.5 crore, respectively. We cannot assure you that in the future, we will be able to maintain the thresholds prescribed by the RBI under the PCA Framework Circular including on account of certain factors beyond our control, which could have an adverse effect on our business, financial condition and results of operations. Further, we are required to adhere to provisioning requirements pursuant to the Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016, as amended ("**RBI Master Directions**").

Further, as of June 30, 2023, March 31, 2023, 2022 and 2021, our provision coverage ratio, which comprises provision for Stage 3 Assets divided by the gross amount of Stage 3 Assets was 46.6%, 46.2%, 39.5% and 41.5%, respectively.

As our loan portfolio grows, our Stage 3 Assets may increase and the current level of our provisions may not adequately cover any such increases. If future regulations require us to increase our provisions for any reason, our profits may be adversely affected. Further, our ability to raise additional capital and debt financing as well as our results of operations, cash flows and financial condition could be adversely affected as a result thereof. The amount of our reported Stage 3 Assets may increase in the future due to the aforementioned factors and other factors beyond our control, and we cannot assure you that we will be able to effectively control or reduce the level of the impaired loans in our total AUM. If we are unable to manage our Stage 3 Assets or adequately recover our loans, our business, financial condition and results of operations will be adversely affected. In addition, our current loan loss provisions may not be adequate to cover an increase in the amount of Stage 3 Assets or any future deterioration in the overall credit quality of our total AUM. If the quality of our loan portfolio deteriorates, we may be required to increase our loan loss provisions. If such provisions are not sufficient to provide adequate cover for loan losses that may occur, this could have an adverse effect on our business, financial condition and results of operations.

Further, various factors that are beyond our control may cause a further increase in the level of Stage 3 Assets and have an adverse impact on the quality of our loan portfolio. These factors include macro-economic factors (including a rise in unemployment, a sharp and sustained rise in interest rates, adverse developments in the Indian economy, movements in global commodity markets and exchange rates) regulatory hurdles and global competition as well as customer specific factors such as wilful default and mismanagement of a customer's operations. If our Stage 3 Assets increase, we will be required to increase our provisions, which would result in our net profit being less than it otherwise would be and would adversely affect our results of operation and financial condition. There can be no assurance that the levels of Stage 3 Assets and losses will not increase in future or will remain at levels that will maintain our profitability, that the credit performance of our customers will be maintained, that our credit and our underwriting analysis, servicing and collection systems and controls will continue to be adequate.

We may also not be successful in our efforts to improve collections and/ or foreclose on existing Stage 3 Assets. In addition, as our loan portfolio matures, we may experience greater defaults in principal and/ or interest repayments. Thus, if we are unable to control or reduce our level of Stage 3 Assets, the overall quality of our loan portfolio may deteriorate, and our results of operations and cash flows may be adversely affected. Moreover, there can be no assurance that there will be no deterioration in our provisioning coverage as a percentage of Stage 3 Assets or otherwise, or that the percentage of Stage 3 Assets that we will be able to recover will be similar to our past experience of recoveries of Stage 3 Assets. In the event of any further deterioration in our Stage 3 Asset portfolio, or if our provisions are insufficient to cover our existing or future levels of Stage 3 Assets, our ability to raise additional capital and debt funds as well as our results of operations, cash flows and financial condition could be adversely affected.

6. ***Our inability to meet our obligations, including financial and other covenants under our financing arrangements could adversely affect our business, results of operations and financial condition.***

As of June 30, 2023, our outstanding total borrowings aggregated to ₹75,476.0 crore. Our ability to meet our debt service obligations and repay our outstanding borrowings will depend primarily on the cash generated by our business, which depends on the timely repayment by our customers. For details in relation to our outstanding indebtedness and certain

indicative terms of our borrowing facilities, see “*Disclosures on Existing Financial Indebtedness*” on page 124.

Our financing agreements contain several restrictive covenants for undertaking various actions, including:

- entering into any scheme of expansion, merger, de-merger amalgamation, compromise or reconstruction causing an adverse effect except with the prior intimation to the lender;
- restriction on selling, assigning, mortgaging or otherwise disposing of any of the fixed assets charged to the lender without prior consent of the lender;
- restriction on selling or disposing off our undertakings without prior written consent of the lender;
- permitting any change in our constitution or ownership or control, where any such change in ownership or control, directly or indirectly, exceeds 50% of our Company’s share capital and/or voting power; and
- making any change to/in our Company’s constitutional documents which affects the ability of our Company to perform under the facility documents.

Our failure to meet our obligations under our financing agreements, including *inter alia* creation of security as per terms agreed, default in payment of interest, default in redemption or repayment, default in payment of penal interest wherever applicable could have an adverse effect on our business, results of operations and financial condition. For details in relation to our outstanding indebtedness and certain indicative terms of our borrowing facilities, see “*Disclosures on Existing Financial Indebtedness*” on page 124.

Our future borrowings may also contain similar or more stringent restrictive provisions. If we fail to meet our debt service obligations or covenants provided under the financing agreements, the relevant lenders could declare us to be in default under the terms of our agreements and/ or accelerate the maturity of our obligations. We cannot assure you that, in the event of any such acceleration, we will have sufficient resources to repay the borrowings. The negative covenants as mentioned in this risk factor and in the section “*Disclosures on Existing Financial Indebtedness*” on page 124, and other clause/covenants of a similar nature under the financing arrangements entered into by us with our lenders are in the ordinary course of business and will continue post listing of the NCDs, as is customary for such borrowing arrangements for listed and unlisted companies. Any inability to meet our obligations under such financing arrangements could adversely affect our business, results of operations and financial condition.

Further, the RBI vide its circular DBR.No.BP.BC.43/21.01.003/2016-17 dated December 1, 2016 and circular DBR.No.BP.BC.31/21.01.003/2018-19 dated April 1, 2019, circular no. DBR.No.BP.BC.43/21.01.003/2018-19 dated June 3, 2019, as amended from time to time, and circular no. DOR.CRE.REC.No.77/21.04.172/2021-22 dated January 5, 2022 has amended the regulatory framework governing banks to address concerns arising from divergent regulatory requirements for banks and NBFCs. These circulars restrict a bank’s exposure to a single NBFC to 20% of their eligible capital base (tier-I capital). However, based on the risk perception, more stringent exposure limits in respect of certain categories of NBFCs may be considered by the banks. The bank’s exposure to a group of connected NBFCs or group of connected counterparties having NBFCs in the group is restricted to 25% of their tier-I capital. Furthermore, RBI has suggested that banks may consider fixing internal limits for their aggregate exposure to all NBFCs combined. This notification limits a bank’s exposure to NBFCs which consequently restricts our ability to borrow from banks.

7. *A portion of our loans are unsecured. If borrowers under unsecured loans default and we are unable to recover such receivables in a timely manner or at all, our financial condition, results of operations and cash flows may be adversely affected.*

We provide unsecured business loan to SMEs for their working capital and business expansion needs and personal loans to individuals, small business owners and micro enterprises for several purposes including education, medical expenses, wedding expenses and debt consolidation. As at June 30, 2023, the AUM of unsecured business loans stood at ₹8,573.8 crore and contributed 10.0% to total AUM of our Company.

Since these loans are unsecured, our ability to realize the amounts due to us would be restricted to standard collection processes and/or initiating legal proceedings for recovery, in the event of default by such customers. We cannot assure you that we would be able to recover such amounts in a timely manner, or at all. Any failure on our part to recover the amounts due to us could have an adverse effect on our results of operations and financial condition. Further, upon the occurrence of an event of default, our ability to realise the amounts due would be restricted to initiating legal proceedings for recovery. There can be no guarantee as to the length of time it could take to conclude such legal proceedings or for the legal proceedings to result in a favourable decision for us. Moreover, since these loans are uncollateralised, there can be no assurance that we will be able to fully recover the outstanding due, or at all, even in

the event of a favourable decision for us. Furthermore, with respect to some of our loans, we do not have any direct control over how the customer actually utilises the loan proceeds. Although our credit appraisal system conducts a due diligence during its underwriting process and exercises caution in its lending, any use of loan proceeds for purposes outside those stated on the loan application form may negatively affect the repayment capacity of the borrowers to repay the loan.

The Securitisation and Reconstruction of Financial Assets and Enforcement of Securities Act, 2002 has strengthened the ability of lenders to recover NPAs by granting lenders greater rights to enforce security and recover amounts owed from secured borrowers. Since the introduction of the Insolvency and Bankruptcy Code, 2016 (“**IBC**”), the IBC has become the main framework under which insolvency proceedings against corporate persons are undertaken. While the IBC does not make any distinction between secured creditors and unsecured creditors during the corporate insolvency resolution process, the liquidation waterfall in case the company has to undergo liquidation depends on whether the creditor is secured or unsecured. It is nonetheless possible for us to take a significant reduction in the amount owed to us both in case of insolvency resolution and liquidation, which could result in increased losses and decline in profits, and adversely affect our financial condition, results of operations and cash flows.

8. ***We operate in a highly regulated industry and are subject to laws and regulations governing the lending and non-banking financial services industry in India. Any changes in laws, rules and regulations applicable to us may adversely affect our business, financial condition, results of operations and cash flows.***

We operate in a highly regulated industry and we have to adhere to various laws, rules and regulations. Our Company has a certificate of registration from the RBI to operate as an NBFC and is regulated by the RBI. Further, our Company is a ‘high value debt listed entity’ as per the thresholds set out under the SEBI Listing Regulations. As a ‘high value debt listed entity’, certain provisions of Chapter IV of the SEBI Listing Regulations are applicable to our Company. Accordingly, the required compliance with stipulated regulations of Chapter IV of the SEBI Listing Regulations may cause additional compliance and legal costs for our Company and any non-compliance in relation to this may attract penalties, which may affect our financials adversely. Accordingly, legal and regulatory risks are inherent and substantial in our business. As we operate under licenses or registrations obtained from the applicable regulators, we are subject to actions that may be taken by such regulators in the event of any non-compliance with any applicable policies, guidelines, circulars, notifications and regulations issued by the relevant regulator. For a description of the material laws, rules and regulations applicable to us, see “*Regulations and Policies*” on page 248.

The laws and regulations governing the banking and financial services industry in India have become increasingly complex and cover a wide variety of issues, such as interest rates, liquidity, investments, ethical issues, money laundering, consumer grievance redressal mechanism, data protection and privacy. These laws and regulations can be amended, supplemented or changed at any time such that we may be required to restructure our activities and incur additional expenses to comply with such laws and regulations, which could adversely affect our business and our financial performance. In the regular course of our business, we may receive queries, clarifications and observations from the RBI and other statutory or regulatory authorities. Failure to address or satisfactorily address these queries and clarifications in a timely manner or at all may result in us being subject to statutory and/or regulatory actions. Further, responding to these regulatory actions, regardless of their seriousness or ultimate outcome, requires a significant investment of resources and management’s time and effort. Moreover, our provisions, defenses, grounds or interpretations against regulatory actions may be inadequate. Given the uncertainties and complexity of many of these regulatory actions, their outcome generally cannot be predicted with any reasonable degree of certainty and may have adverse effects on our operations.

The RBI revised regulatory framework for NBFCs (“**SBR Framework**”) on October 22, 2021 which was effective from October 1, 2022 read with the detailed guidelines, circulars, regulations put in place by the RBI from time to time. Pursuant to a press release dated September 30, 2022 by the RBI, our Company has been classified under the “upper layer” category. As a consequence, our Company has put in place a policy approved by the Board for adoption of the enhanced regulatory framework applicable to NBFC-UL which charts out an implementation plan for adhering to the new set of regulations. Further, the Board shall also ensure that the stipulations prescribed for the NBFC-UL are adhered to within a maximum time-period of 24 months from the date of the press release. Accordingly, our Company is required to adhere to additional requirements as have been stipulated by the RBI and will be subject to additional compliances in the future, and any non-compliance in relation to this may attract penalties, which may affect our operations.

The laws and regulations governing the banking and financial services industry in India have become increasingly complex and cover a wide variety of issues, such as interest rates, liquidity, investments, ethical issues, money laundering and privacy. These laws and regulations can be amended, supplemented or changed at any time such that we may be required to redesign our activities and incur additional expenses to comply with such laws and regulations, which could adversely affect our business and our financial performance.

In relation to our digital offerings for loan products, we are subject to Guidelines on Digital Lending issued by the RBI on September 2, 2022, which are applicable to all, *inter alia*, all NBFCs. While our Company has made adequate changes to its processes and products to adhere to the relevant guidelines, there could be difference of interpretation of the guidelines and their applicability between our Company and RBI, which may result into us being subject to regulatory action under the Digital Lending Guidelines.

Our ability to function in the lending and financial services industry will depend on our ability to constantly monitor and promptly react to legislative and regulatory changes. Any change to the existing legal or regulatory framework may require us to allocate additional resources to our business, which may increase our regulatory compliance costs and direct management attention, and consequently affect our business, financial condition, results of operations and cash flows. To the extent that we enter new geographies or new product markets, the complexity of our regulatory environment will increase, potentially increasing the cost of compliance and the risk of noncompliance. Further, if the interpretation of the regulators and authorities varies from our interpretation, we may be subject to penalties and our business could be adversely affected. If we fail to comply with these requirements or are interpreted by the regulators

9. ***There may be litigations pending against our Company, our Promoter and our Directors which, if determined adversely, could affect our business, results of operations and financial condition.***

In the ordinary course of business, we, our Promoter and our Directors may be involved in certain legal proceedings before various courts, tribunals and statutory, regulatory and other judicial authorities in India, and, if decided against us, could adversely affect our reputation, business, results of operations and financial condition. Further, our Company and Directors have also been subject to certain regulatory actions which are outstanding as on the date of this Draft Prospectus. For further information of the material legal proceedings that we, our Promoter and our Directors are subject to, see “*Outstanding Litigations and Defaults*” on page 206. We cannot assure you that the currently outstanding legal proceedings will be decided favourably or that no further liability will arise from these claims in the future. The amounts claimed in these proceedings have been disclosed to the extent ascertainable and include amounts claimed jointly and severally.

Further, if any new developments arise, such as a change in Indian law or rulings against us by appellate courts or tribunals, we may need to make provisions in our financial statements that could increase our expenses and current liabilities.

10. ***Our non-convertible debentures are listed on the Stock Exchanges and we are subject to rules and regulations with respect to such listed non-convertible debentures. If we fail to comply with such rules and regulations, we may be subject to certain penal actions, which may have an adverse effect on our business, results of operations, financial condition and cash flows.***

Our non-convertible debentures are listed on the debt segment of Stock Exchanges. We are required to comply with various applicable rules and regulations, including the applicable SEBI regulations and applicable provisions of the Listing Regulations, in terms of our listed non-convertible debentures. If we fail to comply with such rules and regulations, we may be subject to certain penal actions, including, without limitation, restrictions on the further issuance of securities and the freezing of transfers of securities, which may have an adverse effect on our business, results of operations, financial condition and cash flows. For details of such listed non-convertible securities, see “*Disclosures on Existing Financial Indebtedness*” on page 124.

11. ***We are subject to regulations in relation to minimum capital adequacy requirements and our inability to maintain our capital adequacy ratio could adversely affect our business.***

The RBI Master Directions require NBFCs to comply with a capital to risk (weighted) assets ratio (“**CRAR**”), consisting of Tier I and Tier II capital. Under these requirements, Tier I and Tier II capital should not be less than 15% of the sum of the NBFC’s risk-weighted assets on-balance sheet and of risk adjusted value of off-balance sheet items, as applicable. In addition, our Tier I capital, at any point in time, shall not be less than 10%. For details, see “*Regulations and Policies*” on page 248. Additionally, we are categorized as an ‘Upper Layer’ NBFC under the SBR Framework, and we will be required to maintain a common equity Tier I capital of 9.0% of our risk weighted assets.

As of June 30, 2023, our CRAR was 16.0%. As we continue to grow our loan portfolio and asset base, we will be required to raise additional Tier I and Tier II capital in order to remain in compliance with the applicable CRARs. Further, the RBI may increase its minimum CRAR threshold, which may require us to raise additional capital.

Additionally, pursuant to Section 45-IC of the Reserve Bank of India Act, 1934, every NBFC is required to create a reserve fund and transfer thereto a sum not less than 20% of its net profit every year, as disclosed in the profit and loss account before any dividend is declared. Our special reserve under Section 45-IC of the Reserve Bank of India Act, 1934, had a balance of ₹1,637.4 crore, ₹1,534.3 crore, ₹1,223.5 crore and ₹979.8 crore, as of June 30, 2023, March

31, 2023, March 31, 2022, and March 31, 2021, respectively.

We cannot assure you that we will be able to raise adequate capital in the future on terms favourable to us, or at all, which may adversely affect the growth of our business. Further, the RBI may also in the future require compliance with other prudential norms and standards, which may require us to alter our business and accounting practices or take other actions that could adversely affect our business and operating results.

12. ***Non-compliance with the RBI's observations made pursuant to its periodic inspections or other regulatory compliance requirements by us may have an adverse effect on our business, financial condition or results of operation and could expose us to certain penalties and restrictions.***

We are subject to periodic inspections by the RBI under the Banking Regulation Act and the RBI Act, wherein the RBI inspects our books of accounts and other records for the purpose of verifying the correctness or completeness of any statement, information or particulars furnished to the RBI.

In its past inspection reports, the issues RBI has commented upon have been mainly operational in nature and include observations such as segregation of real estate portfolio based on different characteristics, availability of data for loss given default calculations for real estate and infrastructure portfolios on individual basis, requirement to making asset classification system driven, degree of reliance on short term funding vis-à-vis longer tenor assets, risk categorization of customers, among others. Further, our Company had received a show-cause notice from the RBI for certain operational lapses on reporting of frauds, which was responded to by our Company and no further action was taken in that regard. Our Company has responded and taken necessary actions in relation to such findings and as on the date hereof, there is no observation which remains outstanding.

While we attempt to be in compliance with all regulatory provisions, directions or observations applicable to us, we cannot assure you that the RBI or any other regulatory or statutory authority will not find any deficiencies in future inspections or the RBI will not make similar or other observations in the future. In the event that we are unable to comply with the observations made or fail to address or satisfactorily address these queries and clarifications in a timely manner or at all, we could be subject to regulatory actions and penalties. Imposition of any penalty or adverse finding by the RBI during any future inspection may have an adverse effect on our reputation, business, financial condition, results of operations and cash flows.

13. ***Any failure or significant weakness of our internal controls system could cause operational errors or incidents of fraud, which would adversely affect our profitability and reputation.***

We are responsible for establishing and maintaining adequate internal measures commensurate with the size and complexity of operations. Our internal audit functions make an evaluation of the adequacy and effectiveness of internal controls on an ongoing basis so that business units adhere to our policies, compliance requirements and internal guidelines. While we periodically test and update, as necessary, our internal controls systems, we are exposed to operational risks arising from the potential inadequacy or failure of internal processes or systems, and our actions may not be sufficient to guarantee effective internal controls in all circumstances. For instance, there have been a few instances of frauds pursuant to which our Company may have incurred certain losses or created necessary provisions. For details, see “*Outstanding Litigations and Defaults - Details of acts of material frauds committed against the Company in the last three years, if any, and if so, the action taken by the Company in response*” on page 216. Although, we believe that we have necessary measures in place to identify such frauds and ensure timely remedial actions, however, given the size of our operations, it is possible that errors may repeat or compound before they are discovered and rectified.

Our management information systems and internal control procedures that are designed to monitor our operations and overall compliance may not identify every instance of non-compliance or every suspicious transaction. If internal control weaknesses are identified, our actions may not be sufficient to correct such internal control weakness. Failures or errors in our internal controls systems may lead to transaction errors, pricing errors, inaccurate financial reporting, fraud and failure of critical systems and infrastructure. Such instances may also adversely affect our reputation, business and results of operations. There can also be no assurance that we would be able to prevent frauds in the future or that our existing internal mechanisms to detect or prevent fraud will be sufficient. Any fraud discovered in the future may have an adverse effect on our reputation, business, results of operations and financial condition.

14. ***We require certain statutory and regulatory approvals and licenses for conducting our business. Failure to obtain or renew approvals, licenses, registrations and permits to operate our business in a timely manner, or at all, may adversely affect our business, financial condition, results of operations and cash flows.***

We are required to obtain and maintain certain approvals and licenses from governmental and regulatory authorities, including the RBI for operating our business. For an overview of the applicable regulations and the nature of key

approvals and licenses to be obtained, see “*Regulations and Policies*” on page 248.

We cannot assure you that these approvals would not be suspended or revoked in the event of non-compliance or alleged non-compliance with any terms or conditions thereof, or pursuant to any regulatory action. There is no assurance that the approvals and licenses that we require will be granted or renewed in a timely manner or at all by the relevant governmental or regulatory authorities. Failure to obtain or renew such approvals and licenses in a timely manner would render our operations non-compliant with applicable laws and may subject us to regulatory action by relevant authorities.

15. ***We rely significantly on our information technology systems for our business and operations and any failure, inadequacy or security breach in such systems or its inability to adapt to rapid technological changes may adversely affect our business, results of operations and reputation.***

We use our interdependent technology platforms to assist with functions such as loan operations and management, financial accounting, business development etc. and our ability to operate and remain competitive will depend in part on our ability to maintain and upgrade our information technology systems on a timely and cost-effective basis. Our business processes including, *inter alia*, customer onboarding, collection of EMIs and customer interaction, have primarily been through digital means and our operations also rely on the secure processing, storage and transmission of confidential and other information in its computer systems and networks. Our Company’s financial, accounting or other data processing systems and management information systems or its corporate website may fail to operate adequately or become disabled as a result of events that may be beyond its control, including a disruption of electrical or communications services. While we believe that we have adequate data protection and security measures required to ensure safety of such processes, however, these processes and the data we maintain are susceptible to the prevalent risks as far as technology is concerned.

In addition, our systems are potentially vulnerable to data security breaches, whether by employees, who may have a lack of experience with our newer information technology systems, or others, that may expose sensitive data to unauthorized persons. Data security breaches could lead to the loss of trade secrets or other intellectual property or could lead to the public exposure of personal information (including sensitive financial and personal information) of our customers and employees. Further, we may not detect or prevent all attempts to compromise our systems, including distributed denial-of-service attacks, viruses, malicious software, break-ins, ransomware attacks, phishing attacks, social engineering, fraudulent emails and related payments scams, security breaches or other attacks and similar disruptions that may jeopardize the security of information stored in and transmitted by our systems or that we otherwise maintain.

Further, we may not have the resources or technical sophistication to anticipate or prevent rapidly evolving types of cyberattacks. Any such security breaches or compromises of technology systems could result in institution of legal proceedings against us and potential imposition of penalties, which may have an adverse effect on our business and reputation. We face the threat of fraud and cyberattacks, such as hacking, phishing, trojans and other threats, attempting to exploit our network to disrupt services to customers and/or theft of sensitive internal company data or customer information. This may cause damage to our reputation and adversely impact our business and financial results.

16. ***Our business processes a large amount of data, including personal data, and the improper collection, hosting, use or disclosure of data could harm our reputation and have an adverse effect on our business, financial condition, results of operations and cash flows***

Our business processes a large quantity of personal data and analyses this data to generate user and user group profiles. Our privacy policies concerning the collection, use and disclosure of personal data are consented to by our customers and made accessible for their reference at any point in time. We face risks inherent in handling and protecting a large volume of data, especially user data. In particular, we face several challenges relating to data security and privacy, including but not limited to:

- Protecting the data in and hosted on our system, including against attacks on our system by outside parties, data leakage, fraudulent behaviour or improper use by our employees;
- Addressing concerns, challenges, negative publicity and litigation related to data security and privacy, collection, use and actual or perceived data sharing (including sharing among our own businesses, with business partners, vendors or regulators), and other factors that may arise from our existing businesses or new businesses and new technology; and
- Complying with applicable laws and regulations relating to the collection, use, storage, transfer, disclosure, and security of personal data, including requests from data subjects.

The improper collection, use or disclosure of our user data could result in a loss of customers, business and partner

financial institutions, litigation, regulatory investigations, penalties or actions against us, significant damage to our reputation, and have an adverse effect on our business, financial condition, results of operations and cash flows.

17. ***We may not get the benefits of being a company of the Aditya Birla group in case of any change in control.***

In case of any change of control due to any event such as transfer of shares by our Promoter, preferential allotment to any investor, our ability to leverage the “Aditya Birla Capital” trademark may get affected and the benefits of being an Aditya Birla group company including leveraging of business from other companies of the Aditya Birla group may not be available to us and consequently, could adversely impact our business operations and profitability.

18. ***We operate in a highly competitive industry and our inability to compete effectively in an increasingly competitive industry may adversely affect our business.***

We operate in a highly competitive industry, given the diversity of our business, and the range of products and services that we offer and we face competition from the full spectrum of public sector banks, private sector banks (including foreign banks), NBFCs, financial institutions and entities which provides B2B lending. Consistent with developments over the years, we may also see the entrance of new competitors. Our competitors may have more resources, a wider branch and distribution network, access to cheaper capital, superior technology and may have a better understanding of and relationships with customers in these markets. This may make it easier for competitors to expand and to achieve economies of scale to a greater extent.

We cannot assure you that we will be able to react effectively to market developments or compete effectively with new and existing players in the industries in which we operate. If we are unable to compete effectively, our net interest margin, income and market share may decline, and our business and results of operations may be adversely affected.

19. ***We utilise the services of certain third parties for our business operations. Any deficiency or interruption in the third parties’ services could adversely affect our business and reputation***

We utilise third-party service provider platforms for our lending operations which is utilized by our Company for various steps in the lending journey, including customer onboarding, processing and lead generation. Further, we also engage with third-party service providers for ascertaining the creditworthiness of customers, KYC and customer onboarding. Our agreements with them typically do not provide for any exclusivity, and accordingly, they can work with other lenders, including our competitors. There can be no assurance that our direct selling agents will continue to provide a significant number of leads for loans to us in comparison with our competitors, or at all. Additional risks involved with reliance on third parties for significant portion of our revenues may include, but are not limited to, failure to renew one or more material contracts, failure to renegotiate favourable terms with our service providers and vendors, all of which may have a material adverse effect on the business, results of operations, financial condition, cash flows and future prospects of our Company.

In the event any of these third parties were to terminate their contractual relationships with us or fail to provide the agreed services to us for any reason, our business, results of operations and cash flows may be disrupted and we may be held liable legally or suffer reputational damage on account of any deficiency of services on the part of such service providers.

20. ***We may face asset-liability mismatches, which may adversely affect our business, financial condition, results of operations and cash flows.***

Assets and liabilities mismatches, which represent a situation when the financial terms of assets and liabilities do not match, are a key financial parameter. We face potential liquidity risk due to varying periods over which our assets and liabilities mature. We meet a portion of our funding requirements through short-term funding sources, such as by issuing commercial paper, availing short-term and medium term loans from banks, non-convertible debentures, subordinated debt, perpetual debt and inter-corporate deposits. The majority of our loan assets, however, mature over the medium term.

While we aim to diversify our funding sources, and we pay careful attention to the maturity of liabilities while creating financial assets, extending the duration of our financial liabilities as needed, the maturity of our loan assets may not match the maturity of our liabilities. Consequently, our inability to raise further credit facilities or renew our existing facilities in a timely and cost-effective manner or at all, may lead to mismatches in our assets and liabilities. Further, mismatches between our assets and liabilities are compounded in case the assets are restructured and we need to give customers longer tenor loans. Such mismatches could adversely affect our business, financial condition, results of operations and cash flows. Further, while we have maintained healthy ALM profile with positive cumulative gap in up to one year bucket, we cannot assure you that we will always be able to maintain healthy ALM profile. Degradation of our ALM profile will have an impact on our liquidity, cash flows and results of operations. For details of asset

liability management maturity pattern, see “*Other Regulatory and Statutory Disclosures*” on page 217.

21. ***Any non-compliance with mandatory Anti-Money Laundering and Know Your Customer policies could expose us to additional liability and harm our business and reputation.***

In accordance with the requirements applicable to us, we are mandated to comply with anti-money laundering, anti-terrorism laws, KYC and other regulations in India. These laws and regulations require us, among other things, to adopt and enforce anti-money laundering and KYC policies and procedures. In the ordinary course of our operations, we run the following risks: (i) risk of failing to comply with the prescribed KYC procedures; (ii) the consequent risk of fraud and money laundering by fraudulent customers; and (iii) risk of assessment of penalties or imposition of sanctions against us for such compliance failures despite having implemented systems and controls designed to prevent the occurrence of these risks. Although we believe that we have adequate internal policies, processes and systems in place to prevent and detect any anti-money laundering activity and ensure KYC compliance, we cannot assure you that we will be able to fully control instances of any potential or attempted violation by other parties. Any inability on our part to detect such activities fully and on a timely basis, may subject us to regulatory actions including imposition of fines and penalties and adversely affect our business and reputation.

22. ***Our Company’s insurance coverage may not adequately protect us against any or all hazards, which may adversely affect our business, results of operations, financial condition and cash flows.***

Our Company’s insurance policies may not provide adequate coverage in certain circumstances and are subject to certain deductibles, exclusions and limits on coverage. We cannot assure you that the terms of our insurance policies will be adequate to cover any damage or loss suffered by us or that such coverage will continue to be available on reasonable terms or will be available in sufficient amounts to cover one or more large claims, or that the insurer will not disclaim coverage as to any future claim. We cannot assure you that any claim under the insurance policies maintained by us will be honoured fully, in part or on time, or that we have obtained sufficient insurance to cover all our losses. In addition, our insurance coverage expires from time to time. We apply for the renewal of our insurance coverage in the normal course of our business, but we cannot assure you that such renewals will be granted in a timely manner, or at acceptable cost, or at all.

There are many events, other than the ones covered in the insurance policies specified in “*Our Business – Insurance*” on page 105, that could significantly impact our operations, or expose us to third-party liabilities, for which we may not be adequately insured. To the extent that we suffer loss or damage, or successful assertion of one or more large claims against us for events for which we are not insured, or for which we did not obtain or maintain insurance, or which is not covered by insurance, exceeds our insurance coverage or where our insurance claims are rejected, the loss would have to be borne by us and our business, results of operations, financial condition and cash flows could be adversely affected. For details in relation to our insurance coverage, see “*Our Business – Insurance*” on page 105.

23. ***The trade mark / service mark and logo in connection with the “Aditya Birla Capital” brand which we use is licensed to us and consequently, any termination or non-renewal of such license may adversely affect our goodwill, operations and profitability.***

We operate in a competitive environment, and we believe that our brand recognition is a significant competitive advantage to us. We do not own the trademark / service mark and logo in connection with the “Aditya Birla Capital” brand which we use in the course of our business operations and to conduct our operations. The trademark is sub-licensed to us by our Promoter and consequently, any termination or non-renewal of such license may adversely affect our goodwill, operations and profitability. Please see the chapter “*Our Business – Intellectual Property*” on page 106 of this Draft Prospectus, in relation to the trademarks used by our Company.

If the trademark license agreement is terminated, we may need to change our name, trade mark / service mark or the logo. Any such change could require us to incur additional costs and may adversely impact our goodwill, business prospects and results of operations.

While we only use intellectual property pursuant to the sub-license agreement with our Promoter, we may become subject to claims by third parties if we use slogans, names, designs, software or other such subjects in breach of any intellectual property rights registered by such third party. Any legal proceedings pursuant to such claims, or settlements thereunder, may divert management attention and require us to pay financial compensation to such third parties, as well as compel us to change our marketing strategies or brand names of our products and services, which could adversely affect our business, prospects, results of operation and financial condition.

24. ***Our operations could be adversely affected by strikes or demands by our employees or any other kind of disputes with our employees***

As of June 30, 2023, we employed 5,240 personnel across our operations. Although, we have not experienced any material employee unrest in the recent past, however we cannot assure you that we will not experience disruptions in work due to disputes or other problems with our work force, which may adversely affect our ability to continue our business operations. Any employee unrest directed against us, could directly or indirectly prevent or hinder our normal operating activities, and, if not resolved in a timely manner, could lead to disruptions in our operations. Such employee actions are difficult or impossible for us to predict or control and any such event could adversely affect our business, results of operations and financial condition.

Further, we are subject to several labour laws and regulations that change periodically, and we cannot assure you that we will continue to be able to comply with such laws and regulations in the future. Any non-compliance by us in the future may adversely affect our business, financial condition and results of operations.

25. ***Majority of our premises where our branch offices are located are not owned by us. Any termination or failure by us to renew the lease and license agreements in a favourable and timely manner, or at all, could adversely affect our business and results of operations.***

As of June 30, 2023, our Company has 332 branches across India. At present, majority of our branch offices are not owned by us. All such non-owned properties are leased or licensed to us. If the owners of these properties do not renew the agreements under which we occupy the premises or only agree to renew such agreements on terms and conditions that are unacceptable to us, or if the owners of such premises withdraw their consent to our occupancy, our operations may suffer a temporary disruption. We may be unable to locate suitable alternate facilities on favorable terms, or at all, and this may have a material adverse effect on our business, results of operations, financial condition and cash flows.

26. ***Our statutory auditors have highlighted certain matters of emphasis in their audit reports relating to our Audited Financial Statements, which may affect our future financial results***

For the Financial Year ended March 31, 2022, our Previous Joint Statutory Auditors have referred to emphasis of matter in their audit report dated May 11, 2022 for Financial Years 2022, as set out below:

Financial Year 2022:

“The COVID -19 pandemic continues to spread across the globe and India, which has contributed to a significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. The financial results, includes the potential impact of the COVID-19 pandemic on the Company’s financial results which are dependent on future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether Government mandated or elected by the Company and its subsequent impact on the recoverability’s on the Company’s assets. The Company has, based on current available information and based on the policy approved by the Board, determined the provision for impairment of financial assets including the additional overlay for uncertainty over the potential macro-economic impact of the pandemic.

Based on the current indicators of future economic conditions, the Company considers this provision to be adequate and expects to recover the carrying amount of these financial assets. Given the uncertainty over the potential macro-economic condition, the impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions”

For the Financial Year 2021, our Previous Statutory Auditors have referred to emphasis of matter in their audit report dated May 13, 2021 for Financial Years 2021, as set out below:

Financial Year 2021:

“Methodology for estimation of additional expected credit loss provision for COVID-19

The COVID -19 pandemic continues to spread across the globe and India, which has contributed to a significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. The financial results, includes the potential impact of the COVID-19 pandemic on the Company’s financial results which are dependent on future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the second wave of COVID-19 pandemic and any action to contain its spread

or mitigate its impact whether Government mandated or elected by the Company and its subsequent impact on the recoverability's on the Company's assets. The Company has, based on current available information and based on the policy approved by the Board, determined the provision for impairment of financial assets including the additional overlay for uncertainty over the potential macro - economic impact of the pandemic.

Based on the current indicators of future economic conditions, the Company considers this provision to be adequate and expects to recover the carrying amount of these financial assets. Given the uncertainty over the potential macro-economic condition, the impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.”

There can be no assurance that any similar emphasis of matters will not form part of our financial statements for the future fiscal periods, which could subject us to additional liabilities due to which our reputation and financial condition may be adversely affected.

27. ***We have contingent liabilities and our financial condition could be adversely affected if any of these contingent liabilities materialise.***

The following table sets forth our Company's contingent liabilities as per Ind AS 37:

(₹ in crore)	
Contingent liabilities	As of March 31, 2023
Disputed Income Tax Liability	40.8
Disputed Service Tax Liability	0.7
Claims against the Company not acknowledged as debts	7.7
Corporate guarantees, Guarantee on Overdraft, Letter of credit and Letter of comfort given by the Company on behalf of the clients	80.1
Total	129.3

Note: Interest and consequential changes, if any arising on settlement of those contingent liabilities are not ascertainable.

We cannot assure you that we will not incur similar or increased levels of contingent liabilities in the future. If any of these contingent liabilities materialise, our financial condition and results of operation may be adversely affected. For further details on our contingent liabilities, see also “Financial Statements” on page 286.

28. ***We may experience difficulties in geographically expanding our business and the products offered. We may also face difficulties and incur additional expenses in operating in rural and semi-urban markets, where infrastructure may be limited.***

Our Company has experienced geographical expansion over the past few years. As of June 30, 2023, our Company has 332 branches in multiple cities across India including 150 branches at One ABC Locations. However, our Company's past growth is not indicative of our future performance or potential growth.

We cater to customers in semi-urban, tier-II and tier-III markets, which may have limited infrastructure, particularly for transportation and electricity. At our branches in remote markets, we may face difficulties in conducting operations, such as accessing power facilities, transporting people and equipment, and implementing technology measures. We may also face increased costs in conducting our business and operations in these markets, such as network costs. We cannot make assurances that such costs will not increase in the future as we expand our network in rural and semi-urban markets, which could adversely affect our profitability.

29. ***We have in the past entered into related-party transactions and may continue to do so in the future, which may potentially involve conflicts of interest.***

We have entered into certain transactions with related parties and are likely to continue to do so in the future. Although all such related-party transactions are at arm's length, as required under the Companies Act and SEBI Listing Regulations. We cannot assure you that such transactions, individually or in aggregate, will not have an adverse effect on our financial condition and results of operations or that we could not have achieved more favourable terms if such transactions had not been entered into with related parties. Such related-party transactions may potentially involve conflicts of interest which may be detrimental to our interest and we cannot assure you that such transactions, individually or in the aggregate, will always be in the best interests of our minority shareholders and will not have an adverse effect on our business, financial condition and results of operations. For further details, see also “Financial Statements” on page 286.

30. ***The statistical and industry data in the Draft Prospectus is derived from the RBI Bulletin August 2023 and the ICRA Reports which are not exhaustive and is based on certain assumptions, parameters and conditions.***

The industry and market information contained in this Draft Prospectus includes information that is derived from the Reserve Bank of India Bulletin - August 2023 (Volume LXXVII Number 8) and a reports entitled 'Non-banking Financial Companies: Well-placed for strong performance in FY2024 as well' dated July 2023 and 'NBFC-Infrastructure Finance Companies: Earnings profile improves, driven by better asset quality: Entities well-poised for growth' dated April 2023 prepared by an independent third-party research agency, ICRA Limited. The report uses certain methodologies for market sizing and forecasting and may include numbers relating to us that differ from those we record internally. While we believe such information to be true, we cannot assure you that such information is complete or reliable. Given the scope and extent of the reports, disclosures herein are limited to certain excerpts and the reports have not been reproduced in their entirety in this Draft Prospectus. There are no parts, data or information (which may be relevant for the Issue) that have been left out or changed in any manner. Accordingly, investors should read the industry-related disclosure in this Draft Prospectus in this context.

Industry sources and publications are also prepared based on information as of specific dates and may no longer be current or reflect current trends. Industry sources and publications may also base their information on estimates, projections, forecasts and assumptions. Due to possibly flawed or ineffective collection methods or discrepancies between published information and market practice and other problems, the statistics herein may be inaccurate or may not be comparable to statistics produced for other economies and should not be unduly relied upon. Statements from third parties that involve estimates are subject to change, and actual amounts may differ from those included in this Draft Prospectus. While these industry sources and publications may take care and caution while preparing their reports, they do not guarantee the accuracy, adequacy or completeness of the data. Accordingly, investors should not place undue reliance on, or base their investment decision solely on this information.

31. ***Our retail lending business involves transactions with certain relatively high-risk borrowers. Any default from our customer could adversely affect our business, results of operations, financial conditions, and cash flows.***

The products under our retail lending business are primarily provided to individual customers, including such customers that are self-employed or employed in the informal sectors. Although we use a technologically enabled internal proprietary scorecard system, however, to the extent that there is limited financial information available for our focus customer groups and customers do not have any credit history supported by tax returns, bank or credit card statements, statements of previous loan exposures or other related documents, it may be difficult to carry out credit risk analyses on them. As a result, such customers may pose a higher risk of default than customers with greater financial resources and more established credit histories and customers living in urban areas with better access to education, formal employment opportunities and social services. The focus customer group for our retail lending business are customers in Tier 2, Tier 3 and Tier 4 cities as well as other towns in India. Our customers generally have limited sources of income, savings, and credit histories. As a result, our customers potentially present a higher risk of loss in case of a credit default compared to that of borrowers in other asset-backed financing products. Such loss in case of a credit default could adversely affect our business and results of operations.

32. ***Our Company is exposed to operational risks, including employee negligence, petty theft, burglary, embezzlement and fraud by employees, agents, customers or third parties, which could harm our Company's results of operations and financial position.***

Our Company is exposed to many types of operational risks. Operational risks can result from a variety of factors, including failure to obtain proper internal authorizations, improperly documented transactions, failure of operational and information security procedures, computer systems, software or equipment, fraud, inadequate training and employee errors. In addition, some of our Company's transactions expose it to the risk of misappropriation or unauthorized transactions by its employees and fraud by its employees, agents, customers or third parties. Our Company's insurance policies, security systems and measures undertaken to detect and prevent these risks may not be sufficient to prevent or deter such activities in all cases which may adversely affect our Company's operations and profitability. Furthermore, our Company may be subject to regulatory or other proceedings in connection with any unauthorized transaction, fraud or misappropriation by its representatives and employees which could adversely affect its goodwill.

33. ***This Draft Prospectus includes certain unaudited financial information, which has been subjected to limited review, in relation to our Company. Reliance on such information should, accordingly, be limited.***

This Draft Prospectus includes certain unaudited financial information in relation to our Company, for the quarter ended June 30, 2023, in respect of which the Previous Joint Statutory Auditors of our Company have issued their Limited Review Report dated July 31, 2023. As this financial information has been subject only to limited review as

required under regulation 52(2) of SEBI Listing Regulations and as described in Standard on Review Engagements (SRE) 2410, “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*” issued by the Institute of Chartered Accountants of India, and not to an audit. Accordingly, reliance by prospective investors to the Issue on such unaudited financial information shall be limited.

34. ***If we fail to identify, monitor and manage risks and effectively implement our risk management policies, it could have a material adverse effect on our business, financial condition, results of operations and cash flows***

We have devoted resources to develop our risk management policies and procedures and aim to continue to do so in the future. For details, see “*Our Business – Description of our Business – Risk Management*” on page 104. Despite this, our policies and procedures to identify, monitor and manage risks of fraud, money laundering, any other credit, operational or other risks may not be fully effective. Further, some of our methods of managing risks are based upon the use of observed historical market behavior. As a result, these methods may not accurately predict future risk exposures, which could be significantly greater than those indicated by the historical measures. To the extent any of the instruments and strategies we use to hedge or otherwise manage our exposure to market or credit risk are not effective, we may not be able to effectively mitigate our risk exposures in particular market environments or against particular types of risk. If we fail to effectively implement our risk management policies, it could materially adversely affect our business, financial condition, results of operations and cash flows.

35. ***We have included certain Non-GAAP measures related to our operations and financial performance in this Draft Prospectus. Such Non-GAAP measures may vary from any standard methodology that is applicable across the financial services industry and may not be comparable with the financial or operational information of similar nomenclature computed and represented by other companies.***

This Draft Prospectus includes certain non-GAAP measures, including, *inter alia*, net worth, disbursements, AUM, Bad Debts to Loans, Total Debts to Total Assets, etc, for further details, please see “*Our Business - Key Operational and Financial Parameters*” on page 95 which are a supplemental measure of our performance and liquidity that is not required by, or presented in accordance with, Ind AS, Indian GAAP, IFRS or US GAAP. We consider these non-GAAP measures useful in evaluating our business and financial performances. However, these non-GAAP measures are not alternatives to any measure of performance or liquidity or as an indicator of our operating performance or liquidity. They should not be considered in isolation or construed as an alternative to cash flows, profit/ (loss) for the year or any other measure of financial performance or as an indicator of our operating performance, liquidity, profitability or cash flows generated by operating, investing or financing activities derived in accordance with Ind AS, Indian GAAP, IFRS or US GAAP. There are no standard methodologies in the industry for computing such measures, and those non-GAAP measures we included in this Draft Prospectus may not be comparable to similarly titled measures presented by other companies. Other companies may calculate similarly titled measures differently, limiting their usefulness as comparative measures to our data. We encourage investors and others to review our financial information in its entirety and not rely on a single financial measure.

36. ***The objects of the Issue have not been appraised by any bank or financial institution. Further, we have not entered into any definitive agreements to utilise a substantial portion of the net proceeds of the Issue. Our funding requirements and proposed deployment of the Net Proceeds are based on management estimates and may be subject to change based on various factors, some of which are beyond our control.***

We intend to use the Net Proceeds of the Issue for the purpose of onward lending, financing and for repayment of interest and principal of existing borrowings of our Company and general corporate purposes, as described in “*Objects of the Issue*” on page 54. At this stage, we cannot determine with any certainty if we would require the Net Proceeds to fund any other expenditure or any exigencies arising out of changes in our competitive environment, business conditions, economic conditions, or other factors beyond our control.

Our funding requirements and deployment of the Net Proceeds are based on internal management estimates and current market conditions and have not been appraised by any bank or financial institution or other independent agency. It is subject to amendment due to changes in external circumstances, costs, other financial condition or business strategies. We operate in a highly competitive and dynamic industry and may need to revise our estimates from time to time based on changes in external circumstances or costs, or changes in other financial conditions, business or strategy. This may entail rescheduling, revising or cancelling planned expenditure and funding requirements at our discretion. Any variation in the utilisation of the Net Proceeds or in the terms of the conditions as disclosed in this Draft Prospectus would be subject to certain compliance requirements, including prior shareholders’ approval. For details, see “*Objects of the Issue*” on page 54. Additionally, various risks and uncertainties, including those set forth in this “*Risk Factors*” section, may limit or delay our efforts to use the Net Proceeds to achieve profitable growth.

37. ***We are dependent on government institutions and agencies to register our collateral/ charge. Our inability to register the collateral for the loans we disburse or create a charge on the assets we finance could adversely affect our business and results of operations.***

As a NBFC, creation of charge on assets that we finance is critical for our operations. For instance, in the loan against property category, we are dependent on the relevant sub-registrar's office to register the property and create a charge on the property. Processes at such sub-registrar's offices are manual and property documentation is yet to be digitized. Further, we are also required to register any charges created with the Central Registry of Securitization Asset Reconstruction and Security Interest of India. If customers whose properties are yet to be registered, default on their obligations, we face a risk of loan losses and our business, financial condition, results of operations and cash flows could be adversely affected.

Risks relating to the Issue and the NCDs

38. ***Credit ratings may not reflect all risks. Any downgrading in credit rating of our NCDs may adversely affect the value of NCDs and thus our ability to raise further debts.***

The NCDs proposed to be issued pursuant to this Issue have been rated IND AAA Outlook Stable by India Ratings & Research Private Limited for an amount of up to ₹5,000 crores by way of its letter dated August 30, 2023 and rated [ICRA]AAA (Stable) by ICRA Limited for an amount of up to ₹5,000 crores by way of its letter dated July 28, 2023 (and revalidation letter dated August 25, 2023). Credit rating may not reflect the potential impact of all risks related to structure, market, additional factors discussed here, and other factors that may affect the value of the NCDs.

The rating provided by ICRA and India Ratings may be suspended, withdrawn or revised at any time by the assigning rating agency and should be evaluated independently of any other rating. These ratings are not a recommendation to buy, sell or hold securities and investors should take their own decisions.

Please refer to page 287 and 288 of this Draft Prospectus for rating letters and rationale for the above rating.

39. ***Changes in interest rate may affect the price of our NCDs. Any increase in rate of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the price of our NCDs.***

All securities where a fixed rate of interest is offered, such as our NCDs, are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e., when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the price of our NCDs.

40. ***Security on our NCDs may rank pari passu with our Company's secured indebtedness in the future.***

Substantially, all of our Company's current assets represented by the receivables are being used to secure our Company's debt. As of June 30, 2023, our Company's secured borrowings was ₹63,815.3 crore. While the security on our NCDs is exclusive as of the date of this Draft Prospectus, the terms of the NCDs do not prevent our Company from incurring additional debt subject to maintenance of minimum-security cover.

41. ***You may not be able to recover, on a timely basis or at all, the full value of the outstanding amounts and/or the interest accrued thereon in connection with the NCDs. Failure or delay to recover the expected value from a sale or disposition of the assets charged as security in connection with the NCDs could expose you to a potential loss.***

Our ability to pay interest accrued on the NCDs and/or the principal amount outstanding from time to time in connection therewith would be subject to various factors inter-alia including our financial condition, profitability and the general economic conditions in India and in the global financial markets. We cannot assure you that we would be able to repay the principal amount outstanding from time to time on the NCDs and/or the interest accrued thereon in a timely manner or at all. Although our Company will create appropriate security in favour of the Debenture Trustee for the NCD holders on the assets adequate to ensure at least 100% security cover for the NCDs at the time of allotment of NCDs, which shall be free from any encumbrances, any decrease in assets provided as security in future might result in Company not meeting the security cover stipulated as per the respective term sheet. This can adversely affect ability of our Company to meet its payment obligations. Further, the realisable value of the assets charged as security, when liquidated, may be lower than the outstanding principal and/or interest accrued thereon in connection with the NCDs.

While the debenture is secured against a charge to the tune of at least 100% of the principal and unpaid interest amount in favour of debenture trustee, and it is the duty of the debenture trustee to monitor that the security is maintained,

however, the possibility of recovery of 100% of the amount shall depend on the market scenario prevalent at the time of enforcement of the security.

A failure or delay to recover the expected value from a sale or disposition of the assets charged as security in connection with the NCDs could expose you to a potential loss.

42. ***There may be no active market for the NCDs on the retail debt market/capital market segment of the Stock Exchanges. As a result, the liquidity and market prices of the NCDs may fail to develop and may accordingly be adversely affected.***

There can be no assurance that an active market for the NCDs will develop. If an active market for the NCDs fails to develop or be sustained, the liquidity and market prices of the NCDs may be adversely affected. The market price of the NCDs would depend on various factors inter alia including (i) the interest rate on similar securities available in the market and the general interest rate scenario in the country, (ii) the market for listed debt securities, (iii) general economic conditions, and (iv) our financial performance, growth prospects and results of operations. The aforementioned factors may adversely affect the liquidity and market price of the NCDs, which may trade at a discount to the price at which you purchase the NCDs and/or be relatively illiquid.

43. ***The rights over the security provided will not be granted directly to holders of the NCDs.***

The rights over the security securing the obligations of our Company under the NCDs and the Trust Deed will not be granted directly to the NCD holders but will be granted only in favour of the Debenture Trustee. Consequently, NCD holders will not have direct security and will not be entitled to take enforcement action in respect of the security for the NCDs, except through the Debenture Trustee.

44. ***Payments to be made on the NCDs will be subordinated to certain tax and other liabilities preferred by law. In the event of bankruptcy, liquidation or winding-up, there may not be sufficient assets remaining to pay amounts due on the NCDs.***

The NCDs will be subordinated to certain liabilities preferred by law such as the claims of the Government on account of taxes, and certain liabilities incurred in the ordinary course of our business. In particular, in the event of bankruptcy, liquidation or winding-up, our Company's assets will be available to pay obligations on the NCDs only after all of those liabilities that rank senior to these NCDs have been paid as per section 327 of the Companies Act, 2013. In the event of bankruptcy, liquidation or winding-up, there may not be sufficient assets remaining to pay amounts due on the NCDs.

45. ***There may be a delay in making refund/ unblocking of funds to Applicants.***

We cannot assure you that the monies refundable to you, on account of (i) withdrawal of your applications, (ii) our failure to receive minimum subscription in connection with the Base Issue, (iii) withdrawal of the Issue, or (iv) failure to obtain the final approval from the BSE and NSE for listing of the NCDs, will be refunded to you in a timely manner. We, however, shall refund / unblock such monies, with the interest due and payable thereon (in case of any delays) as prescribed under applicable statutory and/or regulatory provisions.

46. ***Trading of the NCDs may be limited by temporary exchange closures, broker defaults, settlement delays, strikes by brokerage firm employees and disputes***

The Stock Exchanges have experienced temporary exchange closures, broker defaults, settlement delays and strikes by brokerage firm employees. In addition, the governing bodies of the Stock Exchanges have from time to time imposed restrictions on trading in certain securities, limitations on price movements and margin requirements. Furthermore, from time to time, disputes have occurred between listed companies and Stock Exchanges and other regulatory bodies, which in some cases may have had a negative effect on market sentiment.

47. ***The Issuer being a NBFC is not required to maintain a debenture redemption reserve ("DRR").***

We are a registered NBFC in terms of the NBFC-ND-SI Directions. Pursuant to the amendment to the Companies (Share Capital and Debentures) Rules, 2014 read with Rule 16 of the SEBI NCS Regulations, any non-banking finance company registered with Reserve Bank of India under section 450IA of the RBI Act, 1934 that intends to issue debentures to the public are no longer required to create a DRR for the purpose of redemption of the NCDs. Hence, investors shall not have the benefit of reserve funds to cover the re-payment of the principal and interest on the NCDs.

48. ***There is no assurance that the NCDs issued pursuant to the Issue will be listed on Stock Exchanges in a timely manner or at all.***

In accordance with Indian law and practice, permission for listing and trading of the NCDs issued pursuant to the Issue will not be granted until after the NCDs have been issued and allotted. Approval for listing and trading will require all relevant documents to be submitted and carrying out necessary procedures with the Stock Exchanges. There could be a failure or delay in listing the NCDs on the Stock Exchanges for reasons unforeseen. If permission to deal in and for an official quotation of the NCDs is not granted by the Stock Exchanges, our Company will forthwith repay, with interest, all monies received from the Applicants in accordance with prevailing law in this context, and pursuant to this Draft Prospectus. There is no assurance that the NCDs issued pursuant to the Issue will be listed on Stock Exchanges in a timely manner, or at all.

49. ***Legal investment considerations may restrict certain investments.***

The investment activities of certain investors are subject to investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its own legal adviser to determine whether and to what extent (i) the NCDs are legal investments for it, (ii) the NCDs can be used as collateral for various types of borrowings; and (iii) other restrictions apply to its purchase or pledge of the NCDs.

50. ***The Security may be insufficient to redeem the NCDs.***

The NCDs to be issued pursuant to the Issue will be secured by creating a pari-passu charge over the Receivables of our Company, created in favour of the Debenture Trustee, to the extent of 1.00 times of the amount outstanding towards principal and interest payable on NCDs. In the event that our Company is unable to meet its payment and other obligations towards investors under the terms of the NCDs, the Debenture Trustee may enforce the Security in respect of the NCDs as per the terms of security documents, and other related documents. The Debenture Holder(s)' recovery in relation to the NCDs will be subject to (i) the market value of the security, (ii) finding willing buyers for the security at a price sufficient to repay the amount payable to Debenture Holder(s)' under the NCDs. The value realized from the enforcement of the transaction security may be insufficient to redeem the NCDs.

There may be fluctuations in the market values of the assets over which security has been provided by our Company, which could affect our Company's liquidity and reduce our Company's ability to enforce the security in terms of Security Documents, and consequently affect our Company's result of operations and financial condition. Our Company may not accurately identify changes in the value of assets over which security has been provided caused by changes in market prices, and our Company's assessments, assumptions or estimates may prove inaccurate.

EXTERNAL RISKS

Risks Relating to India

51. ***Political, economic or other factors that are beyond our control may have an adverse effect on our business and results of operations.***

The Indian economy and capital markets are influenced by economic, political and market conditions in India and globally. We are incorporated in India, and all of our assets and employees are located in India. As a result, the performance and growth of our business are necessarily dependent on economic conditions prevalent in India, which may be adversely affected by central or state political instability or regional conflicts, a general rise in interest rates, inflation, global instability and economic slowdown elsewhere in the world or otherwise. The following external risks may have an adverse impact on our business and results of operations, should any of them materialise:

- increase in interest rates may adversely affect our access to capital and increase our borrowing costs, which may constrain our ability to grow our business and operate profitably;
- political instability, resulting from a change in governmental or economic and fiscal policies, may adversely affect economic conditions in India. In recent years, India has implemented various economic and political reforms. Reforms in relation to land acquisition policies and trade barriers have led to increased incidents of social unrest in India over which we have no control;
- change in the government or a change in the economic and deregulation policies could adversely affect economic conditions prevalent in the areas in which we operate in general and our business in particular;
- civil unrest, acts of violence, terrorist attacks, regional conflicts or situations or war;

- India has experienced epidemics, and natural calamities such as earthquakes, tsunamis, floods, and drought in recent years;
- other significant regulatory or economic developments in or affecting India or its financial services sectors; and
- contagious diseases such as the COVID-19 pandemic, the pathogenic H7N9, H5N1 and H1N1 strains of influenza in birds and swine. Future outbreaks of COVID-19, avian or swine influenza or a similar contagious disease could adversely affect the Indian economy and economic activity in the region.

Any slowdown or perceived slowdown in the Indian economy, or in specific sectors of the Indian economy, could adversely affect our business, results of operations and financial condition. Our performance and the growth of our business depend on the overall performance of the Indian economy as well as the economies of the regional markets in which we operate.

52. ***If the rate of inflation in India increases, our financial condition and results of operations may be adversely affected.***

Inflation rates could be volatile, and we may face high inflation in the future as India has experienced consistently high inflation, which has increased interest rates and increased costs to our business, including finance costs as well as costs of salaries and other expenses relevant to our business. Further, high inflation leading to higher interest rates may also lead to a slowdown in the economy and adversely impact credit growth. Consequently, we may also be affected and fall short of business growth and profitability.

High fluctuations in inflation rates may make it more difficult for us to accurately estimate or control our costs. Any increase in inflation in India can increase our operating expenses, which we may not be able to pass on to our customers, whether entirely or in part, and the same may adversely affect our business and financial condition.

While the Government of India through the RBI has previously initiated economic measures to combat high inflation rates, it is unclear whether these measures will remain in effect, and there can be no assurance that Indian inflation levels will not rise in the future. As a result, high inflation in India could have a material adverse effect on our financial condition and results of operations.

53. ***Changing laws, rules and regulations and legal uncertainties, including tax laws and regulations, may adversely affect our business, results of operation and prospects and could lead to new compliance requirements that are uncertain.***

The regulatory and policy environment in which we operate is evolving and subject to change. Such changes, including the instances mentioned below, may adversely affect our business, results of operations and prospects, to the extent that we are unable to suitably respond to and comply with any such changes in applicable law and policy. For example:

- The Government of India announced the Union Budget for Financial Year 2023 (“**Budget 2023**”), pursuant to which the Finance Bill 2023 has proposed various amendments. The Finance Bill 2023 has received assent from the President of India on March 31, 2023 and has been enacted as the Finance Act 2023. We have not fully determined the impact of these recent and proposed laws and regulations on our business. We cannot predict whether any amendments proposed by the Finance Act, 2023 will have an adverse effect on our business, financial condition and results of operations. Unfavourable changes in or interpretations of existing, or the promulgation of new, laws, rules and regulations including foreign investment and stamp duty laws governing our business and operations could result in us being deemed to be in contravention of such laws and may require us to apply for additional approvals.
- On September 2, 2022, the RBI issued the ‘Guidelines on Digital Lending’ following the ‘Recommendations of the Working Group on Digital Lending – Implementation’ (the “**Recommendations**”) issued by the RBI on August 10, 2022. Our Company is engaged in digital lending within the meaning of the Guidelines on Digital Lending. On June 8, 2023, the RBI issued the ‘Guidelines on Default Loss Guarantee’ (“**DLG Guidelines**”) in Digital Lending. The DLG Guidelines is applicable to our Company. Failure to comply with the obligations in a timely manner may lead to imposition of penalties, and/or other regulatory action being taken by the RBI against us, which may adversely affect our business operations.
- In India, the Supreme Court, in a judgment delivered on 24 August 2017, has held that the right to privacy is a fundamental right. Following this judgment, the Government of India on August 11, 2023 enacted the Digital Personal Data Protection Act, 2023 (“**Act**”) on personal data protection for implementing

organizational and technical measures in processing personal data and laid down norms for cross-border transfer of personal data and to ensure the accountability of entities processing personal data. Failure to comply with the obligations in a timely manner under the Act may lead to imposition of penalties, and/or other regulatory action against us, which may adversely affect our Company and may impact our processes.

Unfavourable changes in or interpretations of existing, or the promulgation of new, laws, rules and regulations including foreign investment and stamp duty laws governing our business and operations could result in us being deemed to be in contravention of such laws and may require us to apply for additional approvals. We may incur increased costs and other burdens relating to compliance with such new requirements, which may also require significant management time and other resources, and any failure to comply may adversely affect our business, results of operations and prospects. Uncertainty in the application, interpretation or implementation of any amendment to, or change in, governing law, regulation or policy, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may impact the viability of our current business or restrict our ability to grow our businesses in the future.

54. ***Any volatility in exchange rates may lead to a decline in India's foreign exchange reserves and may affect liquidity and interest rates in the Indian economy, which could adversely impact us.***

Foreign inflows into India have remained extremely volatile responding to concerns about the domestic macroeconomic landscape and changes in the global risk environment. The widening current account deficit has been attributed largely to the surge in gold and oil imports. Further, increased volatility in foreign flows may also affect monetary policy decision making.

55. ***Any downgrading of India's debt rating by an international rating agency could have a negative impact on our business.***

India's sovereign debt rating could be downgraded due to several factors, including changes in tax or fiscal policy or a decline in India's foreign exchange reserves, all which are outside our control. Any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may adversely impact our ability to raise additional external financing, and the interest rates and other commercial terms at which such additional financing is available. This could have an adverse effect on our business and future financial performance and our ability to obtain financing for capital expenditures.

56. ***We may be affected by competition law in India and any adverse application or interpretation of the Competition Act could in turn adversely affect our business.***

The Competition Act, 2002, as amended (the "**Competition Act**") was enacted for the purpose of preventing practices that have or are likely to have an adverse effect on competition ("**AAEC**") in certain markets in India and has mandated the Competition Commission of India (the "**CCI**") to separate such practices. Under the Competition Act, any arrangement, understanding or action, whether formal or informal, which causes or is likely to cause an AAEC is deemed void and attracts substantial penalties.

Further, any agreement among competitors which directly or indirectly involves determination of purchase or sale prices, limits or controls production, or shares the market by way of geographical area or number of customers in the relevant market is presumed to have an appreciable adverse effect on competition in the relevant market in India and shall be void. Further, the Competition Act prohibits abuse of dominant position by any enterprise. If it is proved that the contravention committed by a company took place with the consent or connivance or is attributable to any neglect on the part of, any director, manager, secretary or other officer of such company, that person shall be guilty of the contravention and liable to be punished.

On March 4, 2011, the Government notified and brought into force the combination regulation (merger control) provisions under the Competition Act which came into effect from June 1, 2011. These provisions require acquisitions of shares, voting rights, assets or control or mergers or amalgamations that cross the prescribed asset and turnover based thresholds to be mandatorily notified to and pre-approved by the CCI. Additionally, on May 11, 2011, the CCI issued the Competition Commission of India (Procedure for Transaction of Business Relating to Combinations) Regulations, 2011, as amended, which sets out the mechanism for implementation of the merger control regime in India.

Further, on April 3, 2023, the Government notified Competition (Amendment) Act, 2023 which has *inter alia*, proposed the introduction of deal value thresholds for assessing whether a merger or acquisition qualifies as a "combination", expedited merger review timelines, codification of the lowest standard of "control" and enhanced penalties for providing false information or a failure to provide material information.

The Competition Act aims to, among others, prohibit all agreements and transactions which may have an AAEC in India. Consequently, all agreements entered into by us could be within the purview of the Competition Act. Further, the CCI has extra-territorial powers and can investigate any agreements, abusive conduct or combination occurring outside India if such agreement, conduct or combination has an AAEC in India. The impact of the provisions of the Competition Act on the agreements entered into by us cannot be predicted with certainty at this stage. However, if we pursue an acquisition driven growth strategy, we may be affected, directly or indirectly, by the application or interpretation of any provision of the Competition Act, any enforcement proceedings initiated by the CCI, any adverse publicity that may be generated due to scrutiny or prosecution by the CCI, or any prohibition or substantial penalties levied under the Competition Act, which would adversely affect our business, results of operations, cash flows and prospects.

57. ***India's existing credit information infrastructure may cause increased risks of loan defaults.***

Our business is located in India. India's existing credit information infrastructure may pose problems and difficulties in running a robust credit check on our borrowers. We may also face difficulties in the due diligence process relating to our customers or to any security or collateral we take in relation to our loans. We may not be able to run comprehensive searches relating to the security or collateral we take in relation to our loans and there are no assurances that any searches we undertake will be accurate or reliable. Hence, our overall credit analysis could be less robust as compared to similar transactions in more developed economies. Any inability to undertake a comprehensive due diligence or credit check might result in an increase in our Stage 3 Assets and we may have to increase our provisions correspondingly. Any of the foregoing may have a material adverse effect on our business, financial condition, result of operations and cash flows.

58. ***Our ability to raise foreign debt capital may be constrained by Indian law.***

As an Indian company, we are subject to exchange controls that regulate borrowing in foreign currencies. Such regulatory restrictions limit our financing sources and could constrain our ability to obtain financings on competitive terms and refinance existing indebtedness. In addition, we cannot assure you that any required regulatory approvals for borrowing in foreign currencies will be granted to us without onerous conditions, or at all. Limitations on foreign debt may have an adverse effect on our business growth, financial condition and results of operations.

59. ***Investors may have difficulty in enforcing foreign judgments against us or our management.***

We are a limited liability company incorporated under the laws of India. Our directors and executive officers are residents of India. All of our assets are located in India. As a result, it may be difficult for investors to effect service of process upon us or such persons in India or to enforce judgments obtained against us or such parties outside India.

India is not a party to any international treaty in relation to the recognition or enforcement of foreign judgments. India has reciprocal recognition and enforcement of judgments in civil and commercial matters with a limited number of jurisdictions, including the United Kingdom, Singapore, UAE, and Hong Kong. A judgment from certain specified courts located in a jurisdiction with reciprocity must meet certain requirements of the Code of Civil Procedure, 1908, as amended ("**Civil Procedure Code**"). The United States has not been notified as a reciprocating territory.

In order to be enforceable, a judgment obtained in a jurisdiction which India recognizes as a reciprocating territory must meet certain requirements of the Civil Procedure Code. Section 13 of the Civil Procedure Code provides that foreign judgments shall be conclusive regarding any matter directly adjudicated on except (i) where the judgment has not been pronounced by a court of competent jurisdiction, (ii) where the judgment has not been given on the merits of the case, (iii) where it appears on the face of the proceedings that the judgment is founded on an incorrect view of international law or refusal to recognize the law of India in cases to which such law is applicable, (iv) where the proceedings in which the judgment was obtained were opposed to natural justice, (v) where the judgment has been obtained by fraud or (vi) where the judgment sustains a claim founded on a breach of any law then in force in India. Under the Civil Procedure Code, a court in India shall, on the production of any document purporting to be a certified copy of a foreign judgment, presume that the judgment was pronounced by a court of competent jurisdiction, unless the contrary appears on record; such presumption may be displaced by proving want of jurisdiction. The Civil Procedure Code only permits the enforcement of monetary decrees, not being in the nature of any amounts payable in respect of taxes, or other charges of a like nature or in respect of a fine or other penalty and does not provide for the enforcement of arbitration awards even if such awards are enforceable as a decree or judgment. A foreign judgment rendered by a superior court (as defined under the Civil Procedure Code) in any jurisdiction outside India which the Government of India has by notification declared to be a reciprocating territory, may be enforced in India by proceedings in execution as if the judgment had been rendered by a competent court in India. Judgments or decrees from jurisdictions which do not have reciprocal recognition with India cannot be enforced by proceedings in execution in India. Therefore, a final judgment for the payment of money rendered by any court in a non-reciprocating territory for civil liability, whether or not predicated solely upon the general laws of the non-reciprocating territory, would not

be enforceable in India. Even if an investor obtained a judgment in such a jurisdiction against us, our officers or directors, it may be required to institute a new proceeding in India and obtain a decree from an Indian court.

However, the party in whose favour such final judgment is rendered may bring a new suit in a competent court in India based on a final judgment that has been obtained in the United States or other such jurisdiction within three years of obtaining such final judgment. It is unlikely that an Indian court would award damages on the same basis as a foreign court if an action is brought in India. Moreover, it is unlikely that an Indian court will award damages to the extent awarded in a final judgment rendered outside India if it believes that the amount of damages awarded were excessive or inconsistent with public policy in India. In addition, any person seeking to enforce a foreign judgment in India is required to obtain the prior approval of the RBI to repatriate any amount recovered, and we cannot assure that such approval will be forthcoming within a reasonable period of time, or at all, or that conditions of such approvals would be acceptable. Such amount may also be subject to income tax in accordance with applicable law.

Consequently, it may not be possible to enforce in an Indian court any judgment obtained in a foreign court, or effect service of process outside of India, against Indian companies, entities, their directors and executive officers and any other parties resident in India. Additionally, there is no assurance that a suit brought in an Indian court in relation to a foreign judgment will be disposed of in a timely manner.

Credit Rating, Rationale, Revalidated Letter and Press Release

The NCDs proposed to be issued pursuant to this Issue have been rated IND AAA Outlook Stable by India Ratings & Research Private Limited for an amount of up to ₹5,000 crores by way of its letter dated August 30, 2023 and rated [ICRA]AAA (Stable) by ICRA Limited for an amount of up to ₹5,000 crores by way of its letter dated July 28, 2023 (and revalidation letter dated August 25, 2023). Ratings issued by India Ratings & Research Private Limited and ICRA Limited are valid as on the date of this Draft Prospectus and will continue to be valid for the life of the instrument unless withdrawn or reviewed. Instruments with this rating are considered to have adequate degree of safety regarding timely servicing of financial obligations. Such instruments carry low credit risk. The rating provided by India Ratings & Research Private Limited and ICRA Limited may be suspended, withdrawn or revised at any time by the assigning rating agency and should be evaluated independently of any other rating. These ratings are not a recommendation to buy, sell or hold securities and investors should take their own decisions. For the rationale, revalidated letters and press release for these ratings, see “Annexure B” and “Annexure C” of this Draft Prospectus, beginning on page 287 and 288 respectively.

Disclaimer clause of India Ratings

Users of IRRPL ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information India Ratings relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its ratings India Ratings must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not

anticipated at the time a rating was issued or affirmed.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. The Rating Agency shall neither construed to be nor acting under the capacity or nature of an 'expert' as defined under Section 2(38) of the Companies Act, 2013. India Ratings is not your advisor, nor is India Ratings providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services. Investors may find India Ratings to be important information, and India Ratings notes that you are responsible for communicating the contents of this letter, and any changes with respect to the rating, to investors.

Disclaimer clause of ICRA

All information contained in the press release has been obtained by ICRA from sources believed by it to be accurate and reliable. Although reasonable care has been taken to ensure that the information therein is true, such information is provided 'as is' without any warranty of any kind, and ICRA in particular, makes no representation or warranty, express or implied, as to the accuracy, timeliness or completeness of any such information. All information contained therein must be construed solely as statements of opinion, and ICRA shall not be liable for any losses incurred by users from any use of the press release or its contents. Also, ICRA may provide other permissible services to the Company at arms-length basis.

Impersonation

As a matter of abundant precaution, attention of the investors is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013, relating to punishment for fictitious applications. Section 38(1) of the Companies Act, 2013 provides that:

“Any person who -

- (a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or*
- (b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or*
- (c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under Section 447.”*

The liability prescribed under Section 447 of the Companies Act 2013 for fraud involving an amount of at least ₹10,00,000 or 1.00% of the turnover of our Company, whichever is lower, includes imprisonment for a term which shall not be less than six months extending up to 10 years (provided that where the fraud involves public interest, such term shall not be less than three years) and fine of an amount not less than the amount involved in the fraud, extending up to three times of such amount. In case the fraud involves (i) an amount which is less than ₹10,00,000 or 1.00% of the turnover of our Company, whichever is lower; and (ii) does not involve public interest, then such fraud is punishable with an imprisonment for a term extending up to five years or a fine of an amount extending up to ₹50,00,000 or with both.

Minimum subscription

In terms of the SEBI NCS Regulations for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue Size being ₹750 crores. If our Company does not receive the minimum subscription of 75% of the Base Issue Size being ₹750 crores, prior to the Issue Closing Date, the entire Application Amount shall be unblocked in the relevant ASBA Accounts of the Applicants within eight Working Days from the Issue Closing Date. In the event the Application Amount has been transferred to the Public Issue Account from the respective ASBA Accounts, such Application Amount shall be refunded from the Refund Account to the relevant ASBA Accounts(s) of the Applicants within eight Working Days from the Issue Closing Date. In the event there is delay in unblocking of funds/refunds, our Company shall be liable to repay the money, with interest at the rate of 15 % per annum for the delayed period.

Under Section 39(3) of the Companies Act, 2013 read with Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount is not received within the specified period, the application money received is to be credited only to the bank account from which the subscription was remitted. To the extent possible, where the required information for making such refunds is available with our Company and/or Registrar, refunds will be made to the account prescribed. However, where our Company and/or Registrar does not have the necessary information for making such refunds, our Company and/or Registrar will follow the guidelines prescribed by SEBI in this regard included in the SEBI Master Circular.

Underwriting

This Issue will not be underwritten.

OBJECTS OF THE ISSUE

Issue proceeds

Our Company has filed this Draft Prospectus for a public issue of secured, rated, listed, redeemable, non-convertible debentures of face value of ₹1,000 each (“NCDs”) for an amount up to ₹1,000 crores (“**Base Issue Size**”) with an option to retain oversubscription up to ₹1,000 crores (“**Green Shoe Option**”), aggregating up to 2,00,00,000 NCDs for an aggregate amount of up to ₹2,000 crores (“**Issue Size**” or “**Issue Limit**”).

The Issue is being made pursuant to the provisions of the SEBI NCS Regulations and the Companies Act and the rules made there under. Our Company proposes to utilize the proceeds raised through the Issue, after deducting the Issue related expenses to the extent payable by our Company (“**Net Proceeds**”) towards funding the objects listed under this section.

The details of the proceeds of the Issue are summarized below:

Particulars	Estimated amount (in ₹ crores)
Gross proceeds of the Issue	As will be specified in the Prospectus
Less: Issue related expenses*	As will be specified in the Prospectus
Net Proceeds	As will be specified in the Prospectus

* The above Issue related expenses are indicative and are subject to change depending on the actual level of subscription to the Issue, the number of allottees, market conditions and other relevant factors.

Requirement of Funds and Utilization of Net Proceeds

The following table details the objects of the Issue (collectively, referred to herein as the “**Objects**”) and the amount proposed to be financed from the Net Proceeds:

S. No.	Objects of the Issue	Percentage of amount proposed to be financed from Net Proceeds
1.	Onward lending, financing and for repayment of interest and principal of existing borrowings of our Company [#]	At least 75%
2.	General corporate purposes*	Maximum up to 25%
Total		100%

* The Net Proceeds will be first utilized towards the Objects mentioned above. The balance is proposed to be utilized for general corporate purposes, subject to such utilization not exceeding 25% of the amount raised and allotted in the Issue, in compliance with the SEBI NCS Regulations.

[#] Our Company shall not utilise the proceeds of this Issue towards payment of prepayment penalty, if any.

The main objects clause of the Memorandum of Association of our Company permits our Company to undertake its existing activities as well as the activities for which the funds are being raised through this Issue.

Our Company confirms that for the purpose of this Issue, funding plan will not be applicable.

Summary of the project appraisal report

Our Company confirms that for the purpose of this Issue, summary of the project appraisal report will not be applicable.

Schedule of implementation of the project

Our Company confirms that for the purpose of this Issue, schedule of implementation of the project will not be applicable.

Monitoring and reporting of utilisation of funds

There is no requirement for appointment of a monitoring agency in terms of the SEBI NCS Regulations. The Audit Committee of our Company shall monitor the utilisation of the proceeds of the Issue. Our Company will disclose in our Company's financial statements for the relevant Financial Year commencing from Fiscal 2024, the utilisation of the proceeds of the Issue under a separate head along with details, if any, in relation to all such proceeds of the Issue that have not been utilised thereby also indicating investments, if any, of such unutilized proceeds of the Issue. Our Company shall utilize the proceeds of the Issue only upon the execution of the documents for creation of security and receipt of final listing and trading approval from the Stock Exchanges. Our Company, in accordance with the timeline prescribed in SEBI Listing Regulations, shall submit to the stock exchanges, a statement indicating the utilization of issue proceeds of non-convertible securities, which shall be continued to be given till such time the issue proceeds have been fully utilised or the purpose for which these proceeds were raised has been achieved.

Interim use of proceeds

The management of our Company, in accordance with the policies formulated by it from time to time, will have the flexibility in deploying the proceeds received from the Issue. Pending utilisation of the proceeds out of the Issue for the purposes described above, our Company intends to temporarily invest funds in high quality interest/ non- interest bearing liquid instruments including money market mutual funds, deposits with banks, current account of banks or temporarily deploy the funds in investment grade interest bearing securities as may be approved by our Board of Directors or a committee thereof. Such investment would be in accordance with the investment policy of our Company approved by our Board of Directors or any committee thereof from time to time.

Variation in terms of contract or objects in this Draft Prospectus

Our Company shall not, in terms of Section 27 of the Companies Act, at any time, vary the terms of the objects for which this Draft Prospectus is issued, except as may be prescribed under the applicable laws and specifically under Section 27 of the Companies Act. Further, in accordance with the SEBI Listing Regulations, in case of any material deviation in the use of proceeds as compared to the objects of the issue, the same shall be indicated in the format as specified by SEBI from time to time.

Other confirmations

No part of the proceeds from the Issue will be paid by us as consideration to our Promoter, the Directors, Key Managerial Personnel, members of our Senior Management or companies promoted by our Promoter, except in ordinary course of business.

No part of the proceeds from the Issue will be utilized for buying, trading or otherwise dealing in equity shares of any listed company. Further our Company undertakes that Issue proceeds from NCDs allotted to banks shall not be used for any purpose, which may be in contravention of the RBI guidelines including those relating to classification as capital market exposure or any other sectors that are prohibited under the RBI Regulations.

Our Company confirms that it will not use the proceeds from the Issue, directly or indirectly, for the purchase of any business or in the purchase of any interest in any business whereby our Company shall become entitled to an interest in either the capital or profit or losses or both in such business exceeding 50% thereof, the purchase or acquisition of any immovable property (direct or indirect) or acquisition of securities of any other body corporate.

The fund requirement as above is based on our current business plan and is subject to change in light of variations in external circumstances or costs, or in our financial condition, business or strategy. Our management, in response to the competitive and dynamic nature of the industry, will have the discretion to revise its business plan from time to time and consequently our funding requirements and deployment of funds may also change.

There is no contribution being made or intended to be made by the Directors as part of the Issue or separately in furtherance of the Objects of the Issue.

Benefit / interest accruing to our Promoter/Directors out of the object of the Issue

Neither our Promoter nor our Directors are interested in the Objects of this Issue.

Utilisation of the proceeds of the Issue

- a. All monies received out of the Issue shall be credited/transferred to a separate bank account maintained with Public Issue Account as referred to in Section 40 of the Companies Act, 2013.
- b. Details of all monies utilised out of Issue referred to in sub-item (a) shall be disclosed and continued to be disclosed under an appropriate separate head in our balance sheet indicating the purpose for which such monies had been utilised.

- c. Details of all unutilised monies out of issue of NCDs, if any, referred to in sub-item (a) shall be disclosed under an appropriate separate head in our balance sheet indicating the form in which such unutilised monies have been invested.
- d. The details of all utilized and unutilised monies out of the monies collected in the previous issue made by way of public offer shall be disclosed and continued to be disclosed in the balance sheet till the time any part of the proceeds of such previous issue remains unutilized indicating the purpose for which such monies have been utilized, and the securities or other forms of financial assets in which such unutilized monies have been invested.
- e. We shall utilize the Issue proceeds only upon execution of the Debenture Trust Deed(s) as stated in this Draft Prospectus, creation of security, receipt of the listing and trading approval from the Stock Exchanges and on receipt of the minimum subscription of 75% of the Base Issue Size being ₹750 crores.
- f. The Issue proceeds shall not be utilized towards full or part consideration for the purchase or any other acquisition, inter alia by way of a lease, of any immovable property or in the purchase of any business or in the purchase of an interest in any business.
- g. The Issue Proceeds shall be utilized in compliance with various guidelines, regulations and clarifications issued by RBI, SEBI or any other statutory authority from time to time.

STATEMENT OF POSSIBLE TAX BENEFITS AVAILABLE TO THE DEBENTURE HOLDERS

The information provided below sets out the possible tax benefits available to the subscribers of secured, rated, listed, redeemable non-convertible debentures (“NCDs”) of an Indian company in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the subscription, ownership and disposing of the NCDs under the current tax laws presently in force in India. Several of these benefits are dependent on the subscribers fulfilling the conditions prescribed under the relevant tax laws. Hence, the ability of the subscribers to derive the tax benefits is dependent upon fulfilling such conditions, which, based on business imperatives a subscriber faces, may or may not choose to fulfill.

The following overview is not exhaustive or comprehensive and is not intended to be a substitute for professional advice. Subscribers are advised to consult their own tax consultant with respect to the tax implications of an investment in the NCDs, particularly in view of the fact that certain recently enacted legislation may not have a direct legal precedent or may have a different interpretation on the benefits, which an investor can avail.

THE SUBSCRIBERS ARE ADVISED TO CONSULT THEIR OWN TAX CONSULTANT WITH RESPECT TO THE TAX IMPLICATIONS AND CONSEQUENCES OF PURCHASING, OWNING AND DISPOSING THE NCDs IN YOUR PARTICULAR SITUATION.

POSSIBLE TAX BENEFITS AVAILABLE TO THE DEBENTURE HOLDERS UNDER THE INCOME TAX ACT, 1961, (“the IT ACT”) PRESENTLY IN FORCE IN INDIA ON ACQUISITION OF THE NCDs.

1. The basis of charge of Indian income-tax would depend upon the residential status of the debenture holder during a tax year. The Indian tax year runs from April 1 until March 31.
2. If the debenture holder is an Indian tax resident, he is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the IT Act.
3. A debenture holder, who is treated as a non-resident for Indian income-tax purposes, is generally subject to tax in India only on his India-sourced income (i.e., income which accrues or arises or deemed to accrue or arise in India) and income received by such persons in India. Since the NCDs would be issued by an Indian company, any income in respect of the NCDs and/or gains arising to the non-resident debenture holder on transfer would generally be regarded as India-sourced income and would accordingly be taxable in India under the IT Act.
4. In case of non-resident debenture holders, the tax rates and the consequent taxation, mentioned in this part shall be further subject to any benefits available under the Double Taxation Avoidance Agreement (“DTAA” or “tax treaty”), if any, between India and the country of residence of the non-resident, subject to satisfying the relevant conditions including but not limited to:
 - conditions (if any) present in the said DTAA read with the relevant provisions of the Multilateral Instrument (“MLI”) as ratified by India with the respective country of which the said debenture holder is a tax resident;
 - non-applicability of General Anti-Avoidance Rule (“GAAR”); and
 - providing and maintaining necessary information and documents as prescribed under the IT Act read with applicable rules, circulars and/or notifications.
5. All references to NCDs hereinafter refer to secured, rated, listed, redeemable, non-convertible debentures unless stated otherwise.
6. **Determination of head of income for the purpose of taxability**

The returns received by the investors from the NCDs in the form of interest and/or gains or loss on transfer of the NCD, may be characterized under the following broad heads of income for the purposes of taxation under the IT Act:

- Profits and gains from business or profession (“PGBP”);
- Income from capital gains (“CG”); and
- Income from other sources (“IFOS”)

If the NCDs are held as ‘Stock-in-trade’, interest income as well as gain or loss on its transfer will be taxable under the head PGBP, whereas, if the NCD are held as ‘Investments’, then the interest income will be taxable under the head IFOS and any gain or loss on its transfer will be assessed to tax under the head CG.

For determining the appropriate head of income (as mentioned above) vis-à-vis the interest income or gains earned on/from the NCD, it will be pertinent to analyse whether the NCDs are held as ‘Investments’ i.e., capital asset or as ‘Stock-in-trade’. The conclusion can vary based on the facts of each investor’s case (taking into account factors such as the volume of purchases and sales, ratio between purchases and sales, the period of holding, whether the intention is to earn a profit from sale or to earn interest etc.).

The Central Board of Direct Taxes (“CBDT”) has clarified in Circular No. 6/2016 dated February 29, 2016 that income arising from transfer of listed shares and securities, which are held for more than 12 months would be taxed as “Capital Gains” unless the Assessee itself treats these as its stock-in-trade and income arising from transfer thereof as its business income.

Further, as per section 2(14) of the IT Act, ‘capital asset’ includes, *inter alia*, securities held by a Foreign Institutional Investor (“FII”) [now known as Foreign Portfolio Investor] which has invested in such securities in accordance with the regulations made under Securities and Exchange Board of India Act, 1992 (“SEBI”). Accordingly, such securities, held by an FII, will be characterized as ‘capital asset’ and classification as ‘Stock-in-trade’ shall not apply.

The investors may obtain specific advice from their tax advisors regarding the tax treatment of their investments.

7. Taxation of Interest and Gain/Loss on transfer of NCDs

A. RESIDENT DEBENTURE HOLDERS:

1. In respect of Interest on NCDs

Interest on NCDs received by the NCD holders would be subject to income tax at the normal rates of tax in accordance with and subject to the provisions of the IT Act. Interest will be assessed to income tax on an accrual basis or receipt basis depending on the method of accounting regularly employed by the debenture holder under section 145 of the IT Act.

1.1 Taxable under the head PGBP

As discussed above, depending on the particular facts of each case, the NCDs may, in certain cases, be regarded to be in the nature of ‘Stock-in-trade’ and, accordingly, the interest on NCDs should be considered to be in the nature of business income and hence, chargeable to tax under the head PGBP.

1.2 Taxable under the head IFOS

Where the NCDs are held as investments by the debenture holders, then the interest income would be taxable under the head IFOS.

Section 57(i) grants deduction of any reasonable sum paid by way of commission or remuneration paid to a banker or any other person for the purpose of realizing dividend or interest on securities on behalf of the Assessee. Further, under clause (iii) of section 57, deduction is allowable for any other expenditure (not being in the nature of capital expenditure) laid out or expended wholly and exclusively for the purpose of making or earning the income.

2. In respect of Withholding taxes

2.1 Interest on NCDs received by its holder would be subject to deduction of tax at source (“TDS”) at the rate of 10% at the time of credit or payment, whichever is earlier as per the provisions of section 193 of the IT Act.

2.2 Prior to Finance Act 2023, section 193 provided for no TDS in case of any interest payable on any security issued by a company, where such security was in dematerialized form and listed on a recognized stock exchange in India. However, the said relaxation has been omitted by Finance Act 2023 with effect from April 1, 2023. Accordingly, TDS at the rate of 10% would now be deductible on listed NCDs.

2.3 Section 193 further provides for non-deduction of tax at source in certain cases. Section 193 *inter alia* provides for no TDS where the aggregate amount of interest paid or likely to be paid during the financial year to an individual or HUF, being a resident, does not exceed ₹5,000 and such interest is paid by an account payee cheque.

- 2.4 No deduction of tax is required in case of resident individuals or resident Hindu Undivided Family (“HUF”) if self- declaration in Form no. 15G/15H is furnished as per section 197A(1A)/(1C).
- 2.5 Further, as per section 196, no deduction of tax shall be made by any person from any sums payable to –
- (i) the Government, or
 - (ii) the Reserve Bank of India, or
 - (iii) a corporation established by or under a Central Act which is, under any law for the time being in force, exempt from income-tax on its income, or
 - (iv) a Mutual Fund specified under clause (23D) of section 10
- 2.6 Further, section 197A(1E) provides no deduction of tax shall be made from any payment to any person for, or on behalf of, the New Pension System Trust referred to in clause (44) of section 10.
- 2.7 Section 206AA provides for a higher withholding rate in case of any person, who being entitled to receive any sum/ income on which TDS is deductible under Chapter XVIIIB (deductee), fails to furnish his Permanent Account Number to the person responsible for deducting such TDS. The withholding tax rates in case of such person shall be higher of the following:
- (i) at the rate specified in the relevant provision of the IT Act; or
 - (ii) at the rate or rates in force; or
 - (iii) at the rate of 20%.
- 2.8 Section 206AB provides for a higher withholding rate in case of any person (other than (a) a non-resident who does not have a permanent establishment in India or (b) a person who is not required to furnish the return of income for the assessment year relevant to the concerned previous year and is notified by the Central Government in the Official Gazette in this behalf) who has not filed the return of income for assessment year relevant to the previous year immediately preceding the financial year in which tax is required to be deducted, for which the time limit for furnishing the return of income under sub-section (1) of section 139 has expired and the aggregate of tax deducted at source and tax collected at source in his case is rupees fifty thousand or more in the said previous year. The withholding tax rates in case of such person shall be higher of the following:
- (i) at twice the rate specified in the relevant provision of the IT Act; or
 - (ii) at twice the rate or rates in force; or
 - (iii) at the rate of 5%.

Further, where the provisions of section 206AA of the IT Act are applicable to such person, tax shall be deducted at higher of the rates provided in section 206AB and in section 206AA of the IT Act.

3. In respect of Capital Gains arising from transfer of NCDs

- 3.1 As discussed above, based on the particular facts of each case, the NCD may, in certain cases, be regarded to be held as ‘Investments’ in which case the gains or loss from the transfer of such NCD should be chargeable to tax under the head CG.
- 3.2 As per section 2(29AA) read with section. 2(42A) of the IT Act, a capital asset shall be treated as a long-term capital asset (“LTCA”), if the same is held for more than 36 months immediately preceding the date of its transfer. However, in case of a listed security, the same shall be treated as a LTCA, if it is held for more than 12 months immediately preceding the date of its transfer.
- 3.3 As per section 112 of the IT Act, Long Term Capital Gain (“LTCG”) arising on transfer of the NCDs would be subject to tax at the rate of 20% (plus applicable surcharge and education cess). However, the amount of such tax shall be limited to 10% (plus applicable surcharge and education cess) without indexation, in case of listed NCDs.

- 3.4 As per the third proviso to section 48 of the IT Act, the benefit of indexation on the cost of acquisition of a LTCA under second proviso of section 48 of the IT Act, is not available in case of bonds and debenture, except capital indexed bonds and sovereign gold bonds.
- 3.5 Short Term Capital Gains (“STCG”) arising from transfer of the NCDs would be taxable as per the normal slab rates (Plus, applicable surcharge and education cess), subject to applicability of concessional tax regime.
- 3.6 Further, no deduction under Chapter VI-A would be allowed in computing LTCG subject to tax under section 112 of the IT Act. Also, the capital gains will be computed by deducting expenditure incurred in connection with such transfer and cost of acquisition of the NCDs from the sale consideration accrued to the respective NCD holder.
- 3.7 Under section 54F of the IT Act and subject to the conditions and to the extent provided therein, LTCG arising in the hands of the NCD holder, being an Individual or Hindu Undivided Family, on transfer of the NCDs would be exempt from tax, if the net consideration from such transfer is utilized, for purchase within a period of 1 year before or 2 years after the date on which the transfer took place, or for construction within a period of 3 years after the date of such transfer, of one residential house in India (“new asset”).

However, the said exemption shall not be available, if the debenture holder:

- a) Owns more than one residential house, other than the new asset, on the date of transfer of the NCDs; or
- b) Purchases any residential house, other than the new asset, within a period of 1 year after the date of transfer of the NCDs; or
- c) Constructs any residential house, other than the new asset, within a period of 3 years after the date of transfer of the NCDs; and
- d) The income from such residential house, other than the one residential house owned on the date of transfer of the NCDs is chargeable under the head ‘Income from house property’.

Where the cost of new asset exceeds Rs. 10 crores, the amount exceeding Rs. 10 crores shall not be taken into account for the purpose of section 54F (1). That is to say, the maximum deduction permissible under section 54F is restricted to Rs. 10 crores.

Further, if the new asset is transferred within a period of three years from the date of its purchase or construction, the amount of capital gains for which the exemption was availed earlier would be taxed as LTCG in the year in which such residential house is transferred.

- 3.8 As per the seventh proviso to section 48 of the IT Act, no deduction of amount paid on account of STT will be allowed in computing the income chargeable to tax as Capital Gains.
- 3.9 A new section 50AA has been inserted by Finance Act 2023 for computation of capital gains in case of inter alia Market Linked Debentures (“MLDs”) so as to tax the income from the same as short term capital gains irrespective of their period of holding. The NCDs under consideration are not MLDs and thus, the said section would not be applicable.

4. In respect of Business Income arising from transfer of NCDs

- 4.1 As discussed above, depending on the particular facts of each case, the NCDs may, in certain cases, be regarded to be in the nature of ‘Stock-in-trade’ and, accordingly, the gains from the transfer of such NCD should be considered to be in the nature of business income and hence, chargeable to tax under the head PGBP.
- 4.2 In such a scenario, the gains from the business of investing in the NCD may be chargeable to tax on a ‘net’ basis (i.e.net of allowable deductions for expenses/allowances under Chapter IV – Part D of the IT Act).
- 4.3 In terms of section 36(1)(xv) of the IT Act, the STT paid by the investor in respect of the taxable securities transactions entered into in the course of his business would be eligible for deduction from the amount of income chargeable under the head PGBP, if the income arising from taxable securities’ transaction is included in such income.

5. In respect of Set off and carry forward of the losses

- 5.1 As per section 70 of the IT Act, Short Term Capital Loss (“STCL”) computed for the given year is allowed to be set off against STCG as well as LTCG computed for the said year. The balance loss, which is not set off, is allowed

to be carried forward for subsequent eight assessment years, for being set off against subsequent years' STCG as well as LTCG, in terms of section 74 of the IT Act.

5.2 Long Term Capital Loss computed for a given year is allowed to be set off only against the LTCG, in terms of section 70 of the IT Act. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years for being set off only against subsequent years' LTCG, in terms of section 74 of the IT Act.

5.3 As per section 70 of the IT Act, business loss from one source (other than loss on speculation business) for a given year is allowed to be set off against business income from another source. Further, as per section 71 of the IT Act, business loss (other than loss on speculation business) for a given year is allowed to be set-off against income from other heads (except Salaries).

Balance business loss (other than loss on speculation business), which is not set-off is allowed to be carried forward for subsequent eight assessment years for being set off only against subsequent years' non-speculative business income, as per section 72.

6. In case, where total income of any individual, HUF, Association of Person ("AOP") (except in case of an AOP having only companies as its members), Body of Individuals ("BOI"), Artificial Juridical Person ("AJP") includes any income *inter alia* by way of capital gains under sections 111A, 112 and 112A, the rate of surcharge on the amount of income- tax computed in respect of such income shall not exceed 15%. The applicable rates of surcharge are tabulated hereunder:

Total Income	Income other than Capital gains covered u/s 111A, 112 and 112A	Capital gains covered u/s 111A, 112 and 112A
Upto ₹50 lakh	Nil	Nil
Income exceeds ₹ 50 lakhs but does not exceed ₹1 crore	10%	10%
Income exceeds ₹1 crore but does not exceed ₹2 crore	15%	15%
Income exceeds ₹2 crore but does not exceed ₹5 crores	25%	15%
Income exceeds ₹5 crores	37%#	15%

In case of any individual, HUF, AOP (other than a co-operative society), BOI, Artificial Juridical Person, Finance Act, 2023 has made section 115BAC as the default tax regime w.e.f. AY 2024-25. Under this regime the highest rate of surcharge is restricted to 25%. There is an option to opt out of section 115BAC, in which case, the highest rate of surcharge rate shall be 37%.

B. **NON-RESIDENT DEBENTURE HOLDERS OTHER THAN FOREIGN INSTITUTIONAL INVESTOR ("FII"):**

1. **In respect of Interest on NCDs**

Interest on NCDs received by the NCD holders would be subject to income tax at the normal rates of tax in accordance with and subject to the provisions of the IT Act. Interest will be assessed to income tax on accrual basis or receipt basis depending on the method of accounting regularly employed by the debenture holder under section 145 of the IT Act.

1.1 **Taxable under the head PGBP**

As discussed above, depending on the particular facts of each case, the NCDs may, in certain cases, be regarded to be in the nature of 'Stock-in-trade' and, accordingly, the interest on NCDs should be considered to be in the nature of business income and hence, chargeable to tax under the head PGBP.

1.2 **Taxable under the head IFOS**

Where the NCDs are held as investments by the debenture holders, then the interest income would be taxable under the head IFOS.

Section 57(i) grants deduction of any reasonable sum paid by way of commission or remuneration paid to a banker or any other person for the purpose of realizing dividend or interest on securities on behalf of the Assessee. Further, under clause (iii) of section 57, deduction is allowable for any other expenditure (not being in the nature

of capital expenditure) laid out or expended wholly and exclusively for the purpose of making or earning the income.

2. **In respect of Withholding taxes**

2.1 Interest on the NCDs received by its holder would be subject to withholding tax at source at the time of credit or payment, whichever is earlier as per the provisions of section 195 of the IT Act. The applicable income-tax rate for deduction of tax at source has been provided in Part II of First Schedule to Finance Act, 2023.

2.2 However, no/lower income-tax shall be deductible if the holder of the NCDs obtains a certificate under sections 195(3) or 197(1) from the Assessing Officer for no deduction of tax at source or lower deduction at source and that certificate is furnished to the Company before the prescribed date of closure of books of account of the Company for payment of debenture interest.

2.3 The Company would be under an obligation to deduct tax at source under section 195 at applicable rates in force. In the absence of PAN of the debenture holder, tax would be deductible at higher of, the applicable rate or 20% as per section 206AA of the IT Act. The provisions of section 206AA will, however not apply if the non-resident debenture holder provides to the payer the following details as listed in Rule 37BC:

- a) name, e-mail id, contact number;
- b) address in the country or specified territory outside India of which the debenture holder is a resident;
- c) Tax Residency Certificate and Form 10F filed electronically;
- d) Tax Identification Number/ Unique Identification Number of the debenture holder.

2.4 Section 206AB provides for a higher withholding rate in case of any person (other than (a) a non-resident who does not have a permanent establishment in India or (b) a person who is not required to furnish the return of income for the assessment year relevant to the concerned previous year and is notified by the Central Government in the Official Gazette in this behalf) who has not filed the return of income for assessment year relevant to the previous year immediately preceding the financial year in which tax is required to be deducted, for which the time limit for furnishing the return of income under sub-section (1) of section 139 has expired and the aggregate of tax deducted at source and tax collected at source in his case is rupees fifty thousand or more in the said previous year. The withholding tax rates in case of such person shall be higher of the following:

- a) at twice the rate specified in the relevant provision of the IT Act; or
- b) at twice the rate or rates in force; or
- c) at the rate of 5%.

Further, where the provisions of section 206AA of the IT Act are applicable to such person, tax shall be deducted at higher of the rates provided in section 206AB and in section 206AA of the IT Act.

3. **In respect of Capital Gains from transfer of NCDs**

3.1 As discussed above, based on the particular facts of each case, the NCD may, in certain cases, be regarded to be held as 'Investments' in which case the gains or loss from the transfer of such NCD should be chargeable to tax under the head CG.

3.2 As per section 2(29AA) read with section 2(42A) of the IT Act, a capital asset shall be treated as a long-term capital asset (LTCA), if the same is held for more than 36 months immediately preceding the date of its transfer. However, in case of a listed security, the same shall be treated as a LTCA, if it is held for more than 12 months immediately preceding the date of its transfer.

3.3 Under the first proviso to Section 48 of the IT Act, in case of a non-resident investor, while computing the capital gains arising from transfer of the NCDs acquired in convertible foreign exchange (as per exchange control regulations), protection is provided from fluctuations in the value of rupee in terms of foreign currency in which the original investment was made. The capital gains/loss in such a case is computed by converting the cost of acquisition, sale consideration and expenditure incurred wholly and exclusively in connection with such transfer into the same foreign currency which was utilized for the purchase of the NCDs.

3.4 As per section 112 of the IT Act, Long Term Capital Gain (LTCG) arising on transfer of the NCDs would be subject to tax at the rate of 20% (plus applicable surcharge and education cess). However, the amount of such

tax shall, be limited to 10% (plus applicable surcharge and education cess) without indexation, at the option of the debenture holder if the NCDs are listed.

- 3.5 As per the third proviso to section 48 of the IT Act, the benefit of indexation on the cost of acquisition of a LTCA under second proviso of section 48 of the IT Act, is not available in case of bonds and debenture, except capital indexed bonds and sovereign gold bonds.
- 3.6 Short Term Capital Gains (STCG) arising from transfer of the NCDs would be taxable as per the slab rates provided under Finance Act, 2023 (plus applicable surcharge and education cess), subject to applicability of concessional tax regime.
- 3.7 Further, no deduction under Chapter VI-A would be allowed in computing LTCG subject to tax under section 112 of the IT Act. Also, the capital gains will be computed by deducting expenditure incurred in connection with such transfer and cost of acquisition of the NCDs from the sale consideration accrued to the respective NCD holder.
- 3.8 Under section 54F of the IT Act and subject to the conditions and to the extent provided therein, LTCG arising in the hands of the debenture holder, being an Individual or Hindu Undivided Family, on transfer of the debentures would be exempt from tax, if the net consideration from such transfer is utilized, for purchase within a period of 1 year before or 2 years after the date on which the transfer took place, or for construction within a period of 3 years after the date of such transfer, of one residential house in India (new asset).

However, the said exemption shall not be available, if the debenture holder:

- a) Owns more than one residential house, other than the new asset, on the date of transfer of the NCDs; or
- b) Purchases any residential house, other than the new asset, within a period of 1 year after the date of transfer of the NCDs; or
- c) Constructs any residential house, other than the new asset, within a period of 3 years after the date of transfer of the NCDs; and
- d) The income from such residential house, other than the one residential house owned on the date of transfer of the NCDs is chargeable under the head 'Income from house property'.

Where the cost of new asset exceeds Rs. 10 crores, the amount exceeding Rs. 10 crores shall not be taken into account for the purpose of section 54F (1). That is to say, the maximum deduction permissible under section 54F is restricted to Rs. 10 crores.

Further, if the new asset is transferred within a period of three years from the date of its purchase or construction, the amount of capital gains for which the exemption was availed earlier would be taxed as LTCG in the year in which such residential house is transferred.

- 3.9 As per the seventh proviso to section 48 of the IT Act, no deduction of amount paid on account of STT will be allowed in computing the income chargeable to tax as Capital Gains.
- 3.10 A new section 50AA has been inserted by Finance Act 2023 for computation of capital gains in case of *inter alia* Market Linked Debentures (MLDs) so as to tax the income from the same as short term capital gains irrespective of their period of holding. The NCDs under consideration are not MLDs and thus, the said section would not be applicable.

4. **In respect of Business Income from transfer of NCDs**

- 4.1 As discussed above, depending on the particular facts of each case, the NCDs may, in certain cases, be regarded to be in the nature of 'Stock-in-trade' and, accordingly, the gains from the transfer of such NCD should be considered to be in the nature of business income and hence, chargeable to tax under the head PGBP.

In such a scenario, the gains from the business of investing in the NCD may be chargeable to tax on a 'net' basis (i.e.net of allowable deductions for expenses/allowances under Chapter IV – Part D of the IT Act).

- 4.2 In terms of section 36(1)(xv) of the IT Act, the STT paid by the investor in respect of the taxable securities transactions entered into in the course of his business would be eligible for deduction from the amount of income chargeable under the head PGBP, if the income arising from taxable securities transaction is included in such income.

5. **In respect of Set off and carry forward of Losses**

- 5.1 As per section 70 of the IT Act, Short Term Capital Loss computed for the given year is allowed to be set off against STCG as well as LTCG computed for the said year. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set off against subsequent years' STCG as well as LTCG, in terms of section 74 of the IT Act.
- 5.2 Long Term Capital Loss computed for a given year is allowed to be set off only against the LTCG, in terms of section 70 of the IT Act. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years for being set off only against subsequent years' LTCG, in terms of section 74 of the IT Act.
- 5.3 As per section 70 of the IT Act, business loss from one source (other than loss on speculation business) for a given year is allowed to be set off against business income from another source. Further, as per section 71 of the IT Act, business loss (other than loss on speculation business) for a given year is allowed to be set-off against income from other heads (except Salaries).
- 5.4 Balance business loss (other than loss on speculation business), which is not set-off is allowed to be carried forward for subsequent eight assessment years for being set off only against subsequent years' non-speculative business income, as per section 72.
6. Where the NCDs have been subscribed in convertible foreign exchange, Non-Resident Indians ("NRI"), i.e., an individual being a citizen of India or person of Indian origin who is not a resident, have the option of being governed by the provisions of Chapter XII-A of the IT Act, which *inter alia* entitles them to the following benefits:
- (i) Under section 115E of the IT Act, interest on NCDs shall be taxable in the hands of NRI at the rate of 20% (plus applicable surcharge and health & education cess) and the LTCG arising to the NRI shall be taxable at the rate of 10 % (plus applicable surcharge and health & education cess). While computing the LTCG, the benefit of indexation of cost would not be available.
 - (ii) Under section 115F of the IT Act, LTCG arising to an NRI from the transfer of the debentures subscribed to in convertible foreign exchange shall be exempt from income-tax, if the net consideration is reinvested in specified assets or in any saving certificates referred to in section 10(4B) of the IT Act, within six months of the date of transfer. If only part of the net consideration is so reinvested, the exemption shall be proportionately reduced. The amount so exempted shall be chargeable to tax subsequently, if the specified assets or saving certificate are transferred or converted into money within three years from the date of their acquisition.
 - (iii) Under section 115G of the IT Act, it shall not be necessary for an NRI to furnish his return of income under section 139(1) of the IT Act if his total income chargeable under the IT Act consists of only investment income or LTCG or both; arising out of assets acquired, purchased or subscribed in convertible foreign exchange and tax deductible at source has been deducted thereon as per the provisions of Chapter XVII-B of the IT Act.
 - (iv) In accordance with the provisions of Section 115H of the IT Act, where an NRI becomes assessable as a resident in India, he may furnish a declaration in writing to the Assessing Officer along with his return of income for that year under Section 139 of the IT Act to the effect that the provisions of Chapter XII-A of the IT Act shall continue to apply to him in relation to such investment income derived from the specified assets (which includes debentures issued by an Indian company which is not a private company) for that year and subsequent assessment years until such assets are transferred or converted into money.
 - (v) As per provisions of Section 115-I of the IT Act, an NRI may elect not to be governed by provisions of Chapter XII-A and compute his total income as per other provisions of the IT Act.
7. The provisions of section 115JB of the IT Act do not apply to a foreign company if it is a resident of a country with which India has entered into a DTAA under section 90/90A of the IT Act and the Assessee does not have a Permanent Establishment in India or such company is a resident of a country with which India does not have such agreement and the Assessee is not required to seek registration under any law for the time being in force, relating to companies.

Further, section 115JB expressly provides that the amount of income from (i) capital gains arising on transactions in securities; or (ii) interest, dividend, royalty or fees for technical services chargeable to tax at the rates specified in Chapter XII, accruing or arising to a foreign company shall not be liable to MAT if such income is credited to the profit and loss account and the income-tax payable in accordance with the other provisions of the IT Act, is less than the rate specified in section 115JB. The expenditures, if any, debited to the profit and loss account, corresponding to such income (which is to be excluded from the MAT liability) shall also be added back to the book profit for the purpose of computation of MAT.

8. In case, where total income of any individual, HUF, AOP (except in case of an AOP having only companies as its members), BOI, Artificial Juridical Person includes any income *inter alia* by way of capital gains under sections 111A, 112 and 112A, the rate of surcharge on the amount of income-tax computed in respect of such income shall not exceed 15%. The applicable rates of surcharge are tabulated hereunder:

Total Income	Income other than Capital gains covered u/s 111A, 112 and 112A	Capital gains covered u/s 111A, 112 and 112A
Upto ₹50 lakh	Nil	Nil
Income exceeds ₹ 50 lakhs but does not exceed ₹1 crore	10%	10%
Income exceeds ₹1 crore but does not exceed ₹2 crore	15%	15%
Income exceeds ₹2 crore but does not exceed ₹5 crores	25%	15%
Income exceeds ₹5 crores	37%#	15%

In case of any individual, HUF, AOP (other than a co-operative society), BOI, Artificial Juridical Person, Finance Act, 2023 has made section 115BAC as the default tax regime w.e.f. AY 2024-25. Under this regime the highest rate of surcharge is restricted to 25%. There is an option to opt out of section 115BAC, in which case, the surcharge rate of 37% would be applicable.

9. As per section 90(2) of the IT Act, the provisions of the IT Act would prevail over the provisions of the DTAA entered between India and the country of residence of the non-resident, if any, to the extent they are more beneficial to the non-resident. Thus, a non-resident can opt to be governed by the provisions of the IT Act or the applicable tax treaty (read with MLI, if applicable), whichever is more beneficial. The treaty and MLI provide for various anti-abuse provisions (*viz.* beneficial ownership, Limitation on Benefit, Principal Purpose Test, etc.) which have to be examined for claiming tax treaty benefit. In order to avail treaty benefit, the non-resident will also have to furnish a Tax Residency Certificate of his being a resident in a country outside India, along with Form No. 10F as prescribed under section 90(5) of the IT Act. Further, vide Notification No. 03/2022 dated 16 July 2022, the Directorate of Income Tax (Systems) has added Form 10F to the prescribed list of forms to be furnished electronically. Also, vide Circular dated December 12, 2022 read with Circular Dated March 28, 2023, CBDT has relaxed the requirement of electronic filing of Form 10F till September 30, 2023 in case of non-resident taxpayers who are not having PAN and are not required to obtain PAN as per relevant provisions of IT Act read with Income-tax rules, 1962.

C. **NON-RESIDENT DEBENTURE HOLDERS – FIIs:**

1. **In respect of Interest on NCDs**

- 1.1 Section 115AD (1) provides for taxation of income of *inter alia* FIIs/FPIs from securities or capital gains arising from their transfer. The rate of income-tax prescribed for income in respect of securities *inter alia* debentures is 20% (plus applicable surcharge and education cess).
- 1.2 The computation of income has to be in accordance with section 115AD and other applicable provisions of the IT Act. FII/FPI debenture holders may avail tax treaty benefit (if any), subject to satisfaction of certain conditions.

2. **In respect of Capital Gains from transfer of NCDs**

- 2.1 As per section 2(29AA) read with section 2(42A) of the IT Act, a capital asset shall be treated as a long-term capital asset (LTCA), if the same is held for more than 36 months immediately preceding the date of its transfer. However, in case of a listed security, the same shall be treated as a LTCA, if it is held for more than 12 months immediately preceding the date of its transfer.
- 2.2 Capital gains taxable under section 115AD would be computed without giving effect to the first and second proviso to section 48. In other words, adjustment in respect of foreign exchange fluctuation and benefit of indexation would not be allowed while computing the Capital Gains. The rate of income-tax prescribed under the said section on capital gains income is as under:
- (i) Short Term Capital Gains (other than gains covered under section 111A) – 30%
- (ii) Long Term Capital Gains – 10%

- 2.3 Further, no deduction under Chapter VI-A would be allowed in computing LTCG subject to tax under section 115AD of the IT Act. Also, the capital gains will be computed by deducting expenditure incurred in connection with such transfer and cost of acquisition of the NCDs from the sale consideration accrued to the respective NCD holder.

- 2.4 As per the seventh proviso to section 48 of the IT Act, no deduction of amount paid on account of STT will be allowed in computing the income chargeable to tax as Capital Gains.
- 2.5 A new section 50AA has been inserted by Finance Act 2023 for computation of capital gains in case of *inter alia* Market Linked Debentures (MLDs) so as to tax the income from the same as short term capital gains irrespective of their period of holding. The NCDs under consideration are not MLDs and thus, the said section would not be applicable.

3. **In respect of Withholding taxes**

- 3.1 Interest on NCDs received by its holder would be subject to withholding tax at source at the time of credit or payment, whichever is earlier as per the provisions of section 196D of the IT Act. The applicable income-tax rate would be 20% (plus applicable surcharge and education cess) as provided under section 196D of the IT Act, subject to treaty benefit entitlement.
- 3.2 In the absence of PAN of the debenture holder, tax would be deductible at higher of, the applicable rate or 20% as per section 206AA of the IT Act. The provisions of section 206AA will, however not apply if the non-resident debenture holder provides to the payer the following details as listed in Rule 37BC:

- (i) name, e-mail id, contact number;
- (ii) address in the country or specified territory outside India of which the debenture holder is a resident;
- (iii) Tax Residency Certificate and form 10F to be filed electronically
- (iv) Tax Identification Number/ Unique Identification Number of the debenture holder.

- 3.3 Section 206AB provides for a higher withholding rate in case of any person (other than (a) a non-resident who does not have a permanent establishment in India or (b) a person who is not required to furnish the return of income for the assessment year relevant to the concerned previous year and is notified by the Central Government in the Official Gazette in this behalf) who has not filed the return of income for assessment year relevant to the previous year immediately preceding the financial year in which tax is required to be deducted, for which the time limit for furnishing the return of income under sub-section (1) of section 139 has expired and the aggregate of tax deducted at source and tax collected at source in his case is rupees fifty thousand or more in the said previous year. The withholding tax rates in case of such person shall be higher of the following:

- (i) at twice the rate specified in the relevant provision of the IT Act; or
- (ii) at twice the rate or rates in force; or
- (iii) at the rate of 5%.

Further, where the provisions of section 206AA of the IT Act are applicable to such person, tax shall be deducted at higher of the rates provided in section 206AB and in section 206AA of the IT Act.

- 3.4 As per section 196D (2) of the IT Act, tax is not required to be deducted at source from any income, by way of Capital Gains arising to a FII from the transfer of securities referred to in section 115AD of the IT Act.

4. **In respect of Set off and carry forward of losses**

- 4.1 As per section 70 of the IT Act, Short Term Capital Loss computed for the given year is allowed to be set off against STCG as well as LTCG computed for the said year. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years, for being set off against subsequent years' STCG as well as LTCG, in terms of section 74 of the IT Act.
- 4.2 Long Term Capital Loss computed for a given year is allowed to be set off only against the LTCG, in terms of section 70 of the IT Act. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight assessment years for being set off only against subsequent years' LTCG, in terms of section 74 of the IT Act.
5. The provisions of section 115JB of the IT Act do not apply to a foreign company if it is a resident of a country with which India has entered into a DTAA under section 90/90A of the IT Act and the Assessee does not have a Permanent Establishment in India or such company is a resident of a country with which India does not have such agreement and the Assessee is not required to seek registration under any law for the time being in force, relating to companies.

Further, section 115JB expressly provides that the amount of income from (i) capital gains arising on transactions in securities; or (ii) interest, dividend, royalty or fees for technical services chargeable to tax at the rates specified

in Chapter XII, accruing or arising to a foreign company shall not be liable to MAT if such income is credited to the profit and loss account and the income-tax payable in accordance with the other provisions of the Income-tax Act, is less than the rate specified in section 115JB. The expenditures, if any, debited to the profit and loss account, corresponding to such income (which is to be excluded from the MAT liability) shall also be added back to the book profit for the purpose of computation of MAT.

6. In case, where total income of any individual, AOP (except in case of an AOP having only companies as its members), BOI, Artificial Juridical Person includes any income *inter alia* by way of capital gains referred under section 115AD(1)(b), the rate of surcharge on the amount of income-tax computed in respect of such income shall not exceed 15%. The applicable rates of surcharge are tabulated hereunder:

Total Income	Income other than Capital gains referred u/s 115AD(1)(b)	Capital gains covered referred u/s 115AD(1)(b)
Upto ₹50 lakh	Nil	Nil
Income exceeds ₹50 lakhs but does not exceed ₹1 crore	10%	10%
Income exceeds ₹1 crore but does not exceed ₹2 crore	15%	15%
Income exceeds ₹2 crore but does not exceed ₹5 crores	25%	15%
Income exceeds ₹5 crores	37%#	15%

In case of any individual, HUF, AOP (other than a co-operative society), BOI, Artificial Juridical Person, Finance Act, 2023 has made section 115BAC as the default tax regime w.e.f. AY 2024-25. Under this regime the highest rate of surcharge is restricted to 25%. There is an option to opt out of section 115BAC, in which case, the surcharge rate of 37% would be applicable. In case of FIIs/FPIs, the applicability of section 115BAC needs to be evaluated.

7. As per section 90(2) of the IT Act, the provisions of the IT Act would prevail over the provisions of the DTAA entered between India and the country of residence of the non-resident, if any, to the extent they are more beneficial to the non-resident. Thus, a non-resident can opt to be governed by the provisions of the IT Act or the applicable tax treaty (read with MLI, if applicable), whichever is more beneficial. The treaty and MLI provide for various anti-abuse provisions (*viz.* beneficial ownership, Limitation on Benefit, Principal Purpose Test, etc.) which have to be examined for claiming treaty benefit. In order to avail treaty benefit, the non-resident will also have to furnish a Tax Residency Certificate of his being a resident in a country outside India, along with Form No. 10F as prescribed under section 90(5) of the IT Act. Further, vide Notification No. 03/2022 dated 16 July 2022, the Directorate of Income Tax (Systems) has added Form 10F to the prescribed list of forms to be furnished electronically. Also, vide Circular dated December 12, 2022 read with Circular dated March 28, 2023, CBDT has relaxed the requirement of electronic filing of Form 10F till September 30, 2023 in case of non-resident taxpayers who are not having PAN and are not required to obtain PAN as per relevant provisions of IT Act read with Income-tax rules, 1962.

D. Category III Alternative Investment Fund located in International Financial Services Centre & Investment Division of an Offshore Banking Unit:

1. W.e.f. FY 2020-21, the provisions of section 115AD are extended to a 'specified fund' defined under clause (e) of the Explanation to clause (4D) of section 10. 'Specified fund' is defined to mean a fund established or incorporated in India in the form of a trust or a company or a limited liability partnership or a body corporate, –
- (i) which has been granted a certificate of registration as a Category III Alternative Investment Fund and is regulated under the Securities and Exchange Board of India (Alternative Investment Fund) Regulations, 2012 made under the SEBI Act, 1992 or regulated under the IFSC (Fund Management) Regulations, 2022 made under the IFSC Authority Act, 2019;
 - (ii) which is located in any International Financial Services Centre; and
 - (iii) of which all the units are held by non-residents other than unit held by a sponsor or manager;

Finance Act, 2021 has w.e.f. FY 2021-22 further amended the definition of specified fund to also mean an investment division of an offshore banking unit, which has been—

- (i) granted a certificate of registration as a Category I FPI under the SEBI (FPI), Regulations, 2019 made under the SEBI Act, 1992 which has commenced its operations on or before the 31st day of March, 2024; and
 - (ii) fulfils such conditions including maintenance of separate accounts for its investment division, as may be prescribed.
2. The rate of income-tax prescribed under section 115AD(1) on various streams of income is as under:

- (i) Income in respect of securities *inter alia* debentures – 10%
- (ii) Short Term Capital Gains covered under section 111A – 15%
- (iii) Other Short Term Capital Gains – 30%
- (iv) Long Term Capital Gains – 10%

The computation of income has to be in accordance with section 115AD and other applicable provisions of the IT Act.

3. The Finance Act, 2021 has further inserted a new sub-section (1B) w.e.f. FY 2021-22 which states that notwithstanding anything contained in section 115AD(1), in case of investment division of an offshore banking unit, the provisions of this section shall apply to the extent of income that is attributable to the investment division of such banking units.

The provisions of section 115AD shall apply only to the extent of income that is attributable to units held by non-resident (not being a permanent establishment of a non-resident in India) calculated in the prescribed manner. Further, as per section 115JEE, the provisions of Alternate Minimum Tax shall not apply to such specified funds.

4. Section 196D(1A) provides for deduction of tax on any income in respect of securities referred to in section 115AD(1)(a) at the rate of 10% (plus applicable surcharge and education cess). Provided that no deduction shall be made in respect of an income exempt under section 10(4D). In the absence of PAN, TDS rate would be increased to 20% as per section 206AA.

E. *Investment Funds – Category I or Category II Alternative Investment Fund (“AIF”):*

1. Under section 10(23FBA) of the IT Act, any income of an Investment Fund, other than the income chargeable under the head “Profits and gains of business or profession” would be exempt from income tax. For this purpose, an “Investment Fund” means a fund registered as Category I or Category II Alternative Investment Fund and is regulated under the Securities and Exchange Board of India (Alternate Investment Fund) Regulations, 2012 or regulated under the IFSC (Fund Management) Regulations, 2022 made under the IFSC Authority Act, 2019.

As per section 115UB(1) of the IT Act, any income accruing/arising/received by a person from his investment in Investment Fund would be taxable in the hands of the person making an investment in the same manner as if it were the income accruing/arising/received by such person had the investments been made directly in the venture capital undertaking.

2. In case, the Fund incurs any losses, only the business losses would be eligible to be carried forward and set-off by the Fund at the Fund level. The prescribed conditions laid down under the IT Act for carry forward and set off of losses should be applicable to the Fund in this regard.
3. Losses other than business loss shall be allowed to be carried forward and set-off by the Unit holders while computing the total tax liability, provided that the units of the Fund are held for a period of more than 12 months. Further, such loss cannot be carried forward at Fund level even if the loss is not passed onto the Investors on account of non-fulfilment of condition of holding the units for at least 12 months. The eligible period for carry forward of losses would depend on the nature of loss.
4. Section 115UB of the IT Act further provides that:
 - (i) Income paid or credited by Fund shall be deemed to be of the same nature and in the same proportion in the hands of the Investors as it had been received by or had accrued or arisen to Fund.
 - (ii) Income accruing or arising to, or received by, Fund, during a particular financial year, if not paid or credited to the Investors shall be deemed to be credited to the account of the Investors on the last day of the financial year in the same proportion in which such Investors would have been entitled to receive the income, had it been paid in the same financial year.
5. As per section 10(23FBB) read with section 115UB of the IT Act, any business income, accruing or arising to or received by Investors of the Fund, shall be exempt in the hands of the Investors and taxed in the hands of the Fund at the rates specified in the Finance Act of the relevant year where the Investment Fund is a company or a firm and at maximum marginal rate in any other case.

Income received by Fund which is exempt in its hand under section 10(23FBA) would not be subjected to any withholding tax by virtue of section 197A(1F) read with Notification No.51/2015/SO1703(E) dated June 25, 2015.

6. Further, as per section 194LBB of the IT Act, where any income, other than that proportion of income which is of the same nature as income referred to in section 10(23FBB) of the IT Act, is payable to a unit holder in respect of units of an Investment Fund, the person responsible for making the payment shall, at the time of credit of such income to the account of payee or at the time of payment thereof in cash or by issue of a cheque or draft or by any other mode, whichever is earlier, deduct income-tax thereon:

- (i) at the rate of 10% where the payee is a resident; and
- (ii) at the rates in force where the payee is a non-resident.

F. *Mutual Funds:*

Under section 10(23D) of the IT Act, any income of mutual funds registered under SEBI or Regulations made thereunder or mutual funds set up by public sector banks or public financial institutions or mutual funds authorized by the Reserve Bank of India and subject to the conditions specified therein, is exempt from tax subject to such conditions as the Central Government may by notification in the Official Gazette, specify in this behalf.

G. *Provident Fund and Pension Fund:*

Under section 10(25) of the IT Act, any income received by trustees on behalf of a recognized provident fund or a recognized superannuation fund is exempt from tax.

H. *Multi-lateral and Bilateral development Financial Institutions:*

Generally, multilateral and bilateral development financial institutions may be exempt from taxation in India on the capital gains arising on the sale of NCDs of the bank depending on the applicable Statute and Acts passed in India. For e.g., World Bank, IBRD, IFC, etc. In case, they are not specifically exempt from tax then the provisions as applicable for capital gains to a non-resident FII, as they may be registered as FII, may apply to these institutions.

I. *Withholding taxes on Purchase of Goods*

As per section 194Q of the IT Act, any sum payable by a buyer for purchase of goods of the value exceeding Rs. 50 Lakhs shall be liable to withhold tax at the rate of 0.1 percent.

Buyer means a person whose total sales, turnover or gross receipts from the business carried on by him exceeds Rs. 10 crores in the financial year immediately preceding the financial year in which the purchase is carried out. Further, TDS shall not be applicable where: -

- (i) Tax is deductible under any of the provisions of the IT Act; or
- (ii) Tax is collectible under the provisions of section 206C of the IT Act other than a transaction to which section 206C(1H) of the IT Act applies.

The CBDT has issued Circular No 13 of 2021 dated June 30, 2021 laying down guidelines under section 194Q of the IT Act. It inter alia provides that TDS under section 194Q of the IT Act shall not apply to transaction in securities and commodities which are traded through recognized stock exchanges or cleared and settled by the recognized clearing corporation (including exchanges or corporation located in IFSC).

Given that the Circular does not provide clarity in respect of shares/ securities traded off-market, it is advisable that the subscribers obtain specific advice from their tax advisors regarding applicability of these provisions.

Further, the CBDT has also inter alia clarified that the section 194Q of the IT Act shall not apply to a non-resident buyer, whose purchase of goods from a seller, resident in India, is not effectively connected with the permanent establishment of such non-resident in India.

For this purpose, 'permanent establishment' shall mean to include a fixed place of business through which the business of the enterprise is wholly or partly carried on.

Global Economy

With industrial production and trade weakening, the global recovery is slowing after a robust first quarter performance. In this stressed global environment, the Indian economy is gathering momentum in the second quarter of 2023-24. Domestic drivers such as private consumption and fixed investment are offsetting the drag from the contraction in exports. The uptick in inflation in its June reading muted in July, with the unprecedented shock to tomato prices spilling over to prices of other vegetables. While core inflation witnessed a moderation, headline inflation is expected to average well above 6 per cent in the second quarter.

Meanwhile, countries deadlocked in debt distress are making progress in negotiating financial support with the IMF and are pulling back from the brink of default. The upheavals in commodity markets have also separated the fortunes of exporters and importers, and terms of trade have swung both ways. Taken together, however, there is a rising narrative about EMEs’ economic resilience. Although financial markets continue to play on the AE-EME dichotomy while chasing returns or bolting from risk, there is a view gathering currency that the EME label should be retired.

The IMF estimates that global headline inflation may yield by close to 2 percentage points in 2023 from a year ago, but this is predicated on declining international commodity prices which is now imperilled. Core inflation is expected to ease by 0.5 percentage points, but about half of the economies are expected to see no decline in core inflation in 2023. Overall, inflation is projected to remain above target in 2023 in 96 per cent of economies with inflation targets.

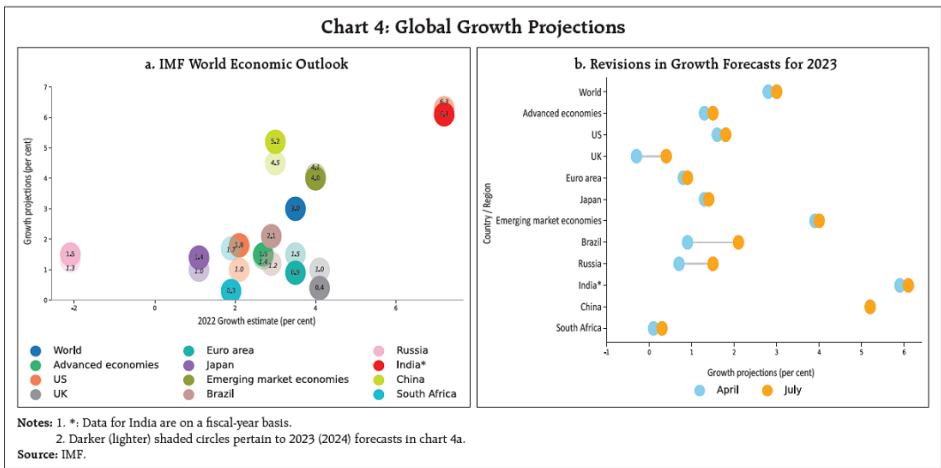

(Source: RBI Bulletin, August 2023)

Inflation fell from its peak of 7.3 per cent in Q1:2022-23 to 4.6 per cent in Q1:2023-24. This 270 basis points (bps) decline in inflation was mainly due to the waning of supply shocks. The impact of monetary policy actions is gathering potency, accounting for around 130 bps of the decline of inflation. The contributions of other factors more or less offset each other

Global growth was restrained by lacklustre activity in manufacturing and trade in Q2:2023 although the performance of the services sector remained resilient. The cumulative effects of monetary policy tightening are beginning to show up in credit and

labour market conditions across advanced economies (AEs). Recession probabilities for the US rose to their highest in June 2023 since 2021. In its July 2023 update of the World Economic Outlook (WEO), the International Monetary Fund (IMF) revised its global growth forecast for 2023 marginally upwards to 3.0 per cent from its April projection of 2.8 per cent.

(Source: RBI Bulletin, August 2023)

Incoming data across geographies point towards a mixed picture. GDP growth in the US, the UK and the Euro area accelerated in Q2:2023, although in the case of the latter, Germany’s economy stagnated and Italy unexpectedly experienced a contraction. In China, GDP growth decelerated sharply in Q2 as pent up demand waned after the rebound in late 2022. Our model-based nowcast for global GDP growth points towards a positive momentum in Q2:2023

(Source: RBI Bulletin, August 2023)

Global equity indices edged up in July with gains across AEs and EMEs as investors priced in improving prospects of a soft landing due to lower than expected inflation prints. Bond yields hardened following the policy rate hike by the US Federal Reserve and a hawkish policy stance. Yield curve inversion in the US has continued for a year now.

Indian Economy

In this stressed global environment, the Indian economy appears poised to regain momentum (on a quarter-on-quarter basis) in the second quarter of 2023-24 after a dip that typically characterises the first quarter. High frequency indicators for July discussed in later sections provide the foundations for our view that this pick-up in momentum should counterbalance unfavourable base effects. The indicators are mostly in the green (Table 1), i.e., in acceleration, that is being driven by domestic drivers such as private consumption and fixed investment, offsetting the drag from the contraction in exports. In a reflection of consumer demand conditions, sales of daily essentials and groceries recorded a sequential recovery in July, with an uptick in rural areas. Home care and packaged food have also gained upside. In urban areas, the revenue growth of fast moving consumer goods (FMCG) has been boosted by digital demand and sales through e commerce.

During July 16 to August 11, 2023 liquidity conditions remained largely comfortable, with the average total absorption under the Liquidity Adjustment Facility (LAF) at `2.0 lakh crore (`1.6 lakh crore during June 16 - July 15). The surplus was moderated by tax payments and GST related outflows. Of the total average surplus liquidity, the placement of funds under the standing deposit facility (SDF) averaged `1.2 lakh crore during July 16-August 11, 2023 while the remaining was mopped up through variable rate reverse repo (VRRR) operations. With liquidity conditions remaining easy, average recourse to the marginal standing facility (MSF) was lower at `0.05 lakh crore during July 16-August 11, 2023 (`0.16 lakh crore during June 16 - July 15). Consequently, net absorptions under the LAF increased to `1.8 lakh crore during July 16 – August 11, 2023 from `1.3 lakh crore during June 16-July 15, 2023.

In its July 2023 update referred to earlier, the IMF revised India's growth upwards to 6.1 per cent for 2023-24. We maintain our view¹³ that this projection may be surprised on the upside even with this upgrade. The index of supply chain pressure for India (ISPI), remains below its historical average, supporting growth impulses (Chart 13a). As alluded above, business sentiments remain positive about robust demand conditions (Annex 1). Over the year ahead, consumer confidence remains strong Our economic activity index (EAI) nowcasts GDP growth for Q1:2023-24 at 7.8 per cent.

(Source: RBI Bulletin, August 2023)

Banking and financial sector companies registered an impressive performance for another successive quarter. Robust demand conditions led to an acceleration in top-line growth. Equity markets scaled new highs in the second half of July 2023, aided by robust Q1:2023-24 corporate earnings and positive global cues. In early August 2023, equity markets registered some correction on general risk-off sentiment emanating from the sovereign rating downgrade of the US by Fitch and weak economic data releases from China and Europe. Closing at 65,323 on August 11, 2023 the BSE Sensex declined by 1.8 per cent in August so far, following gains of 2.8 per cent in July 2023.

Macroeconomic Trends and Underlying Growth Drivers

YoY growth in ICRA Business Activity Monitor eased to 6.7% in June 2023 amid continued weakness in external demand

The momentum in economic activity moderated in June 2023, with the YoY growth in the ICRA Business Activity Monitor easing to 6.7% (+22.4% in June 2022) from 8.9% in May 2023 (+38.9% in May 2022). The slowdown was broad-based with as many as 10 of the 16 constituent indicators reporting a deterioration in their YoY performance in June 2023 vis-à-vis May 2023.

EXHIBIT 1: Level of ICRA Business Activity Monitor (FY2019=100)

EXHIBIT 2: YoY growth of ICRA Business Activity Monitor

(ICRA Industry Report dated July 2023)

The sustained weakness in external demand continued to act as a drag on economic activity, with the contraction in India’s non-oil exports widening to 13.5% YoY (steepest decline in eight months) in June 2023 from 4.8% in May 2023. This also led to a slowdown in cargo traffic at major ports (to a 16-month low of 0.4% in June 2023) and is likely to have affected rail freight traffic (-1.9% in June 2023; first contraction in 34 months), reflecting a YoY decline in container traffic at both ends. Additionally, the performance of auto production deteriorated in June 2023, with the output of two-wheelers (2Ws) partly impacted by the large decline in such exports.

Non-Banking Financial Companies

Retail Sector Outlook:

FY2024 Outlook – Stable				
AUM Growth	Asset Quality	Funding and Liquidity	Profitability	Capital
18-20%	GS3 – Up to 20-bps improvement from March 2023 level	Rs. 2.3-2.4 trillion	RoMA of 2.6-2.8%	Adequate
Growth would moderate, while remaining healthy, from the robust levels in FY2023	Stress from restructured book was largely absorbed in FY2023	Additional funding required in FY2024 to support growth, apart from refinancing existing/maturing lines	Margins could witness some pressure; profitability would, however, remain healthy	No sizeable capital requirement, considering the growth outlook

(ICRA Industry Report dated July 2023)

ICRA has revised the growth outlook for the retail loans of NBFCs (NBFC-Retail; *excluding HFCs*) to 18-20% from its previous forecast of 12-14%. NBFC-Retail AUM, as of March 2023, stood at ~Rs. 14.0 trillion, up 26% YoY. ICRA expects NBFC-Retail to grow by 9-11% in FY2023 and 10-12% in FY2024 with the growth supported by the GoI’s thrust on the infrastructure sector.

The unsecured loan segment, consisting of personal & consumption loans, unsecured small enterprise loans and microfinance loans, which drove growth in the last fiscal, would continue to support growth in the current fiscal. This segment is expected to expand by 26-28% in FY2024. Secured NBFC-Retail AUM, consisting of vehicle finance, gold loans and secured business loans, etc, is forecasted to grow by 14-16%. The overall sector would grow about 13-15% in the current fiscal vis-à-vis the 16% growth witnessed in FY2023. The overall sector’s incremental funding requirement (over and above the refinancing of existing/maturing debt) is estimated at Rs. 4.7-5.0 trillion. Expansion in overall bank credit, the healthy market issuance trend and strong securitisation demand shall ensure adequate fund availability for the sector.

NBFCs (excluding HFCs) have wound down provisions over the last two years. Incremental provision required for loan growth and loan losses would keep credit costs range-bound vis-à-vis the previous fiscal, even as the asset quality is set to stabilise.

The cost of funds (CoF) for entities is, however, expected go up by 60-80 basis points (bps) in the current fiscal. Coupled with the fact that most NBFCs have a fixed rate loan book, entities are expected to face some pressure on margins in FY2024. This, along with higher operating costs, would impact the net profitability, which would moderate by up to 20 bps vis-à-vis the last fiscal. The capital profile shall remain adequate for meeting the growth targets. Some entities, with tighter capital positions, would raise capital. This would, however, be driven by the new regulatory requirements (leverage guidelines, etc.) if any. More entities shall raise capital in the next fiscal if strong growth continues.

The overall infrastructure credit growth (including banks and non-banks) slowed down in FY2022 and in the first two quarters of FY2023. The trend, however, reversed in Q3FY2023 and infrastructure credit registered an annualised growth of 6% in 9MFY2023. Within this, the NBFC-IFCs grew by 9% while the banking sector growth was modest at 3%.

Earnings| NBFC profitability trend and outlook

The fixed rate of assets and increasing CoF would affect the spreads in FY2024. Further, higher portfolio growth, as projected, will result in an increase in the leverage. The combined effect of these two factors shall result in the compression of the net interest margin (NIM) in FY2024, though the same shall normalise almost to the long-term average. Operating costs shall witness some uptick with the increase in the share of smaller ticket and unsecured loans and other growth-related operating costs. Further, credit costs shall remain range-bound at the FY2023 level or increase slightly with credit/provisions costs normalising almost to the steady-state level. Entities benefited from the excess provisions created during the pandemic years, which helped them keep the credit costs under control in the last fiscal.

EXHIBIT 27: Key earnings parameters

AUM| Overall sector to expand by 13-15% in FY2024

EXHIBIT 4: AUM growth trends and outlook

(ICRA Industry Report dated July 2023)

NBFC-Retail AUM expanded by about 26% in FY2023, while HFCs (excluding HDFC) grew by ~10%. NBFC-Infra exposures expanded by about 12% while other wholesale exposures grew by a moderate 7% even on a low base. Thus, the overall sectoral growth of 16% in FY2023 was largely driven by the NBFC-Retail segment.

NBFC-Retail AUM is expected to grow by about 18-20% in FY2024, while HFCs and NBFC-Infra are estimated to grow by 12-14% and 10-12%, respectively, resulting in an overall healthy sectoral expansion of 13-15% for the fiscal.

(ICRA Industry Report dated July 2023)

EXHIBIT 5: Retail exposures of NBFCs & HFCs

(ICRA Industry Report dated July 2023)

The sector's (NBFC+HFC) retail exposure is expected to expand by about 16-18% in FY2024 to Rs. 25 trillion, which would push up its share to ~55% by March 2024. As the sector moves towards the retailisation of its exposures and as NBFC-Infra and other wholesale exposures would grow at a much moderate pace, their share in the overall pie shall decline.

Unsecured loans, i.e. microfinance, small and medium-sized enterprise (SME) loans and personal consumption finance, are expected to grow at a stronger pace vis-à-vis the overall NBFC retail assets growth. Thus, this segment's share in overall retail exposures would expand to 26% by March 2024 from 24% in March 2023 (16% in March 2019). Unsecured loans grew at a compound annual growth rate (CAGR) of 27% during the 5-year period ended March 2023 compared to 11% for secured loans.

Adequate funding should be available from banks for meeting the sectoral growth requirements

EXHIBIT 17: Incremental funding sources – FY2024

Incremental Funding Requirement – FY2024	
NBFCs (excluding infra)	Rs. 2.4 - 2.5 trillion
HFCs	Rs. 0.9 - 1.0 trillion
NBFC-Infra	Rs. 1.4 -1.5 trillion
Total	Rs. 4.7 -5.0 trillion

(ICRA Industry Report dated July 2023)

Bank credit to the sector peaked to 9.9% of the total bank credit in December 2022 and moderated to 9.6-9.7% in the subsequent five months. Bank credit is expected to grow by 12.1-13.2% in FY2024, assuming credit to NBFCs remains at 9.7-9.9%. Banks can extend Rs. 1.6-1.9 trillion of additional credit to the sector. Further, the merger of HDFC Limited should free up additional limits. Banks account for about 40-45% of the overall funding profile of NBFCs and HFCs (excluding Infra) and about 25-30% of NBFC-Infra. Thus, funding from banks to the sector should remain adequate for meeting the sectoral growth plans. Further, funding from capital markets and the expectation of strong securitisation volumes from the current fiscal shall support fund availability for the sector.

Unsecured Loans

Share of unsecured loans to touch ~26% of NBFC retail loans by March 2024

Overall unsecured loans are expected to grow 26-28% in FY2024, which shall push up their share to around 23% by March 2024 from ~16% in March 2020.

EXHIBIT 8: Trend in share of key asset segments

(ICRA Industry Report dated July 2023)

Unsecured loans, albeit on a lower base, grew at a CAGR of about 27% during the 5-year period ended March 2023, while secured loans grew at a CAGR of ~11%. Unsecured loans outstanding (o/s) shrunk during the Covid-19 pandemic period. Excluding microfinance, unsecured loans shrunk by about 4% vis-à-vis the 1% contraction witnessed in the overall unsecured book in FY2021.

The unsecured loan book growth is likely to be lower than the high level seen in the last fiscal but shall continue exceeding the secured loan book growth with its share expected to touch 26% in March 2024.

(ICRA Industry Report dated July 2023)

LAP and SME Finance

With domestic business activity picking up steadily, credit flow to this segment accelerated as NBFCs started lending robustly to meet the pent-up demand. The AUM stood at Rs. 2.9 trillion as of March 2023, growing by about 30% YoY in FY2023. Previously, the segmental AUM had remained range-bound for eight quarters as NBFCs had maintained a cautious stance as this was one of the highly impacted segments during the pandemic. ICRA expects the AUM to grow at a healthy 19-21% in FY2024, somewhat slowing down from the growth surge witnessed in FY2023. Overdues continued to decline steadily over the quarters, supported by traction on resolution/recovery of delinquent assets. Further, most of the entities recognised credit losses and wrote off the pandemic-related hard delinquencies during the year, especially in the case of unsecured SME loans. Coupled with the healthy AUM growth, delinquencies were significantly lower than the long-term average levels by March 2023.

Project Finance

Infrastructure Sector

The overall infrastructure credit growth (including banks and non-banks) slowed down in FY2022 and in the first two quarters of FY2023. The trend, however, reversed in Q3FY2023 and infrastructure credit registered an annualised growth of 6% in 9MFY2023. Within this, the NBFC-IFCs grew by 9% while the banking sector growth was modest at 3%. ICRA expects NBFC-IFCs to grow by 9-11% in FY2023 and 10-12% in FY2024 with the growth supported by the Govt's thrust on the infrastructure sector. The increase in capital expenditure (capex) on infrastructure by 37% in the Union Budget for FY2023-24 augurs well for growth. The asset quality of NBFC-IFCs has improved in the last few years. NBFC-IFCs have demonstrated a healthy profitability trajectory.

Power sector remains dominant in overall portfolio mix

Exposure to the power sector (including the renewable and transmission segments) continues to dominate the overall portfolio mix of banks and IFCs. Other substantial exposures remained to the railways (17%), road (12%) and telecommunications (5%) sectors as on December 31, 2022.

ALMs improve with lower reliance on short-term borrowings and raising of longer-tenor borrowings

The asset-liability mismatches (ALMs) of many IFCs have improved in recent times as reliance on short-term funds has reduced.

Moreover, higher on-balance sheet liquidity is being maintained like the broader NBFC sector.

Notwithstanding some moderation in NIMs due to the unfavourable systemic rate, decline in operating expenses and controlled credit costs owing to the steady decline in NPAs as a proportion of the loan book, Public-IFCs, on an aggregate basis, achieved a RoA of 2.1% in H1FY2023 compared to 2.1% in FY2022 and the six-year average of 1.7%.

Indian Power Sector

The all-India electricity demand increased by 10.7% YoY in 10MFY2023, because of the severe heat wave in North & Central India and a favourable base. However, challenges remain for the thermal segment due to the weak financial position of the discoms, tighter emission norms and shortfall in coal supply. The project pipeline in the power transmission segment remains strong.

(ICRA Industry Report dated April 2023)

Renewables

ICRA’s outlook for the renewable energy (RE) sector remains Stable, led by strong policy support from the GoI, high tariff competitiveness despite the recent uptick and sustainability initiatives by large commercial & industrial (C&I) customers. Capacity addition is likely to rebound to ~20GW in FY2024 from ~14GW estimated for FY2023. The wind segment continues to see modest execution, with only 5.7GW commissioned so far out of the 17.7GW awarded by the Central nodal agencies and state discoms. On the other hand, the hybrid segment witnessed the first set of projects being commissioned in FY2023, with 2.4GW commissioned in the year so far.

Solar bid tariff increased over the past six months with a quoted tariff of Rs. 2.5 per unit or higher against the less than Rs. 2.4 per unit tariff seen till June 2022, owing to the cost pressure arising from elevated module prices and hardening interest rates. The capacity under tendering by the various Central nodal agencies and state utilities stood at ~24GW as of March 2023, indicating an improved pipeline compared to the situation as of December 2022.

As per the data from PRAAPTI portal, the over dues to renewable power generating companies declined to Rs.25.1 billion as on March 20, 2023 from Rs.206.8 billion as of June 2022. This excludes the dues converted into instalments by these discoms. Apart from clearing past dues through instalments, the discoms have been regular in making payments for the on-going bills raised post June 2022 with most of them clearing the dues within 90-120 days. While this is a positive step for the IPPs, the sustainability of timely payments is linked to the improvement in the financial profiles of the discoms.

(ICRA Industry Report dated April 2023)

Roads & Port logistics

Toll collections growth is expected to moderate to 6-9% in FY2024 due to the softening in the WPI after the stellar growth witnessed in FY2023.

The container volumes at the Indian ports witnessed a subdued growth of ~3% in 11MFY2023. For FY2024, the overall container volumes are expected to grow in the range of 4-6%. Container freight station (CFS) volumes are expected to be in line with the expectations for container trends in Indian ports. The long-term outlook for the container segment remains favourable. However, consolidation in the CFS /inland container depot (ICD) and CTO segments is expected during the growth phase. *(ICRA Industry Report dated April 2023)*

OUR STRENGTHS

Marquee Parentage with a Trusted and Well-Respected Brand along with the experienced promoter

The Aditya Birla group is widely recognized as one of the largest and most respected business houses in India, and we derive significant advantages from the strong parentage and brand equity generated by the “Aditya Birla” brand. The Aditya Birla group’s businesses include metals and mining, cement, carbon black, textiles, garments, chemicals, paints and mobile telecommunications, besides financial services. The brand equity associated with the “Aditya Birla” brand provides us with a distinct competitive edge and instills confidence and trust among our stakeholders, including customers, partners, and investors. Moreover, strong brand recognition helps generate avenues for collaboration and strategic partnerships, enabling us to leverage the extensive network and resources within our ecosystem.

In addition to the brand advantage derived from the “Aditya Birla” brand, our strong parentage affords us access to experienced personnel (and our ability to attract and retain such talent), industry best practices, robust governance processes, and marketing leverage. These invaluable resources, combined with the brand equity of the “Aditya Birla” and “Aditya Birla Capital” brands empower us to drive growth, innovation, and excellence in our business.

Aditya Birla Capital Limited (“ABCL”), our holding company and the promoter, holds 100% of our total issued and paid-up Equity Share capital, as on the date hereof. ABCL has 1,295 branches across its businesses as at March 31, 2023, out of which, 584 are co-located branches across 155 locations (“**One ABC Locations**”). The One ABC Locations have branches of two or more subsidiaries located at the same location and provide personalized assistance to our customers, helping them achieve their financial goals and helping us leverage potential cross-selling opportunities across the product suite.

This diversified portfolio of products ensures that we are able to target all demographic sectors and insulates it from fluctuations in specific areas. It also enables us to cross-sell our products. We believe that this diversified suite of products and services and proven track record of performance places us uniquely to achieve scale with flexibility and benefits our operations significantly.

Robust Risk Management Processes

We are required to manage the risks efficiently and effectively considering the nature of our business, and we have robust mechanisms in place to manage risk. Our risk management framework lays down our core principles in identifying, measuring, assessing, and managing the key risks. Our target customers vary from large corporates to medium and small enterprises to high-net-worth individuals and mass market retail individual customers. We monitor concentration risks in our client groups, integrate sector expertise across our various product categories of our business and maintain oversight over event risks. Further, our operations and decisions are guided by our environment, social and governance-empowered sustainability framework, which will continue to enable us to succeed in building an equitable world for all stakeholders. Through a conscious and collaborative approach, we embrace diversity and empower individuals with opportunities to achieve their aspirations and meet their needs.

We have well-established risk management framework designed to identify, assess, monitor and mitigate risks inherent in the businesses. The risk management framework enables effective risk management through a corporate governance structure including committees, corporate policy, internal controls and reporting measures. We conduct verification procedures including analysis of financial information, document verification and background checks, as applicable. Our assessment of institutional borrowers encompasses analysis of their business viability, credit history, reputation and experience of their promoters and management, among others. The identification, measurement, mitigation, pricing and monitoring of risks remains a key focus area for us.

We facilitate a comprehensive assessment of risks through effective underwriting procedures and have a robust risk-based pricing framework incorporating factors such as customer assessment criteria, loan tenor and quality of collateral. Further, we ensure regular monitoring of risk through creation of a unique client ID, early warning mechanism, system-based covenants and post disbursal monitoring with escalation protocols and a credit audit framework. We also leverage AI to enhance our risk-based collections calling strategy. By utilizing AI algorithms and predictive analytics, we can identify and prioritize high-risk accounts for collections efforts. Our AI-driven approach enables us to streamline the collections process, improve efficiency, and ultimately minimize credit risk. Our provision coverage ratio for each of the loan category offered by us is also set forth below:

Category-wise Asset Quality	Stage 3 provisioning coverage ratio as of			
	March 31, 2021	March 31, 2022	March 31, 2023	June 30, 2023

Experienced Management Team with Industry Expertise

Our key management personnel and senior management teams comprise of qualified and experienced professionals. We believe

that the vision and leadership of our management team has contributed to our consistent and positive performance in the past and will drive our strategic direction in the future.

We are guided by our Promoter, Aditya Birla Capital Limited and its senior management team for their support and expertise in the non-banking finance industry. We also have a highly experienced leadership team across our categories and initiatives. Their deep knowledge and expertise enable us to effectively navigate the complexities of our industry. Our management team is led by our Managing Director and Chief Executive Officer, Rakesh Singh, who has over 25 years of experience in financial services industry and has consistently demonstrated strong leadership, delivering revenue growth and profitability. We believe that our management team's wealth of experience is a valuable competitive advantage, empowering us to implement our business strategies and adapt to evolving customer preferences, as well as changes in the business, economic, and regulatory landscape.

Continued Investments in Technology and Data Science to Serve Our Customers More Effectively

We believe that technology and automation are essential to our business and it has leveraged the same for an efficient and effective system across its business lines. We have continuously invested in IT platforms to enable seamless on-boarding and servicing of our customers. Given the changing technological landscape including data protection and privacy laws, we have also developed digitised mode of acquiring and servicing customers.

As we continue to expand our geographic reach and scale of operations, we intend to further develop and invest in technology to support our growth, improve the quality of our services and achieve superior turnaround time in our operations. As part of our ongoing commitment to leveraging technology to enhance customer service, we aim to undertake various initiatives that harness the power of data, digital solutions, and technology to serve our customers more effectively. Recently, in March 2023, we successfully launched Udyog Plus, our comprehensive digital platform tailored for the MSME ecosystem. Udyog Plus offers a paperless digital journey for business loans using traditional and alternate data sources with value added services for MSMEs to manage and grow their businesses. This platform has been integrated with both government and private e-commerce websites, enabling credit facilities for sellers operating on these platforms.

We leverage our technological infrastructure for customer acquisition, customer services, process automation and collections, as set forth below:

Customer Acquisition	Customer Servicing	Process Automation	Collections
During the quarter ended June 30, 2023, 99% of our customers were onboarded digitally.	During the quarter ended June 30, 2023, 98% of the EMIs were collected digitally.	We have witnessed a significant penetration in electronic national automated clearing and personal loans.	We leverage artificial intelligence for risk-based collections calling.
Our loan origination system and loan management system use facial recognition, bureau integration and e-contract facilities for KYC procedures.	Our inbound contact center calls are handled by voice IVR bots.	During the quarter ended June 30, 2023, 89% of our interactions with our customers happened digitally.	We leverage machine learning for low-risk cheque dishonor cases calling.
	We have enabled self-service channels with STP for better service journey of our customers.	We utilize an email bot to respond to customer emails.	We have activated our repayment hub with multiple digital payment channels for EMI collections.

Maintaining high asset quality with high growth

Our low NPAs are reflective of our efficient risk management approach and our intensive usage of technology for onboarding of our customers. Pursuant to stringent framework by the RBI in the form of Master Circular - Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances, we are required to identify non-performing assets and make provisions for the same in accordance with the requirements prescribed therein. Our robust risk management model has however, aided us in maintaining a relatively low level of Stage 3 NPAs and we have been able to ensure a high-quality book across all categories.

Set forth below are the details of stages of loan assets in our business.

We have processes in place to conduct regular monitoring including through its early warning stress model and in-depth analysis of cash flow and needs of the borrower. A lower cost of borrowing enables business verticals to be competitive in the lending space and bid for high quality assets. We leverage existing as well as new relationships with lenders to enhance its limits and borrow at competitive rates. This enables us to remain profitable while being selective in its lending.

Ability to maintain net interest margins

We ensure that not only our interest rates are competitive as per the industry standards, but also that the cost of the borrowings we avail are among the lowest as prevailing in the market. For details, see “Disclosures on the existing financial indebtedness” on page 124.

A significant component of our revenue from operations is the interest income we receive from the loans we disburse. Our interest income represented 95.7%, 94.4%, 95.4% and 95.6% of our total income for the quarter ended June 30, 2023 and for the Financial years ended 2023, 2022 and 2021. Further, our net interest margins represent the difference between the interest rates that we charge our customers or that we receive on our investments and the rates payable on our borrowings. As at June 30, 2023, our net interest income (including fee)* was ₹1,433.0 crores with our net interest margin at 7.0%.

* Net Interest income (including fee income) is calculated as total income as per financial statements reduced by finance cost as per Financial Statements.

Pan India presence with strong direct sourcing

As at June 30, 2023, we have a geographical footprint across the nation with 332 branches spread across 297 cities with a focused expansion in Tier III and Tier IV cities. We believe that with its depth and breadth of product and service portfolio, we have been able to deepen our presence across its retail and corporate customers. The ‘ABC One Branch’ strategy enables our Company to add to its presence organically at a lower cost. Additionally, our Company is also expanding its distribution channels and sourcing increasingly from Direct & Digital Ecosystems.

OUR STRATEGIES

The primary elements of our business strategy are to continue to grow our existing loan book and AUM, expand our presence physically and digitally across the nation, leveraging our debt and improving our net interest margin. Our specific growth strategies are as follows:

Continued Product Innovation and New Product Launches

Sustainable growth and maintaining a high return on assets remain key objectives for our lending businesses in the medium term, and we continue to focus on prudent lending practices, risk management, and operational efficiency to achieve these goals.

We expect to develop our customer base for these products by continuing to tap into fast-growing retail, MSME and SME

sectors. We aim to develop differentiated solutions for MSMEs and further enhance our Udyog Plus program to attract new customers while tapping into the extensive resources of the “Aditya Birla group” ecosystem. In March 2023, we successfully launched Udyog Plus, our comprehensive digital platform tailored for the MSME ecosystem. Udyog Plus offers a paperless digital journey for business loans using traditional and alternate data sources with value added services for MSMEs to manage and grow their businesses. This platform has been integrated with both government and private e-commerce websites, enabling credit facilities for sellers operating on these platforms.

We believe in innovating and investing in technology to assist us to provide a superior client experience, attain greater operational and management efficiencies and productivity as well as ensure asset quality, which will, in turn, drive growth in AUM and profitability. We intend to strategically invest our resources for leveraging technology for efficient operations as we scale up to ensure increased effectiveness of our operations. We intend to increase efficiency in our business operations to improve the overall client experience through increasing use of technology. We intend to continue strengthening and increasing the user-friendliness of our existing technology, while maintaining expenses at current levels.

Leveraging Our Integrated Ecosystem for Synergies and Cross-selling Opportunities

We believe that our large and varied base of individual and corporate customers provides significant growth opportunities from increased cross-selling and up-selling. We are focused on providing a holistic customer experience through our “One ABC – One P&L” approach that revolves around three pillars, “One Customer”, “One Experience”, and “One team” as illustrated below:

- ***One Customer:*** By adopting the “One Customer” approach, we strive to develop a deeper understanding of our customers’ profiles and offer them customized solutions tailored for their needs. Our objective is to maximize the total life-cycle value of our relationship with our customers and our One ABC platform aims to serve existing customers, acquire new customers and act as a one stop-platform to deliver our protecting, investing, financing and advising (“PIFA”) solutions to our customers.
- ***One Experience:*** Enhancing customer experience is paramount to us. We are dedicated to delivering a seamless user experience across all channels. Our omni-channel architecture across our branches and our digital channels enables our customers to interact with us through their preferred mode in a flexible and convenient manner.
- ***One Team:*** Collaboration and synergy are central to our operations. We emphasize on delivering our products and services as “One Team” to leverage cross-selling opportunities and provide comprehensive solutions to our customers. By fostering a culture of teamwork and cooperation, we maximize our ability to deliver value to our customers.

We aim to further expand and increase the presence of our One ABC Locations. By fostering collaboration across different product categories, we aim to optimize resources, enhance customer experience, and unlock additional growth opportunities. To effectively foster cross-selling opportunities, we have introduced dedicated customer service managers at our One ABC Locations. These managers are equipped with the expertise and knowledge to provide personalized assistance and support, ensuring that our customers have access to a range of relevant products and services that meet their needs.

We intend to leverage our access to customers of our several businesses for selling complementary products. For example, we leverage the strength of our customer ecosystem to drive cross-selling initiatives. We actively promote personal loan top ups and cross-sell opportunities by offering a range of wealth services to both existing customers and our broader customer base. By extending our offerings beyond lending, we provide our customers with the convenience and benefits of a comprehensive financial ecosystem. We are also able to provide them with a holistic suite of products and services, thereby not only enhancing customer satisfaction but also strengthening our position as a comprehensive financial solutions provider. We plan on acquiring new customers through online sourcing and credit appraisal as well introducing mobile/tab based on-boarding of customers.

Expansion of our branch network and physical presence

Throughout our businesses, we undertake communication across television, print, radio and digital and social media channels in order to increase the reach of our products, we aim to further expand the reach of our distribution network to maximize our market penetration and better serve our customers. Our branch count stood at 332 branches as of June 30, 2023, and we expect a significant portion of our geographic expansion to include new branches in tier III and tier IV cities. We have also opened One ABC Locations branches of our Company and shall continue to open such branches. As of June 30, 2023, our Company has 150 branches at One ABC Locations. Through One ABC Locations, we intend to cross-sell and mobilize resources available for other businesses for the business of our Company.

We are constantly gaining experience from our existing branches and customers to analyse the requirement of new branches in the unexplored cities in India. Further, we constantly aim to emphasize on the technology to understand the reliance of customers on our digital interface such as our website and mobile application in a particular city, in order to reduce our costs associated with the branches.

Continued focus on risk management and governance framework

Our robust risk management processes enable us to maintain a healthy portfolio in accordance with its risk appetite. Our regular monitoring of risks and its governance frameworks such as risk-based pricing framework, credit policies and procedures and exceptional approval matrices as well as our online monitoring tool enhances our supervision and control over our risk exposure. As our business continues to grow and in light of regulatory policies aimed at reducing NPAs, we will continue to undertake self-evaluation, improve risk management processes and adopt best practices in line with global standards and applicable regulatory standards of the RBI.

Further diversify borrowing mix and reduce cost of funds

We believe that we have been able to access a wide range of lenders due to our good corporate governance, stable credit ratings, conservative risk management policies, strategic liability management and transparent communication. We intend to continue to diversify our funding sources, identify new sources and pools of capital and implement robust ALM policies with the aim of further optimizing our borrowing costs and help expand our net interest margin. We believe we have the ability to access borrowings at a competitive cost due to our stable credit history, credit ratings, conservative risk management policies and brand equity. Since our inception, we have onboarded a range of mutual funds, public sector banks, small finance banks, private banks, insurance corporates and NBFCs to diversify our lending profile, thereby de-risking our Company from an over dependence on any single fund source category. Diversification of our sources of funding in recent periods has contributed to an overall reduction in our average cost of borrowings in recent fiscal periods and has allowed us to maintain sufficient interest margins and achieve our liquidity goals, as well as maintain funding stability.

We have also diversified our funding sources to ensure that our debt capital requirements are met at optimal costs. Further, we intend to expand and diversify our lender base.

We seek to reduce our average cost of long-term borrowings through improved credit ratings and by diversifying our borrowing profile.

A. Personal and Consumer Category

Our Company caters to individuals/small business owners/micro enterprise categories with focus on emerging income category. This product category in line with our focus on moving to a granular AUM. Our Company has grown in the personal loans category at a CAGR of ~44% for the period of Financial Year 2018 to Financial Year 2022. The business grew strongly in Financial Year 2023 and closed the Financial Year 2023 with an AUM of ₹15,441.8 crore, recording a growth of 196.5%. As at June 30, 2023, AUM of personal and consumer loans category stood at ₹17,692.8 crore, contributing 20.6% to total AUM of our Company.

Under the personal and consumer category, we provide the following products and services:

- **Personal loans:** We provide unsecured and secured personal loans for several purposes including education, medical expenses, wedding expenses and debt consolidation.
- **Consumer loans / Check out financing:** We provide consumer loans by check-out financing through digital partnerships that allows consumers to finance their purchases at the point of sale. Our check-out financing services provide our customers the facility to avail financing during the check-out process, either at the point of sale, or through a ‘buy now pay later’ mechanism.
- **Credit card:** We offer credit card services in collaboration with a prominent public sector bank to individuals, along with usage benefits pursuant to our collaboration with multiple brands.

B. Unsecured Business Category

With the Indian economy expected to emerge as one of the leading economies in the world, a major impetus is being given to the SME sector which acts as the backbone of the economy. Our Company reaches out to this sector largely through relationship managers. Digital lending has further enhanced our Company’s capability to offer unique lending solutions to customers of strategic alliance partners. Keeping up with the rapidly evolving digital solutions, our Company has been able to create a vast range of lending offerings for its partner platforms and their captive customer base. Further, we have developed a plug and play ecosystem which allows faster integration across partner journeys with improved customer experience, significant cost savings, consistency in the credit approval process and real-time loan disbursements. This offering not only provides an extended outreach but an opportunity to assess and service customers using alternate data and machine learning models. Our company also caters to the demand arising out of working capital requirements through its solutions like vendor financing and channel financing.

As on March 31, 2023, this category achieved a closing portfolio of ₹8,408.6 crore from ₹5,348.6 crore as on March 31, 2022 registering a growth of 57.2% year on year. As at June 30, 2023, the AUM of unsecured business loans category stood at ₹8,573.8 crore, contributing 10.0% to the total AUM of our Company.

Under the unsecured business category, we provide the following products and services:

- **Business loans:** We offer unsecured business loans primarily for working capital and business expansion needs.

- **Supply chain finance:** We offer supply chain financing solutions across anchor-backed and open market product programmes. We provide vendor finance and channel financing solutions to MSMEs (manufacturers, dealers and retailers) thereby enabling working capital support for business growth and expansion.
- **Business-to-business digital platform:** Udyog Plus is our business-to-business digital platform for MSME ecosystem. It assists in cash flow backed lending by using traditional and alternate data sources along with value-added services for MSMEs to manage and grow their business.
- **Business overdraft:** We offer business overdraft facilities to MSMEs so that they can map their internal cashflows with the short-term borrowings and manage their day-to-day operations seamlessly.

C. Secured Business Category

This category caters to business owners and self-employed professionals engaged in small/mid-sized businesses. Our Company offers funding against financial securities to meet needs of this client category to expand and grow by starting new operations, entering new markets and introducing new products or increasing stake in their companies through warrants conversion, subscribing to rights issues, equity infusion in other businesses etc. Our Company provides solutions in the form of loan against property (“LAP”), working capital loans, loan against securities, micro-LAP etc. to allow this category to raise funds promptly. We cater to the needs of this category by financing their requirements through solutions like term loans, working capital facilities, capex funding requirements through our diversified product solutions. We also offer products like lease rental discounting to enable clients to finance business expansion and asset creation by monetizing and unlocking value of their property with rent from lessees becoming the source of repayment. Our Company is active in SME industry-micro market cluster locations and has also launched Udyog Plus for servicing our MSME customers. For details, see “ – Description of our Business – Udyog Plus – MSME Platform” on page 99. The platform enables simplified processes and better TATs to enhance its presence in B2B digital platforms that are emerging marketplaces for merchant ecosystems.

- **Loan against property:** We offer loans against property which enables the borrower to meet their funding requirements by obtaining a loan against their owned property.
- **Lease rental discounting:** We offer lease rental discounting that monetizes the value in a property for the borrower, with rent from lessees occupying the underlying property being the source of repayment.
- **Working capital loan:** We offer working capital loans to suit an array of short-term business requirements of companies in SME and mid corporate categories.
- **Loan against securities:** We provide loans against securities which can be availed against shares, mutual funds, bonds, insurance policies and PMS units.

D. Corporate and Mid-Market Category

We serve pedigreed corporate groups across sectors such as renewable energy, roads and transport, pharmaceuticals, FMCG, automotive, education, specialty chemicals etc. Our Company caters to these categories with term-loans, project finance, as well as customized products such as structured finance. We also cater to mid-corporate companies in focus sectors seeking customized solutions to meet their long-term working capital requirements, short-term business loans, acquisition finance and other funding requirements, apart from conventional balance sheet loans to operating companies. In select markets, we also provide developer finance to category A/A+ developers and in construction finance, we deal with some of the top category developers having a significant track record.

The corporate and mid-market category closed Financial Year 2023 with AUM of ₹24,760.7 crore, registering a growth of 23.0% over Financial Year 2022. As at June 30, 2023, the AUM of corporate / mid-market category stood at ₹26,436.8 crore, contributing 30.8% to total AUM of our Company.

Under the corporate and mid-market category, we provide the following products and services:

- **Capital expenditure/working capital funding:** We provide capital expenditure and working capital loans to corporates.

- **Structured finance:** We offer comprehensive financing solutions to operating businesses to refinance existing debt, top-up working capital funding and fund growth capital expenditure. These solutions are generally offered to borrowers in growth sectors.
- **Construction Finance / Developer financing:** We provide loans to real estate developers to help address the financial requirements for development of real estate projects.
- **Project finance:** We provide underwritten solutions for mid-sized projects and joint co-underwriting transactions with other project finance banks and institutions for the larger projects to capitalize on the opportunities in the infrastructure and manufacturing sectors.
- **Debt capital markets:** Our debt capital markets desk encompasses trading and investment in listed and unlisted corporate bonds.
- **Line of credit:** Our line of credit service is an arrangement between us and the customer that establishes a maximum loan balance that we permit the customer to access or maintain, that they may draw upon, provided that the amount does not exceed the specified limit.

E. Udyog Plus – MSME Platform

We launched Udyog Plus, an innovative one-stop business platform for MSMEs in March 2023. Udyog Plus, a unique and differentiated one-stop business platform for MSME customers, offers a wealth of useful features and tools to help MSMEs seamlessly achieve their larger business goals. It offers a paperless journey for business loans and loan disbursement of up to ₹10 lakhs.

F. Wealth Services

We provide a wide range of products and services across different asset categories to assist clients in building, managing, and preserving their wealth. Our dedicated wealth services team benefits from an open-source approach to product and fundamental research, which allows us to help clients address their investing biases and provide valuable insights to enhance their investment decision-making process. We have a team of committed relationship managers and investment counsellors who cater to the investment requirements of various clients, including retail clients, high-net-worth and ultra-high-net-worth individuals, family offices and corporate treasuries.

G. Proprietary Investments

We have established a dedicated fixed income desk to undertake proprietary investments in the fixed income market. Investments are primarily made in non-convertible debentures in the primary and secondary markets. We also generate fee-based income by providing a variety of customized fixed income solutions to our clients for provision of wealth services.

Our operations

Our lending operations can be categorized by stage of origination, credit underwriting, loan disbursement, collections and recovery.

- **Stage of Origination:** We approach potential customers through multiple channels such as channel partners, referral partners, digital mediums and relationship managers, among others. The process of origination involves three major stages of lead generation, lead management and lead conversion. Upon the receipt of a customer request, our business teams perform an initial check on customer credentials and respond to specific queries and requirements. A customer application file is created and submitted to our credit team to perform mandatory checks.
- **Credit Underwriting:** We employ a rigorous loan underwriting and risk assessment process that adheres to our product policies and takes into account all relevant regulatory guidelines and circulars. Our credit analysis and decision-making procedures involve evaluating the ability of individuals or entities to meet their financial obligations and assigning a risk rating based on an examination of their repayment history and creditworthiness using scorecards. We utilize digital data and customer transaction information to assist in our credit decision making. Our underwriting process encompasses document collection and submission, thorough review and mandatory checks conducted by Company's risk team, credit evaluation and financial assessment, personal discussions with customers, and the creation of a comprehensive case assessment memorandum by Company's credit team. Based on these evaluations, we determine whether to approve or reject a loan application. Throughout these processes, we conduct multiple background checks on customers to assess their borrower profile and financial status, as well as to verify the authenticity of the data provided, thus mitigating the risk of fraudulent submissions. We also engage legal and technical professionals from our panel of lawyers and valuers to obtain reports that verify property titles and assess collateral valuations. To determine customer eligibility for loans, we conduct a detailed analysis of cash flow and financials, perform risk assessments for specific loan types, and carry out external verification checks when necessary. Our technological infrastructure enables us to use Straight-Through Processing (STP) to enhance efficiency and turnaround time, while behavior-based predictive modeling assists us in promoting our products effectively.

Through business rule engine tools we host policy rules, score cards and business algorithms to analyze our customers' profile. This assists us in calculating eligibility through score cards and other pre-defined acceptability criteria through which we are able to ascertain the eligibility of the customer for underwriting.

- **Loan Disbursement:** Our loan disbursement process entails several steps to ensure accuracy and efficiency. Firstly, a disbursement docket is prepared, which includes all necessary documents. These documents, along with collateral documents, are then carefully examined by Company's credit team to ensure their quality and to identify any discrepancies. Upon receipt of the disbursement docket and collateral documents, Company's operations team conducts a thorough quality check. Once the quality check is completed without any issues, beneficiary details are uploaded into our systems and sent for authorization. After verifying the payment details, we proceed with the disbursement by electronic means or by issuing a cheque or demand draft to the customer within the specified turnaround time. Upon receiving the acknowledgement from the customer, the loan transitions from our loan origination system to our loan management system and we send a welcome kit to our customers along with relevant loan documents.
- **Collections and Recovery:** We have a robust collections and recovery system to increase the efficiency of our collections activities. We classify delinquent accounts as early stage, mid stage, late stage and high-risk stage. Through these stages, we seek to protect our relationship with our customers, protect our overall exposure and limit our losses. In the early stage of delinquency, the relationship manager directly manages overdue collection activities with month-end updates being shared with the collections and risk teams. For corporate finance, SME and institutional clients, the relationship managers manage the cases till the declaration of the account as an NPA, post which, the collections team takes over the operations. The relationship managers, however, during this time are supported by the collections team through follow-ups and collection of payments. During this time, the relationship manager conducts joint visits with the collections team as part of the handover activity. The collections team then handles the account and liaises with Company's legal team. The collections team also works with the business team when required, irrespective of the stage of delinquency. If a customer does not adhere to the repayment schedule, a defined process is followed to ensure regular payments which involves reminding the customer by sending him a notice or by making personal visits or the repossession of security, if required. For retail customers, the collections team steps in right from day one of a payment being overdue. We have set up a call center to manage the early delinquent cases and have empaneled third party agencies for collection of overdue monies. For early and

mid-delinquency cases, we remind customers to make payments through written communications, telephonic reminders and personal visits. If the customer does not respond after such reminders, we arrange for another visit to the customer and consider initiating legal proceedings, as appropriate.

Distribution

As of June 30, 2023, we had 332 branches servicing our business. We also focus on leveraging digital channels including our website, mobile application and Udyog Plus to increase our customer base.

Digital processes

We leverage our technological infrastructure for customer acquisition, customer services, process automation and collections, as set forth below:

Customer Acquisition	Customer Servicing	Process Automation	Collections
During the quarter ended June 30, 2023, 99% of our customers were onboarded digitally.	During the quarter ended June 30, 2023, 98% of the EMIs were collected digitally.	We have witnessed a significant penetration in electronic national automated clearing and personal loans.	We leverage artificial intelligence for risk-based collections calling.
Our loan origination system and loan management system use facial recognition, bureau integration and e-contract facilities for KYC procedures.	Our inbound contact center calls are handled by voice IVR bots.	During the quarter ended June 2023, 89% of our interactions with our customers happened digitally.	We leverage machine learning for low-risk cheque dishonour cases calling.
	We have enabled self-service channels with STP for better service journey of our customers.	We utilize an email bot to respond to customer emails.	We have activated our repayment hub with multiple digital payment channels for EMI collections.

Further, we employ analytics in our operations, sourcing, underwriting, and collections. Set forth below is a brief summary of use of analytics in our operations:

Sourcing	Underwriting	Collections
For new to business customers, we create scorecards and apply risk based differential pricing.	Analytical tools help us in identifying credit worthy customers, and in generating custom multiple application scorecards.	Analytical tools help us in root cause identification (for instance, inability to pay) and its solutions.
For existing customers, analytical tools help in arranging for pre-approved loans and assist in cross-selling of mutual funds and insurance products to our customers.	Analytical tools help us in offering appropriate credit line through calculation of fixed obligation to income ratio for income estimation and obligation.	Analytical tools help us in preparing base for collection by improvising our sourcing strategy through incorporation of collection feedback.
For such customers who were previously associated with us, analytical tools assist in cross-selling of loans and re-engagement through competitive pricing.	We are able to employ risk-based pricing and optimize field verification through digital process.	We can customize our collection process by using multiple collection scorecards and preparing customized base for different channels.
For new products, we use technology to customize deals and products, and employ behavioral scorecard analytics.	Analytical tools help us in setting-up an early-stage warning system	We can track agency performance and rank the collection agencies based on recent and historical target achievement data.

Asset quality and classification

We strive to maintain our asset quality by adhering to credit evaluation standards, interacting with customers directly and regularly and through a robust risk management model. We have implemented processes to conduct regular monitoring of loans, including through an early warning system, and in-depth analysis of customer cash flows.

Treasury Operations

Our treasury operations help us meet our funding requirements and manage short-term surpluses. Our fund requirements are predominantly sourced through term loans, non-convertible debentures, commercial papers, external commercial borrowings, cash credit facilities, working capital demand loans, inter-corporate borrowings and repo borrowings. As of June 30, 2023, our borrowings comprised the following:

Instruments	Outstanding Borrowings (₹ in crores)	% of Outstanding Borrowings*
Term loans from banks	39,960.1	53.4%
Non-convertible debentures (including subordinated liability)	19,147.0	25.6%

Cash credit facilities and working capital demand loans from banks	4,747.9	6.3%
External commercial borrowings	2,324.1	3.1%
Inter-corporate borrowings and collateralised borrowing and lending obligation against government securities	1,373.3	1.8%

*Excluding book overdraft

The table below sets forth the breakdown of our loan assets and liabilities in terms of fixed and floating interest rate bases as of June 30, 2023:

	Assets	Liabilities
Fixed	40.0%	37.9%
Floating	60.0%	62.1%

Note: Short term borrowings have been considered part of floating rate borrowings.

We believe that through our treasury operations, we maintain our ability to repay borrowings as they mature and obtain new borrowings at competitive rates. Our treasury department undertakes liquidity management by seeking to maintain an optimum level of liquidity and complying with the RBI's requirements for asset and liability management.

Capital Adequacy Ratio

We believe in maintaining capital adequacy at an optimum level so as to sustain the growth of our lending book and cover our asset side risk. In accordance with applicable RBI norms, our Company is required to maintain a minimum capital ratio

consisting of Tier I and Tier II capital of not less than 15.0% of our aggregate risk weighted assets on-balance sheet and of risk adjusted value of off-balance sheet items and under the Scale Based Regulatory Framework, common equity tier 1 capital of 9.0% of its risk weighted assets.

Details of our capital adequacy ratio, for the dates specified, are set out below:

Risk Management

Our risk management strategy is based on a clear understanding of the various risks we face and is focused on developing and maintaining a robust credit portfolio within our risk appetite, and in accordance with the regulatory framework. While we are exposed to various types of risks, the most significant ones include credit risk, market risk (including liquidity risk and interest rate risk), and operational risk. We prioritize the measurement, monitoring, and management of these risks. We employ disciplined risk assessment, measurement, and mitigation procedures, accompanied by continuous monitoring. Our policies and procedures in this regard are regularly benchmarked against the best market practices.

As a well-diversified NBFC operating across different categories such as retail, SME, mid-corporate, large corporate, and infrastructure finance, including renewable energy financing, we have specific policies and processes in place for risk assessment. These policies differ for each product, such as personal loans, business loans, buy now pay later, and loan against property for retail lending, as well as corporate loan products like term loans, working capital loans, loan against financial securities, and project loans. We also have policies in place to address other areas, including those related to money laundering, asset liability management, fraud risk, whistleblower complaints, operational risks, information security, business continuity planning, expected credit loss framework, and internal capital adequacy assessment process.

Credit risk management encompasses credit policies, portfolio diversification, appraisal and approval processes, internal ratings, post-sanction monitoring, operational control, fraud control, collection processes, and remedial management procedures. We have defined programs for each product that outline differentiated customer base, underwriting standards, security structures, and more to ensure consistency in credit patterns. Proposals undergo approval at different levels based on defined delegations of authority, and post-sanction monitoring is overseen by the management and the Risk Management Committee of our Company. We have established a robust collection infrastructure, including dedicated collection teams for specific categories, which is integral to our lending business.

Operational risk is the risk of loss arising from system failure, human error, fraud, or external events. While the ultimate responsibility for operational risk management lies with the Board of our Company, we have delegated this responsibility to the Risk Management Committee (“**RMC**”) of our Company. An independent Operational Risk Management Committee (“**ORMC**”) provides oversight and updates to the RMC. The ORMC is supported by an independent ORM Function, responsible for designing and implementing the Operational Risk Management (“**ORM**”) framework and processes. The ORM Function facilitates proactive identification and management of risks through ongoing review of systems and controls, risk and control self-assessment, timely reporting and analysis of operational loss events, monitoring of key risk indicators, and issue and action management. We work closely with all business and support functions to ensure the implementation of ORM processes, and we prioritize ongoing ORM training and awareness to foster a strong risk culture.

To mitigate fraud risks, we have a dedicated Risk Control Unit (“**RCU**”). The RCU reviews cases entered into the system and conducts various fraud control management activities such as document sampling, property visits, verification of stock statements, vendor and customer profile checks, and more. We have several committees at different management levels, including the Operational Risk Management Committee of our Company, Asset Liability Management Committee of our Company, and different forums for Portfolio Monitoring, Fraud Control and Collections, each responsible for ensuring robust risk management throughout the organization.

Insurance

We maintain insurance policies that are customary for companies operating in our industry. Our principal types of coverage policies include the following (i) Group Mediclaim Policy, (ii) Group Personal Accident Policy, (iii) Group Term Life Plan, (iv) Package Policy – Office, (v) Directors & Office Liability policy, and (vi) IT Assets insurance policy.

Information Technology

Our Company relies on information technology as a strategic tool for our business operations to improve our overall productivity and efficiency. We operate through a fully operational website and a mobile application. Further, we also have a digital platform for MSME onboarding i.e. Udyog Plus. For details, see “– Udyog Plus – MSME Platform” on page 99, allowing us to effectively manage our business and providing us decision-making and operational support.

Our comprehensive digital platform tailored for the MSME ecosystem, offers a paperless digital journey for business loans using traditional and alternate data sources with value added services for MSMEs to manage and grow their businesses. This platform has been integrated with both government and private e-commerce websites, enabling credit facilities for sellers operating on these platforms.

Employees

As of June 30, 2023, we had 5,240 employees. We recruit after conducting reference checks and our new employees undergo training. We strive to maintain a work environment that fosters professionalism, integrity, excellence and cooperation among our employees.

In the Financial Year 2023, our Company introduced the “Celebrate Motherhood” programme, aligned with our purpose of providing support to women employees who are expecting to be a mother. The programme includes “Stay in Touch” and “Return-To- Work” elements, enabling seamless integration of personal and professional commitments.

Awards

Over the years, our Company has won several awards, including:

- ‘Winner - Financial Inclusion & Future of Financial Services in India – Vision 2030’ in the lending category and large NBFC class at the ASSOCHAM 17th Annual Summit and Awards, Banking and Financial Sector Lending Companies, 2022;
- ‘Excellence in Personal Loan Journey’ award at Lentra Digital Lending Transformation Global Summit 2022; and
- ‘Best Corporate in healthcare category’ for the CSR project SCALE Rajasthan (public private partnership model) at 7th National CSR E-Summit, 2020.

Intellectual Property

We use the “Aditya Birla Capital” trademark, under the terms of a trademark license agreement executed between our Company and another member of the Aditya Birla group. Such license has been granted to us on a royalty free, non-exclusive and non-assignable basis for a perpetual term.

Competition

The NBFC industry in India is highly competitive. We face competition from domestic and international banks as well as other HFCs and non-banking finance companies. We generally compete with our competitors on the basis of the range of product offerings, interest rates and fees and customer service, as well as for suitably skilled personnel. Our primary competitors include Bajaj Finance Limited, IIFL Finance Limited, Cholamandalam Investment and Finance Company, and L&T Finance Holdings Limited.

SECTION VI: ISSUE RELATED INFORMATION

TERMS OF THE ISSUE

Authority for this Issue

Our Board of Directors, pursuant to its resolution dated May 9, 2023 and our Finance Committee, pursuant to its resolution dated September 7, 2023, have approved the issuance of NCDs of the face value ₹1,000 each, for an amount aggregating up to ₹1,000 crores (“**Base Issue Size**”) with an option to retain oversubscription up to ₹1,000 crores (“**Green Shoe Option**”), aggregating up to 2,00,00,000 NCDs for an aggregate amount up to ₹2,000 crores (“**Issue Size**” or “**Issue Limit**”). Pursuant to a resolution passed by our Board November 5, 2022 and Shareholders at the EGM held on November 7, 2022, our Board has been authorised to borrow any sum or sums of monies, which together with the monies already borrowed (apart from temporary loans obtained or to be obtained in the ordinary course of business), in excess of our Company’s aggregate paid-up capital and free reserves, provided that the total amount which may be so borrowed and outstanding shall not exceed a sum of ₹1,00,000 crores. The NCDs pursuant to this Issue will be issued on terms and conditions as set out in the Prospectus.

Principal terms and conditions of this Issue

The NCDs being offered as part of this Issue are subject to the provisions of the SEBI NCS Regulations and the SEBI Master Circular, the relevant provisions of the Companies Act, 2013, our Memorandum and Articles of Association, the terms of this Draft Prospectus, the Prospectus, the Application Forms, the Abridged Prospectus, the terms and conditions of the Debenture Trustee Agreement and the Debenture Trust Deed, other applicable statutory and/or regulatory requirements including those issued from time to time by SEBI, the Government of India, the RBI, the Stock Exchanges, and/or any other statutory or regulatory authorities relating to the offer, issue and listing of securities and any other documents that may be executed in connection with the NCDs.

Ranking of the NCDs

The NCDs would constitute secured and senior obligations of our Company and subject to any obligations under applicable statutory and/or regulatory requirements, shall also with regard to amount invested, thereof shall be secured by way of a *pari passu* charge by way of hypothecation of the Receivables under the Debenture Trust Deed. The NCDs proposed to be issued under this Issue and all earlier issues of debentures, bond issuances and loans outstanding in the books of our Company having corresponding assets as security, shall rank *pari passu* without preference of one over the other except that priority for payment shall be as per applicable date of redemption / repayment. We have received the necessary permissions from the relevant lenders, debenture trustees and security trustees for creating a *pari passu* charge over Receivables in favour of the Debenture Trustee in relation to the NCDs required in terms of the SEBI Master Circular for Debenture Trustees.

Security

The principal amount of the NCDs to be issued in terms of this Draft Prospectus together with all interest due and payable on the NCDs, subject to any obligations under applicable statutory and/or regulatory requirements shall be secured by way of a *pari passu* charge over the Receivables, created in favour of the Debenture Trustee, as specifically set out in and fully described in the Debenture Trust Deed, such that the security cover to the extent of at least 100% of the outstanding principal amounts of NCDs and all interest due and payable thereon in respect of the NCDs maintained at all times as security until the Final Settlement Date, issued pursuant to the Issue. The security shall be created prior to the listing of the NCDs with the Stock Exchanges.

Further, NCDs shall be considered as secured only if the charged asset is registered with sub-registrar and RoC or Central Registry of Securitisation Asset Reconstruction and Security Interest (“**CERSAI**”) or Depository etc., as applicable, or is independently verifiable by the Debenture Trustee.

In terms of the SEBI Master Circular for Debenture Trustees, our Company has entered into the Debenture Trustee Agreement with the Debenture Trustee and proposes to complete the execution of the Debenture Trust Deed before making the application for listing of the NCDs for the benefit of the NCD Holders, the terms of which shall govern the appointment of the Debenture Trustee and the issue of the NCDs.

Under the terms of the Debenture Trust Deed, our Company will covenant with the Debenture Trustee that it will pay the NCD Holders, the principal amount on the NCDs on the relevant redemption date and also that it will pay the interest due on NCDs on the rate specified in the Prospectus and in the Debenture Trust Deed.

The Debenture Trust Deed will also provide that our Company may withdraw any portion of the security and replace with another asset of the same or higher value ensuring the minimum security cover is maintained till the Final Settlement Date of the NCDs.

Without prejudice to the aforesaid, in the event our Company fails to execute the Debenture Trust Deed within the period specified in Regulation 18(1) of the SEBI NCS Regulations (i.e., prior to the filing of the application for listing the NCDs with the RoC, Stock Exchanges and SEBI) or such other time frame as may be stipulated from time-to-time, our Company shall also pay interest of at least 2% (two per cent) per annum to the NCD holders, over and above the interest rate on the NCDs specified in the Prospectus, till the execution of the Debenture Trust Deed and in accordance with applicable laws.

Debenture Redemption Reserve

Pursuant to the amendment to the Companies (Share Capital and Debentures) Rules, 2014, notified on August 16, 2019, and as on the date of filing this Draft Prospectus, our Company is not required to create DRR for the purpose of redemption of the NCDs. Accordingly, no debenture redemption reserve shall be created by our Company for the purpose of redemption of the NCDs or in connection with the Issue. The Company shall, as per the Companies (Share Capital and Debentures) Rules 2014 and other laws applicable from time to time, invest or deposit, as the case may be, the applicable amounts, within the specified timelines, in respect of debentures maturing during the year ending on the 31st day of March of the next year, in any one or more methods of investments or deposits stipulated under the applicable law. Provided that the amount remaining invested or deposited, as the case may be, shall not at any time fall below the specified percentage, which is presently stipulated at 15% (fifteen percent) of the amount of the debentures maturing during the year ending on March 31 of the next year, in any of the following instruments or such other instruments as may be permitted under the applicable laws.

1. in deposits with any scheduled bank, free from any charge or lien;
2. in unencumbered securities of the Central Government or any State Government;
3. in unencumbered securities mentioned in sub-clause (a) to (d) and (ee) of section 20 of the Indian Trusts Act, 1882;
4. in unencumbered bonds issued by any other company which is notified under sub-clause (f) of section 20 of the Indian Trusts Act, 1882:

Provided further that the amount invested or deposited as above shall not be used for any purpose other than for redemption of debentures maturing during the year referred above.

Face Value

The face value of each of the NCDs shall be ₹1,000.

NCD Holder not a shareholder

The NCD Holders will not be entitled to any of the rights and privileges available to the equity and/or preference shareholders of our Company, except to the extent as may be prescribed under the Companies Act, 2013, and the rules prescribed thereunder the SEBI LODR Regulations and any other applicable law.

Rights of the NCD Holders

Some of the significant rights available to the NCD Holders are as follows:

1. The NCDs shall not, except as provided in the Companies Act, 2013, our Memorandum and Articles of Association and/or the Debenture Trust Deed confer upon the NCD Holders thereof any rights or privileges available to our members/shareholders including, without limitation the right to receive notices, or to attend and/or vote, at any general meeting of our Company's members/shareholders. However, if any resolution affecting the rights attached to the NCDs is to be placed before the members /shareholders of our Company, the said resolution will first be placed before the concerned registered NCD Holders for their consideration. In terms of Section 136 of the Companies Act, 2013, the NCD Holders shall be entitled to inspect a copy of the financial statements, auditor's report and every other document required by law to be annexed or attached to the financial statements, and copy of the Debenture Trust Deed at the Corporate Office of our Company during business hours on a specific request made to the Company.
2. Subject to applicable statutory/ regulatory requirements and terms of Debenture Trust Deed, including requirements of the RBI, the rights, privileges and conditions attached to the NCDs may be varied, modified and/or abrogated with the consent in writing of the holders of at least three-fourths of the outstanding amount of the NCDs or with the sanction of a special resolution passed at a meeting of the concerned NCD Holders, provided that nothing in such consent or resolution shall be operative against us, where such consent or resolution modifies or varies the terms and conditions governing the NCDs, if the same are not acceptable to us.
3. Subject to applicable statutory/ regulatory requirements and terms of Debenture Trust Deed, in case of NCDs held in (i) dematerialised form, the person for the time being appearing in the register of beneficial owners of the Depositories; and (ii) physical form on account of re-materialization, the registered NCD Holders or in case of joint-holders, the one whose name stands first in the register of debenture holders shall be entitled to vote in respect of such NCDs, either in person or by proxy, at any meeting of the concerned NCD Holders and every such NCD Holder shall be entitled to

one vote on a show of hands and on a poll, his/her voting rights on every resolution placed before such meeting of the NCD Holders shall be in proportion to the outstanding nominal value of NCDs held by him/her.

4. The NCDs are subject to the provisions of the SEBI NCS Regulations and the SEBI Master Circular, provisions of the Companies Act, 2013, our Memorandum and Articles of Association, the terms of this Draft Prospectus the Prospectus, the terms and conditions of the Debenture Trust Deed, requirements of the RBI, other applicable statutory and/or regulatory requirements relating to this issue and listing, of securities and any other documents that may be executed in connection with the NCDs.
5. Subject to the SEBI RTA Master Circular, for NCDs in physical form on account of re-materialization, a register of debenture holders will be maintained in accordance with Section 88 and Section 94 of the Companies Act, 2013 and all interest and principal sums becoming due and payable in respect of the NCDs will be paid to the registered holder thereof for the time being or in the case of joint-holders, to the person whose name stands first in the register of debenture holders as on the Record Date. For NCDs in dematerialized form, all interest and principal sums becoming due and payable in respect of the NCDs will be paid to the person for the time being appearing in the register of beneficial owners of the Depositories. In terms of Section 88(3) of the Companies Act, 2013, the register of beneficial owners maintained by a Depository for any NCDs in dematerialized form under Section 11 of the Depositories Act shall be deemed to be a register of debenture holders for this purpose. The same shall be maintained at the Registered Office of our Company under Section 94 of the Companies Act, 2013 unless the same has been moved to another location after obtaining the consent of the NCD Holders as given thereunder.
6. Subject to compliance with RBI, NCDs can be rolled over only with the consent of the NCD Holders of at least 75% of the outstanding amount of the NCDs after providing at least 15 days prior notice for such roll over and in accordance with the SEBI NCS Regulations. Our Company shall redeem the debt securities of all the debt securities holders, who have not given their positive consent to the roll-over.

The aforementioned rights of the NCD Holders are merely indicative. The final rights of the NCD Holders will be as per the terms of this Draft Prospectus and the Debenture Trust Deed.

Trustees for the NCD holders

We have appointed Vistra ITCL (India) Limited to act as the Debenture Trustee for the NCD Holder(s) in terms of Regulation 8 of the SEBI NCS Regulations and Section 71(5) of the Companies Act, 2013 and the rules prescribed thereunder. It is hereby confirmed, in case of an occurrence of a "default", the Debenture Trustee shall abide and comply with the procedures mentioned in the SEBI Master Circular for Debenture Trustees.

Minimum Subscription

In terms of the SEBI NCS Regulations for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue Size being ₹750 crores. If our Company does not receive the minimum subscription of 75% of the Base Issue Size being ₹750 crores, prior to the Issue Closing Date, the entire Application Amount shall be unblocked in the relevant ASBA Accounts of the Applicants within eight Working Days from the Issue Closing Date. In the event the Application Amount has been transferred to the Public Issue Account from the respective ASBA Accounts, such Application Amount shall be refunded from the Refund Account to the relevant ASBA Account(s) of the Applicants within eight Working Days from the Issue Closing Date. In the event there is delay in unblocking of funds/refunds, our Company shall be liable to repay the money, with interest at the rate of 15 % per annum for the delayed period.

Under Section 39(3) of the Companies Act, 2013 read with Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount is not received within the specified period, the application money received is to be credited only to the bank account from which the subscription was remitted. To the extent possible, where the required information for making such refunds is available with our Company and/or Registrar, refunds will be made to the account prescribed. However, where our Company and/or Registrar does not have the necessary information for making such refunds, our Company and/or Registrar will follow the guidelines prescribed by SEBI in this regard included in the SEBI Master Circular.

Market Lot and Trading Lot

The NCDs shall be allotted in dematerialized form. As per the SEBI NCS Regulations, the trading of the NCDs is in dematerialised form and the tradable lot is one NCD.

Please note that the NCDs shall cease to trade from the Record Date (for payment of the principal amount and the applicable interest for such NCDs) prior to redemption of the NCDs.

Allotment in this Issue will be in electronic form multiples of one NCD. For further details of Allotment, see the “*Issue Procedure*” beginning on page 176.

Nomination facility to NCD Holders

In accordance with Section 72 of the Companies Act, 2013 (read with Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014, the sole NCD Holder or first NCD Holder, along with other joint NCD Holders (being individual(s) may nominate in form no SH. 13 any one person (being an individual) who, in the event of death of the sole holder or all the joint-holders, as the case may be, shall become entitled to the NCDs. Where the nomination is made in respect of the NCDs held by more than one person jointly, all joint holders shall together nominate in form no SH. 13 any person as nominee. A person, being a nominee, becoming entitled to the NCDs by reason of the death of the original NCD Holder(s), will in accordance with Rule 19 and Section 56 of Companies Act 2013 shall be entitled to the same rights to which he would be entitled if he were the registered holder of the NCD subject to compliance with applicable law. Where the nominee is a minor, the NCD Holder(s) may make a nomination to appoint, in the prescribed manner and in Form no. SH 14, any person to become entitled to the NCDs, in the event of his death, during the minority. A nomination shall stand rescinded upon sale/transfer/alienation of the NCDs by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. When the NCDs are held by two or more persons, the nominee shall become entitled to receive the amount only on the demise of all such NCD Holders. Fresh nominations can be made only in the prescribed form available on request at our Registered/ Corporate Office, at such other addresses as may be notified by us, or at the office of the Registrar to the Issue or the transfer agent.

NCD Holders are advised to provide the specimen signature of the nominee to enable us to expedite the transmission of the NCDs to the nominee in the event of demise of the NCD Holders. The signature can be provided in the Application Form or subsequently at the time of making fresh nominations. This facility of providing the specimen signature of the nominee is purely optional.

In accordance with the Section 72 read with Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014, any person who becomes a nominee by virtue of the above said Section, shall upon the production of such evidence as may be required by our Board, elect either:

- (a) To register himself or herself as the holder of the NCDs; or
- (b) To make such transfer of the NCDs, as the deceased holder could have done.

A person, being a nominee, becoming entitled to NCDs by reason of the death of the holder shall be entitled to the same interests and other advantages to which he would have been entitled to if he were the registered holder of the NCDs except that he shall not, before being registered as a holder in respect of such NCDs, be entitled in respect of these NCDs to exercise any right conferred. Further, our Board of Directors may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the NCDs, and if the notice is not complied with, within a period of 90 days, our Board of Directors may thereafter withhold payment of all interests or other monies payable in respect of the NCDs, until the requirements of the notice have been complied with.

A nomination may be cancelled or varied by nominating any other person in place of the present nominee, by the Secured NCD Holder who has made the nomination, by giving a notice of such cancellation or variation in the prescribed manner as per applicable laws. The cancellation or variation shall take effect from the date on which the notice of such variation or cancellation is received.

Since the allotment of Secured NCDs will be made only in dematerialized mode, there is no need to make a separate nomination with our Company. Nominations registered with the respective Depository Participant of the Applicant

would prevail. If the investors require changing their nomination, they are requested to inform their respective Depository Participant.

Applicants who have opted for rematerialisation of NCDs and are holding the NCDs in the physical form should provide required details in connection with their nominee to our Company.

Transfer/Transmission of NCD(s)

The NCDs shall be transferred or transmitted freely in accordance with the applicable provisions of the Companies Act, 2013. The NCDs shall be transferred subject to and in accordance with the rules/procedures as prescribed by the Depositories and the relevant DPs of the transferor or transferee and any other applicable laws and rules notified in respect thereof. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date.

In the absence of the same, interest will be paid/redemption will be made to the person, whose name appears in the register of debenture holders maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer or Registrar. The seller should give delivery instructions containing details of the buyer's DP account to his depository participant.

For further details, see "*Issue Structure*" beginning on page 171, for the implications on the interest applicable to NCDs held by individual NCD Holders on the Record Date and NCDs held by non-individual NCD Holders on the Record Date.

NCDs held in physical form, pursuant to any rematerialisation, as above, cannot be transferred. Any trading of the NCDs issued pursuant to this Issue shall be compulsorily in dematerialized form only. The procedure for transmission of securities has been further simplified vide the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2022 Gazette Notification no. SEBI/LAD-NRO/GN/2022/80 dated April 25th, 2022.

Title

In case of:

- NCDs held in the dematerialised form, the person for the time being appearing in the register of beneficial owners maintained by the Depositories; and
- the NCDs held in physical form pursuant to rematerialization, the person for the time being appearing in the register of NCD Holders shall be treated for all purposes by our Company, the Debenture Trustee, the Depositories and all other persons dealing with such person, as the holder thereof and its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or any interest in it or any writing on, theft or loss of the consolidated NCD certificates issued in respect of the NCDs and no person will be liable for so treating the NCD holder.

No transfer of title of an NCD will be valid unless and until entered on the register of NCD holders or the register of beneficial owners maintained by the Depositories prior to the Record Date. In the absence of transfer being registered, interest and/or maturity amount, as the case may be, will be paid to the person, whose name appears first in the register of the NCD Holders maintained by the Depositories and/or our Company and/or the Registrar, as the case may be. In such cases, claims, if any, by the purchasers of the NCDs will need to be settled with the seller of the NCDs and not with our Company or the Registrar. The provisions relating to transfer and transmission and other related matters in respect of our Company's shares contained in the Articles of Association of our Company and the relevant provisions of the Companies Act, 2013, shall apply, *mutatis mutandis* (to the extent applicable) to the NCD(s) as well.

Succession

Where NCDs are held in joint names and one of the joint NCD Holder dies, the survivor(s) will be recognized as the NCD Holder(s). It will be sufficient for our Company to delete the name of the deceased NCD Holder after obtaining satisfactory evidence of his death. Provided, a third person may call on our Company to register his name as successor of the deceased NCD Holder after obtaining evidence such as probate of a will for the purpose of proving his title to the NCDs. In the event of demise of the sole or first holder of the NCDs, our Company will recognise the executors or administrator of the deceased NCD Holders, or the holder of the succession certificate or other legal representative as having title to the NCDs only if such executor or administrator obtains and produces probate or letter of administration or is the holder of the succession certificate or other legal representation, as the case may be, from an appropriate court in India. Our Board of Directors or any other person authorised by our Board of Directors in their absolute discretion may, in any case, dispense with production of probate or letter of administration or succession certificate or other legal representation. In case of death of NCD Holders who are holding NCDs in dematerialised form, third person is not required to approach our Company to register his name as successor of the deceased NCD Holder. The successor of the deceased NCD Holder shall approach the respective Depository Participant for this purpose and submit necessary documents as required by the Depository Participant.

Where a non-resident Indian becomes entitled to the NCDs by way of succession, the following steps have to be complied with:

1. Documentary evidence to be submitted to the legacy cell of the RBI to the effect that the NCDs were acquired by the non-resident Indian as part of the legacy left by the deceased NCD Holder.
2. Proof that the non-resident Indian is an Indian national or is of Indian origin.
3. Such holding by a non-resident Indian will be on a non-repatriation basis.

Joint-holders

Where two or more persons are holders of any NCD(s), they shall be deemed to hold the same as joint holders with benefits of survivorship subject to other provisions contained in the Articles of Association.

Procedure for re-materialisation of NCDs

Subject to SEBI RTA Master Circular, NCD Holders who wish to hold the NCDs in physical form may do so by submitting a request to their DP at any time after Allotment in accordance with the applicable procedure stipulated by the DP, in accordance with the Depositories Act and/or rules as notified by the Depositories from time to time. Holders of NCDs who propose to rematerialise their NCDs, would have to mandatorily submit details of their bank mandate along with a copy of any document evidencing that the bank account is in the name of the holder of such NCDs and their Permanent Account Number to the Company and the DP. No proposal for rematerialisation of NCDs would be considered if the aforementioned documents and details are not submitted along with the request for such rematerialisation.

Pursuant to the SEBI Listing Regulations, NCDs held in physical form, pursuant to any rematerialisation, as above, cannot be transferred except in dematerialised form. Any trading of the NCDs issued pursuant to the Issue shall be compulsorily in dematerialized form only.

Register of NCD Holders

No transfer of title of a NCD will be valid unless and until entered on the Register of NCD Holders (for re materialized NCDs) or the register and index of NCD Holders maintained by the Depository prior to the Record Date. In the absence of transfer being registered, interest and/or Redemption Amount, as the case may be, will be paid to the person, whose name appears first in the Register of NCD Holders maintained by the Depositories and/or our Company and/or the Registrar, as the case may be as on the Record Date. In such cases, claims, if any, by the purchasers of the NCDs will need to be settled with the seller of the NCDs and not with our Company or the Registrar. The provisions relating to transfer and transmission and other related matters in respect of our Company's shares contained in the Articles of Association of our Company, SEBI Listing Regulations and the Companies Act shall apply, mutatis mutandis (to the extent applicable) to the NCDs as well.

Restriction on transfer of NCDs

There are no restrictions on transfers and transmission of NCDs allotted pursuant to this Issue. Pursuant to the SEBI Listing Regulations and SEBI RTA Master Circular, NCDs held in physical form, pursuant to any rematerialisation, as above, cannot be transferred except in dematerialised form. Any trading of the NCDs issued pursuant to this Issue shall be compulsorily in dematerialised form only.

Neither our Company, nor the Lead Managers or Trading Members of the Stock Exchanges are liable for any failure in uploading the Applications due to failure in any software/ hardware systems or otherwise. Please note that, within each category of investors the Basis of Allotment under the Issue will be on a date priority basis except from the day of oversubscription and thereafter, if any, where the Allotment will be proportionate.

Taxation

Income Tax is deductible at source at the rate of 10% on interest on debentures held by resident Indians as per the provisions of Section 193 of the IT Act (in case where interest is paid to Individual or HUF, no TDS will be deducted where interest paid is less than 5,000 and interest is paid by way of account payee cheque).

Further, Tax will be deducted at source at reduced rate, or no tax will be deducted at source in the following cases:

- a. When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the IT Act; and that a valid certificate is filed with the Company/ Registrar, at least 7 days before the relevant record date for payment of debenture interest;
- b. When the resident Debenture Holder with Permanent Account Number ('PAN') (not being a company or a firm) submits a declaration as per the provisions of section 197A(1A) of the IT Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial year in which such income is to be included in computing his total income will be Nil. However, under section 197A(1B) of the IT Act, Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the dividend income referred to in section 194, interest on securities, interest, withdrawal from NSS and income from units of mutual fund or of 236 Unit Trust of India as the case may be or the aggregate of the amounts of such incomes credited or paid or likely to be credited or paid during the financial year in which such income is to be included exceeds the maximum amount which is not chargeable to income tax;
- c. Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of section 197A(1C) of the Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on the estimated total income of the year concerned will be Nil.

In all other situations, tax would be deducted at source as per prevailing provisions of the IT Act. However in case of NCD Holders claiming non-deduction or lower deduction of tax at source, as the case may be, the NCD Holder should furnish either (a) a declaration (in duplicate) in the prescribed form i.e. (i) Form 15H which can be given by individuals who are of the age of 60 years or more (ii) Form 15G which can be given by all applicants (other than companies, and firms), or (b) a certificate, from the Assessing Officer which can be obtained by all applicants (including companies and firms) by making an application in the prescribed form i.e. Form No.13. Further, eligible NCD Holders other than resident individuals or resident HUF investors, the following documents should be submitted with the Company/ Registrar, at least 7 days before the relevant record date for payment of debenture interest (i) copy of registration certificate issued by the regulatory authority under which the investor is registered, (ii) self-declaration for non-deduction of tax at source, and (iii) such other document a may be required under the Income Tax Act, for claiming non-deduction / lower deduction of tax at source and/or specified by the Company/ Registrar, from time to time.

The aforesaid documents, as may be applicable, should be submitted at least 7 days before the relevant Record Date for payment of interest on the NCDs quoting the name of the sole/ first NCD Holder, NCD folio number and the distinctive number(s) of the NCD held, to ensure non-deduction/lower deduction of tax at source from interest on the NCD. The aforesaid documents for claiming non-deduction or lower deduction of tax at source, as the case may be, shall be submitted to the Registrar as per below details or any other details as may be updated on the website of the Issuer at <https://www.adityabirlafinance.com> or the Registrar at www.linkintime.co.in, from time to time.

Details of the Registrar are as below:

The investors need to submit Form 15H/ 15G/certificate in original from the Assessing Officer for each Fiscal during the currency of the NCD to claim non-deduction or lower deduction of tax at source from interest on the NCD. Tax exemption certificate/document, if any, must be lodged at the office of the Registrar to the Issue at least seven days prior to the Record Date or as specifically required, failing which tax applicable on interest will be deducted at source on accrual thereof in our Company's books and/or on payment thereof, in accordance with the provisions of the IT Act and/or any other statutory modification, enactment or notification as the case may be. A tax deduction certificate will be issued for the amount of tax so deducted.

For further details on the possible tax benefits available to an NCD Holder, see “*Statement of Possible Tax Benefits*” on page 57.

Subject to the terms and conditions in connection with computation of applicable interest on the Record Date as stated in the section titled “*Issue Procedure*” on page 176, please note that in case the NCDs are transferred and/or transmitted in accordance with the provisions of this Draft Prospectus read with the provisions of the Articles of Association of our Company, the transferee of such NCDs or the deceased holder of NCDs, as the case may be, shall be entitled to any interest which may have accrued on the NCDs.

Payment of Interest

Amount of interest payable shall be rounded off to the nearest Rupee. In the event, the interest / payout of total coupon / redemption amount is a fraction and not an integer, such amount will be rounded off to the nearest integer. By way of illustration if the redemption amount is ₹ 1,837.50 then the amount shall be rounded off to ₹ 1,838. If the date of payment of interest does not fall on a Working Day, then the interest payment will be made on succeeding Working Day, however the calculation for payment of interest will be only till the originally stipulated Interest Payment Date. The dates of the future interest payments would be as per the originally stipulated schedule. Payment of interest will be subject to the deduction of tax as per Income Tax Act or any statutory modification or re-enactment thereof for the time being in force. In case the Redemption Date (also being the last Interest Payment Date) does not fall on a Working Day, the payment will be made on the immediately preceding Working Day, along with coupon/interest on the NCDs until but excluding the date of such payment. The interest/redemption payments shall be made only on the days when the money market is functioning in Mumbai.

Interest/Premium and Payment of Interest/ Premium**Interest/ Coupon on NCDs**

As will be specified in the Prospectus.

Basis of payment of Interest

The Tenor, Coupon Rate / Yield and Redemption Amount applicable for each Series of NCDs shall be determined at the time of Allotment of NCDs pursuant to the Prospectus. NCDs once allotted under any particular Series of NCDs shall continue to bear the applicable Tenor, Coupon/Yield and Redemption Amount as at the time of original Allotment irrespective of the category of NCD Holder on any Record Date, and such tenor, coupon/ yield and redemption amount as at the time of original allotment will not be impacted by trading of any series of NCDs between the categories of persons or entities in the secondary market.

Mode of payment of Interest to NCD Holders

Payment of interest will be made (i) in case of NCDs in dematerialised form, the persons who, for the time being appear in the register of beneficial owners of the NCDs as per the Depositories, as on the Record Date and (ii) in case of NCDs in physical

form on account of re-materialization, to the persons whose names appear in the register of debenture holders maintained by us (or to first holder in case of joint-holders) as on the Record Date.

We may enter into an arrangement with one or more banks in one or more cities for direct credit of interest to the account of the NCD Holders. In such cases, interest, on the interest payment date, would be directly credited to the account of those investors who have given their bank mandate.

We may offer the facility of NACH, NEFT, RTGS, Direct Credit and any other method permitted by RBI and SEBI from time to time to effect payments to NCD Holders. The terms of this facility (including towns where this facility would be available) would be as prescribed by RBI. For further details, see the "*Terms of the Issue - Manner of Payment of Interest / Refund / Redemption*" beginning on page 165.

Maturity and Redemption

As will be specified in the Prospectus.

Put / Call Option

As will be specified in the Prospectus.

Deemed Date of Allotment

The date on which the Board of Directors or Finance Committee authorised by the Board approves the Allotment of the NCDs for the Issue or such date as may be determined by the Board of Directors/ or Finance Committee authorised by the Board thereof and notified to the Designated Stock Exchange. The actual Allotment of NCDs may take place on a date other than the Deemed Date of Allotment. All benefits relating to the NCDs including interest on NCDs shall be available to the Debenture Holders from the Deemed Date of Allotment.

Application in the Issue

NCDs being issued through this Draft Prospectus can be applied for, through a valid Application Form filled in by the applicant along with attachments, as applicable. Further, Applications in this Issue shall be made through the ASBA facility only. In terms of Regulation 7 of SEBI NCS Regulations, our Company will make public issue of the NCDs in the dematerialised form only.

However, in the terms of Section 8(1) of the Depositories Act, but subject to SEBI Listing Regulations and the SEBI RTA Master Circular, our Company at the request of the Investors who wish to hold the NCDs in physical form will rematerialise the NCDs. However, trading of the NCDs shall be compulsorily in dematerialised form only.

Application Size

Each application should be for a minimum of 10 NCDs across all series collectively and multiples of one NCD thereafter (for all series of NCDs taken individually or collectively) as will be specified in the Prospectus.

The minimum application size for each application for NCDs would be ₹10,000 across all series collectively and in multiples of ₹1,000 thereafter. Applicants can apply for any or all series of NCDs offered hereunder provided the Applicant has applied for minimum application size using the same Application Form.

Applicants are advised to ensure that applications made by them do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable statutory and or regulatory provisions.

Terms of Payment

The entire issue price of ₹1,000 per NCD, is blocked in the ASBA Account on application itself. In case of allotment of lesser number of NCDs than the number of NCDs applied for, our Company shall unblock the excess amount paid on application to the applicant in accordance with the terms of the Prospectus.

Record Date

The date for payment of interest in connection with the NCDs or repayment of principal in connection therewith which shall be 15 days prior to the date of payment of interest, and/or the date of redemption under the Prospectus. In case the Record Date falls on a day when the Stock Exchanges are having a trading holiday, the immediate subsequent trading day or a date notified by our Company to the Stock Exchanges, will be deemed as the Record Date Provided that trading in the NCDs shall remain

suspended between the aforementioned Record Date in connection with redemption of NCDs and the date of redemption or as prescribed by the Stock Exchanges, as the case may be.

Manner of Payment of Interest / Refund / Redemption*

The manner of payment of interest / refund / redemption in connection with the NCDs is set out below*:

The bank details will be obtained from the Depositories for payment of Interest / refund / redemption as the case may be. Applicants who are holding the NCDs in electronic form, are advised to immediately update their bank account details as appearing on the records of the depository participant. Neither the Lead Managers, nor our Company, nor the Registrar to the Issue shall have any responsibility and undertake any liability arising from such details not being up to date.

In case of NCDs held in physical form, on account of rematerialisation, the bank details will be obtained from the documents submitted to the Company along with the rematerialisation request. For further details, see “*Terms of the Issue – Procedure for Re-materialization of NCDs*” on page 161.

The Registrar to the Issue will issue requisite instructions to the relevant SCSBs to un-block amounts in the ASBA Accounts of the Applicants representing the amounts to unblocked for the Applicants.

**In the event, the interest / payout of total coupon / redemption amount is a fraction and not an integer, such amount will be rounded off to the nearest integer. By way of illustration if the redemption amount is ₹1,837.50 then the amount shall be rounded off to ₹1,838.*

The mode of interest / refund / redemption payments shall be undertaken in the following order of preference:

1. Direct Credit

Investors having their bank account with the Refund Bank, shall be eligible to receive refunds, if any, through direct credit. The refund amount, if any, would be credited directly to their bank account with the Refund Bank.

2. NACH

National Automated Clearing House which is a consolidated system of ECS. Payment would be done through NACH for Applicants having an account at one of the centres specified by the RBI, where such facility has been made available. This would be subject to availability of complete bank account details including Magnetic Ink Character Recognition (“MICR”) code wherever applicable from the depository. Payments through NACH are mandatory for Applicants having a bank account at any of the centres where NACH facility has been made available by the RBI (subject to availability of all information for crediting the refund through NACH including the MICR code as appearing on a cheque leaf, from the depositories), except where applicant is otherwise disclosed as eligible to get payments through NEFT or Direct Credit or RTGS.

3. RTGS

Applicants having a bank account with a participating bank and whose interest payment/ refund/ redemption amounts exceed ₹ 200,000, or such amount as may be fixed by RBI from time to time, have the option to receive payments through RTGS. Such eligible Applicants who indicate their preference to receive interest payment/ refund/ redemption through RTGS are required to provide the IFSC code in the Application Form or intimate our Company and the Registrar to the Issue at least seven days prior to the Record Date. Charges, if any, levied by the Applicant’s bank receiving the credit would be borne by the Applicant. In the event the same is not provided, interest payment/ refund/ redemption shall be made through NACH subject to availability of complete bank account details for the same as stated above.

4. NEFT

Payment of interest/ refunds/ redemption shall be undertaken through NEFT wherever the Applicants’ banks have been assigned the Indian Financial System Code (“IFSC”), which can be linked to a MICR, if any, available to that particular bank branch. The IFSC Code will be obtained from the website of RBI as on a date immediately prior to the date of payment of refund, duly mapped with MICR numbers. Wherever the Applicants have registered their nine digit MICR number and their bank account number while opening and operating the demat account, the same will be duly mapped with the IFSC Code of that particular bank branch and the payment of interest/ refund/ redemption will be made to the applicants through this method.

5. Registered Post/Speed Post

For all other applicants, including those who have not updated their bank particulars with the MICR code, the interest payment / refund / redemption orders shall be dispatched through speed post/ registered post.

Please note that applicants are eligible to receive payments through the modes detailed in (1), (2) (3), and (4) herein above provided they provide necessary information for the above modes and where such payment facilities are allowed / available.

Please note that our Company shall not be responsible to the holder of NCDs, for any delay in receiving credit of interest / refund / redemption so long as our Company has initiated the process of such request in time.

6. The Registrar to the Issue shall instruct the relevant SCSB or in case of Bids by Retail Individual Investors applying through the UPI Mechanism to the Sponsor Bank, to revoke the mandate and to unblock the funds in the relevant ASBA Account to the extent of the Application Amount specified in the Application Forms for withdrawn, rejected or unsuccessful or partially successful Applications within six Working Days of the Issue Closing Date

Printing of bank particulars on interest / redemption warrants

As a matter of precaution against possible fraudulent encashment of refund orders and interest/ redemption warrants due to loss or misplacement, the particulars of the Applicant's bank account are mandatorily required to be given for printing on the orders/ warrants. In relation to NCDs applied and held in dematerialized form, these particulars would be taken directly from the Depositories. In case of NCDs held in physical form on account of rematerialisation, the NCD Holders are advised to submit their bank account details with our Company/ Registrar to the Issue at least seven days prior to the Record Date failing which the orders/ warrants will be dispatched to the postal address of the NCD Holders as available in the records of our Company either through speed post, registered post.

Bank account particulars will be printed on the orders/ warrants which can then be deposited only in the account specified.

Buy Back of NCDs

Our Company may, at its sole discretion, from time to time, consider, subject to applicable statutory and/or regulatory requirements, buy-back the NCDs, upon such terms and conditions as may be decided by our Company.

Our Company may from time to time invite the NCD Holders to offer the NCDs held by them through one or more buy-back schemes and/or letters of offer upon such terms and conditions as our Company may from time to time determine, subject to applicable statutory and/or regulatory requirements. Such NCDs which are bought back may be extinguished, re-issued and/or resold in the open market with a view of strengthening the liquidity of the NCDs in the market, subject to applicable statutory and/or regulatory requirements.

Form of allotment and Denomination of NCDs

In case of Secured NCDs held in physical form on account of rematerialisation, a single certificate will be issued to the Secured NCD Holder for the aggregate amount of the Secured NCDs held ("**Consolidated Certificate**"). The Applicant can also request for the issue of Secured NCD certificates in denomination of one NCD ("**Market Lot**"). In case of NCDs held under different Options, as specified in the Prospectus, by a Secured NCD Holder, separate Consolidated Certificates will be issued to the NCD Holder for the aggregate amount of the Secured NCDs held under each Option. It is however distinctly to be understood that the Secured NCDs pursuant to this issue shall be traded only in demat form.

In respect of Consolidated Certificates, we will, only upon receipt of a request from the Secured NCD Holder, split such Consolidated Certificates into smaller denominations subject to the minimum of Market Lot. No fees would be charged for splitting of Secured NCD certificates in Market Lots, but stamp duty payable, if any, would be borne by the Secured NCD Holder. The request for splitting should be accompanied by the original NCD certificate which would then be treated as cancelled by us.

As per the SEBI NCS Regulations, the trading of the NCDs on the Stock Exchanges shall be in dematerialized form only in multiples of 1 (one) NCD ("**Market Lot**"). Allotment in this Issue to all Allottees, will be in electronic form i.e., in dematerialised form and in multiples of one NCD. For details of allotment see "*Issue Procedure*" beginning on page 176 of this Draft Prospectus.

Procedure for Redemption by NCD holders

The procedure for redemption is set out below:

NCDs held in physical form on account of rematerialisation of NCDs

No action would ordinarily be required on the part of the NCD Holder at the time of redemption and the redemption proceeds would be paid to those NCD Holders whose names stand in the register of debenture holders maintained by us on the Record Date fixed for the purpose of Redemption. However, our Company may require that the NCD certificate(s), duly discharged by the sole holder/all the joint-holders (signed on the reverse of the NCD certificates) be surrendered for redemption on maturity and should be sent by the NCD Holders by Registered Post with acknowledgment due or by hand delivery to our office or to such persons at such addresses as may be notified by us from time to time. NCD Holders may be requested to surrender the NCD certificates in the manner as stated above, not more than three months and not less than one month prior to the redemption date so as to facilitate timely payment. We may at our discretion redeem the Secured NCDs without the requirement of surrendering of the NCD certificates by the holder(s) thereof. In case we decide to do so, the holders of NCDs need not submit the NCD certificates to us and the redemption proceeds would be paid to those NCD holders whose names stand in the register of debenture holders maintained by us on the Record Date fixed for the purpose of redemption of NCDs. In such case, the Secured NCD certificates would be deemed to have been cancelled. Also see “- *Payment on Redemption*” given below.

Secured NCDs held in electronic form

No action is required on the part of Secured NCD holder(s) at the time of redemption of NCDs.

Payment on Redemption

The manner of payment of redemption is set out below:

NCDs held in physical form on account of rematerialisation

The payment on redemption of the NCDs will be made by way of cheque/pay order/ electronic modes. However, if our Company so requires, the aforementioned payment would only be made on the surrender of NCD certificates, duly discharged by the sole holder/ all the joint-holders (signed on the reverse of the NCD certificates). Dispatch of cheques/ pay orders, etc. in respect of such payment will be made on the redemption date or (if so requested by our Company in this regard) within a period of 30 days from the date of receipt of the duly discharged NCD certificate.

In case we decide to do so, the redemption proceeds in the manner stated above would be paid on the redemption date to those NCD Holders whose names stand in the register of debenture holders maintained by us on the Record Date fixed for the purpose of Redemption. Hence the transferees, if any, should ensure lodgment of the transfer documents with us at least seven days prior to the Record Date. In case the transfer documents are not lodged with us at least 7 days prior to the Record Date and we dispatch the redemption proceeds to the transferor, claims in respect of the redemption proceeds should be settled amongst the parties inter se and no claim or action shall lie against us or the Registrar to the Issue.

Our liability to NCD Holder(s) towards their rights including for payment or otherwise shall stand extinguished from the redemption in all events and when we dispatch the redemption amounts to the NCD Holder(s).

Further, we will not be liable to pay any interest, income or compensation of any kind from the date of redemption of the NCDs.

NCDs held in electronic form

On the redemption date, redemption proceeds would be paid by cheque/ pay order/ electronic mode to those NCD Holders whose names appear on the list of beneficial owners given by the Depositories to us. These names would be as per the Depositories' records on the Record Date fixed for the purpose of redemption. These NCDs will be simultaneously extinguished to the extent of the amount redeemed through appropriate debit corporate action upon redemption of the corresponding value of the NCDs. It may be noted that in the entire process mentioned above, no action is required on the part of NCD Holders.

Our liability to NCD Holders towards his/their rights including for payment/ redemption in all events shall end when we dispatch the redemption amounts to the NCD Holders.

Further, we will not be liable to pay any interest, income or compensation of any kind from the date of redemption of the NCDs.

Right to reissue NCD(s)

Subject to the provisions of the Companies Act, 2013, as applicable, on the date of this Draft Prospectus, where we have fully redeemed or repurchased any NCDs, we shall have and shall be deemed always to have had the right to keep such NCDs in effect without extinguishment thereof, for the purpose of resale or re-issue and in exercising such right, we shall have and be deemed always to have had the power to resell or reissue such NCDs either by reselling or re-issuing the same NCDs or by issuing other NCDs in their place. The aforementioned right includes the right to reissue original NCDs.

Transfer/ Transmission of NCDs

For NCDs held in physical form on account of rematerialisation

The NCDs shall be transferred or transmitted freely in accordance with the applicable provisions of Companies Act, 2013 applicable as on the date of this Draft Prospectus and all other applicable laws. The provisions relating to transfer and transmission and other related matters in respect of our shares contained in the Articles and the relevant provisions of the Companies Act, 2013 applicable as on the date of this Draft Prospectus, and all applicable laws including FEMA and the rules and regulations thereunder, shall apply, *mutatis mutandis* (to the extent applicable to debentures) to the NCDs as well. In respect of the NCDs held in physical form on account of rematerialisation, a common form of transfer shall be used for the same. The NCDs held in dematerialised form shall be transferred subject to and in accordance with the rules/ procedures as prescribed by NSDL/CDSL and the relevant Depository Participants of the transferor and the transferee and any other applicable laws and rules notified in respect thereof. The transferees should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, interest will be paid/ redemption will be made to the person, whose name appears in the register of debenture holders or the records as maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferors and not with the Issuer or Registrar.

For NCDs held in electronic form

The normal procedure followed for transfer of securities held in dematerialised form shall be followed for transfer of the NCDs held in electronic form. The seller should give delivery instructions containing details of the buyer's Depository Participant account to his depository participant.

In case the transferee does not have a Depository Participant account, the transferor can rematerialise the NCDs and thereby convert his dematerialised holding into physical holding. Thereafter these NCDs can be transferred in the manner as stated above for transfer of NCDs held in physical form.

Any trading of the NCDs issued pursuant to this Issue shall be compulsorily in dematerialised form only.

Common form of transfer

Our Company undertakes that there shall be a common form of transfer for the NCDs and the provisions of the Companies Act, 2013 and all applicable laws including the FEMA and the rules and regulations thereunder shall be duly complied with in respect of all transfer of debentures and registration thereof.

Sharing of information

We may, at our option, use on our own, as well as exchange, share or part with any financial or other information about the NCD Holders available with us, with our subsidiaries, if any and affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required and neither we or our affiliates nor their agents shall be liable for use of the aforesaid information.

Notices

All notices to the NCD Holder(s) required to be given by us or the Debenture Trustee shall be published in one English language newspaper having wide circulation and one regional language daily newspaper at the place where the registered office of the Company is situated and/or will be sent by post/ courier or through email or other electronic media to the Registered Holders of the NCD(s) from time to time.

Issue of duplicate NCD certificate(s)

If NCD certificate(s), issued pursuant to rematerialisation, is/ are mutilated or defaced or the cages for recording transfers of NCDs are fully utilised, the same may be replaced by us against the surrender of such certificate(s). Provided, where the NCD certificate(s) are mutilated or defaced, the same will be replaced as aforesaid only if the certificate numbers and the distinctive numbers are legible.

If any NCD certificate is destroyed, stolen or lost then upon production of proof thereof to our satisfaction and upon furnishing such indemnity/ security and/or documents as we may deem adequate, duplicate NCD certificates shall be issued. Upon issuance of a duplicate NCD certificate, the original NCD certificate shall stand cancelled.

Loan against securities

As per the RBI circular dated June 27, 2013, the Company is not permitted to extend loans against the security of its debentures issued by way of private placement or public issues. The Company shall have the right of set-off and lien, present as well as

future on the moneys due and payable to the NCD holders or deposits held in the account of the NCD holders, whether in single name or joint name, to the extent of all outstanding dues by the NCD holders to the Company, subject to applicable law.

Lien or pledge of NCDs

Our Company may, at its discretion, note a lien or pledge of NCDs if such pledge of NCD is accepted by any third party bank/institution or any other person for any loan provided to the NCD Holder against pledge of such NCDs as part of the funding, subject to applicable law.

Future Borrowings

We shall be entitled to make further issue of secured or unsecured debentures and/or raise term loans or raise further funds from time to time from any persons, banks, financial institutions or bodies corporate or any other agency by creating a charge on any assets, (a) subject to such consents and approvals and other conditions, as may be required under applicable law or existing financing agreements, including any intimation, if applicable under the Transaction Documents (b) provided the stipulated security cover for the Issue is maintained and compliance with other terms of the Transaction Documents.

The illustration for guidance in respect of the day count convention and effect of holidays on payments, as required by SEBI Master Circular will be as disclosed in the Prospectus.

Payment of Interest

If Allotment is not made within the prescribed time period under applicable law, the entire subscription amount will be unblocked within the time prescribed under applicable law, failing which interest may be due to be paid to the Applicants, for the delayed period, as prescribed in applicable law. Our Company shall not be liable to pay any interest on monies liable to be refunded in case of (a) invalid applications or applications liable to be rejected, (b) applications which are withdrawn by the Applicant and/or (c) monies paid in excess of the amount of NCDs applied for in the Application Form. For further details, see “*Issue Procedure - Rejection of Applications*” beginning on page 197.

Listing

The NCDs proposed to be offered in pursuance of this Draft Prospectus will be listed on the Stock Exchanges. Our Company has received an ‘in-principle’ approval from BSE by way of its letter bearing reference number [●] dated [●] and from NSE by way of its letter bearing reference number [●] dated [●]. The application for listing of the NCDs will be made to the Stock Exchanges at an appropriate stage. For the purposes of the Issue, BSE shall be the Designated Stock Exchange.

If permissions to deal in and for an official quotation of our NCDs are not granted by the Stock Exchanges, our Company will forthwith repay, without interest, all moneys received from the Applicants in pursuance of this Draft Prospectus. Our Company shall ensure that all steps for the completion of the necessary formalities for listing and commencement of trading at the Stock Exchanges are taken within six Working Days from the Issue Closing Date. For the avoidance of doubt, it is hereby clarified that in the event of non-subscription to any one or more of the series, such series(s) of NCDs shall not be listed.

Guarantee/Letter of comfort

This Issue is not backed by a guarantee or letter of comfort or any other document and/or letter with similar intent.

Monitoring and Reporting of Utilisation of Issue Proceeds

There is no requirement for appointment of a monitoring agency in terms of the SEBI NCS Regulations. Our Board shall monitor the utilisation of the proceeds of the Issue. For the relevant quarters, our Company will disclose in our quarterly financial statements, the utilisation of the net proceeds of the Issue under a separate head along with details, if any, in relation to all such proceeds of the Issue that have not been utilised thereby also indicating investments, if any, of such unutilised proceeds of the Issue.

Pre-Issue Advertisement

Subject to Regulation 30(1) of SEBI NCS Regulations, our Company will issue a statutory advertisement on or before the Issue Opening Date. This advertisement will contain the information as prescribed in Schedule V of SEBI NCS Regulations in compliance with Section 30 of Companies Act, 2013. Material updates, if any, between the date of filing of this Draft Prospectus and the Prospectus with RoC and the date of release of the statutory advertisement will be included in the statutory advertisement information as prescribed under SEBI NCS Regulations.

Pre-closure

Our Company, in consultation with the Lead Managers reserves the right to close the Issue at any time prior to the Issue Closing Date, subject to receipt of minimum subscription or as may be specified in the Prospectus. Our Company shall allot NCDs with respect to the Applications received until the time of such pre-closure in accordance with the Basis of Allotment as described herein and subject to applicable statutory and/or regulatory requirements. In the event of such early closure of the Issue, our Company shall ensure that public notice of such early closure is published on or before such early date of closure or the Issue Closing Date, as applicable, through advertisement(s) in all those newspapers in which pre-issue advertisement has been given.

Specified Terms of NCDs - Interest and Payment of Interest

As will be specified in the Prospectus.

Terms of Payment

The entire amount of face value of NCDs applied for will be blocked in the relevant ASBA Account maintained with the SCSB or under UPI mechanism (only for Retail Individual Investors), as the case may be, in the bank account of the Applicants that is specified in the ASBA Form at the time of the submission of the Application Form. In the event of Allotment of a lesser number of NCDs than applied for, our Company shall unblock the additional amount blocked upon application in the ASBA Account, in accordance with the terms as specified in “*Terms of the Issue*” on page 154.

The NCDs have not been and will not be registered, listed or otherwise qualified in any jurisdiction outside India and may not be offered or sold, and Applications may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction. In particular, the NCDs have not been and will not be registered under the U.S. Securities Act, 1933, as amended (the “**Securities Act**”) or the securities laws of any state of the United States and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act) except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The Issuer has not registered and does not intend to register under the U.S. Investment Company Act, 1940 in reliance on section 3(c)(7) thereof. This Draft Prospectus may not be forwarded or distributed to any other person and may not be reproduced in any manner whatsoever, and in particular, may not be forwarded to any U.S. Person or to any U.S. address.

Applications may be made in single or joint names (not exceeding three). Applications should be made by Karta in case the Applicant is an HUF. If the Application is submitted in joint names, the Application Form should contain only the name of the first Applicant whose name should also appear as the first holder of the depository account held in joint names. In case of Application Form being submitted in joint names, the Applicants should ensure that the demat account is also held in the same joint names and the names are in the same sequence in which they appear in the Application Form. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form. Please ensure that such Applications contain the PAN of the HUF and not of the Karta. In the case of joint Applications, all payments will be made out in favour of the first Applicant. All communications will be addressed to the first named Applicant whose name appears in the Application Form and at the address mentioned therein.

In the case of joint Applications, all payments will be made out in favour of the first Applicant. All communications will be addressed to the first named Applicant whose name appears in the Application Form and at the address mentioned therein.

Day Count Convention

Interest shall be computed on an actual/actual basis i.e. on the principal outstanding on the NCDs as per the SEBI Master Circular.

Effect of holidays on payments

If the date of payment of interest does not fall on a Working Day, then the interest payment will be made on succeeding Working Day, however the calculation for payment of interest will be only till the originally stipulated Interest Payment Date. The dates of the future interest payments would be as per the originally stipulated schedule. Payment of interest will be subject to the deduction of tax as per Income Tax Act or any statutory modification or re-enactment thereof for the time being in force. In case the Redemption Date (also being the last Interest Payment Date) does not fall on a Working Day, the payment will be made on the immediately preceding Working Day, along with coupon/interest accrued on the NCDs until but excluding the date of such payment. The interest/redemption payments shall be made only on the days when the money market is functioning in Mumbai.

For further details, see “*Issue Procedure*” on page 176.

ISSUE PROCEDURE

This section applies to all Applicants and the specific attention of all Applicants is invited to the SEBI Master Circular, which provides, inter-alia, that for all public issues of debt securities all Applicants are mandatorily required to apply for in the Issue through the ASBA process. ASBA Applicants and Applicants applying through the Direct Online Application Mechanism (as defined hereinafter) should note that the ASBA process and the Direct Online Application Mechanism involve application procedures that are different from the procedure applicable to all other Applicants. Please note that all Applicants are required to pay the full Application Amount or to ensure that the ASBA Account has sufficient credit balance such that the entire Application Amount can be blocked by the SCSB while making an Application. An amount equivalent to the full Application Amount will be blocked by the SCSBs in the relevant ASBA Accounts maintained with the SCSB or under UPI mechanism (only for Retail Individual Investors), as the case may be, in the bank account of the Applicants that is specified in the ASBA Form at the time of the submission of the Application Form. Applicants should note that they may submit their Applications to the Designated Intermediaries.

Applicants should note that they may submit their Applications to the Designated Intermediaries at the Designated CDP Locations or the RTAs at the Designated RTA Locations or designated branches of SCSBs as mentioned on the Application Form. Applicants are advised to make their independent investigations and ensure that their Applications do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable law or as specified in this Draft Prospectus.

Please note that this section has been prepared based on the SEBI Master Circular, as amended from time to time and other related circulars including notifications issued by the Stock Exchanges, in relation to the UPI mechanism. Retail Individual Investors should note that they may use the UPI mechanism to block funds for application value up to UPI Application Limit (to participate in the public issue for an amount up to ₹ 5,00,000 for issue of debt securities pursuant to SEBI Master Circular, or any other investment limit, as applicable and prescribed by SEBI from time to time) submitted through the app/web interface of the Stock Exchanges or through intermediaries (Syndicate Members, Registered Stockbrokers, Registrar and Transfer agent and Depository Participants).

ASBA Applicants must ensure that their respective ASBA Accounts can be blocked by the SCSBs, in the relevant ASBA accounts for the full Application Amount. Applicants should note that they may submit their Applications to the Designated Intermediaries at the Designated CDP Locations or the RTAs at the Designated RTA Locations or designated branches of SCSBs as mentioned on the Application Form. Applicants are advised to make their independent investigations and ensure that their Applications do not exceed the investment limits or maximum number of NCDs that can be held by them under applicable law or as specified in this Draft Prospectus.

Specific attention is drawn to the SEBI Master Circular that provides for allotment in public issues of debt securities to be made on the basis of the date of upload of each application into the electronic book of the Stock Exchanges, as opposed to the date and time of upload of each such application.

Our Company and the Lead Managers will not be liable for any amendment, modification or change in the applicable law which may occur after the date of this Draft Prospectus. Investors are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws.

Further, the Company and the Lead Managers are not liable for any adverse occurrences consequent to the UPI Mechanism for application in the Issue.

PLEASE NOTE THAT ALL DESIGNATED INTERMEDIARIES WHO WISH TO COLLECT AND UPLOAD APPLICATION IN THIS ISSUE ON THE ELECTRONIC APPLICATION PLATFORM PROVIDED BY THE STOCK EXCHANGES WILL NEED TO APPROACH THE STOCK EXCHANGE(S) AND FOLLOW THE REQUISITE PROCEDURES AS MAY BE PRESCRIBED BY THE STOCK EXCHANGES. THE FOLLOWING SECTION MAY CONSEQUENTLY UNDERGO CHANGE BETWEEN THE DATES OF THE DRAFT PROSPECTUS / PROSPECTUS, THE ISSUE OPENING DATE AND THE ISSUE CLOSING DATE.

THE LEAD MANAGERS, THE CONSORTIUM MEMBERS AND OUR COMPANY SHALL NOT BE RESPONSIBLE OR LIABLE FOR ANY ERRORS OR OMISSIONS ON THE PART OF THE TRADING MEMBERS / DESIGNATED INTERMEDIARIES IN CONNECTION WITH THE RESPONSIBILITY OF SUCH TRADING MEMBERS / DESIGNATED INTERMEDIARIES IN RELATION TO COLLECTION AND UPLOAD OF APPLICATIONS IN THIS ISSUE ON THE ELECTRONIC APPLICATION PLATFORM PROVIDED BY THE STOCK EXCHANGES. FURTHER, THE RELEVANT STOCK EXCHANGES SHALL BE RESPONSIBLE FOR ADDRESSING INVESTOR GRIEVANCES ARISING FROM APPLICATIONS THROUGH TRADING MEMBERS / DESIGNATED INTERMEDIARIES REGISTERED WITH SUCH STOCK EXCHANGE.

Please note that for the purposes of this section, the term “Working Day” shall mean all days on which the commercial banks in Mumbai are open for business, except with reference to the Issue Period, where Working Days shall mean all

days, excluding Saturdays, Sundays and public holidays on which commercial banks in Mumbai are open for business. Furthermore, for the purpose the time period between the bid/ issue closing date and the listing of the NCDs, Working Days shall mean all trading days of the Stock Exchanges excluding Saturdays, Sundays and bank holidays as specified by SEBI.

The information below is given for the benefit of Applicants. Our Company and the Members of the Consortium are not liable for any amendment or modification or changes in applicable laws or regulations, which may occur after the date of this Draft Prospectus.

Method of Application

In terms of SEBI Master Circular, an eligible investor desirous of applying in the Issue can make Applications only through the ASBA process only.

All Applicants shall mandatorily apply in the Issue through the ASBA process only. Applicants intending to subscribe in the Issue shall submit a duly filled Application form to any of the Designated Intermediaries. Designated Intermediaries (other than SCSBs) shall submit/deliver the Application Form (except the Application Form from a retail individual investor bidding using the UPI mechanism) to the respective SCSB, where such investor has a bank account and shall not submit it to any non-SCSB bank or any Escrow Bank.

Applicants are requested to note that in terms of the SEBI Master Circular, SEBI has mandated issuers to provide, through a recognized stock exchanges which offers such a facility, an online interface enabling direct application by investors to a public issue of debt securities with an online payment facility (“Direct Online Application Mechanism”). In this regard, SEBI has, through the SEBI Master Circular, directed recognized Stock Exchanges in India to put in necessary systems and infrastructure for the implementation of the SEBI Master Circular and the Direct Online Application Mechanism infrastructure for the implementation of the SEBI Master Circular and the Direct Online Application Mechanism. The Direct Online Application facility will be available for this Issue as per mechanism provided in the SEBI Master Circular.

Applicants should submit the Application Form only at the bidding centres, *i.e.* to the respective Members of the Consortium at the Specified Locations, the SCSBs at the Designated Branches, the Registered Broker at the Broker Centres, the RTAs at the Designated RTA Locations or CDPs at the Designated CDP Locations. Kindly note that Application Forms submitted by Applicants at the Specified Locations will not be accepted if the SCSB with which the ASBA Account, as specified in the Application Form is maintained has not named at least one branch at that location for the Designated Intermediaries for deposit of the Application Forms. A list of such branches is available at <http://www.sebi.gov.in>.

The relevant Designated Intermediaries, upon receipt of physical Application Forms from ASBA Applicants, shall upload the details of these Application Forms to the online platform of the Stock Exchanges and submit these Application Forms with the SCSB (except Application Form from RIBs using the UPI Mechanism) with whom the relevant ASBA Accounts are maintained.

For RIBs using UPI Mechanism, the Stock Exchanges shall share the bid details (including UPI ID) with the Sponsor Bank on a continuous basis to enable the Sponsor Bank to initiate UPI Mandate Request to RIBs for blocking of funds. For an Applicant who submits the Application Form, in physical form, the Application Form shall be stamped at the relevant Designated Branch of the SCSB. Application Forms in physical mode, which shall be stamped, can also be submitted to be the Designated Intermediaries at the Specified Locations. The SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the Application Form. For an Applicant who submits the Application Form, the same shall be stamped at the relevant Designated Branch of the SCSB. Application Forms in physical mode, which shall be stamped, can also be submitted to be the Designated Intermediaries at the Specified Locations. The SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the Application Form. Further, the Application may also be submitted through the app or web interface developed by Stock Exchanges wherein the Application is automatically uploaded onto the Stock Exchanges bidding platform and the amount is blocked using the UPI mechanism, as applicable.

Designated Intermediaries (other than SCSBs) shall not accept any Application Form from a RIB who is not applying using the UPI Mechanism. For RIBs using UPI Mechanism, the Stock Exchanges shall share the bid details (including UPI ID) with the Sponsor Bank on a continuous basis to enable the Sponsor Bank to initiate UPI Mandate Request to RIBs for blocking of funds. For an Applicant who submits the Application Form, in physical form, the Application Form shall be stamped at the relevant Designated Branch of the SCSB. Application Forms in physical mode, which shall be stamped, can also be submitted to be the Designated Intermediaries at the Specified Locations. The SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the Application Form.

Our Company, our Directors, affiliates, associates and their respective directors and officers, Lead Managers and the Registrar to the Issue shall not take any responsibility for acts, mistakes, errors, omissions and commissions etc. in relation to ASBA Applications accepted by the Designated Intermediaries, Applications uploaded by SCSBs, Applications accepted but not

uploaded by SCSBs or Applications accepted and uploaded without blocking funds in the ASBA Accounts. It shall be presumed that for Applications uploaded by SCSBs, the Application Amount has been blocked in the relevant ASBA Account. Further, all grievances against Designated Intermediaries in relation to this Issue should be made by Applicants directly to the relevant Stock Exchanges.

In terms of the SEBI Master Circular, an eligible investor desirous of applying in this Issue can make Applications through the following modes:

1. **Through Self-Certified Syndicate Bank (SCSB) or intermediaries** (viz. Syndicate members, Registered Stock Brokers, Registrar and Transfer agent and Depository Participants)
 - a. An investor may submit the bid-cum-application form, with ASBA as the sole mechanism for making payment, physically at the branch of a SCSB, i.e. investor's bank. For such applications, the existing process of uploading of bid on the Stock Exchanges' bidding platform and blocking of funds in investors account by the SCSB would continue.
 - b. An investor may submit the completed bid-cum-application form to intermediaries mentioned above along with details of his/her bank account for blocking of funds. The intermediary shall upload the bid on the Stock Exchanges' bidding platform and forward the application form to a branch of a SCSB for blocking of funds.
 - c. An investor may submit the bid-cum-application form with a SCSB or the intermediaries mentioned above and use his / her bank account linked UPI ID for the purpose of blocking of funds, if the application value is ₹5,00,000 or less. The intermediary shall upload the bid on the Stock Exchanges' bidding platform. The application amount would be blocked through the UPI mechanism in this case.
2. **Through Stock Exchanges**
 - a. An investor may submit the bid-cum-application form through the App or web interface developed by Stock Exchange (or any other permitted methods) wherein the bid is automatically uploaded onto the Stock Exchange bidding platform and the amount is blocked using the UPI Mechanism.
 - b. The Stock Exchanges have extended their web-based platforms i.e., 'BSEDirect' and 'NSE goBID' to facilitate investors to apply in public issues of debt securities through the web based platform and mobile app with a facility to block funds through Unified Payments Interface (UPI) mechanism for application value up to ₹5,00,000. To place bid through 'BSEDirect' and 'NSE goBID' platform/ mobile app the eligible investor is required to register himself/ herself with BSE Direct/ NSE goBID.
 - c. An investor may use the following links to access the web-based interface developed by the Stock Exchanges to bid using the UPI Mechanism: BSE: <https://www.bsedirect.com>; and NSE: <https://www.nseindiaipo.com>.
 - d. The BSE Direct and NSE goBID mobile application can be downloaded from play store in android phones. Kindly search for 'BSEdirect' or 'NSE goBID' on Google Playstore for downloading mobile applications.
 - e. To further clarify the submission of bids through the App or web interface, the BSE has issued operational guidelines and circulars dated December 28, 2020 available at <https://www.bseindia.com/markets/MarketInfo/DispNewNoticesCirculars.aspx?page=20201228-60>, and <https://www.bseindia.com/markets/MarketInfo/DispNewNoticesCirculars.aspx?page=20201228-61>. Similar circulars by NSE can be found here: <https://www1.nseindia.com/content/circulars/IPO46907.zip> <https://www1.nseindia.com/content/circulars/IPO46867.zip>. Further, NSE has allowed its 'GoBid' mobile application which is currently available for placing bids for non-competitive bidding shall also be available for applications of public issues of debt securities. For further details, see "*Process for Retail Individual Investors application submitted with UPI as mode of payment*" on page 192.

Application Size

Each Application should be for a minimum of 10 NCDs and in multiples of one NCD thereafter for all options of NCDs, as specified in the Prospectus. The minimum application size for each Application for NCDs would be ₹10,000 across all series collectively and in multiples of ₹1,000 thereafter.

Applicants can apply for any or all types of NCDs offered hereunder (any/all series) provided the Applicant has applied for minimum application size using the same Application Form.

Our Company, our directors, affiliates, associates and their respective directors and officers, Lead Managers and the Registrar to the Issue shall not take any responsibility for acts, mistakes, errors, omissions and commissions etc. in relation to Applications accepted by and/or uploaded by and/or accepted but not uploaded by Consortium Members, Trading Members, Registered Brokers, CDPs, CRTAs and SCSBs who are authorised to collect Application Forms from the Applicants in the Issue, or Applications accepted and uploaded without blocking funds in the ASBA Accounts by SCSBs. It shall be presumed that for Applications uploaded by SCSBs, the Application Amount payable on Application has been blocked in the relevant ASBA Account. The list of branches of the SCSBs at the Specified Locations named by the respective SCSBs to receive Application Forms from the Members of the Syndicate is available on the website of SEBI (<http://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>) and updated from time to time or any such other website as may be prescribed by SEBI from time to time. For more information on such branches collecting Application Forms from the Members of the Syndicate at Specified Locations, see the website of the SEBI (<http://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>) as updated from time to time or any such other website as may be prescribed by SEBI from time to time. The list of Registered Brokers at the Broker Centres, CDPs at the

Designated CDP Locations or the CRTAs at the Designated CRTA Locations, respective lists of which, including details such as address and telephone number, are available at the websites of the Stock Exchanges at www.bseindia.com and www.nseindia.com. The list of branches of the SCSBs at the Broker Centres, named by the respective SCSBs to receive deposits of the Application Forms from the Registered Brokers will be available on the website of the SEBI (www.sebi.gov.in) and updated from time to time.

Submission of Applications

- a. Applicants can apply for NCDs only using the ASBA facility pursuant to SEBI Master Circular. ASBA Applications can be submitted through either of the following modes: Physically or electronically to the Designated Branches of the SCSB(s) with whom an Applicant's ASBA Account is maintained. In case of Application in physical mode, the Applicant shall submit the Application Form at the relevant Designated Branch of the SCSB(s). The Designated Branch shall verify if sufficient funds equal to the Application Amount are available in the ASBA Account and shall also verify that the signature on the Application Form matches with the Applicant's bank records, as mentioned in the Application Form, prior to uploading such Application into the electronic system of the Stock Exchanges. If sufficient funds are not available in the ASBA Account, the respective Designated Branch shall reject such Application and shall not upload such Application in the electronic system of the Stock Exchanges. If sufficient funds are available in the ASBA Account, the Designated Branch shall block an amount equivalent to the Application Amount and upload details of the Application in the electronic system of the Stock Exchanges. The Designated Branch of the SCSBs shall stamp the Application Form and issue an acknowledgement as proof of having accepted the Application. In case of Application being made in the electronic mode, the Applicant shall submit the Application either through the internet banking facility available with the SCSB, or such other electronically enabled mechanism for application and blocking funds in the ASBA Account held with SCSB, and accordingly registering such Application.
- b. Physically through the Members of Consortium, or Trading Members of the Stock Exchanges only at the Specified Cities, i.e. Syndicate ASBA. Kindly note that ASBA Applications submitted to the Members of Consortium or Trading Members of the Stock Exchanges at the Specified Cities will not be accepted if the SCSB where the ASBA Account, as specified in the ASBA Application, is maintained has not named at least one branch at that Specified City for the Members of Consortium or Trading Members of the Stock Exchanges, as the case may be, to deposit ASBA Applications (A list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>).
- c. A UPI Investor making an Application in the Issue under the UPI Mechanism, where the Application Amount is up to the UPI Application Limit, can submit his Application Form physically to a SCSB or a Designated Intermediary. The Designated Intermediary shall upload the application details along with the UPI ID on the Stock Exchange's bidding platform using appropriate protocols. Kindly note that in this case, the Application Amount will be blocked through the UPI Mechanism once the mandate request has been successfully accepted by the Applicant.

A UPI Investor may also submit the Application Form for the Issue through BSE Direct, wherein the Application will be automatically uploaded onto the Stock Exchange's bidding platform and an amount equivalent to the Application Amount shall be blocked using the UPI Mechanism once the mandate request has been successfully accepted by the Applicant.

Upon receipt of the Application Form by the Designated Intermediaries, an acknowledgement shall be issued by the relevant Designated Intermediary, giving the counter foil of the Application Form to the Applicant as proof of having accepted the Application. Thereafter, the details of the Application shall be uploaded in the electronic system of the Stock Exchanges and the Application Form shall be forwarded to the relevant branch of the SCSB, in the relevant Collection Center, named by such SCSB to accept such Applications from the Designated Intermediaries (a list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>). Upon receipt of the Application Form, the relevant branch of the SCSB shall perform verification procedures including verification of the Applicant's signature with his bank records and check if sufficient funds equal to the Application Amount are available in the ASBA Account, as mentioned in the Application Form. If sufficient funds are not available in the ASBA Account, the relevant Application Form is liable to be rejected. If sufficient funds are available in the ASBA Account, the relevant branch of the SCSB shall block an amount equivalent to the Application Amount mentioned in the Application Form. The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of this Issue or until withdrawal/ rejection of the Application Form, as the case may be. In case of an Application not involving an Application by an RIB through UPI Mechanism, if sufficient funds are not available in the ASBA Account, the relevant Application Form is liable to be rejected. If sufficient funds are available in the ASBA Account, the relevant branch of the SCSB shall block an amount equivalent to the Application Amount mentioned in the Application Form. The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of the Issue or until withdrawal/ rejection of the Application Form, as the case may be.

In case of Application involving an Application by an RIB through UPI Mechanism, if an Applicant submits the Application Form with a Designated Intermediary and uses his/ her bank account linked UPI ID for the purpose of blocking of funds, where

the application value is up to UPI Application Limit, the Application Amount will be blocked through the UPI Mechanism once the mandate request has been successfully accepted by the Applicant and the Designated Intermediary shall upload the Application on the bidding platform developed by the Stock Exchanges. If an Applicant submits the Application Form through the application or web interface developed by Stock Exchanges, the bid will automatically be uploaded onto the Stock Exchanges bidding platform and the amount will be blocked using the UPI Mechanism once the mandate request has been successfully accepted by the Applicant.

Applicants must note that:

- a. Physical Application Forms will be available with the Designated Branches of the SCSBs and with the Designated Intermediaries at the respective Collection Centers; and electronic Application Forms will be available on the websites of the SCSBs and the Stock Exchanges at least one day prior to the Issue Opening Date. Physical Application Forms will also be provided to the Trading Members of the Stock Exchanges at their request. The Application Forms would be serially numbered. Further, the SCSBs will ensure that the electronic version of the Prospectus is made available on their websites. The physical Application Form submitted to the Designated Intermediaries shall bear the stamp of the relevant Designated Intermediary. In the event the Application Form does not bear any stamp, the same shall be liable to be rejected.
- b. The Designated Branches of the SCSBs shall accept Applications directly from Applicants only during the Issue Period. The SCSB shall not accept any Application directly from Applicants after the closing time of acceptance of Applications on the Issue Closing Date. However, in case of Syndicate ASBA, the relevant branches of the SCSBs at Specified Cities can accept ASBA Applications from the Lead Managers or Trading Members of the Stock Exchanges, as the case may be, after the closing time of acceptance of Applications on the Issue Closing Date. For further information on the Issue programme, see “*Issue Structure*” on page 171. However, the relevant branches of the SCSBs at Specified Locations can accept Application Forms from the Designated Intermediaries, after the closing time of acceptance of Applications on the Issue Closing Date, if the Applications have been uploaded. For further information on the Issue programme, please refer to “*Issue Structure*” on page 171 of this Draft Prospectus.
- c. In case of Applications through Syndicate ASBA, the physical Application Form shall bear the stamp of the Lead Managers or Consortium Members or Trading Members of the Stock Exchanges, as the case maybe, if not, the same shall be rejected. Application Forms directly submitted to SCSBs should bear the stamp of SCSBs, if not, the same are liable to be rejected. Physical Application Forms directly submitted to SCSBs should bear the stamp of SCSBs, if not, the same are liable to be rejected.

Please note that ASBA Applicants can make an Application for Allotment of NCDs in the dematerialized form only.

Submission of Direct Online Applications

Please note that clarifications and/or confirmations regarding the implementation of the requisite infrastructure and facilities in relation to direct online applications and online payment facility have been sought from the Stock Exchanges.

In the event the Direct Online Application facility is implemented by the Stock Exchanges, relevant “know your customer” details of such Applicants will be validated online from the Depositories, on the basis of the DP ID and Client ID provided by them in the Application Form. On successful submission of a Direct Online Application, the Applicant will receive a system-generated unique application number (“UAN”) and an SMS or an email confirmation on credit of the requisite Application Amount paid through the online payment facility with the Direct Online Application. On Allotment, the Registrar to the Issue shall credit NCDs to the beneficiary account of the Applicant and in case of refund, the refund amount shall be credited directly to the Applicant’s bank account. Applicants applying through the Direct Online Application facility must preserve their UAN and quote their UAN in: (a) any cancellation/withdrawal of their Application; (b) in queries in connection with Allotment of NCDs and/or refund(s); and/or (c) in all investor grievances/complaints in connection with the Issue.

As per the SEBI Master Circular, the availability of the Direct Online Applications facility is subject to the Stock Exchanges putting in place the necessary systems and infrastructure, and accordingly the aforementioned disclosures are subject to any further clarifications, notification, modification deletion, direction, instructions and/or correspondence that may be issued by the Stock Exchanges and/or SEBI.

Payment instructions

Payment mechanism for Applicants

An Applicant shall specify details of the ASBA Account Number in the Application Form and the relevant SCSB shall block an amount equivalent to the Application Amount in the ASBA Account specified in the Application Form.

An Applicant may submit the completed Application Form to Designated Intermediaries along with details of his/her bank account for blocking of funds. The intermediary shall upload the bid on the Designated Stock Exchange bidding platform and forward the application form to a branch of a SCSB for blocking of funds. An Applicant (belonging to Category IV) may also submit the Application Form with a SCSB, or the intermediaries mentioned above and use his / her bank account linked UPI ID for the purpose of blocking of funds, if the application value is ₹5,00,000 or less. The intermediary shall upload the bid on the Stock Exchanges' bidding platform. The application amount would be blocked through the UPI Mechanism once the mandate request has been successfully accepted by the Applicant in this case.

ASBA Applicants should ensure that they have funds equal to the Application Amount in the ASBA Account before submitting the ASBA Application to the Members of Consortium or Trading Members of the Stock Exchanges, as the case may be, at the Specified Cities or to the Designated Branches of the SCSBs. An ASBA Application where the corresponding ASBA Account does not have sufficient funds equal to the Application Amount at the time of blocking the ASBA Account is liable to be rejected.

The Application Amount shall remain blocked in the ASBA Account until approval of the Basis of Allotment and consequent transfer of the amount against the Allotted NCDs to the Public Issue Account(s), or until withdrawal/ failure of the relevant Issue or until withdrawal/ rejection of the Application Form, as the case may be. Once the Basis of Allotment is approved, and upon receipt of intimation from the Registrar, the controlling branch of the SCSB shall, on the Designated Date, transfer such blocked amount from the ASBA Account to the Public Issue Account. The balance amount remaining after the finalization of the Basis of Allotment shall be unblocked by the SCSBs on the basis of the instructions issued in this regard by the Registrar to the respective SCSB within 5 (five) Working Days of the relevant Issue Closing Date. The Application Amount shall remain blocked in the ASBA Account until transfer of the Application Amount to the Public Issue Account, or until withdrawal/ failure of the relevant Issue or until rejection of the ASBA Application, as the case may be. In case of withdrawal/ failure of the Issue, the blocked amount shall be unblocked on receipt of such information from the Registrar to the Issue. An applicant (belonging to Category IV) may also submit the Application Form with a SCSB or the Designated Intermediaries mentioned above and use his / her bank account linked UPI ID for the purpose of blocking of funds, if the application value is up to the UPI Application Limit. The intermediary shall upload the bid on the Stock Exchanges' bidding platform. The application amount would be blocked through the UPI Mechanism once the mandate request has been successfully accepted by the Applicant in this case.

An Applicant may submit the Application Form through the App or web interface developed by Stock Exchanges wherein the bid is automatically uploaded onto the Stock Exchanges' bidding platform and the amount is blocked using the UPI Mechanism once the mandate request has been successfully accepted by the Applicant.

Upon receipt of an intimation from the Registrar to the Issue, the SCSBs shall, on the Designated Date, transfer such blocked amount from the ASBA Account to the Public Issue Account in terms of the Public Issue Account and Sponsor Bank Agreement. The balance amount remaining after the finalisation of the Basis of Allotment shall be unblocked by the SCSBs on the basis of the instructions issued in this regard by the Registrar to the Issue to the respective SCSB within five Working Days of the Issue Closing Date. The Application Amount shall remain blocked in the ASBA Account until transfer of the Application Amount to the Public Issue Account, or until withdrawal/ failure of the Issue or until rejection of the Application, as the case may be.

For ASBA Applications submitted to the Lead Managers or Consortium Members or Trading Members of the Stock Exchanges at the Specified Cities, the ASBA Application will be uploaded onto the electronic system of the Stock Exchanges and deposited with the relevant branch of the SCSB at the Specified City named by such SCSB to accept such ASBA Applications from the Lead Managers or Trading Members of the Stock Exchanges, as the case may be (a list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>). The relevant branch of the SCSB shall perform verification procedures and block an amount in the ASBA Account equal to the Application Amount specified in the ASBA Application.

For ASBA Applications submitted directly to the SCSBs, the relevant SCSB shall block an amount in the ASBA Account equal to the Application Amount specified in the ASBA Application, before entering the ASBA Application into the electronic system of the Stock Exchanges. SCSBs may provide the electronic mode of application either through an internet enabled application and banking facility or such other secured, electronically enabled mechanism for application and blocking of funds in the ASBA Account.

Payment mechanism for Direct Online Applicants

Please note that clarifications and/or confirmations regarding the implementation of the requisite infrastructure and facilities in relation to direct online applications and online payment facility have been sought from the Stock Exchanges. In the event the Direct Online Application facility is implemented by the Stock Exchanges, relevant "know your customer" details of such Applicants will be validated online from the Depositories, on the basis of the DP ID and Client ID provided by them in the Application Form. On successful submission of a Direct Online Application, the Applicant will receive a system-generated unique application number ("UAN") and an SMS or an email confirmation on credit of the requisite Application Amount paid

through the online payment facility with the Direct Online Application. On Allotment, the Registrar to the Issue shall credit NCDs to the beneficiary account of the Applicant and in case of refund, the refund amount shall be credited directly to the Applicant's bank account. Applicants applying through the Direct Online Application facility must preserve their UAN and quote their UAN in: (a) any cancellation/withdrawal of their Application; (b) in queries in connection with Allotment of NCDs and/or refund(s); and/or (c) in all investor grievances/complaints in connection with the Issue.

As per the SEBI Master Circular, the availability of the Direct Online Applications facility is subject to the Stock Exchanges putting in place the necessary systems and infrastructure, and accordingly the aforementioned disclosures are subject to any further clarifications, notification, modification deletion, direction, instructions and/or correspondence that may be issued by the Stock Exchanges and/or SEBI.

Additional information for Applicants

Further, the collecting bank shall be responsible for addressing any investor grievances arising from non-confirmation of funds to the Registrar despite successful realization/blocking of funds, or any delay or operational lapse by the collecting bank in sending the Application forms to the Registrar to the Issue.

Applicants are advised not to submit Application Forms to Public Issue Account Banks and the same will be rejected in such cases and the Applicants will not be entitled to any compensation whatsoever.

Filing of the Prospectus with ROC

A copy of the Prospectus shall be filed with the ROC in accordance with Section 26 of the Companies Act, 2013.

General Instructions for completing the Application Form

- a. Applications must be made in prescribed Application Form only;
- b. Applicants should ensure that their Application Form is submitted either at a Designated Branch of a SCSB where the ASBA Account is maintained or with the Members of the Syndicate or Trading Members of the stock exchange at the Specified Cities, and not directly to the escrow collecting banks (assuming that such bank is not a SCSB) or to the Company or the Registrar to the Issue.
- c. Applications through Syndicate ASBA, before submitting the physical Application Form to the Members of the Syndicate or Trading Members of the stock exchange, ensure that the SCSB where the ASBA Account, as specified in the ASBA Form, is maintained has named at-least one branch in that Specified City for the Members of the Syndicate or Trading Members of the stock exchange, as the case may be, to deposit ASBA Forms (A list of such branches is available at <https://www.sebi.gov.in/sebiweb/other/OtherAction.do?doRecognised=yes>)
- d. Application Forms must be completed in block letters in English, as per the instructions contained in this Draft Prospectus, Prospectus and the Application Form. Applicants should note that the Designated Intermediaries will not be liable for errors in data entry due to incomplete or illegible Application Forms.
- e. Applications should be in single or joint names and not exceeding three names, and in the same order as their Depository Participant details and Applications should be made by Karta in case the Applicant is an HUF. Please ensure that such Applications contain the PAN of the HUF and not of the Karta. If the Application is submitted in joint names, the Application Form should contain only the name of the first Applicant whose name should also appear as the first holder of the depository account held in joint names.
- f. Applicants applying for Allotment in dematerialized form must provide details of valid and active DP ID, Client ID and PAN clearly and without error. On the basis of such Applicant's active DP ID, Client ID and PAN provided in the

- Application Form, and as entered into the electronic Application system of Stock Exchanges by SCSBs, the Members of the Syndicate at the Syndicate ASBA Application Locations and the Trading Members, as the case may be, the Registrar will obtain from the Depository the Demographic Details. Invalid accounts, suspended accounts or where such account is classified as invalid or suspended may not be considered for Allotment of the NCDs.
- g. Applications must be for a minimum of 10 (Ten) NCDs and in multiples of 1 NCD thereafter. For the purpose of fulfilling the requirement of minimum application size of 10 (Ten) NCDs, an Applicant may choose to apply for 10 (Ten) NCDs or more in a single Application Form.
 - h. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form.
 - i. Applications should be made by Karta in case of HUFs. Applicants are required to ensure that the PAN details of the HUF are mentioned and not those of the Karta.
 - j. Thumb impressions and signatures other than in English/Hindi/Gujarati/Marathi or any other languages specified in the 8th Schedule of the Constitution of India needs to be attested by a Magistrate or Notary Public or a Special Executive Magistrate under his/her seal;
 - k. No separate receipts will be issued for the money payable on the submission of the Application Form. However, the Members of Consortium, Trading Members of the Stock Exchanges or the Designated Branches of the SCSBs, as the case may be, will acknowledge the receipt of the Application Forms by stamping and returning to the Applicants the Transaction Registration Slip (“TRS”). This TRS will serve as the duplicate of the Application Form for the records of the Applicant. Applicants must ensure that the requisite documents are attached to the Application Form prior to submission and receipt of acknowledgement from the Lead Managers, Trading Member of the Stock Exchanges or the Designated Branch of the SCSBs, as the case may be.
 - l. The Designated Intermediaries or the Designated Branches of the SCSBs, as the case may be, will acknowledge the receipt of the Application Forms by stamping and returning to the Applicants the acknowledgement slip. This acknowledgement slip will serve as the duplicate of the Application Form for the records of the Applicant. Applicants must ensure that the requisite documents are attached to the Application Form prior to submission and receipt of acknowledgement from the relevant Designated Intermediaries or the Designated Branch of the SCSBs, as the case may be.
 - m. Every Applicant should hold a valid PAN and mention the same in the Application Form and submit the same. Applicant without PAN is liable to be rejected, irrespective of the amount
 - n. All Applicants are required to tick the relevant column of “Category of Investor” in the Application Form.
 - o. Applicants should correctly mention the ASBA Account number and UPI ID in case applying through UPI mechanism, and ensure that funds equal to the Application Amount are available in the ASBA Account before submitting the Application Form and also ensure that the signature in the Application Form matches with the signature in Applicant’s bank records, otherwise the Application is liable to be rejected
 - p. Applicants must provide details of valid and active DP ID, UPI ID (in case applying through UPI mechanism), Client ID and PAN clearly and without error. On the basis of such Applicant’s active DP ID, UPI ID (in case applying through UPI mechanism), Client ID and PAN provided in the Application Form, and as entered into the electronic Application system of Stock Exchanges by SCSBs, the Designated Intermediaries, the Registrar will obtain from the Depository the Demographic Details. Invalid accounts, suspended accounts or where such account is classified as invalid or suspended may not be considered for Allotment of the NCDs. If the ASBA Account holder is different from the Applicant, the Application Form should be signed by the ASBA Account holder, in accordance with the instructions provided in the Application Form. Not more than five Applications can be made from one single ASBA Account;
 - q. For Applicants, the Applications in physical mode should be submitted to the SCSBs or a member of the Syndicate or to the Trading Members of the Stock Exchanges on the prescribed Application Form. SCSBs may provide the electronic mode for making Application either through an internet enabled banking facility or such other secured, electronically enabled mechanism for Application and blocking funds in the ASBA Account;
 - r. Application Forms should bear the stamp of the Member of the Syndicate, Trading Member of the Stock Exchanges, Designated Intermediaries and/or Designated Branch of the SCSB. Application Forms which do not bear the stamp will be rejected.
 - s. Applicant should correctly mention the ASBA Account number and UPI ID in case applying through UPI Mechanism and ensure that funds equal to the Application Amount are available in the ASBA Account before submitting the Application Form and ensure that the signature in the Application Form matches with the signature in the Applicant’s bank records.

The series, mode of allotment, PAN, demat account no. etc. should be captured by the relevant Designated Intermediaries in the data entries as such data entries will be considered for allotment.

Applicants should note that neither the Designated Intermediaries nor the SCSBs, as the case may be, will be liable for error in data entry due to incomplete or illegible Application Forms. Our Company would allot the NCDs, as specified in the Prospectus for the Issue to all valid Applications, wherein the Applicants have not indicated their choice of the relevant series of NCDs.

Applicants' PAN, Depository Account and Bank Account Details

ALL APPLICANTS APPLYING FOR ALLOTMENT OF THE NCDS SHOULD MENTION THEIR DP ID, UPI ID (IN CASE APPLYING THROUGH UPI MECHANISM), CLIENT ID AND PAN IN THE APPLICATION FORM. APPLICANTS MUST ENSURE THAT THE DP ID, UPI ID, CLIENT ID AND PAN GIVEN IN THE APPLICATION FORM IS EXACTLY THE SAME AS THE DP ID, UPI ID, CLIENT ID AND PAN AVAILABLE IN THE DEPOSITORY DATABASE. IF THE BENEFICIARY ACCOUNT IS HELD IN JOINT NAMES, THE APPLICATION FORM SHOULD CONTAIN THE NAME AND PAN OF BOTH THE HOLDERS OF THE BENEFICIARY ACCOUNT AND SIGNATURES OF BOTH HOLDERS WOULD BE REQUIRED IN THE APPLICATION FORM.

Applicants applying for Allotment in dematerialised form must mention their DP ID, Client ID, PAN and UPI ID (in case applying through UPI Mechanism) in the Application Form and ensure that the name provided in the Application Form is exactly the same as the name in which the Beneficiary Account is held. In case the Application Form for Allotment in dematerialised form is submitted in the first Applicant's name, it should be ensured that the Beneficiary Account is held in the same joint names and in the same sequence in which they appear in the Application Form. In case the DP ID, Client ID and PAN mentioned in the Application Form for Allotment in dematerialised form and entered into the electronic system of the Stock Exchanges do not match with the DP ID, Client ID and PAN available in the Depository database or in case PAN is not available in the Depository database, the Application Form for Allotment in dematerialised form is liable to be rejected. Further, Application Forms submitted by Applicants applying for Allotment in dematerialised form, whose beneficiary accounts are inactive, will be rejected.

On the basis of the DP ID, UPI ID, Client ID and PAN provided by them in the Application Form and entered into the electronic system of the Stock Exchanges, the Registrar to the Issue will obtain from the Depository the Demographic Details of the Applicants including PAN, address, bank account details and MICR code etc. These Demographic Details would be used for giving Allotment Advice and refunds (including through physical refund warrants, direct credit, NACH, NEFT and RTGS), if any, to the Applicants. Hence, Applicants are advised to immediately update their Demographic Details (including bank account details) as appearing on the records of the Depository Participant and ensure that they are true and correct. Please note that failure to do so could result in delays in despatch/ credit of refunds, if any, to Applicants, delivery of Allotment Advice or unblocking of ASBA Accounts at the Applicants' sole risk, and neither the Members of the Consortium nor the Designated Intermediaries, nor the Registrar, nor the Banker(s) to the Issue, nor the SCSBs, nor our Company shall have any responsibility and undertake any liability for the same. On the basis of the DP ID, UPI ID, Client ID and PAN provided by them in the Application Form, the Registrar to the Issue will obtain from the Depository the Demographic Details of the Applicants including PAN, address, bank account details and MICR code, etc. These Demographic Details would be used for giving Allotment Advice and refunds, if any, to the Applicants. Hence, Applicants are advised to immediately update their Demographic Details (including bank account details) as appearing on the records of the Depository Participant and ensure that they are true and correct. Please note that failure to do so could result in delays in despatch/ credit of refunds, if any, to Applicants, delivery of Allotment Advice or unblocking of ASBA Accounts at the Applicants' sole risk, and neither the Members of the Consortium nor the Designated Intermediaries, nor the Registrar, nor the Banker(s) to the Issue, nor the SCSBs, nor our Company shall have any responsibility and undertake any liability for the same.

Applicants should note that in case the DP ID, Client ID and PAN mentioned in the Application Form, as the case may be and entered into the electronic Application system of the Stock Exchanges by the Members of the Consortium or the Designated Intermediaries, as the case may be, do not match with the DP ID, Client ID and PAN available in the Depository database or in case PAN is not available in the Depository database, the Application Form is liable to be rejected and our Company, the Members of the Consortium and the other Designated Intermediaries shall not be liable for losses, if any.

The Demographic Details would be used for all correspondence with the Applicants including mailing of the Allotment Advice and for refunds (if any) as applicable. The Demographic Details given by Applicants in the Application Form would not be used for any other purpose by the Registrar to the Issue except in relation to this Issue.

By signing the Application Form, Applicants applying for the NCDs would be deemed to have authorised the Depositories to provide, upon request, to the Registrar, the required Demographic Details as available on its records. The Demographic Details given by Applicant in the Application Form would not be used for any other purpose by the Registrar to the Issue except in relation to the Issue.

Allotment Advice would be mailed by speed post or registered post at the address of the Applicants as per the Demographic Details received from the Depositories. Applicants may note that delivery of Allotment Advice may get delayed if the same once sent to the address obtained from the Depositories are returned undelivered. Further, please note that any such delay shall be at such Applicants' sole risk and neither our Company, Banker(s) to the Issue, Registrar to the Issue nor the Lead Managers shall be liable to compensate the Applicant for any losses caused to the Applicants due to any such delay or liable to pay any

interest for such delay. In case of refunds through electronic modes as detailed in this Draft Prospectus, refunds may be delayed if bank particulars obtained from the Depository Participant are incorrect.

In case of Applications made under powers of attorney, our Company in its absolute discretion, reserves the right to permit the holder of a power of attorney to request the Registrar to the Issue that for the purpose of printing particulars on and mailing of the Allotment Advice through speed post or registered post, the Demographic Details obtained from the Depository of the Applicant shall be used.

With effect from August 16, 2010, the beneficiary accounts of Applicants for whom PAN details have not been verified shall be suspended for credit and no credit of NCDs pursuant to this Issue will be made into the accounts of the Applicants. Application Forms submitted by Applicants whose beneficiary accounts are inactive shall be rejected. **Furthermore, in case no corresponding record is available with the Depositories, which matches the three parameters, namely, DP ID, Client ID and PAN, then such Applications are liable to be rejected.**

Applicants should note that the NCDs will be allotted to all successful Applicants only in dematerialized form. The Application Forms which do not have the details of the Applicant's depository account, including DP ID, Client ID and PAN and UPI ID (for retail individual investor Applicants bidding using the UPI mechanism), shall be treated as incomplete and will be rejected.

Unified Payments Interface (UPI)

Pursuant to the SEBI Master Circular, the UPI Mechanism is an applicable payment mechanism for public debt issues (in addition to the mechanism of blocking funds maintained with SCSBs under ASBA) for applications by retail individual bidders through Designated Intermediaries. All SCSBs offering the facility of making applications in public issues shall also provide the facility to make applications using UPI. The Company will be required to appoint one SCSB as a Sponsor Bank to act as a conduit between the Stock Exchanges and National Payments Corporation of India in order to facilitate the collection of requests and/or payment instructions of the investors.

Permanent Account Number (PAN)

The Applicant should mention his or her PAN allotted under the IT Act. For minor Applicants, applying through the guardian, it is mandatory to mention the PAN of the minor Applicant. However, Applications on behalf of the central or state government officials and the officials appointed by the courts in terms of a SEBI circular dated June 30, 2008 and Applicants residing in the state of Sikkim who in terms of a SEBI circular dated July 20, 2006 may be exempt from specifying their PAN for transacting in the securities market. In accordance with SEBI RTA Master Circular issued by SEBI, the PAN would be the sole identification number for the participants transacting in the securities market, irrespective of the amount of transaction. **Any Application Form, without the PAN is liable to be rejected, irrespective of the amount of transaction. It is to be specifically noted that the Applicants should not submit the general index register number i.e. GIR number instead of the PAN as the Application is liable to be rejected on this ground.**

However, the exemption for the central or state government and the officials appointed by the courts and for investors residing in the State of Sikkim is subject to the Depository Participants' verifying the veracity of such claims by collecting sufficient documentary evidence in support of their claims. At the time of ascertaining the validity of these Applications, the Registrar to the Issue will check under the Depository records for the appropriate description under the PAN field i.e. either Sikkim category or exempt category.

Joint Applications

Applications can be made in joint names (not exceeding three). In the case of joint Applications, all payments will be made out in favour of the first Applicant. All communications will be addressed to first named in the Application whose name appears in the Application Form and at the address mentioned therein. If the depository account is held in joint names, the Application Form should contain the name and PAN of the person whose name appears first in the depository account and signature of only this person would be required in the Application Form. This Applicant would be deemed to have signed on behalf of joint holders and would be required to give confirmation to this effect in the Application Form.

Additional/ Multiple Applications

An Applicant is allowed to make one or more Applications for the NCDs, for the same or other Options of NCDs, as specified in the Prospectus, subject to a minimum Application size as specified in the Prospectus. **Any Application for an amount below the aforesaid minimum application size will be deemed as an invalid application and shall be rejected. However, multiple Applications by the same individual Applicant aggregating to a value exceeding ₹1,000,000 shall deem such individual Applicant to be a HNI Applicant and all such Applications shall be grouped in the HNI Portion, for the purpose of determining the basis of allotment to such Applicant.** Any Application made by any person in his individual capacity and an Application made by such person in his capacity as a karta of a HUF and/or as Applicant (second or third Applicant), shall not be deemed to be a multiple Application. For the purposes of allotment of NCDs under the Issue, Applications shall be

grouped based on the PAN, i.e. Applications under the same PAN shall be grouped together and treated as one Application. Two or more Applications will be deemed to be multiple Applications if the sole or first Applicant is one and the same. For the sake of clarity, two or more applications shall be deemed to be a multiple Application for the aforesaid purpose if the PAN number of the sole or the first Applicant is one and the same.

Electronic registration of Applications

- a. The Designated Intermediaries and Designated Branches of the SCSBs, as the case may be, will register the Applications using the on-line facilities of the Stock Exchanges. Direct Online Applications will be registered by Applicants using the online platform offered by the Stock Exchanges. The Lead Managers, our Company, and the Registrar to the Issue are not responsible for any acts, mistakes or errors or omission and commissions in relation to (i) the Applications accepted by the SCSBs, (ii) the Applications uploaded by the SCSBs, (iii) the Applications accepted but not uploaded by the SCSBs, (iv) Applications accepted and uploaded by the SCSBs without blocking funds in the ASBA Accounts or (v) Applications accepted and uploaded by Trading members of the Stock Exchanges or (vi) the Applications accepted by and/or uploaded by and/or accepted but not uploaded by Consortium Members, Trading Members, Registered Brokers, CDPs, CRTAs and SCSBs who are authorised to collect Application Forms.

In case of apparent data entry error by the Designated Intermediaries or Designated Branches of the SCSBs, as the case may be, in entering the Application Form number in their respective schedules other things remaining unchanged, the Application Form may be considered as valid and such exceptions may be recorded in minutes of the meeting submitted to the Designated Stock Exchanges. However, the series, mode of allotment, PAN, demat account no. etc. should be captured by the relevant Designated Intermediaries or Designated Branches of the SCSBs in the data entries as such data entries will be considered for allotment/rejection of Application.

- b. The Stock Exchanges will offer an electronic facility for registering Applications for this Issue. This facility will be available on the terminals of the Designated Intermediaries and the SCSBs during the Issue Period. Designated Intermediaries can also set up facilities for off-line electronic registration of Applications subject to the condition that they will subsequently upload the off-line data file into the on-line facilities for Applications on a regular basis, and before the expiry of the allocated time on the Issue Closing Date. On the Issue Closing Date, the Designated Intermediaries and the Designated Branches of the SCSBs shall upload the Applications till such time as may be permitted by the Stock Exchanges. This information will be available with the Designated Intermediaries and the Designated Branches of the SCSBs on a regular basis. Applicants are cautioned that a high inflow of high volumes on the last day of the Issue Period may lead to some Applications received on the last day not being uploaded and such Applications will not be considered for allocation. For further information on the Issue programme, please refer to “*Issue Structure*” on page 171 of this Draft Prospectus.
- c. Based on the aggregate demand for Applications registered on the electronic facilities of the Stock Exchanges, a graphical representation of consolidated demand for the NCDs, as available on the websites of the Stock Exchanges, would be made available at the Application centres as provided in the Application Form during the Issue Period.
- d. At the time of registering each Application, the Designated Intermediaries, shall enter the details of the Applicant, such as the Application Form number, PAN, Applicant category, DP ID, Client ID, number and Option(s) of NCDs applied, Application Amounts and any other details that may be prescribed by the online uploading platform of the Stock Exchanges.
- e. With respect to Applications submitted directly to the SCSBs at the time of registering each Application, other than Direct Online Applications, the Designated Branches of the SCSBs shall enter the requisite details of the Applicants in the on-line system including:
- Application Form number
 - PAN (of the first Applicant, in case of more than one Applicant)
 - Investor category and sub-category
 - DP ID
 - Client ID
 - UPI ID (if applicable)
 - Number of NCDs applied for
 - Price per NCD
 - Bank code for the SCSB where the ASBA Account is maintained
 - Bank account number
 - Application amount
- f. With respect to Applications submitted to the Designated Intermediaries at the time of registering each Application, the requisite details of the Applicants shall be entered in the on-line system including:

- Application Form number
 - PAN (of the first Applicant, in case of more than one Applicant)
 - Investor category and sub-category
 - DP ID
 - Client ID
 - UPI ID (if applicable)
 - Number of NCDs applied for
 - Price per NCD
 - Bank code for the SCSB where the ASBA Account is maintained
 - Location
 - Application amount
- g. A system generated acknowledgement will be given to the Applicant as a proof of the registration of each Application. **It is the Applicant's responsibility to obtain the acknowledgement from the Designated Intermediaries and the Designated Branches of the SCSBs, as the case may be. The registration of the Application by the Designated Intermediaries and the Designated Branches of the SCSBs, as the case may be, does not guarantee that the NCDs shall be allocated/ Allotted by our Company. The acknowledgement will be non-negotiable and by itself will not create any obligation of any kind.**
- h. Applications can be rejected on the technical grounds listed on page 198 of this Draft Prospectus or if all required information is not provided or the Application Form is incomplete in any respect.
- i. In case of apparent data entry error by the Designated Intermediaries, in entering the Application Form numbers in their respective schedules, other things remaining unchanged, the Application Form may be considered as valid, or such exceptions may be recorded in minutes of the meeting submitted to the Designated Stock Exchanges.
- j. The permission given by the Stock Exchanges to use their network and software of the online system should not in any way be deemed or construed to mean that the compliance with various statutory and other requirements by our Company, the Lead Managers are cleared or approved by the Stock Exchanges; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the compliance with the statutory and other requirements nor does it take any responsibility for the financial or other soundness of our Company, the management or any scheme or project of our Company; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this Draft Prospectus; nor does it warrant that the NCDs will be listed or will continue to be listed on the Stock Exchanges.
- k. Only Applications that are uploaded on the online system of the Stock Exchanges shall be considered for allocation/ Allotment. The Lead Managers, Designated Intermediaries and the Designated Branches of the SCSBs shall capture all data relevant for the purposes of finalizing the Basis of Allotment while uploading Application data in the electronic systems of the Stock Exchanges. In order that the data so captured is accurate the, Designated Intermediaries and the Designated Branches of the SCSBs will be given up to one Working Day after the Issue Closing Date to modify/ verify certain selected fields uploaded in the online system during the Issue Period after which the data will be sent to the Registrar for reconciliation with the data available with the NSDL and CDSL.

Process for Retail Individual Investors application submitted with UPI as mode of payment

- a. Before submission of the application with the intermediary, the Retail Individual Investors would be required to have / create a UPI ID, with a maximum length of 45 characters including the handle (Example: InvestorID@bankname).
- b. The Retail individual investor shall fill in the bid details in the application form along with his/ her bank account linked UPI ID and submit the application with any of the intermediaries or through the stock exchange App/ Web interface, or any other methods as may be permitted.
- c. The intermediary, upon receipt of form, shall upload the bid details along with the UPI ID on the stock exchange bidding platform using appropriate protocols.
- d. Once the bid has been entered in the bidding platform, the Stock Exchanges shall undertake validation of the PAN and Demat account combination details of investor with the depository.
- e. The Depository shall validate the aforesaid PAN and Demat account details on a near real time basis and send response to stock exchange which would be shared by stock exchange with intermediary through its platform, for corrections, if any.

- f. Once the bid details are uploaded on the Stock Exchanges platform, the Stock Exchanges shall send an SMS to the investor regarding submission of his / her application, at the end of day, during the bidding period. For the last day of bidding, the SMS may be sent the next working day.
- g. Post undertaking validation with the Depository, the Stock Exchanges shall, on a continuous basis, electronically share the bid details along with investors UPI ID, with the Sponsor Bank appointed by the issuer.
- h. The Sponsor Bank shall initiate a mandate request on the investor i.e., request the investor to authorise blocking of funds equivalent to application amount and subsequent debit of funds in case of allotment.
- i. The request raised by the Sponsor Bank, would be electronically received by the investor as a SMS / intimation on his / her mobile no. / mobile app, associated with the UPI ID linked bank account.
- j. The investor shall be able to view the amount to be blocked as per his / her bid in such intimation. The investor shall be able to view an attachment wherein the public issue bid details submitted by investor will be visible. After reviewing the details properly, the investor shall be required to proceed to authorize the mandate. Such mandate raised by sponsor bank would be a one-time mandate for each application in the public issue.
- k. An investor is required to accept the UPI mandate latest by 5:00 pm on the third working day from the day of bidding on the stock exchange platform except for the last day of the issue period or any other modified closure date of the issue period in which case, he / she is required to accept the UPI mandate latest by 5:00 pm the next working day.
- l. An investor shall not be allowed to add or modify the bid(s) of the application except for modification of either DP ID/Client ID, or PAN ID but not both. However, the investor can withdraw the bid(s) and reapply.
- m. For mismatch bids, on successful validation of PAN and DP ID/ Client ID combination during T+1 modification session, such bids will be sent to Sponsor Bank for further processing by the Exchange on T+1 (T being the Issue Closing Date) day till 1:00 PM.
- n. The facility of re-initiation/ resending the UPI mandate shall be available only till 5:00 pm on the day of bidding.
- o. Upon successful validation of block request by the investor, as above, the said information would be electronically received by the investors' bank, where the funds, equivalent to application amount, would get blocked in investors account. Intimation regarding confirmation of such block of funds in investors account would also be received by the investor.
- p. The information containing status of block request (e.g. accepted / decline / pending) would also be shared with the Sponsor Bank, which in turn would be shared with the Stock Exchanges. The block request status would also be displayed on the Stock Exchanges platform for information of the intermediary.
- q. The information received from Sponsor Bank, would be shared by stock exchanges with RTA in the form of a file for the purpose of reconciliation.
- r. Post closure of the offer, the Stock Exchanges shall share the bid details with RTA. Further, the Stock Exchanges shall also provide the RTA, the final file received from the Sponsor Bank, containing status of blocked funds or otherwise, along with the bank account details with respect to applications made using UPI ID.
- s. The allotment of debt securities shall be done as per SEBI Master Circular.
- t. The RTA, based on information of bidding and blocking received from the Stock Exchanges, shall undertake reconciliation of the bid data and block confirmation corresponding to the bids by all investor category applications (with and without the use of UPI) and prepare the basis of allotment.
- u. Upon approval of the basis of allotment, the RTA shall share the 'debit' file with Sponsor bank (through Stock Exchanges) and SCSBs, as applicable, for credit of funds in the public issue account and unblocking of excess funds in the investor's account. The Sponsor Bank, based on the mandate approved by the investor at the time of blocking of funds, shall raise the debit / collect request from the investor's bank account, whereupon funds will be transferred from investor's account to the public issue account and remaining funds, if any, will be unblocked without any manual intervention by investor or their bank.
- v. Upon confirmation of receipt of funds in the public issue account, the securities would be credited to the investor's account. The investor will be notified for full/partial allotment. For partial allotment, the remaining funds would be unblocked. For no allotment, mandate would be revoked and application amount would be unblocked for the investor.

- w. Thereafter, Stock Exchanges will issue the listing and trading approval.
- x. Further, in accordance with the Operational Instructions and Guidelines for Making Application for Public Issue of Debt Securities through BSE Direct issued by BSE on December 28, 2020 and May 19, 2022, the investor shall also be responsible for the following:
- i. Investor shall check the Issue details before placing desired bids;
 - ii. Investor shall check and understand the UPI mandate acceptance and block of funds process before placing the bid;
 - iii. The receipt of the SMS for mandate acceptance is dependent upon the system response/ integration of UPI on Debt Public Issue System;
 - iv. Investor shall accept the UPI Mandate Requests within the stipulated timeline;
 - v. Investor shall note that the transaction will be treated as completed only after the acceptance of mandates by the investor by way of authorising the transaction by entering their UPI pin and successfully blocking funds through the ASBA process by the investor's bank;
 - vi. Investor shall check the status of their bid with respect to the mandate acceptance and blocking of funds for the completion of the transaction; and
 - vii. In case the investor does not accept the mandate within stipulated timelines, in such case their bid will not be considered for allocation.

The Investors are advised to read the operational guidelines mentioned for Making Application for Public Issue of Debt Securities through BSE Direct issued by BSE on December 28, 2020 and the circular issued by NSE for Introduction of Unified Payment Interface (UPI) for Debt IPO through NSE goBID on January 05, 2021 before investing through the through the app/ web interface of Stock Exchange(s).

Kindly note, the Stock Exchanges shall be responsible for addressing investor grievances arising from Applications submitted online through the App based/ web interface platform of Stock Exchanges or through their Trading Members.

Further, the collecting bank shall be responsible for addressing any investor grievances arising from non-confirmation of funds to the Registrar despite successful realization/blocking of funds, or any delay or operational lapse by the collecting bank in sending the Application forms to the Registrar to the Issue.

Our Company and the Registrar to the Issue shall credit the allotted NCDs to the respective beneficiary accounts/ dispatch the Letters of Allotment or letters of regret by registered post/speed post at the Applicant's sole risk, within six Working Days from the Issue Closing Date. We may enter into an arrangement with one or more banks in one or more cities for refund to the account of the applicants through Direct Credit/RTGS/NEFT/NACH.

Further,

- (a) Allotment of NCDs in this Issue shall be made within the time period stipulated by SEBI;
- (b) Credit to dematerialised accounts will be given within one Working Day from the Date of Allotment;
- (c) Interest at a rate of 15% per annum will be paid if the Allotment has not been made and/or the refund effected within five Working days from the Issue Closing Date, for the delay beyond five Working days; and
- (d) Our Company will provide adequate funds to the Registrar to the Issue for this purpose.

Green Shoe Option

Our Company shall have a green shoe option up to ₹1,000 crores.

Basis of Allotment for NCDs

The Registrar will aggregate the Applications, based on the applications received through an electronic book from the Stock Exchanges and determine the valid Application for the purpose of drawing the basis of allocation.

Allocation Ratio

The registrar will aggregate the applications based on the applications received through an electronic book from the Stock Exchanges and determine the valid applications for the purpose of drawing the basis of allocation. Grouping of the application received will be then done in the following manner:

For the purposes of the basis of allotment:

- A. *Applications received from Category I Investors- Institutional Investors:* Applications received from Applicants belonging to Category I shall be grouped together, (“**Institutional Portion**”);
- B. *Applications received from Category II Investors- Non-Institutional Investors:* Applications received from Applicants belonging to Category II, shall be grouped together, (“**Non-Institutional Portion**”).
- C. *Applications received from Category III Investors- High Net-worth Individual Investors:* Applications received from Applicants belonging to Category III shall be grouped together, (“**High Net-worth Individual Category Portion**”).
- D. *Applications received from Category IV Applicants- Retail Individual Investors:* Applications received from Applicants belonging to Category IV shall be grouped together, (“**Retail Individual Category Portion**”).

For removal of doubt, the terms "**Institutional Portion**", "**Non-Institutional Portion**", "**High Net-worth Individual Category Portion**" and "**Retail Individual Category Portion**" are individually referred to as “**Portion**” and collectively referred to as “**Portions**”.

For the purposes of determining the number of NCDs available for allocation to each of the abovementioned Portions, our Company shall have the discretion of determining the number of NCDs to be allotted over and above the Base Issue, in case our Company opts the green shoe option in the Issue of up to ₹1,000 crores. The aggregate value of NCDs decided to be allotted over and above the Base Issue, (in case our Company opts the green shoe option ₹1,000 crores), and/or the aggregate value of NCDs up to the Base Issue Size shall be collectively termed as the “**Overall Issue Size**”.

Allocation Ratio

Institutional Portion	Non – Institutional Portion	High - Net Worth Individual Category Portion	Retail Individual Category Portion
[●]	[●]	[●]	[●]

a) Allotments in the first instance:

- i. Applicants belonging to the Institutional Portion, in the first instance, will be allocated NCDs up to [●]% of Issue Size on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchanges;
- ii. Applicants belonging to the Non-Institutional Portion, in the first instance, will be allocated NCDs up to [●]% of the Issue Size on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchanges;
- iii. Applicants belonging to the High Net Worth Individual Investors Portion, in the first instance, will be allocated NCDs up to [●]% of Issue Size on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchanges;
- iv. Applicants belonging to the Retail Individual Investors Portion, in the first instance, will be allocated NCDs up to [●]% of Issue Size on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchanges.

Allotments, in consultation with the Designated Stock Exchange, shall be made on date priority basis i.e. a first-come first-serve basis, based on the date of upload of each Application in to the Electronic Book with Stock Exchanges, in each Portion subject to the Allocation Ratio indicated herein above.

As per the SEBI Master Circular, the allotment in this Draft Prospectus is required to be made on the basis of date of upload of each application into the electronic book of the Stock Exchanges. However, from the date of oversubscription and thereafter, the allotments will be made to the applicants on proportionate basis.

- b) **Under Subscription :** If there is any under subscription in any Category, priority in Allotments will be given to the Retail Individual Investors Portion, High Net Worth Individual Investors Portion, and balance, if any, shall be first made to applicants of the Non Institutional Portion, followed by the Institutional Portion on a first come first serve basis. If there is under subscription in the Issue Size due to undersubscription in each Portion, all valid Applications received till the end of last day of the Issue Closure day shall be grouped together in each Portion and full and firm Allotments will be made to all valid Applications in each Portion.

- c) For each Category, all Applications uploaded on the same day onto the electronic platform of the Stock Exchanges would be treated at par with each other. Allotment would be on proportionate basis, where NCDs uploaded into the platform of the Stock Exchanges exceeds NCDs to be Allotted for each portion respectively from the date of oversubscription and thereafter.
- d) Minimum Allotments of 10 Secured NCDs and in multiples of one Secured NCD thereafter would be made in case of each valid Application to all Applicants.
- e) **Allotments in case of oversubscription:** In case of an oversubscription in any category, allotments to the maximum extent, as possible, will be made on a first-come first-serve basis and thereafter on proportionate basis, i.e. full allotment of the Secured NCDs to the Applicants on a first come first basis up to the date falling 1 (one) day prior to the date of oversubscription and proportionate allotment of Secured NCDs to the applicants on the date of oversubscription and thereafter (based on the date of upload of each Application on the electronic platform of the Stock Exchanges, in each Portion).

For the purpose of clarity, in case of oversubscription please see the below indicative scenarios:

- i. In case of an oversubscription in all Portions resulting in an oversubscription in Issue Size, Allotments to the maximum permissible limit, as possible, will be made on a first-come first-serve basis and thereafter on proportionate basis, i.e. full allotment of the NCDs to the Applicants on a first come first serve basis up to the date falling 1 (one) day prior to the date of oversubscription to respective Portion and proportionate allotment of NCDs to the Applicants from the date of oversubscription in respective Portion (based on the date of upload of each Application on the electronic platform of the Stock Exchanges in each Portion).
- ii. In case there is oversubscription in Issue Size, however there is under subscription in one or more Portion(s), Allotments will be made in the following order:
 - a) All valid Applications in the undersubscribed Portion(s) uploaded on the electronic platform of the Stock Exchanges till the end of the last day of the Issue Period, shall receive full and firm allotment.
 - b) In case of Portion(s) that are oversubscribed, allotment shall be made to valid Applications received on a first come first serve basis, based on the date of upload of each Application in to the electronic platform of the Stock Exchanges. Priority for allocation of the remaining undersubscribed Portion(s) shall be given to day wise Applications received in the Retail Individual Investors Portion followed by High Net Worth Individual Investors Portion, next Non-Institutional Portion and lastly Institutional Portion each according to the day of upload of Applications to the Electronic Book with Stock Exchanges during the Issue period. For the sake of clarity, once full and firm allotment has been made to all the valid Applications in the undersubscribed portion, the remaining balance in the undersubscribed Portion will be Allocated to the oversubscribed Portion(s) and proportionate allotments shall be made to all valid Applications in the oversubscribed Portion(s) uploaded on the date of oversubscription and thereafter on the remaining days of the Issue Period.
- f) **Proportionate Allotments:**

For each Portion, from the date of oversubscription and thereafter:

- i. Allotments to the Applicants shall be made in proportion to their respective Application size, rounded off to the nearest integer.
- iii. If the process of rounding off to the nearest integer results in the actual allocation of NCDs being higher than the Issue size, not all Applicants will be allotted the number of NCDs arrived at after such rounding off. Rather, each Applicant whose Allotment size, prior to rounding off, had the highest decimal point would be given preference.
- iv. In the event, there are more than one Applicant whose entitlement remain equal after the manner of distribution referred to above, our Company will ensure that the basis of allotment is finalised by draw of lots in a fair and equitable manner.

Applicant applying for more than one Series of NCDs

If an Applicant has applied for more than one Series of NCDs and in case such Applicant is entitled to allocation of only a part of the aggregate number of NCDs applied for, the Series-wise allocation of NCDs to such Applicants shall be in proportion to the number of NCDs with respect to each Series, applied for by such Applicant, subject to rounding off to the nearest integer, as appropriate in consultation with the Lead Managers and the Designated Stock Exchange. Further, in the aforesaid scenario,

wherein the Applicant has applied for all the five Series and in case such Applicant cannot be allotted all the five Series, then the Applicant would be allotted NCDs, at the discretion of the Company, the Registrar and the Lead Managers wherein the NCDs with the least tenor i.e. Allotment of NCDs with tenor of [●] months followed by Allotment of NCDs with tenor of [●] months and [●] months respectively.

All decisions pertaining to the Basis of Allotment of NCDs pursuant to the Issue shall be taken by our Company in consultation with the Lead Managers, and the Designated Stock Exchange and in compliance with the aforementioned provisions of this Draft Prospectus. Any other queries / issues in connection with the Applications will be appropriately dealt with and decided upon by our Company in consultation with the Lead Managers.

Our Company would allot Series I NCDs to all valid applications, wherein the applicants have not indicated their choice of the relevant series of the NCDs.

Information for Applicants

Unblocking of funds

The Registrar shall instruct the relevant SCSB to unblock the funds in the relevant ASBA Account for withdrawn, rejected or unsuccessful or partially successful ASBA Applications within the applicable regulatory timelines.

In case of ASBA Applications submitted to the SCSBs, in terms of the SEBI circular CIR/CFD/DIL/3/2010 dated April 22, 2010, the Registrar to the Issue will reconcile the compiled data received from the Stock Exchanges and all SCSBs and match the same with the Depository database for correctness of DP ID, Client ID and PAN. The Registrar to the Issue will undertake technical rejections based on the electronic details and the Depository database. In case of any discrepancy between the electronic data and the Depository records, our Company, in consultation with the Designated Stock Exchange, the Lead Managers and the Registrar to the Issue, reserves the right to proceed as per the Depository records for such ASBA Applications or treat such ASBA Applications as rejected. In case of Applicants submitted to the Lead Managers, Consortium Members and Trading Members of the Stock Exchanges at the Specified Cities, the basis of allotment will be based on the Registrar's validation of the electronic details with the Depository records, and the complete reconciliation of the final certificates received from the SCSBs with the electronic details in terms of the SEBI circular CIR/CFD/DIL/1/2011 dated April 29, 2011. The Registrar to the Issue will undertake technical rejections based on the electronic details and the Depository database. In case of any discrepancy between the electronic data and the Depository records, our Company, in consultation with the Designated Stock Exchange, the Lead Managers and the Registrar to the Issue, reserves the right to proceed as per the Depository records or treat such ASBA Application as rejected. Based on the information provided by the Depositories, our Company shall have the right to accept Applications belonging to an account for the benefit of a minor (under guardianship). In case of Applications for a higher number of NCDs than specified for that category of Applicant, only the maximum amount permissible for such category of Applicant will be considered for Allotment.

Investor Withdrawals and Pre-closure

Investor Withdrawal: Applicants are allowed to withdraw their Applications at any time prior to the Issue Closing Date.

Withdrawal of Applications after the Issue Period: In case an Applicant wishes to withdraw the Application after the Issue Closing Date or early closure date, the same can be done by submitting a withdrawal request to the Registrar prior to the finalization of the Basis of Allotment but not later than 2 (two) Working days from the Issue Closing Date or early closure date, as applicable.

Pre-closure/ Early Closure: Our Company, in consultation with the Lead Managers reserves the right to close the Issue at any time prior to the Issue Closing Date, subject to Issue remaining open for minimum three Working Days, subject to receipt of minimum subscription which is 75% of the Base Issue Size being ₹750 crores before the Issue Closing Date. Our Company shall allot NCDs with respect to the Applications received at the time of such pre-closure in accordance with the Basis of Allotment as described hereinabove and subject to applicable statutory and/or regulatory requirements.

Further, the Issue will also be withdrawn by our Company in the event that the aggregate Applications received for the NCDs is lesser than the minimum subscription which is 75% of the Base Issue Size being ₹750 crores before the Issue Closing Date. In the event of such early closure of this Issue, our Company shall ensure that public notice of such early closure is published on or before such early date of closure or the relevant Issue Closing Date of the Issue, as applicable, through advertisement(s) in all those newspapers in which pre-Issue advertisement and advertisement for opening or closure of this issue have been given. Under Section 39(3) of the Companies Act, 2013 read with Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount is not received within the specified period, the application money received is to be credited only to the bank account from which the subscription was remitted. To the extent possible, where the required information for making such refunds is available with our Company and/or Registrar, refunds will be made to the account prescribed. However, where our Company and/or Registrar does not have the necessary information for making

such refunds, our Company and/or Registrar will follow the guidelines prescribed by SEBI in this regard included in the SEBI Master Circular.

If our Company does not receive the minimum subscription of 75% of Base Issue Size prior to the Issue Closing Date the entire Application Amount shall be unblocked in the relevant ASBA Account(s) of the Applicants within 8 (eight) Working Days from the Issue Closing Date, provided wherein, the Application Amount has been transferred to the Public Issue Account from the respective ASBA Accounts, such Application Amount shall be refunded from the Refund Account to the relevant ASBA Accounts(s) of the Applicants within 6 (six) Working Days from the Issue Closing Date, failing which the Company will become liable to refund the Application Amount along with interest at the rate 15 (fifteen) percent per annum for the delayed period.

Issuance of Allotment Advice

Our Company shall ensure dispatch/and/or mail the Allotment Advice within 5 (five) Working Days of the Issue Closing Date to the Applicants. The Allotment Advice for successful Applicants will be mailed to their addresses as per the Demographic Details received from the Depositories. Instructions for credit of NCDs to the beneficiary account with Depository Participants shall be made within 5 (five) Working Days of the Issue Closing Date.

Our Company shall use best efforts to ensure that all steps for completion of the necessary formalities for commencement of trading at the Stock Exchanges where the NCDs are proposed to be listed are taken within 6 (six) Working Days from the Issue Closing Date.

Allotment Advices shall be issued, or Application Amount shall be unblocked within 15 (fifteen) days from the Issue Closing Date or such lesser time as may be specified by SEBI or else the Application Amount shall be unblocked in the ASBA Accounts of the Applicants forthwith, failing which interest shall be due to be paid to the applicants at the rate of 15% per annum for the delayed period.

Our Company will provide adequate funds required for dispatch of Allotment Advice, as applicable, to the Registrar to the Issue.

Revision of Applications

As per the notice no: 20120831-22 dated August 31, 2012 issued by BSE, cancellation of one or more orders (series) within an Application is permitted during the Issue Period as long as the total order quantity does not fall under the minimum quantity required for a single Application. However, please note that in case of cancellation of one or more orders (series) within an Application, leading to total order quantity falling under the minimum quantity required for a single Application will be liable for rejection by the Registrar.

Applicants may revise/ modify their Application details during the Issue Period, as allowed/permitted by the Stock Exchanges, by submitting a written request to the Designated Intermediary, as the case may be. However, for the purpose of Allotment, the date of original upload of the Application will be considered in case of such revision/modification. In case of any revision of Application in connection with any of the fields which are not allowed to be modified on the electronic Application platform of the Stock Exchanges as per the procedures and requirements prescribed by each relevant Stock Exchange, Applicants should ensure that they first withdraw their original Application and submit a fresh Application. In such a case the date of the new Application will be considered for date priority for Allotment purposes.

Revision of Applications is not permitted after the expiry of the time for acceptance of Application Forms on Issue Closing Date. However, in order that the data so captured is accurate, the Designated Intermediaries will be given up to one Working Day after the Issue Closing Date (till 1:00 pm) to modify/ verify certain selected fields uploaded in the online system during the Issue Period, after which the data will be sent to the Registrar to the Issue for reconciliation with the data available with the NSDL and CDSL.

Early Closure

Our Company, in consultation with the Lead Managers reserves the right to close the Issue at any time prior to the Closing Date of respective Prospectus, subject to receipt of minimum subscription for NCDs aggregating to 75% of the Base Issue size i.e. ₹750 crores and subject to the Issue being kept open for minimum period of three Working Days. Our Company shall allot NCDs with respect to the Applications received at the time of such early closure in accordance with the Basis of Allotment as described hereinabove and subject to applicable statutory and/or regulatory requirements.

In the event of such early closure of the Issue, our Company shall ensure that public notice of such early closure is published on or before such early date of closure is published on or before such early date of closure or the Issue Closing Date, as applicable, through advertisement(s) in all those newspapers in which pre-issue advertisement have been given.

Utilisation of Application Amounts

The sum received in respect of the Issue will be kept in separate bank account(s) and we will have access to such funds only upon allotment of the NCDs, execution of Debenture Trust Deeds and on receipt of listing and trading approval from the Stock Exchanges as per applicable provisions of law(s), regulations and approvals.

Criminal proceedings involving our Company

A. Criminal Proceedings against our Company

1. Bahadur Lal Chaupda (“**Complainant**”) lodged an FIR (“**FIR**”) against our Company and its officials, alleging that our Company and its officials had threatened and harassed the Complainant and other co-borrowers (“**Co-Borrowers**”), in order to recover outstanding dues in respect of a loan availed by them from our Company, thereby causing one of the Co-Borrowers to commit suicide. In response, our Company and its employee have together filed a Criminal Miscellaneous Petition against the State of Rajasthan and the Complainant before the High Court of Rajasthan challenging the FIR, on grounds *inter alia* that the Co-Borrowers failed to repay the loan amount in accordance with the terms of the loan and filed the FIR to frustrate the recovery of the amount. The matter is currently pending.
2. Ravindra Kaur, the proprietor of Ratan Emporium Security Services (“**Complainant**”) filed an FIR under *inter alia*, sections 452, 323, 295 and 506 of the IPC alleging misbehaviour and criminal intimidation by two employees of our Company, namely, Lokendra Lakhani and Sunil Pal (“**Accused**”), during the course of debt collections visits made by the Accused to the Complainant’s house. The matter is currently pending.
3. Uttam Kumar Chatterjee (“**Complainant**”) filed a criminal complaint (“**Complaint**”), under sections 420, 406, 384, 120B and 34 of the IPC, before the Additional Chief Judicial Magistrate, Alipore, South 24 Paraganas (“**ACJM**”), against, among others, two employees of our Company, namely, Mahendra Ajmani and Sanjay Singh, accusing them of *inter alia*, inducing the Complainant to avail of a loan facility from our Company and thereafter, illegally detaining possession of certain mortgaged property belonging to the Complainant and extorting an amount of ₹0.5 crores. Subsequently, the matter was transferred to 7th Judicial Magistrate, South 24 Paraganas. The matter is currently pending.
4. Ananda Sankar Sarvajna (“**Complainant**”) filed a criminal complaint (“**Complaint**”) under, *inter alia*, sections 341, 323, 384 and 509 of the IPC before the Additional Chief Judicial Magistrate, Alipore, South 24 Parganas (“**ACJM**”) against one of our employees, Krishnendu Deb Roy, amongst others (“**Accused**”), accusing them of, *inter alia*, extortion of an amount of ₹0.05 crores, physical assault, verbal abuse and misbehaviour. By way of an order of the ACJM dated September 26, 2018 (“**ACJM Order**”), cognizance was taken and the matter was transferred to 7th Judicial Magistrate, South 24 Paraganas. Krishnendu Deb Roy (“**Petitioner**”) filed a criminal revision petition before the High Court of Calcutta, seeking to the quash, *inter alia*, the Complaint proceedings and the ACJM Order, on the grounds, *inter alia*, that the Complaint was an abuse of the process of law and was filed to pre-empt the Petitioner from filing a criminal complaint under section 138 of the NI Act against the Complainant. The matter is currently pending.
5. Charanjeet Singh (“**Complainant**”), one of the customers of our Company, filed a complaint against Kumar Mangalam Birla, S.K. Mitra, an erstwhile employee of the Lucknow branch and Ashish Goel, the erstwhile marketing executive of our Company in the Court of the Metropolitan Magistrate VI, Kanpur (“**MM Court**”) for cheating, mischief and causing damage under sections 417, 418, 419 and 420 of the IPC, in relation to a hire purchase transaction of our Company. A criminal miscellaneous application (“**Application**”) was filed by Kumar Mangalam Birla before the High Court of Judicature at Allahabad (“**High Court**”) against, *inter alia*, the Complainant, seeking to quash the proceedings before the MM Court. The High Court granted stay on the proceedings (“**Stay**”) before the MM Court by way of its order dated October 16, 2003, which was subsequently vacated by the High Court, by way of its order dated April 13, 2018, which disposed the Application. The matter is currently pending.

B. Criminal Proceedings by our Company

1. Our Company has, as of August 31, 2023, in the ordinary course of business, initiated 2,349 proceedings against its unsecured borrowers and 407 proceedings against its secured borrowers, for the dishonour of cheques under section 138 of the NI Act. The aggregate amount involved in these proceedings is ₹802.09 crores, to the extent ascertainable. These proceedings are pending at various stages of adjudication before various courts.
2. Our Company has as of August 31, 2023, in the ordinary course of business, initiated 27,523 proceedings against its unsecured borrowers and 5,827 proceedings against its secured borrowers, for dishonour of electronic funds transfers under section 25 of the Payment and Settlement Systems Act, 2007. The aggregate amount involved in these proceedings is ₹191.34 crores, to the extent ascertainable. These proceedings are pending at various stages of adjudication before various

courts.

3. Our Company filed a criminal complaint before the Baguiati Police Station (“**Police Station**”) against Sanjeev Ghosh and another office holder of the Apartment Owners’ Association, Green Vista Housing Complex (“**Housing Complex**”) and others (together the “**Accused Persons I**”) for allegedly, *inter alia*, unlawfully restraining the employees of ABFL from entering the Housing Complex for the purpose of conducting valuation of a property mortgaged to ABFL (“**Mortgaged Property**”), pursuant to a loan granted by our Company to Bijaya Drums. Subsequently, our Company filed an application under section 144(2) of the CrPC before the Executive Magistrate at Barasat (“**Executive Magistrate**”), pursuant to which the Executive Magistrate by way of an order (“**EM Order**”) directed the Accused Persons I to refrain from disturbing our Company’s personnel and ordered the inspector-in-charge of the Police Station (“**Inspector**”) to remain present to assist our Company’s personnel during the valuation process of the Mortgaged Property. However, despite the EM Order, the officials of the Police Station allegedly failed to accompany our Company’s personnel and remain present at the Mortgaged Property during another valuation visit. Resultantly, our Company’s personnel were restrained from conducting the valuation by the agents of, among others, Bijaya Drums (collectively, the “**Accused Persons II**”), who had illegally trespassed into the Mortgaged Property. Consequently, our Company and its authorised officer filed a writ petition before the High Court of Calcutta (“**High Court**”) against the Commissioner of Police, Bidhannagar Police Headquarters and the Inspector (“**Police Authorities**”), among others, seeking a writ *inter alia*, directing the Police Authorities to assist our Company during the valuation of the Mortgaged Property and take appropriate actions against the Accused Persons I and the Accused Persons II.

Additionally, Tanmoy Banerjee, an employee of our Company, lodged an FIR against the Accused Persons II alleging that the Accused Persons II, *inter alia*, committed criminal trespass, and theft in relation to the Mortgaged Property and criminally intimidated agents of our Company. The matters are currently pending.

4. Our Company filed a criminal complaint (“**Complaint**”) under section 156(3) of the CrPC before the Chief Judicial Magistrate, Calcutta seeking an order directing the officer-in-charge Shakespeare Sarani police station, Kolkata to register an FIR against, *inter alia*, Seema Shah, Ashish Kumar Shah and others (“**Accused**”). Our Company alleged that the Accused had by forgery of documents, connived with the other Accused and made false representations with regards to their lawful ownership of mortgaged property, availed of a term loan amount to ₹1.40 crores (“**Term Loan**”) from our Company and thereafter defaulted in respect of the same. The matter is currently pending.

C. Actions taken by regulatory and statutory authorities

1. SEBI issued a show cause notice dated May 25, 2021 (“**SCN**”) to our Company under sections 11(1), 11(4), 11B (1), 11B (2) and 11(4A) of the SEBI Act in the matter of CG Power and Industrial Solutions Limited (“**CG Power**”). Pursuant to the SCN, SEBI alleged among others that in order to benefit its loans getting repaid, the commission and omission on the part of ABFL amounted to participation in the fraudulent scheme for diversion of assets from CG Power for the benefit of BILT Graphic Paper Products Limited to the detriment of CG Power’s minority shareholders, violating regulations 3 (b), (c), (d) and regulation 4 (1) of the SEBI (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003 read with sections 12A (a), (b) and (c) of the SEBI Act. Our Company submitted an interim reply dated July 15, 2021 and a final reply dated July 29, 2021 to SEBI contesting the allegations levelled against it in the SCN and prayed for the withdrawal of the SCN, insofar as it relates to our Company. Further, pursuant to a personal hearing granted by the Whole Time Member of SEBI on August 30, 2021 and August 31, 2021, our Company has presented its case and responded to the allegations set out against our Company in the SCN. By way of an order dated October 4, 2022 (“**SEBI Order**”), SEBI imposed a penalty of ₹1.00 crores on ABFL (“**SEBI Penalty**”) with respect to the same. Our Company filed an appeal dated October 21, 2022 against the SEBI Order before SAT claiming, *inter alia*, that SEBI lacks jurisdiction on the instant matter, and there was no uncovering of fraud in due diligence. Further, our Company has claimed that there is no collusion and no involvement of our Company in the diversion of assets, and that there was a bona fide transaction. Our Company has sought direction from the SAT for quashing the order. Subsequently, pursuant to the appeal, SAT passed an order on February 27, 2023, imposing a stay the SEBI Order, subject to our Company depositing 50% of the SEBI Penalty. Our Company has deposited the said amount.
2. For details of the show cause notice dated April 22, 2022 issued to, *inter alia*, our Company by the Adjudicating Authority, New Delhi, under section 8 of the PMLA, see “– *Material civil and tax litigation involving our Company – Material civil and tax litigation by our Company*” on page 210.
3. The Deputy Director, Directorate of Enforcement, Jaipur, by way of a provisional attachment order dated December 4, 2019 (“**Provisional Attachment Order**”), attached a property (“**Impugned Property**”) belonging to Micro Info Solution (“**Borrower**”), mortgaged in favour of our Company as security for borrowings availed by the Borrower from our Company. Pursuant to the Provisional Attachment Order, a show cause notice dated January 2, 2020 (“**SCN**”) was issued by the Adjudicating Authority to, our Company, among others, calling upon them to show cause as to why the Impugned Property should not be declared as property involved in money laundering. Subsequently, the Provisional Attachment Order was confirmed by the Adjudicating Authority, New Delhi, by way of its order dated November 5, 2020 (“**AA Order**”), holding that the Impugned Property represented the value of the proceeds of crime and is involved in money

laundering. Thereafter, our Company filed a writ petition (“**Petition**”) before the High Court of Delhi (“**High Court**”), challenging the AA Order on the grounds, *inter alia*, that the Impugned Property was purchased prior to the commission of offences alleged in the Provisional Attachment Order and AA Order and hence could not be considered as ‘proceeds of crime’. The High Court, by way of its order disposed the Petition and directed our Company to pursue its appeal before the Appellate Tribunal. The matter is currently pending.

4. The Deputy Director, Directorate of Enforcement, Bengaluru, by way of a provisional attachment order dated September 24, 2020 (“**Provisional Attachment Order**”), attached a list of immovable properties (“**Impugned Properties**”) belonging to Narayanappa Nanjundiah (“**Borrower**”), including certain properties which were mortgaged to our Company as security for borrowings availed by the Borrower from our Company. Pursuant to the Provisional Attachment Order, a show cause notice dated October 21, 2020 (“**SCN**”) was issued by the Adjudicating Authority to the Borrower and others, including our Company, calling upon them to show cause as to why the Impugned Properties should not be declared as properties involved in money laundering. Our Company submitted its response to the SCN dated December 14, 2022 (“**Written Submissions**”), seeking the setting aside of the Provisional Attachment Order on the grounds that *inter alia*, (a) it was a secured creditor under the SARFAESI Act and that the provisions of the PMLA do not override the SARFAESI Act and (b) it had no direct or indirect involvement in the alleged money laundering. The matter is currently pending.
5. The Deputy Director, Directorate of Enforcement, Chennai Zone - 1, by way of a provisional attachment order dated July 31, 2018 (“**Provisional Attachment Order**”), attached certain properties (“**Impugned Properties**”) belonging to *inter alia* Nathella Sampath Jewelry Private Limited and Nathella Sampath Chetty & Co. (“**Borrowers**”), which had been mortgaged to our Company as security for borrowings availed by the Borrowers from our Company. Pursuant to the Provisional Attachment Order, a show cause notice dated August 23, 2018 (“**SCN**”) was issued by the Adjudicating Authority to *inter alia* our Company calling upon them to show cause as to why the Impugned Properties should not be declared as properties involved in money laundering. The Provisional Attachment Order was confirmed by the Adjudicating Authority by way of its order dated January 16, 2019 (“**AA Order**”), holding that the Impugned Properties represented the value of the proceeds of crime and are involved in money laundering. Pursuant to an appeal filed by our Company against the AA Order, the Appellate Tribunal, by way of its order dated December 31, 2020 (“**Impugned Order**”), dismissed our Company’s appeal and confirmed the Provisional Attachment Order. Our Company filed an appeal, before the High Court of Bombay, seeking an interim stay on the operation of the Impugned Order and challenged the Impugned Order on the grounds, *inter alia*, that it was a secured creditor under the SARFAESI Act and that actions taken under the SARFAESI Act indirectly set aside any application under the PMLA. The matter is currently pending.
6. The Special Director, Directorate of Enforcement, Eastern Region, by way of a provisional attachment order dated September 29, 2016 (“**Provisional Attachment Order**”) attached a list of immovable properties (“**Impugned Properties**”) belonging to Tayal Energy Limited, amongst others (“**Tayal Group**”), including certain property which had been mortgaged to our Company as security for loans availed by three borrowers (“**Borrowers**”) from our Company and furnished by a director on board of the Tayal Group. Pursuant to the Provisional Attachment Order, a show cause notice dated October 28, 2016 (“**SCN**”) was issued by the Adjudicating Authority established under the PMLA to *inter alia*, ABFL, declaring the Impugned Properties as properties involved in money laundering, on account of certain FIRs (“**FIRs**”) which had been registered against the Tayal Group for alleged siphoning of funds. The Provisional Attachment Order was confirmed by the Adjudicating Authority, New Delhi, by way of its order dated March 21, 2017 (“**AA Order**”), holding that the Impugned Properties represented the value of the proceeds of crime. However, pursuant to an appeal filed by our Company against the AA Order, the Appellate Tribunal, set aside the AA Order, on the grounds that neither our Company nor the Borrowers had been named in the FIRs (“**Tribunal Order**”). Subsequently, the Directorate of Enforcement through the Joint Director, filed a criminal appeal challenging the Tribunal Order, before the High Court of Bombay. The matter is currently pending.
7. The Deputy Director, Directorate of Enforcement, Mumbai Zonal Office-II by way of a provisional attachment order dated February 14, 2019 (“**Provisional Attachment Order**”), attached immovable properties (“**Impugned Properties**”) belonging to *inter alia* D.S. Kulkarni Developers Limited (“**DSKD**”) and DSK Motors Private Limited (“**DSK Motors**”) (together with DSKD, the “**Borrowers**”) including certain Impugned Properties which had been mortgaged to our Company as security for a loans against property availed from ABFL by DSKD (“**DSKD Loan**”) and DSK Motors (“**DSK Motors Loan**”), respectively. The Provisional Attachment Order was confirmed by the Adjudicating Authority, New Delhi, by way of its order (“**AA Order**”), holding that the Impugned Properties represented the value of the proceeds of crime. Subsequently, our Company filed an appeal before the Appellate Tribunal, seeking an order setting aside the AA Order on the grounds, *inter alia*, that our Company has been notified as a secured creditor under the SARFAESI Act and that the provisions of the SARFAESI Act override other statutes, including the PMLA.

Separately, the State Government of Maharashtra through its Home Department issued a notification dated May 5, 2018 (“**Notification**”) under the provisions of the Maharashtra Protection of Interest of Depositors (in Financial Establishments) Act, 1999 (“**MPID Act**”) attaching various properties belonging to DSKD, including some of the Impugned Properties, which had been mortgaged to our Company by DSKD as security pursuant to the DSKD Loan. Our Company filed a civil writ petition before the High Court of Bombay, seeking certain interim reliefs and challenged the Notification, on the grounds, *inter alia*, that our Company has a statutory charge over the mortgaged properties under the SARFAESI Act,

which overrides the provisions of all other laws, including the MPID. The matters are currently pending.

8. The Deputy Director, Directorate of Enforcement, Hyderabad, by way of a provisional attachment order dated August 20, 2022 (“**Provisional Attachment Order**”), attached certain immovable property (“**Impugned Property**”) belonging to, Hitesh R. Jain, a director of R.E. Cables & Conductors Private Limited (“**Borrower**”), which was mortgaged to our Company as security for a loan facility availed by the Borrower from our Company. A show cause notice dated October 18, 2022 (“**SCN**”) was issued by the Adjudicating Authority to our Company calling upon it to show cause as to why the Impugned Property should not be declared as properties involved in money laundering. The Provisional Attachment Order was confirmed by the Adjudicating Authority by way of its order dated February 15, 2023 (“**AA Order**”), holding that the Impugned Property represented the value of the proceeds of crime and is therefore involved in money laundering. Subsequently, our Company filed an appeal before the Appellate Tribunal, seeking to set aside the AA Order, on the grounds, *inter alia*, that the Impugned Property was not derived, directly or indirectly, as a result of a scheduled offence. The matter is currently pending.

D. Economic offences

F. Material civil and tax litigation by our Company

1. Our Company filed a petition dated August 30, 2021 (“**Petition**”) under section 9 of the Arbitration and Conciliation Act, 1996, as amended (“**Arbitration Act**”) before the High Court of Bombay (“**High Court**”) against Karvy Data Management Services Limited (“**KDMSL**”) and others (collectively the “**Respondents**”), in relation to outstanding dues of ₹100.79 crores in relation to a loan availed by KDMSL from ABFL (“**Term Loan**”). By way of the Petition, our Company sought certain reliefs, *inter alia*, an injunction on undertaking sale, transfer or disposal of the property which was mortgaged by Karvy Stock Broking Limited in favour of our Company as security for the Term Loan (“**Mortgaged Property**”), appointment of a court receiver to take charge of the Mortgaged Property and a deposit of bank guarantee by the Respondents. Subsequently, the High Court appointed a court receiver to take symbolic possession of the Mortgaged Property and disposed-off the Petition. Subsequently, our Company commenced arbitration proceedings against KDMSL amongst others (“**Arbitration Proceedings**”). In relation to the Arbitration Proceedings, a sole arbitrator (“**Arbitrator**”) was appointed by the High Court and statements of claim and defence, respectively, have been filed by our Company and KDMSL before the Arbitrator. Our Company filed an application seeking an interim award (“**Interim Award Application**”) under section 31(6) of the Arbitration Act on the grounds that the Respondents have categorically admitted their liability to pay the outstanding dues to our Company. Pursuant to the Interim Award Application, the Respondents filed their reply which was responded to by our Company through a rejoinder application.

Further, by way of a provisional attachment order dated March 8, 2022 (“**Provisional Attachment Order**”), passed by the Deputy Director, Directorate of Enforcement, Hyderabad, a list of immovable properties, including the Mortgaged Property (together, the “**Impugned Properties**”), belonging to KDMSL, Karvy Stock Broking Limited, Karvy Realty India Limited and Karvy Consultants Limited (collectively, the “**Karvy Entities**”) were provisionally attached. Consequent to the Provisional Attachment Order, a show cause notice dated April 22, 2022 (“**SCN**”) was issued by the Adjudicating Authority to the Karvy Entities and others, including our Company. Our Company filed its written reply to the SCN on November 22, 2022, claiming, *inter alia*, that no attachments proceedings may be initiated against a property which is under the custody of the High Court, without seeking its permission. The Adjudicating Authority by way of its order dated December 1, 2022 (“**AA Order**”) confirmed the Provisional Attachment Order, concluding that that the Impugned Properties were proceeds of crime and therefore involving in money laundering. Subsequently, our Company then filed an appeal before the Appellate Tribunal, challenging the AA Order. Separately, our Company filed a writ petition before the High Court, challenging the SCN and Provisional Attachment Order and seeking a writ, *inter alia*, restraining the Adjudicating Authority from confirming the Provisional Attachment Order. The matters are currently pending.

2. Our Company, along with another (together, the “**Petitioners**”), has filed a petition dated January 18, 2023 under section 9 of the Arbitration Act before the High Court of Delhi (“**High Court**”), seeking interim measures against ATS Housing Private Limited, amongst others (“**Respondents**”) including (a) restraint on selling, transferring, disposing of or in any other way transferring the properties mortgaged to the Petitioners; and (b) directing the respondents to deposit a bank guarantee of ₹118.60 crores towards the satisfaction of dues towards the Petitioners. Our Company had sanctioned two loans of ₹100.00 crores (“**Loan Facilities**”) each to the Respondents, for development of projects named ATS Pristine-1 and ATS Pristine-2 (“**Projects**”). The Loan Facilities were secured *inter alia*, by way of mortgages and deeds of hypothecation, on *inter alia*, the immovable property and movable properties located at the Projects and on certain plots of land located at the Reis Magos village, Goa (“**Security**”). Despite repeated requests, the Respondents allegedly made several defaults in respect of their repayment obligations under the Loan Facilities.

Separately, our Company also issued a notice dated December 16, 2022 to the Respondents under section 13(2) of the SARFAESI Act, seeking to recover dues of ₹118.60 crores, outstanding in respect of, *inter alia*, the Loan Facilities and other outstanding borrowings availed by the Respondents from our Company. Subsequently, our Company filed three securitization applications under section 14 of the SARFAESI Act before the Chief Judicial Magistrate, Gautam Budh Nagar (“**CJM**”), and District Magistrate, North Goa, respectively, seeking possession of the Security. The CJM by way of its orders dated May 24, 2013, have allowed the section 14 applications made in respect of the Projects and ordered for the physical possession of ATS Properties, respectively, to be taken by our Company. The matters are currently pending.

3. Our Company has filed an application dated November 23, 2022 under section 11 of the Arbitration Act before the High Court of Delhi (“**High Court**”) against, *inter alia*, Sidhartha Educational and Welfare Society (“**Respondents**”), requesting the appointment of an arbitrator to hear a dispute regarding alleged defaults amounting to ₹121.16 crores made by Respondents in respect of loan facilities aggregating to ₹119.25 crores availed by them from our Company. By way of its order dated November 29, 2022, the High Court referred the dispute to a sole arbitrator (“**Arbitrator**”). By way of several interim orders, the Arbitrator has granted interim reliefs in favour of our Company including, *inter alia*, freezing the bank accounts of the Respondents and appointment of a court receiver in respect of the school properties belonging to the Respondents. Separately, a criminal complaint under *inter alia* sections 23, 405, 406, 415 and 120B of the IPC before the Economic Offences Wing, Mandir Marg, New Delhi against, Sidhartha Educational and Welfare Society and Sanskar Bharti Foundation and others (collectively, the “**Accused**”), accusing them of *inter alia*, cheating, defrauding and causing wrongful loss to our Company. The matter is currently pending.
4. Our Company filed an application under section 7 of the Insolvency and Bankruptcy Code, 2016 (“**Application**”) before the National Company Law Tribunal, New Delhi (“**NCLT**”) against Sequel Buildcon Private Limited (“**Respondent**”), seeking the initiation of insolvency proceedings against the Respondent. Our Company had sanctioned a term loan facility of ₹90 crores which was to be repaid within a period of 24 months with a moratorium period of 36 months, which was further extended as per applicable laws. The Respondent defaulted on payment of multiple installments. The total outstanding dues of the Respondent as claimed by our Company is ₹74.37 crores. The Respondent by way of its reply, *inter alia*, denied the allegations of our Company and alleged that the claimed rate of interest is higher than the admitted rate of interest and sought a dismissal of the Application, pursuant to which our Company filed a rejoinder before the NCLT. The matter is currently pending.
5. Our Company filed a petition dated November 21, 2019 (“**Petition**”) under section 9 of the Arbitration Act before the High Court of Delhi (“**High Court**”) against Presidium Educational and Charitable Trust (“**PECT**”) and others (collectively, the “**Respondents**”), in relation to certain loans aggregating to ₹260.00 crores (“**Loan Facility**”) availed by the by PECT and other entities from YES Bank Limited (“**YBL**”), a part of which, amounting to ₹100.00 crores, was assigned to our Company. By way of the Petition, our Company has claimed a default by the Respondents in repayment of the outstanding Loan Facility and sought interim reliefs directing Respondents to, *inter alia*, furnish a security for the outstanding dues of ₹98.26 crores and deposit ₹82.75 crores in escrow accounts. The High Court passed multiple orders, granting certain ad-interim reliefs to our Company (“**Interim Reliefs**”), including directing the Respondents to deposit all its receivables in an escrow account. Thereafter, by way of its order dated December 6, 2021 (“**HC Order**”), the High Court disposed of the Petition, continuing the Interim Reliefs and directed the appointment of an arbitrator (“**Arbitrator**”) to decide the Petition under section 17 of the Arbitration Act (“**Section 17 Application**”). Accordingly, our Company initiated arbitration proceedings (“**Arbitration Proceedings**”) and filed its statement of claim dated July 10, 2022, and a reply to the counterclaim of PECT dated January 23, 2023, before the Arbitrator. By way of an order dated December 21, 2022, the Arbitrator, *inter alia*, disposed the Section 17 Application. Further, an application has been filed by PECT to vacate certain directions of the Arbitrator. Our Company has filed a reply and the matter is currently pending. Separately, our Company has also filed three contempt petitions before the High Court, alleging non-compliances by the Respondents with respect to the Interim Reliefs. The matters are currently pending.

Separately, YBL initiated corporate insolvency resolution process proceedings (“**CIRP Proceedings**”) against certain Respondents, being Mothers Pride Education Institution Private Limited, Presidium Educational Institution Private Limited and Mothers Pride Education Personna Private Limited (together, “**Corporate Debtors**”). Subsequently, one of the common shareholders/promoters of the Corporate Debtors filed an application against certain parties, including our Company, dated May 8, 2023 with NCLT Delhi for consolidation of the CIRP Proceedings. The matters are currently pending.

6. Our Company filed a petition dated September 15, 2018 under section 9 of the Arbitration Act before the High Court of Delhi (“**High Court**”), against, *inter alia*, Pune Sholapur Road Development Company Limited (“**PSRDCL**”) and Chenani Nashri Tunnelway Limited (“**CNTL**” and with PSRDCL, the “**Respondents**”), in relation to default and non-payment of dues under a rupee term loan facility of ₹100 crores, extended to PSRDCL and ₹55.76 crores, extended to CNTL. Our Company alleged, *inter alia*, misrepresentation and fraudulent conduct by the Respondents, and prayed for, *inter alia*, a deposit of ₹101.14 crores and ₹55.76 crores or a deposit of bank guarantees for the said amount by the Respondents. The High Court passed an order dated September 18, 2018, restraining certain parties including PSRDCL and CNTL from transferring or creating third party interest in their unencumbered assets. Subsequently, the Union of India (“**UOI**”) filed

an application before the NCLT dated October 12, 2018 praying for, *inter alia*, a moratorium against the institution of proceedings against the IL&FS Group, which was rejected by the NCLT on October 12, 2018 but allowed by the NCLAT by way of an order dated October 15, 2018 (“**Order**”). UOI also filed an affidavit before the NCLAT dated January 24, 2019 setting out proposals for resolution of the debts of the Respondents (“**Resolution Framework**”). Thereafter, our Company filed an application before the NCLAT praying for, *inter alia*, the rejection of the Resolution Framework, and filed written submissions on February 11, 2020 challenging NCLAT’s jurisdiction in relation to the Order. Following this, the NCLAT passed an order dated March 12, 2020 (“**NCLAT Order**”), allowing a continuation of the moratorium imposed by the Order. Our Company filed an appeal dated December 23, 2020 before the Supreme Court of India (“**Supreme Court**”) against the NCLAT Order, alleging, *inter alia*, that the Resolution Framework under the NCLAT Order is beyond the scope of section 241 and 242 of the Companies Act, 2013. The matter is currently pending.

7. Our Company filed a suit (“**Suit**”) before the High Court of Calcutta (“**High Court**”), against various parties including Williamson Financial Services Limited (“**WFSL**”), Vedica Sanjeevani Projects Private Limited (“**VSPPL**”), Christopher Estates Private Limited (“**CEPL**”) (collectively, the “**Respondents**”), alleging defaults by the Respondents, in relation to a term loan of ₹150.00 crores, availed by WFSL from ABFL (“**Facility**”), which was *inter alia*, to be repaid using receipts from sale of the treasury shares (“**MRIL Treasury Shares**”) representing 24.5% of the shareholding of McLeod Russel India Limited (“**MRIL**”). By way of the Suit, our Company has alleged that the Respondents have failed to abide by the undertakings and covenants in relation to the Facility, by, *inter alia*, failing to repay the Facility, disposing off a certain portion of the MRIL Treasury Shares and has sought *inter alia*, a decree for the outstanding dues of ₹132.00 crores against the Respondents, the attachment of their properties until deposit of the claimed amount, the appointment of a receiver by the High Court and a direction to the Respondents to deposit an amount equal to the proceeds from sale of the MRIL Treasury Shares. The matter is currently pending.

Our Company has executed terms of settlement dated June 7, 2023 in relation to the Facility with certain parties, including MRIL and WFSL (“**Terms of Settlement**”). Thereafter, VSPPL and CEPL filed an application before the High Court and initiated proceedings on June 15, 2023 before the Commercial Court at Alipore challenging the Terms of Settlement. VSPPL and CEPL have also filed a title suit and an injunction application against ABFL and certain other parties. The matters are currently pending.

8. Pursuant to the subscription by our Company of compulsorily convertible preferential shares (“**CCPS**”) of McNally Bharat Engineering Company Limited (“**MBECL**”) with a put option (“**Put Option**”), the securities of the entities of the Williamson Magor group (“**WM Group**”), namely, Eveready Industries India Limited (“**EIIL**”) and MRIL, were pledged with our Company to secure the said Put Option (“**Security**”). Due to the deficiency in security cover, our Company invoked the arbitration by way of notice of arbitration dated May 11, 2019, appointing an arbitrator (“**Arbitrator**”) and sought certain interim reliefs. Thereafter, the Arbitrator passed a consent order on July 15, 2019, directing creation of certain securities, including charge on 1,663,289 shares of EIIL. Subsequently, an interim award was passed by the Arbitrator on June 30, 2020, in favour of ABFL (“**Interim Award**”), directing the Respondents to perform their Put Option obligations, failing which they would be liable to pay ₹81.7 crores to our Company. Further, pursuant to the Interim Award, our Company initiated proceedings under section 7 of the Insolvency and Bankruptcy Code, 2016 against MRIL.

Thereafter, the parties have entered into consent terms dated June 7, 2023 with respect to the said facility, by way of which they are required to withdraw or seek disposal of certain specified legal proceedings. The said consent terms were taken on record by way of an interim consent award dated June 8, 2023.

Further, certain entities of the IL&FS group (the “**Plaintiffs**”) filed a suit against our Company, MRIL, EIIL and certain other parties before the High Court (the “**Suit**”) challenging the creation of certain security in favour of our Company. The High Court passed an order of injunction restraining the certain entities of the WM Group from creating any third party rights in respect of the shares which the Plaintiffs have claimed as security. Our Company has filed an application before the High Court, challenging, *inter alia*, the High Court’s jurisdiction to adjudicate the Suit, and seeking rejection of the Suit. Pursuant to an order passed by the High Court, this Suit will not be listed for the present due to talks of settlement between the parties. The matters are currently pending.

9. Our Company filed a petition dated December 21, 2021 (the “**Petition**”) under section 9 of the Arbitration Act before the High Court of Delhi (“**High Court**”) against, *inter alia*, Siti Networks Limited (“**SNL**”) and Zee Entertainment Enterprises Limited (“**ZEEL**”) and collectively, the “**Respondents**”), in relation to defaults by SNL in relation to a term loan of ₹150.00 crores granted to it by our Company. By way of the Petition, our Company prayed for the grant of interim reliefs including, *inter alia*, deposit of the overdue principal amount of ₹134.00 crores by SNL and ZEEL and the deposit of at least ₹108.00 crores which was diverted by SNL to ZEEL. During the pendency of the Petition, our Company invoked arbitration proceedings (“**Proceedings**”) and filed an application for the appointment of a sole arbitrator under section 11 of the Arbitration Act, impleading the Respondents and Essel Corporate LLP. Subsequently, the High Court passed an order dated March 3, 2023 (the “**Order**”), appointing a sole arbitrator (“**Arbitrator**”) and directed that the Petition be treated as an application under section 17 of the Arbitration Act (“**Application**”) to be heard by the Arbitrator. ZEEL has filed a special leave petition dated April 2, 2023 before the Supreme Court of India, praying for, *inter alia*, a stay on the Order and on the Proceedings. Additionally, ZEEL has also filed an appeal dated April 10, 2023 before the High Court, *inter*

alia, challenging the Order to the extent of the direction that the Petition be placed before the Arbitrator. Thereafter, our Company filed a statement of claim dated May 6, 2023, before the Arbitrator. The Arbitrator by way of an order dated May 9, 2023, disposed the Application, directing, inter-alia, deposit of certain amounts with the registry of the Delhi High Court. The matter is currently pending. SNL was admitted into a corporate insolvency resolution process (“**CIRP**”) and the NCLT, Mumbai Bench passed an order dated February 22, 2023 (“**Order**”) and allowed the initiation of CIRP. A company appeal was filed by one of the suspended directors of SNL and NCLAT stayed the operation of the Order (“**Stay**”) by way of an order dated March 7, 2023. The suspended director of SNL also filed various applications against, *inter alia*, SNL, Axis Bank Limited (“**ABL**”) and our Company, praying the tribunal to, *inter alia*, implead the lenders of SNL, namely ABL and our Company, with respect to the withdrawal of monies from the accounts of SNL. Our Company has filed its replies to the said applications. As an ad-interim relief, NCLAT had restrained ABL and our Company from withdrawing any further amounts from SNL’s account till the next date of hearing. However, pursuant to an order dated August 10, 2023, the NCLAT has dismissed the application filed by the suspended director of SNL. The matter is currently pending.

10. One Sabbineni Surendra (“**Guarantor**”), provided personal guarantee for a facility agreement executed between Coastal Projects Limited (“**CPL**”) and our Company for a facility of ₹70 crores. CPL failed to repay the amount borrowed along with the interest accrued, due to which our Company initiated separate arbitration proceedings before a sole arbitrator against CPL and the Guarantor. Basis two consent awards, our Company, the Guarantor and CPL reached a settlement, pursuant to which our Company filed an execution application before the Bombay High Court (“**Execution Application**”). The Guarantor filed an interim application before the Bombay High Court seeking a stay of the proceedings initiated vide the Execution Application as an insolvency proceeding was filed against the Guarantor before the National Company Law Tribunal, Cuttack (“**Insolvency Petition**”). Due to the initiation of the Insolvency Petition and by way of an order dated March 23, 2022 passed by the National Company Law Tribunal, Cuttack, an interim moratorium has been imposed against the Guarantor. The matter is currently pending.

Litigation involving our Directors

Except as stated below, there are no litigation proceedings involving our Directors.

A. Criminal proceedings against our Directors

Subhash Chandra Bhargava

1. In 2019, Cox and Kings Limited (“**Cox and Kings**”) defaulted on the payment of its liabilities and bankruptcy proceedings were initiated against it. Recovery suits against Cox and Kings and its directors (including Subhash Chandra Bhargava) under section 138 of the NI Act have been filed by IDFC First Bank Limited, IndusInd Bank Limited, Kotak Mahindra Bank Limited and Bank of Baroda before the Court of Additional Metropolitan Magistrate, Bandra, Mumbai, the Court of the Chief Metropolitan Magistrate, Esplanade Court, Mumbai, the Court of the Metropolitan Magistrate, George Town, Chennai and the Court of Chief Metropolitan Magistrate, Esplanade Court, Mumbai, respectively. Proceedings in the aforesaid complaints are yet to be commenced and all the matters are currently pending in respective Courts.

C. Actions taken by regulatory and statutory authorities

Subhash Chandra Bhargava

1. SEBI issued a show cause notice dated July 5, 2022 (“**SCN**”) against Cox and Kings Limited, its group CEO, whole-time director, chief financial officer and all the members of its audit committee including Subhash Chandra Bhargava (collectively, the “**Notices**”), under sections 11 (1), 11(4), 11(4A), 11B(1), 11B(2), read with sections 15HA, 15HB of the SEBI Act and rule 4(1) of Securities and Exchange Board of India (Procedure for Holding Inquiry and Imposing Penalties by Adjudicating Officer) Rules, 1995 (“**SEBI Adjudication Rules**”) for the investigation period from 2017-18 to 2019-20 (“**Investigation Period**”). The SCN *inter alia* alleges that during the Investigation Period, the audit committee members had failed in their role to oversee efficacy and veracity of financial reporting function in violation of regulation 18(3) read with Para A of Part C of Schedule II and regulation 23(2) of the SEBI Listing Regulations and called upon the notices to show cause as to why appropriate monetary penalty under sections 11(4A) and 11B(2), read with sections 15HB of the SEBI Act read with SEBI Adjudication Rules should not be levied for the alleged violations. Subhash Chandra Bhargava filed a detailed reply against SCN *inter alia* denying all the allegations in the SCN on the grounds that he had no knowledge or information about the irregularities mentioned in the SCN and maintained that none of alleged irregularities were brought before the notice of the audit committee nor were pointed out by the statutory auditors or the internal auditors during the Investigation Period. The matter is currently pending.

Rajat Jain

1. The Registrar of Companies, Delhi, filed a complaint dated November 14, 2014 (“**Complaint**”) under section 211 and 217 of the Companies Act, 2013, against the directors, key managerial personnel and the auditors (collectively, “**Respondents**”) of Xerox India Limited (“**Xerox**”), alleging that an amount of ₹0.2 crores was paid in excess of the prescribed limit to an expatriate manager in Financial Year 2009. Rajat Jain was appointed as the Managing Director of Xerox in February 2012. While Xerox had contended this claim and wrote to the Central Government for special permission as provided in the law, and agreed to do acts as per the advice of Central Government, however no response had been received on the same. Rajat Jain along with other Respondents had approached the High Court of Punjab and Haryana for quashing of the Complaint. The matter is currently pending.

Disclosures in accordance with the SEBI Master Circular for Debenture Trustees

Appointment of Debenture Trustee

The Company has appointed the Debenture Trustee in accordance with the terms of the Debenture Trustee Agreement.

Separately, the Company and the Debenture Trustee have agreed the payment of an acceptance fees of ₹20,000 payable on acceptance of the offer, and annual trusteeship fees of ₹20,000 per annum, payable annually in advance starting from the date of execution of the Debenture Trustee Agreement or Debenture trust deed (whichever is earlier) till the Debentures under the Trust Deed are fully repaid & forms for release of charge for the relevant issuances covered by the trust deeds are filed.

Debenture Trustee Agreement

Our Company has entered into a Debenture Trustee Agreement with the Debenture Trustee which provides for, inter alia, the following terms and conditions:

1. The Company shall execute the Debenture Trust Deed for the Debentures as approved by the Debenture Trustee, prior to filing of the application for listing of the Debentures, in accordance with the extant SEBI NCS Regulations and other Applicable Laws including SEBI Debenture Trustee Regulations and all other circulars, notifications and guidelines issued by RBI and SEBI from time to time.
2. The Company shall on or prior to the date of execution of Debenture Trust Deed, provide to the Debenture Trustee, the bank account details from which the Company proposes to make the payment of redemption amounts in relation

to the Debentures. Further, the Company hereby undertakes that it shall preauthorize the Debenture Trustee to seek the Debenture redemption amount payment related information from such bank.

3. The Company shall appoint a nominee director nominated by the Debenture Trustee upon the occurrence of a default as stipulated in clause (e) of sub-regulation (1) of regulation 15 of the SEBI Debenture Trustee Regulations, as a director on its Board within 1 (one) month from the date of receipt of such nomination from the Debenture Trustee in accordance with the terms of SEBI NCS Regulations.

Terms of carrying out due diligence

As per the SEBI Master Circular for Debenture Trustees, the Debenture Trustee is required to exercise independent due diligence to ensure that the assets of the Issuer are sufficient to discharge the interest and principal amount with respect to the debt securities of the Issuer at all times.

Accordingly, the Debenture Trustee shall exercise due diligence as per the following process, for which our Company has consented to.

- (a) The Debenture Trustee, either through itself or its agents/ advisors/ consultants, shall carry out requisite diligence to verify the status of encumbrance and valuation of the assets and whether all permissions or consents (if any) as may be required to create the security as stipulated in the Prospectus and the Applicable Laws, have been obtained. For the purpose of carrying out the due diligence as required in terms of the Applicable Laws, the Debenture Trustee, either through itself or its agents / advisors/ consultants, shall have the power to examine the books of account of the Company and to have the Company's assets inspected by its officers and/or external auditors/ valuers/ consultants/ lawyers/ technical experts/ management consultants appointed by the Debenture Trustee. It is clarified that, while the Debenture Trustee may avail services of agents / advisors/ consultants or independent professionals, the responsibility shall rest with the Debenture Trustee.
- (b) The Company shall provide all assistance to the Debenture Trustee to enable verification from the ROC, sub-registrar of assurances (as applicable), CERSAI, depositories, information utility or any other authority, as may be required, where the assets and/or prior encumbrances in relation to the assets proposed to secure the Debentures, whether owned by the Company or any other person, are registered / disclosed.
- (c) Further, in the event that existing charge holders or the concerned trustee on behalf of the existing charge holders, have provided conditional consent / permissions to the Company to create further charge on the assets, the Debenture Trustee shall also have the power to verify such conditions by reviewing the relevant transaction documents or any other documents executed between existing charge holders and the Company. The Debenture Trustee shall also have the power to intimate the existing charge holders about proposal of creation of further encumbrance and seeking their comments/ objections, if any.
- (d) Without prejudice to the aforesaid, the Company shall ensure that it provides and procures all information, representations, confirmations and disclosures as may be required in the sole discretion of the Debenture Trustee to carry out requisite diligence in connection with the issuance and allotment of the Debentures, in accordance with the Applicable Laws.

All costs, charges, fees and expenses that are associated with and incurred in relation to the diligence as well as preparation of the reports/certificates/documentation, including all out of pocket expenses towards legal or inspection costs, travelling and other costs, shall be solely borne by the Debenture Trustee and reimbursed by the Company.

Process of Due Diligence to be carried out by the Debenture Trustee

Due Diligence will be carried out as per SEBI (Debenture Trustees) Regulations, 1993, SEBI NCS Regulations, as amended, SEBI Master Circular for Debenture Trustees and circulars issued by SEBI from time to time.

Other confirmations

The Debenture Trustee undertakes that the NCDs shall be considered as secured only if the charged asset is registered with sub-registrar and Registrar of Companies or CERSAI or depository, etc., as applicable, or is independently verifiable by the Debenture Trustee.

The Debenture Trustee confirms that they have undertaken the necessary due diligence in accordance with applicable law, including the SEBI (Debenture Trustees) Regulations, 1993, read with the SEBI Master Circular for Debenture Trustees.

Our Company has received written consent dated September 7, 2023 from Previous Statutory Auditors (a) for inclusion of their name as the Previous Statutory Auditors; and (b) as an “expert” in the capacity as the Previous Statutory Auditors and in respect of the reports dated May 13, 2021 relating to 2021 Audited Financial Statements, and has not withdrawn such consent and the same will be filed along with a copy of this Draft Prospectus. “However, the term “expert” and “consent” shall not be construed to mean an “expert” as defined under the U.S. Securities Act, 1933, as amended.

The above experts are not, and have not been, engaged or interested in the formation or promotion or management, of the Company and have given their written consent to the Company as stated in the paragraph above and has not withdrawn such consent before the filing of this Draft Prospectus with the Stock Exchanges.

Common form of Transfer

Our Company undertakes that there shall be a common form of transfer for the NCDs and the provisions of the Companies Act, 2013 applicable as on the date of this Draft Prospectus and all applicable laws shall be duly complied with in respect of all transfer of debentures and registration thereof.

Minimum Subscription

In terms of the SEBI NCS Regulations for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue Size being ₹750 crores. If our Company does not receive the minimum subscription of 75% of the Base Issue Size being ₹750 crores, prior to the Issue Closing Date, the entire Application Amount shall be unblocked in the relevant ASBA Accounts of the Applicants within eight Working Days from the Issue Closing Date. In the event the Application Amount has been transferred to the Public Issue Account from the respective ASBA

Accounts, such Application Amount shall be refunded from the Refund Account to the relevant ASBA Accounts(s) of the Applicants within eight Working Days from the Issue Closing Date. In the event there is delay in unblocking of funds/refunds, our Company shall be liable to repay the money, with interest at the rate of 15 % per annum for the delayed period.

Under Section 39(3) of the Companies Act, 2013 and Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount is not received within the specified period, the application money received is to be credited only to the bank account from which the subscription was remitted. To the extent possible, where the required information for making such refunds is available with our Company and/or Registrar, refunds will be made to the account prescribed. However, where our Company and/or Registrar does not have the necessary information for making such refunds, our Company and/or Registrar will follow the guidelines prescribed by SEBI in this regard included in the SEBI Master Circular.

This Draft Prospectus has been filed with the Stock Exchanges in terms of Regulation 27 of the SEBI NCS Regulations for dissemination on its website prior to the opening of the Issue. This Draft Prospectus has also been displayed on the website of the Company and the Lead Managers.

Filing of the Prospectus with the RoC

The Prospectus shall be filed with the RoC in accordance with Section 26 of the Companies Act, 2013.

Debenture Redemption Reserve (“DRR”)

In accordance with the Companies Act, 2013 and the Companies (Share Capital and Debentures) Rules 2014, any non-banking financial company that intends to issue debentures to the public is not required to create a DRR for the purpose of redemption of debentures.

Pursuant to the amendment to the Companies (Share Capital and Debentures) Rules 2014, notified on August 16, 2019, and as on the date of filing of this Draft Prospectus, the Company is not required to create DRR for the purpose of redemption of the NCDs. Accordingly, no debenture redemption reserve shall be created by our Company for the purpose of redemption of the NCDs or in connection with this Issue. The Company shall, as per the Companies (Share Capital and Debentures) Rules 2014 and other laws applicable from time to time, invest or deposit, as the case may be, the applicable amounts, within the specified timelines, in respect of debentures maturing during the year ending on March 31 of the next year, in any one or more methods of investments or deposits stipulated under the applicable law. Provided that the amount remaining invested or deposited, as the case may be, shall not at any time fall below the specified percentage, which is presently stipulated at fifteen percent of the amount of the debentures maturing during the year ending on March 31 of the next year, in any of the following instruments or such other instruments as may be permitted under the applicable laws:

1. in deposits with any scheduled bank, free from any charge or lien;
2. in unencumbered securities of the Central Government or any State Government;
3. in unencumbered securities mentioned in sub-clause (a) to (d) and (ee) of section 20 of the Indian Trusts Act, 1882; and
4. in unencumbered bonds issued by any other company which is notified under sub-clause (f) of section 20 of the Indian Trusts Act, 1882.

Provided further that the amount invested or deposited as above shall not be used for any purpose other than for redemption of debentures maturing during the year referred above.

Recovery Expense Fund

A fund created by our Company with the Designated Stock Exchange for an amount equal to 0.01% of the issue size, subject to a maximum of deposit of ₹2,500,000 at the time of making the application for listing of NCDs, created in the manner as specified by SEBI in the SEBI Master Circular for Debenture Trustees and Regulation 11 of SEBI NCS Regulations. The recovery expense fund may be utilised by Debenture Trustee, in the event of default by our Company under the terms of the Debenture Trust Deed, for taking appropriate legal action to enforce the security.

Kindly note, any default committed by the Company in terms of the NCDs proposed to be issued shall be reckoned at each respective International Securities Identification Number level assigned to the respective Option(s) of NCDs issued.

REGULATIONS AND POLICIES

The following description is a summary of the important laws, regulations and policies that are applicable to our business. The information detailed below has been obtained from various legislations, including rules and regulations promulgated by regulatory and statutory bodies, and the bye-laws of the respective local authorities which are available in the public domain. The description of the applicable regulations set out below may not be exhaustive and are merely intended to provide general information to the investors and are neither designed nor intended to substitute for professional legal advice. The indicative summaries are based on the current provisions of applicable law, which are subject to change, modification, or amendment by subsequent legislative, regulatory, administrative, or judicial decisions.

In addition to the regulations and policies already specified herein, environmental laws, corporate laws and various labour laws, and other laws apply to us as they do to any other Indian Company. For the purposes of this section, references to any legislation, act, regulation, rule, guideline, policy, circular, notification or clarification are to such legislation, act, regulation, rule, guideline, policy, circular, notification or clarification as amended from time to time.

Given below is a brief description of certain relevant legislations that are currently applicable to the business carried on by us.

I. Key Regulations applicable to our Company:

Reserve Bank of India Act, 1934 (“RBI Act”)

The RBI is entrusted with the responsibility of regulating and supervising NBFCs by virtue of powers vested in Chapter IIIB of the RBI Act.

The RBI Act defines an NBFC as: (a) a financial institution which is a company; (b) a non-banking institution which is a company and which is in the principal business of receiving deposits, under any scheme or arrangement or in any other manner, or lending in any manner; or (c) such other non-banking institution or class of institutions as the RBI may, with the previous approval of the Central Government, and by notification in the Official Gazette, specify.

Any company which carries on the principal business of a non-banking financial institution is to be treated as an NBFC. Since the term “principal business” has not been defined in law, the RBI has clarified it through a press release (Ref. No. 1998-99/ 1269) in 1999, that in order to identify a particular company as an NBFC, it will consider both the assets and the income pattern as evidenced from the last audited balance sheet of the company to decide its principal business. A company would be categorized as an NBFC if its financial assets are more than 50% of its total assets (netted off by intangible assets) and if its income from such financial assets is more than 50% of the gross income.

Both these tests are required to be satisfied as the determining factor for principal business of a company.

Further, NBFCs are required to obtain a Certificate of Registration (CoR) from the RBI prior to commencement of the business as a non-banking financial institution. Every NBFC is required to submit to the RBI a certificate, from its statutory auditor within one month from the date of finalization of balance sheet and in any case not later than 31st December of that year, stating that it is engaged in the business of non-banking financial institution requiring to hold a CoR.

Pursuant to Section 45-IC of the RBI Act, 1934, every NBFC is required to create a reserve fund and transfer thereto a sum not less than 20% of its net profit every year, as disclosed in the profit and loss account and before any dividend is declared. Further, no appropriation can be made from such fund by the NBFC except for the purposes specified by the RBI from time to time and every such appropriation shall be reported to the RBI within 21 days from the date of such withdrawal.

Master Direction – Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 dated September 1, 2016, as amended (the “Master Directions”)

Systemically Important Non-Deposit taking Non-Banking Financial Company (NBFC-ND-SI) are primarily governed by the RBI Act, 1934 (“**RBI Act**”) and the Master Directions. In addition to these regulations, NBFCs are also governed by various circulars, notifications, guidelines and directions issued by RBI from time to time.

An NBFC-ND-SI has been defined under the Master Directions to mean an NBFC not accepting or holding public deposits and having total assets of ₹5,000 million and above as shown in the last audited balance sheet and a minimum net owned fund of ₹20 million.

Constitution of Committees

All applicable NBFCs are required to constitute the committees disclosed below:

- a. Audit Committee: An NBFC is required to constitute an audit committee consisting of not less than three members of its board of directors. The audit committee constituted by an NBFC as required under Section 177 of the Companies Act, 2013 shall be the audit committee for the purposes of the Master Directions as well, and its powers and functions shall be as provided under Section 177 of the Companies Act.
- b. Nomination Committee: NBFCs are required to constitute a nomination committee to ensure ‘fit and proper’ status of proposed or existing directors, which shall have the same powers and functions as the nomination and remuneration committee required to be constituted under Section 178 of the Companies Act.
- c. Risk Management Committee: NBFCs are required to constitute a risk management committee to manage the integrated risk.
- d. Asset Liability Management Committee: NBFCs are required to constitute an asset liability management committee. The asset liability management committee is required to be headed by the chief executive officer/ managing director or the executive director of such NBFC, as prescribed under the Master Directions.

Also, applicable NBFCs with asset size more than ₹ 5,000 Crore in categories like investment and credit companies, infrastructure finance companies, micro finance institutions, factors and infrastructure debt funds are required to appoint a Chief Risk Officer (“CRO”) with clearly specified roles and responsibilities. The CRO is required to function independently so as to ensure highest standards of risk management.

Further, under the terms of the SBR Framework, following additional corporate governance compliances have been stipulated for NBFC-ML and NBFC-UL:

- (a) Key Managerial Personnel: Except for directorship in subsidiary, a Key Managerial Personnel shall not hold any office (including directorships) in any other NBFC-ML or NBFC-UL. A timeline of two years is provided with effect from October 01, 2022, to ensure compliance with these norms. However, they can assume directorship in NBFC-BL.
- (b) Independent Director: Within the permissible limits in terms of Companies Act, 2013, an independent director shall not be on the board of more than three NBFCs (NBFC-ML or NBFC-UL) at the same time. Further, the Board of the NBFC shall ensure that there is no conflict of interest arising out of their position on board of another NBFC at the same time. A timeline of two years is provided with effect from October 01, 2022, to ensure compliance with these norms. There shall be no restriction to directorship on the boards of NBFC-BLs, subject to applicable provisions of Companies Act, 2013.
- (c) Disclosures – NBFCs shall in addition to the existing regulatory disclosures, disclose corporate governance reports containing composition and category of directors, shareholding of non-executive directors, breaches in terms of covenants in respect of loans availed by the NBFC or debt securities issued by the NBFC including incidences of default, divergence in asset classification and provisioning above a certain threshold as decided by RBI and few other disclosures in their annual financial statements with effect from March 31, 2023.
- (d) Further, the NBFC-UL and NBFC-ML is required to institute an independent Compliance Function and a Chief Compliance Officer (CCO) latest by April 1, 2023 and October 1, 2023, respectively. The Board/Audit Committee (Board committee) is required to ensure that an appropriate Compliance Policy is put in place and implemented. The Senior Management shall carry out an exercise, at least once a year, to identify and assess the major compliance risks facing the NBFC and formulate plans to manage it.
- (e) Compensation guidelines - In order to address issues arising out of excessive risk taking caused by misaligned compensation packages, NBFCs shall put in place a board approved compensation policy. The guidelines shall at the minimum include, a) constitution of a remuneration committee, b) principles for fixed/ variable pay structures, and c) malus/ claw back provisions. The nomination and remuneration committee shall ensure that there is no conflict of interest.
- (f) Other Governance matters – NBFCs shall formulate a whistle blower mechanism for directors and employees to report genuine concerns. The Board shall ensure good corporate governance practices in the subsidiaries of NBFCs.
- (g) Core banking solution - NBFCs with 10 or more branches are mandated to adopt core banking solutions in accordance with a glide path of 3 years with effect from October 01, 2022.

Disclosures and Transparency

Applicable NBFCs are required to place before the board of directors, at regular intervals, as may be prescribed by their respective boards of directors, the following:

- a. progress made in putting in place a progressive risk management system and risk management policy and strategy followed by the concerned Applicable NBFC; and

- b. conformity with corporate governance standards including composition of committees, their roles and functions, periodicity of the meetings and compliance with coverage and review functions and so on.

Applicable NBFCs are required to disclose the following in their annual financial statements:

- a. registration/licence/authorization obtained from other financial sector regulators;
- b. ratings assigned by credit rating agencies and migration of ratings during the year;
- c. penalties, if any, levied by any regulator;
- d. information namely, area, country of operation and joint venture partners with regard to joint ventures and overseas subsidiaries; and
- e. asset-liability profile, extent of financing of parent company products, non-performing assets and movement of non-performing assets, details of all off-balance sheet exposures, structured products issued by them as also securitization/ assignment transactions and other disclosures, as prescribed under the Master Directions.

Applicable NBFCs shall rotate the partners of the chartered accountant firm conducting the audit, every three years so that the same partner shall not conduct audit of such NBFC continuously for more than three years. Further, such NBFCs shall frame their internal guidelines on corporate governance with the approval of the board of directors which shall be published on their respective websites.

Fit and Proper Criteria

Applicable NBFCs are required to (a) maintain a policy approved by the board of directors for ascertaining the fit and proper criteria of the directors at the time of appointment, and on a continuing basis, in line with the guidelines prescribed under the Master Directions; (b) obtain a declaration and undertaking from directors giving additional information on the directors, in the format prescribed under the Master Directions; (c) obtain a deed of covenant signed by directors, in the format prescribed under the Master Directions; and (d) furnish to the RBI a quarterly statement on change of directors and a certificate from the managing director of the Applicable NBFCs that fit and proper criteria in selection of the directors has been followed. The statement must be submitted to the regional office of the Department of Non-Banking Supervision of the RBI where the Applicable NBFC is registered, within 15 days of the close of the respective quarter. The statement submitted for the quarter ending March 31, is required to be certified by the auditors.

Acquisition or Transfer of Control

Applicable NBFCs are required to obtain prior written permission of RBI for (a) any takeover or acquisition of control, which may or may not result in change in management, (b) any change in the shareholding, including progressive increases over time, which would result in acquisition or transfer of shareholding of 26% or more of the paid-up equity capital (no prior approval is required if the shareholding going beyond 26% is due to buy-back of shares or reduction in capital where it has approval of a competent court but must be reported to the RBI within one month of the occurrence), and (c) any change in the management of the Applicable NBFCs, which results in change in more than 30% of the directors, excluding independent directors, provided that no prior approval shall be required in case of directors who get re-elected on retirement by rotation.

Prudential Norms

All NBFCs are required to maintain capital adequacy ratio consisting of Tier I and Tier II capital which shall not be less than 15% of its aggregate risk weighted assets on-balance sheet and of risk adjusted value of off-balance sheet items. The Tier I capital in respect of Applicable NBFCs (other than NBFC-MFI and IDF-NBFC), at any point of time, shall not be less than 10%.

Liquidity Risk Management Framework and Liquidity Coverage Ratio

Liquidity Risk Management Framework

Applicable non-deposit taking NBFCs are required to adhere to the liquidity risk management guidelines prescribed under the Master Directions. The guidelines, *inter alia*, require the board of directors of the Applicable NBFC to formulate a liquidity risk management framework detailing entity-level liquidity risk tolerance, funding strategies, prudential limits, framework for stress testing, liquidity planning under alternative scenarios, nature and frequency of management reporting, and periodical review of assumptions used in liquidity projections.

Liquidity Coverage Ratio

Pursuant to the RBI circular dated November 4, 2019, on 'Liquidity Risk Management Framework for Non-Banking Financial Companies and Core Investment Companies', all non-deposit taking NBFCs with asset size of ₹100 billion and above, and all deposit taking NBFCs irrespective of their asset size, are required to maintain a liquidity buffer in

terms of liquidity coverage ratio which will promote resilience of NBFCs to potential liquidity disruptions by ensuring that they have sufficient high quality liquid asset to survive any acute liquidity stress scenario lasting for 30 days. The stock of high-quality liquid asset to be maintained by the NBFCs is required to be a minimum of 100% of total net cash outflows over the next 30 calendar days. The liquidity coverage ratio requirement is binding on NBFCs from December 1, 2020 with the minimum high quality liquid assets to be held being 50% of the liquidity coverage ratio, progressively reaching up to the required level of 100% by December 1, 2024, in accordance with the time-line prescribed below:

From	December 1, 2020	December 1, 2021	December 1, 2022	December 1, 2023	December 1, 2024
Minimum Liquidity Coverage Ratio	50%	60%	70%	85%	100%

All non-deposit taking NBFCs with asset size of ₹50 billion and above but less than ₹100 billion are required to also maintain the required level of liquidity coverage ratio in accordance with the timeline given below:

From	December 1, 2020	December 1, 2021	December 1, 2022	December 1, 2023	December 1, 2024
Minimum Liquidity Coverage Ratio	30%	50%	60%	85%	100%

Asset Classification and Provisioning Norms

All NBFCs are required to adopt the asset classification and provisioning norms as set forth below:

Asset Classification:

The prudential regulations require that every applicable NBFC shall, after taking into account the degree of well-defined credit weaknesses and extent of dependence on collateral security for realisation, classify its lease/hire purchase assets, loans and advances and any other forms of credit into the following classes:

- a. a “standard asset” means the asset in respect of which no default in repayment of principal or payment of interest is perceived and which does not disclose any problem nor carry more than normal risk attached to the business; and
- b. a “sub-standard asset” means (a) an asset which has been classified as non-performing asset for a period not exceeding 12 months; (b) an asset where the terms of the agreement regarding interest and/or principal have been renegotiated or rescheduled or restructured after commencement of operations, until the expiry of one year of satisfactory performance under the renegotiated or rescheduled or restructured terms. However, the classification of infrastructure loans as sub-standard assets is subject to the conditions stipulated in the Master Direction.
- c. a “doubtful asset” means (a) a term loan, or (b) a lease asset, or (c) a hire purchase asset, or (d) any other asset, which remains a sub-standard asset for a period exceeding 12 months.
- d. a “loss asset” means (a) an asset which has been identified as loss asset by an Applicable NBFC or its internal or external auditor or by the RBI during the inspection of the Applicable NBFC, to the extent it is not written off by the Applicable NBFC; and (b) an asset which is adversely affected by a potential threat of non-recoverability due to either erosion in the value of security or non-availability of security or due to any fraudulent act or omission on the part of the borrower.
- e. a “non-performing asset” means (in accordance with Master Circular - Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances dated October 1, 2021): An asset, including a leased asset, becomes non-performing when it ceases to generate income for the bank. A non performing asset (NPA) is a loan or an advance where; interest and/ or instalment of principal remains overdue for a period of more than 90 days in respect of a term loan, the account remains ‘out of order’, in respect of an Overdraft/Cash Credit (OD/CC), the bill remains overdue for a period of more than 90 days in the case of bills purchased and discounted, the instalment of principal or interest thereon remains overdue for two crop seasons for short duration crops, the instalment of principal or interest thereon remains overdue for one crop season for long duration crops, the amount of liquidity facility remains outstanding for more than 90 days, in respect of a securitization transaction undertaken in terms of the Reserve Bank of India (Securitisation of Standard Assets) Directions, 2021. in respect of derivative transactions, the overdue receivables representing positive mark-to-market value of a derivative contract, if these remain unpaid for a period of 90 days from the specified due date for payment.

Provisioning Norms

In addition to provisioning norms under applicable accounting standards, and under the Master Directions, all Applicable NBFCs are required to, after taking into account the time lag between an account becoming nonperforming, its recognition as such, the realisation of the security and the erosion over time in the value of security charged, make provision against sub-standard assets, doubtful assets and loss assets as provided hereunder:

S. No.	Provisioning Requirement

Where hire charges or lease rentals are overdue for more than 24 months but up to 36 months	40% of the net book value											
Where hire charges or lease rentals are overdue for more than 36 months but up to 48 months	70% of the net book value											
Where hire charges or lease rentals are overdue for more than 48 months	100% of the net book value											

Standard Asset Provisioning

All Applicable NBFCs are required to make provisions for standard assets at 0.40% of the outstanding, which shall not be reckoned for arriving at the net NPAs. The provision towards standard assets shall not be netted from gross advances but are required to be shown separately as ‘Contingent Provisions against Standard Assets’ in the balance sheet of the Applicable NBFCs.

Balance Sheet Disclosures

- Applicable NBFCs are required to separately disclose in their balance sheets the provisions made, as prescribed under the Master Directions, without netting them from income or against the value of assets.
- The provisions are to be distinctly indicated under separate heads of account as:
 - Provisions for bad and doubtful debts; and
 - Provisions for depreciation in investments.
- Such provisions shall not be appropriated from the general provisions and loss reserves held, if any, by the Applicable NBFC.

- d. Such provisions for each year are required to be debited to the profit and loss account. The excess of provisions, if any, held under the heads general provisions and loss reserves are required to be written back without making adjustment against them.
- e. Additionally, Applicable NBFCs are required to disclose: (a) Capital to risk assets ratio; (b) exposure to real estate sector, both direct and indirect; and (iii) maturity pattern of assets and liabilities.

Regulation of Excessive Interest Charged by NBFCs:

- a. The board of directors of each Applicable NBFC is required to adopt an interest rate model taking into account relevant factors such as cost of funds, margin and risk premium and determine the rate of interest to be charged for loans and advances. The rate of interest, the approach for gradations of risk and rationale for charging different rate of interest to different categories of borrowers are required to be disclosed to the borrower or customer in the application form and communicated explicitly in the sanction letter.
- b. The rates of interest and the approach for gradation of risks are also required to be made available on the website of the Applicable NBFCs or published in the relevant newspapers. The information published in the website or otherwise published is required to be updated whenever there is a change in the rates of interest.
- c. The rate of interest must be annualized rate so that the borrower is aware of the exact rates that would be charged to the account.

Although rates of interest charged by NBFCs are not regulated by the RBI, rates of interest beyond a certain level may be seen to be excessive. The board of directors of Applicable NBFCs are required to layout appropriate internal principles and procedures in determining interest rates and processing and other charges.

Accounting Standards

Accounting Standards and guidance notes issued by the Institute of Chartered Accountants of India are required to be followed by NBFCs insofar as they are not inconsistent with any of the provisions of the Master Directions.

Fair Practices Code

All Applicable NBFCs having customer interface are required to adopt a fair practices code in line with the guidelines prescribed under the Master Directions. The Master Directions stipulate that such fair practices code should cover, inter alia, the form and manner of processing of loan applications; loan appraisal and terms and conditions thereof; and disbursement of loans and changes in terms and conditions of loans. The Master Directions also prescribe general conditions to be observed by Applicable NBFCs in respect of loans and requires the board of directors of Applicable NBFCs to lay down a grievance redressal mechanism. Such fair practices code should preferably be in vernacular language or language understood by borrowers of the Applicable NBFCs.

Further, all Applicable NBFCs are to frame internal guidelines on corporate governance, enhancing the scope of the guidelines without sacrificing the underlying spirit of the guidelines stipulated in the Master Directions. The guidelines framed are required to be published on the NBFC's website for the information of various stakeholders.

Scale based regulation (SBR) - Revised Regulatory Framework for NBFCs by the RBI, 2021, dated October 22, 2021, as amended ("SBR Framework") read with RBI notification - Compliance Function and Role of Chief Compliance Officer (CCO) - NBFCs dated April 11, 2022, as amended ("Notification")

On October 22, 2021, the RBI issued a Scale Based Regulation (SBR): A Revised Regulatory Framework for NBFCs ("**SBR Framework**"), whereby NBFCs have been categorised into following four layers based on their size, activity, and perceived riskiness by the RBI:

- a. **Base Layer:** The Base Layer comprises of (a) non-deposit taking NBFCs below the asset size of ₹1000 crore and (b) NBFCs undertaking the following activities- (i) NBFC-Peer to Peer Lending Platform (NBFC-P2P), (ii) NBFC-Account Aggregator (NBFC-AA), (iii) Non-Operative Financial Holding Company (NOFHC) and (iv) NBFCs not availing public funds and not having any customer interface. NBFC-BLs largely continue to be subject to regulations earlier applicable to non-deposit taking NBFCs. The Regulation introduces a few changes for better governance of NBFC-BLs viz. requirement for Board policy on loans to directors, senior officers and relatives; constitution of a Risk Management Committee; and disclosure of types of exposure, related party transactions, loans to Directors/ Senior Officers and customer complaints.
- b. **Middle Layer:** The Middle Layer consists of (a) all deposit taking NBFCs (NBFC-Ds), irrespective of asset size, (b) non-deposit taking NBFCs with asset size of ₹1000 crore and above and (c) NBFCs undertaking the following activities (i) Standalone Primary Dealers (SPDs), (ii) Infrastructure Debt Fund - Non-Banking Financial Companies (IDF-NBFCs), (iii) Core Investment Companies (CICs), (iv) Housing Finance Companies (HFCs) and (v) Infrastructure Finance Companies (NBFC-IFCs).

Certain measures under the regulatory framework in relation to NBFC-MLs include: (a) aligning credit concentration norms for NBFCs with those applicable to banks, by merging the currently applicable lending and investment concentration limits into a single exposure limit of 25% for single borrower and 40% for group of borrowers anchored to the NBFC's Tier - I capital; (b) introducing a requirement for NBFCs to have a policy approved by their respective boards of directors on internal capital adequacy assessment process; (c) prescribing limit on initial public offer financing of ₹ 10 million per individual; (d) regulatory restrictions on lending by NBFCs; (e) detailed disclosures of certain items in annual financial statements; (f) limits on exposure to commercial real estate and capital market sector; and (g) mandatory requirement for appointment of a functionally independent chief compliance officer and independent director.

- c. **Upper Layer:** The Upper Layer shall comprise of those NBFCs which are specifically identified by the Reserve Bank as warranting enhanced regulatory requirement based on a set of parameters and scoring methodology. The top ten eligible NBFCs in terms of their asset size shall always reside in the upper layer, irrespective of any other factor.
- d. **Top Layer:** The Top Layer will ideally remain empty. This layer can get populated if the Reserve Bank is of the opinion that there is a substantial increase in the potential systemic risk from specific NBFCs in the Upper Layer.

Pursuant to the SBR Framework the criteria of asset size of non-deposit NBFCs for classification as non-systemically important for the purpose of regulatory structure of NBFCs have been increased from ₹ 50,000 lakh to ₹ 1,00,000 lakh (“NBFC-ND”). Therefore, non-deposit NBFCs with asset size of over ₹ 1,00,000 lakh will be considered as systemically Important by the RBI (“NBFC-ND-SI”). The SBR Framework provides that from October 1, 2022, references to NBFC-ND shall mean NBFC-BL and all references to NBFC-D and NBFC-ND-SI shall mean NBFC-ML or NBFC-UL, as the case may be. SBR Framework clarified that existing NBFC-ND-SIs having asset size of ₹500 crores and above but below ₹1,000 crores (except those necessarily featuring in NBFC-Middle Layer) will be known as NBFC-BL.

The Revised Regulatory Framework for NBFCs also prescribes specific regulatory changes for each of the different layers in the regulatory structure, that is, capital guidelines, prudential guidelines, governance guidelines and the transition path, as elucidated on above.

As on the date of filing of this Draft Prospectus, our Company falls under the category of NBFC ML, as its assets size is above ₹ 1,000 crore, as per the last audited balance sheet. SBR Framework provide that NBFCs in the middle layer (NBFC-UL) shall continue to follow regulations as currently applicable for NBFC-ND-SIs, NBFC-Ds, CICs, SPDs and HFCs, as the case may be, except for the regulatory changes under SBR Framework applicable on NBFC-ML.

Reserve Bank of India's Guidelines on Digital Lending dated September 2, 2022 (“Digital Lending Guidelines”)

The RBI released the Digital Lending Guidelines requiring regulated entities to adhere to the customer protection and conduct requirements, technology and data requirements along with the prescribed regulatory framework.

- a. **Customer Protection and Conduct:** The regulated entities are required to ensure that all loan servicing, repayment and related services are executed directly by the borrower without the involvement of a third-party pool account. Further, all collection of fees and charges shall be paid directly by such regulated entity. Further, all penal interest and charges levied shall be calculated on the outstanding amount of the loan and shall be disclosed upfront on an annualized basis. All regulated entities shall provide the borrower with a standardized Key Fact Statement as prescribed in the Digital Lending Guidelines, populated with the prescribed details. In addition to the above, regulated entities shall appoint a suitable grievance redressal officer to address issues raised by borrowers including digital lending and fin tech-related complaints. Each borrower's creditworthiness is required to be ascertained in an auditable way, ahead of extending any loan.
- b. **Technology and Data Requirement:** All information collated by the regulated entities shall be on a need-based principle with prior and explicit consent of the borrower. No personal data of any of the borrowers shall be stored except as required for the purpose of carrying out their operations, as necessary. To this effect, regulated entities shall also formulate guidelines to govern data storage, privacy and usage in line with the Digital Lending Guidelines.
- c. **Regulatory Framework:** Regulated entities are required to comply with reporting requirements to credit information companies along with other prescribed rules and regulations as laid down in the Digital Lending Guidelines.

Reserve Bank of India's Guidelines on Default Loss Guarantee in Digital Lending dated June 8, 2023 ("DLG in Digital Lending Guidelines")

The RBI released the Guidelines on Default Loss Guarantee (DLG) which are applicable to DLG arrangements in digital lending operations undertaken by the regulated entities including Non-Banking Financial Companies. The guidelines lay down the eligibility conditions for DLG provider and provide for the structure of DLG arrangements. Further, the guidelines provide for the due diligence requirements in respect of the DLG provider. The guidelines further clarify that the customer protection measures and grievance redressal issues pertaining to DLG arrangements shall be guided by RBI's instructions contained in 'Guidelines on Digital Lending' dated September 02, 2022, along with other applicable norms.

Reserve Bank of India (Know Your Customer (KYC)) Master Directions, 2016 dated February 25, 2016, as amended ("RBI KYC Directions")

The RBI KYC Directions are applicable to every entity regulated by the RBI, specifically, scheduled commercial banks, regional rural banks, local area banks, primary (urban) co-operative banks, state and central co-operative banks, all India financial institutions, NBFCs, miscellaneous non-banking companies and residuary non-banking companies, amongst others.

In terms of the RBI KYC Directions, every entity regulated thereunder is required to formulate a KYC policy which is duly approved by the board of directors of such entity or a duly constituted committee thereof. The KYC policy formulated in terms of the RBI KYC Directions is required to include four key elements, being customer acceptance policy, risk management, customer identification procedures and monitoring of transactions. It is advised that all NBFCs' adopt the same with suitable modifications depending upon the activity undertaken by them and ensure that a proper policy framework of anti-money laundering measures is put in place. The RBI KYC Directions provide for a simplified procedure for opening accounts by NBFCs. It also provides for an enhanced and simplified due diligence procedure. It has prescribed detailed instructions in relation to, inter alia, the due diligence of customers, record management, and reporting requirements to Financial Intelligence Unit – India.

The RBI KYC Directions have also issued instructions on sharing of information while ensuring secrecy and confidentiality of information held by Banks and NBFCs. The regulated entities must also adhere to the reporting requirements under Foreign Account Tax Compliance Act and Common Reporting Standards. The RBI KYC Directions also require the regulated entities to ensure compliance with the requirements/obligations under international agreements. The regulated entities must also pay adequate attention to any money-laundering and financing of terrorism threats that may arise from new or developing technologies and ensure that appropriate KYC procedures issued from time to time are duly applied before introducing new products/services/technologies.

The RBI KYC Directions were updated on April 20, 2018, to enhance the disclosure requirements under the Prevention of Money-Laundering Act, 2002 and in accordance with the Prevention of Money-Laundering Rules vide Gazette Notification GSR 538 (E) dated June 1, 2017 and the final judgment of the Supreme Court in the case of Justice K.S. Puttaswamy (Retd.) & Another v. Union of India (Writ Petition (Civil) 494/2012). The Directions were updated to accommodate authentication as per the AADHAR (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2016 and use of an Indian resident's Aadhar number as a document for the purposes of fulfilling KYC requirement.

The RBI KYC Directions were further updated on January 9, 2020 with a view to leveraging the digital channels for customer identification process by regulated entities, whereby the RBI has decided to permit video based customer identification process as a consent based alternate method of establishing the customer's identity, for customer onboarding.

Guidelines for Appointment of Statutory Central Auditors (SCAs)/Statutory Auditors (SAs) of Commercial Banks (excluding RRBs), UCBs and NBFCs (including HFCs) dated April 27, 2021

The circular puts in place ownership-neutral regulations, ensuring independence of auditors, avoiding conflict of interest in auditor's appointments and to improve the quality and standards of audit in RBI Regulated Entities. These guidelines shall streamline the procedure for appointment of Statutory Auditors across all the Regulated Entities and ensure that appointments are made in a timely, transparent and effective manner.

Master Direction dated September 29, 2016 on Monitoring of Frauds in NBFCs (Reserve Bank) Directions, 2016

All NBFC-MLs shall put in place a reporting system for frauds and fix staff accountability in respect of delays in reporting of fraud cases to the RBI. An NBFC-ML is required to report all cases of fraud of ₹ 1,00,000 and above, and if the fraud is of ₹1,00,00,000 or above, the report should be sent in the prescribed format within three weeks from the

date of detection thereof. The NBFC-ML shall also report cases of fraud by unscrupulous borrowers and cases of attempted fraud.

Master Direction – Non-Banking Financial Companies Auditor’s Report (Reserve Bank) Directions, 2016 dated September 29, 2016

In addition to the report made by the auditor under Section 143 of the Companies Act, 2013 on the accounts of an NBFC-ND-SI (NBFC-ML), the auditor shall make a separate report to the Board of Directors of the company on inter alia examination of validity of certificate of registration obtained from the RBI, whether the NBFC is entitled to continue to hold such certificate of registration in terms of its Principal Business Criteria (financial asset / income pattern) as on 31st March of the applicable year, whether the NBFC is meeting the required net owned fund requirement, whether the board of directors has passed a resolution for non-acceptance of public deposits, whether the company has accepted any public deposits during the applicable year, whether the company has complied with the prudential norms relating to income recognition, accounting standards, asset classification and provisioning for bad and doubtful debts as applicable to it, whether the capital adequacy ratio as disclosed in the return submitted to the Bank in form NBS- 7, has been correctly arrived at and whether such ratio is in compliance with the minimum CRAR prescribed by the Bank, whether the company has furnished to the Bank the annual statement of capital funds, risk assets/exposures and risk asset ratio (NBS-7) within the stipulated period.

Master Direction - Non-Banking Financial Company Returns (Reserve Bank) Directions, 2016 dated September 29, 2016

All NBFCs are required to put in place a reporting system for filing various returns with the RBI. An NBFC-ND-SI (NBFC-ML) is required to file on a quarterly basis a return on important financial parameters, including components of assets and liabilities, profit and loss account, exposure to sensitive sectors etc., NBS-7 on prudential norms on a quarterly basis, multiple returns on asset-liability management to address concerns regarding inter alia asset liability mismatches and interest rate risk, quarterly report on branch information, and Central Repository of Information on Large Credits (“CRILC”) on a quarterly basis as well as all Special Mention Accounts-2 (“SMA-2”) status on a weekly basis to facilitate early recognition of financial distress, prompt steps for resolution and fair recovery for lenders.

Master Direction on Information Technology Framework for the NBFC Sector, 2017 dated June 8, 2017

All systemically important NBFCs must implement the security enhancement requirements under the Master Direction with respect to enhancing security of its Information Technology/Information Security Framework (“IT”) business continuity planning, disaster recovery and management. NBFCs must constitute an IT Strategy Committee and IT Steering Committee and formulate an IT and Information Security Policy in furtherance of the same. Further, a Cyber Crisis Management Plan must be formulated to address cyber intrusions and attacks. It has to be implemented by applicable NBFCs by June 2018.

Ombudsman Scheme for Non-Banking Financial Companies, 2018 dated February 23, 2018

The RBI has on February 23, 2018, introduced the Ombudsman Scheme for Non-Banking Financial Companies, 2018 (the “Scheme”). The stated objective of the Scheme is to enable the resolution of complaints free of cost, relating to certain aspects of services rendered by certain categories of NBFCs registered with the RBI to facilitate the satisfaction or settlement of such complaints, and matters connected therewith.

The Scheme provides for the appointment by RBI of one or more officers not below the rank of general manager as ombudsmen (the “Ombudsmen”) for a period not exceeding three years at a time, to carry out the functions entrusted to Ombudsmen under the Scheme. The Scheme describes the nature of complaints which any person could file with an Ombudsman alleging deficiency in services by an covered NBFC, which include inter alia failure to convey in writing the amount of loan sanctioned along with the terms and conditions including annualised rate of interest and method of application thereof, failure or refusal to provide adequate notice on proposed changes being made in the sanctioned terms in vernacular or a language understood by the borrower, levying of charges without adequate prior notice to the borrower/customer and failure or inordinate delay in releasing the securities documents to the borrower on repayment of all dues. The complaints may be settled by the covered NBFC within a specified period or may be decided by an award passed by Ombudsman after affording the parties a reasonable opportunity to present their case, either in writing or in a meeting. Where the Ombudsman decides to allow the complaint, the award passed is required to contain the direction/s, if any, to the covered NBFC for specific performance of its obligations and in addition to or otherwise, the amount, if any, to be paid by the covered NBFC to the complainant by way of compensation for any loss suffered by the complainant, arising directly out of the act or omission of the covered NBFC. The covered NBFC is required to implement the settlement arrived at with the complainant or the award passed by the Ombudsman when it becomes final and send a report in this regard to the RBI within 15 days of the award becoming final.

The Ombudsman is required to send a report to the RBI governor annually (as on June 30 every year) containing general review of the activities of his office during the preceding financial year and provide such other information as may be required by the RBI. On November 15, 2021 RBI issued circular on appointment of Internal Ombudsman for all deposit taking NBFC with 10 or more branches and for Non-deposit taking NBFCs with asset size of ₹ 500000 lakh and above and having public customer interface.

Risk-Based Internal Audit (RBIA)

An independent and effective internal audit function in a financial entity provides vital assurance to the board of directors and its senior management of NBFC regarding the quality and effectiveness of the entity's internal control, risk management and governance framework. The essential requirements for a robust internal audit function include, inter alia, sufficient authority, proper stature, independence, adequate resources and professional competence. RBI vide its circular dated February 03, 2021, inter-alia mandated all non-deposit taking NBFCs (including Core Investment Companies) with asset size of ₹ 5,000 crore and above to implement the RBIA framework by March 31, 2022.

Prevention of Money Laundering Act, 2002 ("PMLA")

The PMLA was enacted to prevent money laundering and to provide for confiscation of property derived from, or involved, in money laundering, and for incidental matters connected therewith. Section 12 of the PMLA inter alia casts certain obligations on reporting entities (as defined under the PMLA) in relation to preservation of records and reporting of transactions.

In addition to the above, the following directions and circulars issued by the RBI are also relevant to our business:

- a. Directions on Managing Risks and Code of Conduct in Outsourcing of Financial Services by NBFCs, 2017 dated November 9, 2017;
- b. Circular dated June 24, 2021 on Declaration of Dividends by NBFCs;
- c. RBI's Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances – Clarifications dated November 12, 2021;
- d. RBI's Prompt Corrective Action Framework for NBFCs dated December 14, 2021;
- e. Master Direction on External Commercial Borrowings, Trade Credits and Structured Obligations dated March 26, 2019;
- f. Loans and Advances – regulatory restrictions – NBFCs, dated April 19, 2022 as amended;
- g. Registration of Factors (Reserve Bank) Regulations, 2022

Aadhaar (Targeted Delivery of Financial and other Subsidies, Benefits and Services) Act (the "Aadhaar Act"), 2016 and the rules and regulations made thereunder

The Aadhaar Act, aims to provide for, as good governance, efficient, transparent and targeted delivery of subsidies, benefits and services, the expenditure for which is incurred from the Consolidated Fund of India, to individuals residing in India, through assigning of unique identity numbers to such individuals and for matters connected herewith. The Aadhaar Act establishes Unique Identification Authority of India ("UIDAI"), which is responsible for authentication and enrolment of individuals under the Aadhaar programme. The Aadhaar Act also provides for the appointment of Enrolling Agency, which would be responsible for the enrolment of individuals. The Aadhaar Act, to authenticate the Aadhaar Numbers, appoints a requesting entity, that would submit the Aadhaar Number along with demographic information or biometric information to the Central Identities Data Repository. Lastly, the Aadhaar Act also provides for the protection and confidentiality of identity information and authentication records of individuals.

The Aadhaar (Data Security) Regulations, 2016 ("**Data Security Regulations**") provides for measures to ensure that the information of individuals is secured. Data Security Regulations also enumerates the obligation of service providers to keep the information secure and confidential.

The Aadhaar (Sharing of Information) Regulations, 2016 ("**SI Regulations**") provides for restriction on sharing of biometric information by UIDAI. SI Regulations also restricts the sharing, circulating, or publishing of the aadhaar number.

The Aadhaar (Authentication) Regulations, 2016 ("**Authentication Regulations**") provides an Aadhaar Authentication Framework, which has two kinds and four modes of authentication. Authentication Regulations also makes it mandatory for the requesting entity to obtain the consent of the aadhaar number holder. Authentication Regulations list provisions and the entire process for the appointment of Requesting Entities and Authentication Service Agencies along with their roles and responsibilities and code of conduct.

Information Technology Act, 2000 and the rules made thereunder ("IT Act")

The IT Act has been enacted with the intention of providing legal recognition to transactions that are undertaken electronically. The IT Act facilitates electronic commerce by recognizing contracts concluded through electronic means, protects intermediaries in respect of third-party information made available to or hosted by them and creates liability for failure to protect sensitive personal data. The IT Act has created a mechanism for authenticating electronic documentation by means of digital signatures and provides for civil and criminal liability including fines and imprisonment for various offences. By means of an amendment in 2008, the IT Act legalized the validity of contracts formed through electronic means. The IT Act prescribes various offences, including those offences relating to unauthorized access of computer systems, unauthorized disclosure of confidential information and frauds emanating from computer applications. The IT Act also empowers the Government of India to intercept, monitor or decrypt any information in the furtherance of sovereignty, integrity, defence and security of India. The IT Act empowers the Government of India to formulate rules with respect to electronic signatures, reasonable security practices and procedures and sensitive personal data.

In exercise of this power, the Department of Electronics and Information Technology under the Ministry of Communications & Information Technology, Government of India, promulgated the Use of Electronic Records and Digital Signatures Rules, 2004, Digital Signature (End Entity) Rules, 2015, and Information Technology (Certifying Authorities) Rules, 2000. These rules govern the issuance and creation of digital and electronic signatures, their verification, and issuance of license to issue digital signature certificates.

Digital Personal Data Protection Act, 2023 (“DPDP Act”)

The Parliament passed the DPDP Act on August 9, 2023. The DPDP Act, once notified, will replace the existing data protection provision, as contained in Section 43A of the IT Act. The DPDP Act seeks to balance the rights of individuals to protect their personal data, with the need to process personal data for lawful and other incidental purposes. The DPDP Act provides that personal data may be processed only for a lawful purpose after obtaining the consent of the individual and a notice has to be given before seeking consent. It further imposes certain obligations on data fiduciaries including (i) make reasonable efforts to ensure the accuracy and completeness of data, (ii) build reasonable security safeguards to prevent a data breach, (iii) inform the Data Protection Board of India (the “**DPB**”) and affected persons in the event of a breach, and (iv) erase personal data as soon as the purpose has been met and retention is not necessary for legal purposes (storage limitation). In case of government entities, storage limitation and the right of the data principal to erasure will not apply. The Central Government will establish the DPB. Key functions of the DPB include: (i) monitoring compliance and imposing penalties, (ii) directing data fiduciaries to take necessary measures in the event of a data breach, and (iii) hearing grievances made by affected persons. The DPB members will be appointed for two years and will be eligible for re-appointment. The Central Government will prescribe details such as the number of members of the DPB and the selection process.

II. COVID-19 Regulatory Framework

In view of the outbreak of the COVID-19 pandemic, the RBI issued various circulars and prescribed other regulatory frameworks and relaxations governing NBFCs to deal with the disruptions caused by the COVID-19 pandemic.

Circular dated March 16, 2020

Pursuant to its circular dated March 16, 2020 (Reference No. RBI/2019-20/172 DoS.CO.PPG.BC.01/1L0T005/2019-20), the RBI provided an indicative list of actions to be taken by NBFCs as part of their operations and business continuity plans. Among others, the actions included taking steps to share important instructions/strategy with the staff members at all levels and sensitizing the staff members about preventive measures/steps to be taken in suspected cases, based on the instructions received from health authorities from time-to-time, taking stock of critical processes and revisiting business continuity plan in the emerging situations/scenarios with the aim of continuity in critical interfaces and preventing any disruption of services, due to absenteeism either driven by the individual cases of infections or preventive measures.

Circulars dated March 27, 2020 and April 17, 2020

The RBI, pursuant to its circular dated March 27, 2020 (Reference No. RBI/2019-20/186 DOR.No.BP.BC.47/21.04.048/2019-20), announced certain regulatory measures, including, inter alia, to mitigate the burden of debt servicing brought about by disruptions on account of the COVID-19 pandemic and to ensure the continuity of viable businesses. In furtherance of such circular, lending institutions were permitted to grant a moratorium of three months on payment of all instalments (including all (i) principal and/or interest components; (ii) bullet repayments; (iii) equated monthly instalments; and (iv) credit card dues) falling due between March 1, 2020 and May 31, 2020 in respect of all term loans (including agricultural term loans, retail and crop loans) (“**Moratorium Period**”). Additional relaxations were granted in relation to the calculation of ‘drawing power’ in respect of working capital facilities sanctioned in the form of cash credit/overdraft (“**CC/OD**”) to borrowers. Under the circular, such

measures were not to be treated as a concession or change in terms and conditions of loan agreements due to financial difficulty of the borrower under paragraph 2 of the Annexure to the Reserve Bank of India (Prudential Framework for Resolution of Stressed Assets) Directions, 2019 (“**Prudential Framework**”) and availing of such measures, by itself, was not to result in asset classification downgrade. The rescheduling of payments, including interest, did not qualify as a default for the purposes of supervisory reporting and reporting to credit information companies (“**CICs**”) by the lending institutions. CICs were instructed to ensure that the actions taken by lending institutions pursuant to the above announcements do not adversely impact the credit history of the beneficiaries. The circular also stated that wherever the exposure of a lending institution to a borrower is ₹50 million or above as on March 1, 2020, the lending institution was required to develop an MIS on the reliefs provided to its borrowers which was required to, inter alia, include borrower-wise and credit-facility wise information regarding the nature and amount of relief granted. Further, pursuant to its circular dated April 17, 2020 (Reference No. RBI/2019-20/220 DOR.No.BP.BC.63/21.04.048/2019-20), the RBI provided detailed instructions in relation to (i) asset classification under the prudential norms on income recognition, asset classification and (ii) provisioning requirements.

Circular dated May 23, 2020

Pursuant to its circular dated May 23, 2020 (Reference No. RBI/2019-20/244 DOR.No.BP.BC.71/21.04.048/2019-20), the RBI further permitted lending institutions (including NBFCs) to extend the Moratorium Period on payment of all instalments in respect of term loans (including agricultural term loans, retail and crop loans) by another three months, i.e., from June 1, 2020 to August 31, 2020. Such circular also permitted certain relaxations in respect of working capital facilities sanctioned in the form of cash credit/overdraft, lending institutions, subject to certain conditions.

The measures in relation to working capital facilities under the RBI circular dated May 23, 2020, were contingent on the lending institutions satisfying themselves that such measures are necessitated on account of the economic fallout from COVID-19. Further, accounts provided relief under this relaxation were subject to subsequent supervisory review with regard to their justifiability on account of the economic fallout from COVID-19. Lending institutions, accordingly, could put in place a board approved policy to implement the above measures.

Special Liquidity Scheme for NBFCs/HFCs dated July 1, 2020 and the Partial Credit Guarantee Scheme

The Government of India approved the Special Liquidity Scheme for NBFCs and HFCs to improve the liquidity position of NBFCs through a special purpose vehicle to avoid potential systemic risks to the financial sector. In order to avail the scheme, NBFCs are required to, inter alia, (a) have made a net profit in one of the two preceding financial years; and (b) be rated investment grade by a SEBI registered rating agency. In accordance with the circular, the scheme is managed by a special purpose vehicle set up by a subsidiary of the State Bank of India, SBI Capital Markets Limited.

The Partial Credit Guarantee Scheme (“**PCGS**”) was introduced on December 11, 2019 to offer a sovereign guarantee for “first loss” to public sector banks for the purchase of pooled assets, from financially sound NBFCs, subject to certain conditions. Pursuant to a press release dated May 20, 2020, the PCGS was amended to increase the coverage offered by the scheme and the window under the PCGS was extended up to March 31, 2021.

Statement on Development and Regulatory Policies dated August 6, 2020

The RBI, through its ‘Statement on Developmental and Regulatory Policies’ dated August 6, 2020, stated that with the intent to facilitate revival of real sector activities and mitigate the impact on the ultimate borrowers, provided a window under the Prudential Framework to enable the lenders to implement a resolution plan in respect of eligible corporate exposures without change in ownership, and personal loans, while classifying such exposures as standard (as set out under the Prudential Framework) subject to specified conditions.

Resolution Framework for COVID-19-related Stress dated August 6, 2020

The RBI has also issued a notification on August 6, 2020 titled ‘Resolution Framework for COVID-19-related Stress’ (“**COVID-19 Resolution Framework**”), Reference No. RBI/2020-21/16 DOR.No.BP. BC/3/21.04.048/2020-21). Under the COVID-19 Resolution Framework, lending institutions were required to frame policies, as approved by their board of directors, for implementation of viable resolution plans for eligible borrowers pursuant to the COVID-19 Resolution Framework and ensure that the resolution plans under this facility were extended only to borrowers bearing stress on account of the COVID-19 pandemic. The resolution plan extended to eligible borrowers could be invoked anytime till December 31, 2020 and was to be implemented within 180 days from the date of invocation (within 90 days in case of personal loans.).

Circular dated September 7, 2020 on resolution framework for COVID-19 related Stress - Financial Parameters

The RBI, pursuant to its circular dated September 7, 2020 (Reference No. RBI/2020-21/34 DOR.No.BP.BC/13/21.04.048/2020-21) on “Resolution Framework for COVID-19-related Stress - Financial Parameters”, set out key ratios to be mandatorily considered while finalizing the resolution plans in respect of COVID-19 Resolution Framework. Further, it also prescribed sector specific thresholds to be considered by the lending institutions, intended as floors or ceilings. The resolution plans were required to take into account the pre- COVID-19 operating and financial performance of the borrower and impact of COVID-19 on its operating and financial performance at the time of finalizing the resolution plan, to assess the cash flows in subsequent years, while stipulating appropriate ratios in each case. Lending institutions were free to consider other financial parameters as well while finalizing the resolution assumptions in respect of eligible borrowers apart from the above mandatory key ratios and the sector-specific thresholds that have been prescribed.

TLTRO on Tap Scheme

The targeted long-term repo operations on tap scheme of the RBI (“**TLTRO on Tap Scheme**”), announced on October 9, 2020 focuses on liquidity measures and revival of activity in specific sectors and, allows banks to avail liquidity to be deployed in corporate bonds, commercial paper and non-convertible debentures issued by entities in such specified sectors. The liquidity availed by banks could also be used to extend bank loans and advances to these sectors. The RBI through its ‘Statement on Developmental and Regulatory Policies’ and its press release dated February 5, 2021 stated that NBFCs are well recognised conduits for reaching out last mile credit and act as a force multiplier in expanding credit to various sectors and accordingly, permitted funds from banks under the TLTRO on Tap Scheme to be provided to NBFCs for incremental lending to these sectors until March 31, 2021. The TLTRO on Tap Scheme has further been extended by a period of nine months i.e., up to December 31, 2021 with a view to increasing the focus of liquidity measures on revival of activity in specified sectors.

Scheme for grant of ex-gratia payment of difference between compound interest and simple interest for six months to borrowers in specified loan accounts

On October 23, 2020, the Ministry of Finance, Government of India announced a scheme for grant of ex-gratia payment of difference between compound interest and simple interest by way of reliefs for the six months period from March 1, 2020 to August 31, 2020, to borrowers in specified loan accounts (“**October 2020 Scheme**”), benefits of which would be routed through lending institutions. The October 2020 Scheme was applicable to all lending institutions, including, inter alia, banking companies, NBFCs and housing finance companies. Borrowers who had loan accounts with sanctioned limits and outstanding amounts not exceeding ₹20 million as on February 29, 2020 were eligible under the October 2020 Scheme, subject to certain conditions. Borrowers of the following classes of loans were eligible, namely (i) MSME loans; (ii) education loans; (iii) housing loans; (iv) consumer durable loans; (v) credit card dues; (vi) automobile loans; (vii) personal loans to professionals; and (viii) consumption loans.

Circular dated April 7, 2021 on Asset Classification and Income Recognition

The RBI, pursuant to the decision of the Supreme Court of India in Small Scale Industrial Manufacturers Association v. Union of India, dated March 23, 2021, has issued a circular dated April 7, 2021 (the “**April 2021 Circular**”, Reference No. RBI/2021-22/17 DOR.STR.REC.4/21.04.048/2021-22). The April 2021 Circular stipulates that all lending institutions (including NBFCs) are required to implement a board-approved policy to refund/adjust the “interest on interest” charged to the borrowers during the moratorium period, i.e. March 1, 2020 to August 31, 2020 in conformity with the above judgement. In order to ensure that the above judgement is implemented uniformly in letter and spirit by all lending institutions, the methodology for calculation of the amount to be refunded/adjusted for different facilities is required to be finalised by the Indian Banks Association in consultation with other industry participants/bodies, which shall be adopted by all lending institutions. The above reliefs shall be applicable to all borrowers, including those who had availed of working capital facilities during the moratorium period, irrespective of whether moratorium had been fully or partially availed, or not availed, in terms of the circulars dated March 27, 2020 and May 23, 2020.

Further, in relation to asset classification, the April 2021 Circular stipulates that, (i) in respect of accounts which were not granted any moratorium in terms of the COVID-19 regulatory relief provided, asset classification is to be undertaken in terms of the criteria laid out in the Master Circular - Prudential Norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances dated July 1, 2015 (Reference No. RBI/2015-16/101 DBR.No.BP.BC.2/21.04.048/2015-16) or other relevant instructions as applicable to the specific categories of lending institutions; and (ii) in respect of accounts in relation to which a moratorium was granted in terms of the COVID-19 regulatory relief, the asset classification for the period from March 1, 2020 to August 31, 2020 shall be governed in terms of the circular dated April 17, 2020 (Reference No. RBI/2019-20/220 DOR.No.BP.BC.63/21.04.048/2019-20), read with circular dated May 23, 2020 (Reference No. RBI/2019-20/244 DOR.No.BP.BC.71/21.04.048/2019-20). For

the period commencing September 1, 2020, asset classification for all such accounts shall be as per the applicable income recognition and asset classification norms.

Circular dated May 5, 2021 on Resolution Framework for Advances to Individuals and Small Businesses

Through its circular dated May 5, 2021 titled 'Resolution Framework - 2.0: Resolution of COVID-19 related stress of Individuals and Small Businesses' (Reference No. RBI/2021-22/31 DOR.STR.REC.11/21.04.048/2021- 22), the RBI has permitted lending institutions to offer a limited window to individual borrowers and small businesses to implement resolution plans in respect of their credit exposures while classifying such credit exposures as 'standard' upon implementation of the resolution plan, subject to certain conditions specified under the circular. The lending institutions are required to frame policies, approved by the board of directors, pertaining to the implementation of viable resolution plans for eligible borrowers ensuring that the resolution under this facility is provided only to the borrowers having stress on account of COVID-19. The last date for invocation of resolutions under the window provided was September 30, 2021. The resolution plans implemented under this window may, inter alia, include rescheduling of payments, conversion of any interest accrued or to be accrued into another credit facility, revisions in working capital sanctions, and granting of moratorium, based on income streams of the borrower. The moratorium period, if granted, may be for a maximum of two years, and shall come into force immediately upon implementation of the resolution plan. The extension of the residual tenor of the loan facilities may also be granted to borrowers, with or without payment moratorium. The overall cap on extension of residual tenor, inclusive of moratorium period if any permitted, shall be two years.

III. Foreign Exchange Laws

Foreign investment in India is governed by the provisions of Foreign Exchange Management Act, 1999, as amended, along with the rules, regulations and notifications made by the Reserve Bank of India thereunder, and the consolidated FDI Policy, effective from October 15, 2020, issued by the DPIIT, and any modifications thereto or substitutions thereof, issued from time to time. CALLS

17. The Board may, from time to time, subject to Section 49 of the Act and subject to the terms on which any shares may have been issued, make calls upon the members in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or byway of premium) and not by the conditions of allotment thereof made payable at fixed times.
Provided that no call shall exceed one-fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the last preceding call A call may be made payable by installments or as

otherwise prescribed. Each member shall, subject to receiving at least fourteen days' notice specifying the time or times and place of payment, pay to the company, at the time or times and place so specified, the amount called on his shares. A call may be revoked or postponed at the discretion of the Board.

18. A call shall be deemed to have been made at the time when the resolution of the Board of Directors authorizing such call was passed. Not less than fourteen days' notice of any call shall be given specifying the time and place of payment and to whom such call shall be paid.
19. The Board may, from time to time, insofar as permitted under the Act, at its discretion extend the time fixed for the payment of any call and may extend such time as to call of any of the members who from residence at distance or other cause, the Board may deem fairly entitled to such extension; but no member shall be entitled to such extension save as a matter of grace and favour.
20. If any member fails to pay any call due from him on the day appointed for payment thereof as aforesaid or any such extension thereof as aforesaid insofar as permitted under the Act, the person from whom the sum is due shall pay interest thereon from the day appointed for payment thereof to the time of actual payment at ten per cent per annum or at such lower rate, if any, as the Board may determine and the Board shall be at liberty to waive payment of such interest either wholly or in part.
21. If by the terms of issue of any shares or otherwise any amount is made payable on allotment or any fixed date at fixed times, whether on account of the nominal value of the share or by way of premium, every such amount or instalment shall be payable as if it were a call duly made and payable on the date on which by the terms of issue such sum becomes payable. In case of non-payment of such sum, all the relevant provisions of the Act shall apply as if such sum had become payable by virtue of a call duly made and notified. No member shall exercise any voting right in respect of any shares registered in his name on which any calls or other sums presently payable by him have not been paid.
22. On the trial or hearing of any action or suit brought by the Company against any shareholder or his representatives to recover any debt of or money claimed to be due to the Company in respect of his shares, it shall be prima facie evidence for the matter that the name of the defendant is or was when the claim arose on the register of members of the Company as a holder as one of the holders of the number of shares in respect of which such claim is made and that the amount claimed is not entered as said in the books of the Company and it shall not be necessary to prove the appointment of the directors who made any call, nor that quorum of directors was present at the Board at which any call was made nor that the meeting at which any call was made was duly convened or constituted nor any other matter whatsoever but the proof of matters aforesaid shall be conclusive evidence of the debt.
23. The Board (a) may if they think fit, receive from any member willing to advance the same, all or any part of the moneys uncalled and unpaid upon any shares held by him due upon the shares held by him; and (b) upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate not exceeding, unless the company in general meeting shall otherwise direct, twelve per cent per annum, as may be agreed upon between the Board and the member paying the sum in advance. Moneys so paid more than the amount of calls shall not rank for dividends or participate in profits. The Board may at any time repay the amount so advanced upon giving to such members three months' notice in writing.

JOINT HOLDERS

24. Where two or more persons are registered as holders of any shares, they shall be deemed to hold the same as joint holders with benefits of survivorship subject to the following and other provisions contained in these Articles.
 - a. Shares may be registered in the name of any person, company, or other body corporate but not more than three persons shall be registered jointly as members in respect of any shares.
 - b. The certificate of shares registered in the names of two or more persons shall be delivered to the person first named on the register and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to the joint holders.
 - c. The joint holders of share shall be jointly and severally liable to pay all calls in respect thereof.
 - d. Any dividend, interest or other monies payable in cash in respect of shares may be paid by cheque or warrant sent through the post directed to the registered address of the holder or, in the case of joint holders, to the registered address of that one of the of the joint holders who is first named on the register of members, or to such person and to such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall be made payable to the order of the person to whom it is sent.
 - e. In the case of the death of anyone or more of the persons named in the register of members as the joint holders of any share, the survivors shall be the only persons authorized by the Company as having any title to or interest in such shares, but nothing herein contained shall be taken to release the estate of a deceased joint holder from any liability on shares held by him jointly with any other person.

- f. The vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders. For this purpose, seniority shall be determined by the order in which the names stand in the register of members. Several executors or administrators of a deceased member in whose name shares stand shall for the purpose of these Articles be deemed joint holders thereof.
- g. A document or notice may be served or given by the Company on or to the joint holders of a share by serving or giving the document or notice on or to the joint holder named first in the register of members in respect of the share.

FOREFEITURE AND LIEN

- 25. If any member fails to pay any calls or installment on or before appointed day for the payment of the same, the Board may at any time thereafter during such time as the call or installment remains unpaid, serve a notice on such member requiring him to pay the same, together with any interest that may have accrued.
- 26. The notice shall name a further day (not being less than fourteen days from the date of notice) and a place or places on and at which such call or installment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment of at or before the time and at the place appointed, the shares in respect of which such call was made or installment is payable will be liable to be forfeiture.
- 27. If the requirements of any such notice as aforesaid be not complied with, any shares in respect of which such notice has been given may, at any time thereafter, before the payment required under the notice has been made be forfeited by a resolution of the Board of Directors to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited shares and not actually paid before the forfeiture
- 28. When any share shall have been so forfeited, notice of the resolution shall be given to the member in whose name is stood immediately prior to the forfeiture and an entry of the forfeiture with the date thereof, shall forthwith be made in the Register but in so far as permissible under law, no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or to make such entry as aforesaid.
- 29. Any share so forfeited shall be deemed to be property of the Company and the board may sell, re-allot or otherwise dispose of the same in such manner as it thinks fit.
- 30. The Board may at any time before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, annul the forfeiture thereof on such conditions as it thinks fit.
- 31. Any member whose shares have been forfeited shall notwithstanding be liable to pay and shall forthwith pay to the Company all calls installments interest and expenses, owing upon or in respect of such shares at the time of the forfeiture together with interest thereon, from the time of forfeiture until payment at 18 per cent per annum, and the Board may enforce the payment thereof without any deduction of allowance for the value of the shares at the time of forfeiture but shall not be under any obligation to do so.
- 32. The forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share and all other rights incidental to the share, except only such of those rights as by the Act or these Articles are expressly saved.
- 33. A duly verified declaration in writing, that the declarant is a director or secretary of the Company and that certain shares in the Company have been duly forfeited on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons, claiming to be entitled to the shares and such declaration and the receipt of the Company for the consideration, if any, given for the shares on the sale or disposal thereof shall constitute a good title to such shares and the person to whom the shares are sold shall be registered as the holder of such shares and shall not be bound to see to the application of the purchase money nor shall his title to such shares be effected by any irregularity or invalidity in the proceeding in reference to such forfeiture, sale or disposal.
- 34. (a) The Company shall have first and paramount lien upon all the shares (not being fully paid) registered in the name of each member (whether solely or jointly with others) and upon the proceeds of sale thereof for moneys called or payable at a fixed time in respect of such shares solely or jointly with any other person to the Company whether the period for the payment thereof shall have actually arrived or not and no equitable interest in any share shall be created. Such lien shall extend to all dividends and bonuses from time to time declared in respect of such shares. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien, if any, on such shares. No member shall exercise any voting right in respect of any shares registered in his name in regard to which the company has exercised any right of lien.

(b) The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien:

Provided that no sale shall be made –

- (i) unless a sum in respect of which the lien exists is presently payable; or

119. The Board shall provide a common Seal for the purpose of the Company and shall have powers from time to time to destroy the same and substitute a new seal in lieu thereof and the Board shall provide for the safe custody of the Seal for the time being and the Seal shall never be used except by the authority of the Board or a Committee of the Board previously given and in the presence of director of the Company or some other person appointed by the directors for the purpose as stipulated in Article 126. The Company shall also be at liberty to have an official Seal for use in any territory, district or place outside India if so, approved by the directors in a meeting of the Board of Directors.
120. Every deed or other instruments to which the Seal of the Company is required to be affixed shall unless the same is executed by a duly constituted attorney be signed by one director and the secretary or some other person appointed by the Board for the purposes, provided nevertheless that certificate of shares may be sealed in accordance with the provisions of the Companies (Share Capital and Debenture) Rules, 2014 or the statutory modification or re-enactment thereof for the time being in force.

DIVIDENDS

121. Subject to the provisions of the Act and the Companies (Declaration and Payment of Dividend) Rules, 2014 to the rights of members entitled to shares (if any) with preferential or special rights attached thereto the profits of the Company which it shall from time to time be determined to divide in respect of any year or other period shall be applied in the payment of a dividend on the equity shares of the Company but so that a partly paid-up share shall only entitle the holder with respect thereto such proportion of the distribution upon a fully paid-up share as the amount paid thereon bears to the nominal amount of such share and so that where capital is paid-up in advance of calls upon the footing that the same shall carry interest, such capital shall not whilst carrying interest, confer a right to participate in profits.
122. The Company in general meeting may declare a dividend to be paid to the members according to their rights and interest in the profits and may fix the time for payment.
123. No larger dividend shall be declared than is recommended by the Board but the Company in general meeting may declare a smaller dividend than that recommended by the Board.
124. No dividend shall be payable except out of the profits of the Company of the year or any other undistributed profits and no dividend shall carry interest as against the Company.
125. Where any assets, business or property is bought by the Company as from a past date upon the terms that the Company shall as from the date take the profits and bear the losses thereof, such profits and losses as the case may be shall, at the discretion of the Board, be so credited or debited wholly or in part to the profit and loss account and in that case the amounts so credited or debited shall for the purpose of ascertaining the fund available for dividend be treated as a profit or loss arising from the business of the Company and available for dividend accordingly. If any shares or Securities are purchased with dividend or interest such dividend or interest when paid may at the discretion of the Board be treated as revenue and it shall not be obligatory to capitalize the same or any part thereof.
126. The declaration of the Board as to the amount of the net profits of the Company shall be conclusive.
127. The Board may from time to time pay to the members such interim dividends as in its judgment the position of the Company justifies.
128. The Board may retain dividends on which the Company has a lien and may apply the same in or towards satisfaction of the debt's liabilities or engagements in respect of which the lien exists.
129. No member shall be entitled to receive payment of any interest or receive dividend in respect of his share or shares, whilst any money may be due or owing from him to the Company in respect of such share or shares or otherwise

howsoever, either alone or jointly with any other person or persons and the Board may deduct from the interest or dividend payable to any member all sums of money so due from him to the Company.

130. A transfer of shares shall not pass the right to any dividend declared thereon before the registration of the transfer.
131. Unless otherwise directed any dividend may be paid by cheque or warrant or by a pay slip or receipt having the force of a cheque or warrant, sent through the post to the registered address of the, member or person entitled or in case of joint holders to that one of them first named in the register of members in respect of the joint-holding or through any electronic mode. Every such cheque or warrant shall be made payable to the order of the person to whom it is sent. The Company shall not be liable or responsible for any cheque or warrant or pay slip or receipt lost in transmission or for any dividend lost to the member or person entitled thereto by the forged endorsement of any cheque or warrant or the forged signature of any pay slip or receipt or the fraudulent recovery of the dividend by any other means. If several persons are registered as joint-holders of any shares, any one of them can give effectual receipts for any dividends or other moneys payable in respect thereof. The Board may annul such forfeiture and pay any such dividend.

CAPITALISATION

132. A general meeting may resolve that any surplus moneys arising from the realization of any capital assets of the Company or any investment representing the same or any other undistributed profits of the Company not subject to charge for income-tax, be distributed among the members on the footing that they receive the same as capital.
133. For the purpose of giving effect to any resolution under the preceding two Articles, the Board may settle any difficulty which may arise in regard to the distribution as they think expedient and in particular may issue fractional certificates and may fix the value for distribution of any specific assets and may determine that cash payments shall be made to any members upon the footing of the value so fixed in order to adjust the rights of all parties and may vest such cash or specific assets in trustees upon such trusts for the persons entitled to the dividend capitalized fund as may seem expedient to the Board. Where requisite a proper contract shall be tiled in accordance with Section 39 of the Act and the Board may appoint any person to sign such contract on behalf of the persons entitled to the dividend capitalized fund and such appointment shall be effective.

BOOKS AND DOCUMENTS

134. The Board shall cause to be kept proper books of accounts in accordance with Section 128 of the Act with respect to:

INDEPENDENT AUDITORS' REPORT**To the Members of Aditya Birla Finance Limited
Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying financial statements of Aditya Birla Finance Limited (the "Company"), which comprise the Balance Sheet as at 31st March 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity and for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the 'financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("SA"s). Our responsibilities under those Standards are further described in the Auditors' Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditors' Response
1.	<p>Allowances for Expected Credit Losses ("ECL"):</p> <p>As at March 31, 2023, the carrying value of loan assets measured at amortised cost, aggregated ₹78,84,950.10 lakh (net of allowance of expected credit loss ₹1,60,328.71 lakh) constituting approximately 94% of the Company's total assets. Significant judgement is used in classifying these loan assets and applying appropriate measurement principles. ECL allowance on such loan assets measured at amortised cost is a critical estimate involving a greater level of management judgement.</p> <p>As part of our risk assessment, we determined that the allowance for ECL on loan assets has a high degree of estimation uncertainty, with a potential range of reasonable outcomes for the financial statements.</p> <p>The elements of estimating ECL which involved increased level of audit focus are the following:</p> <ul style="list-style-type: none"> • Qualitative and quantitative factors used in staging the loan assets measured at amortised cost. • Basis used for estimating Probabilities of Default ("PD"), Loss Given Default ("LGD") and Exposure at Default ("EAD") at product level with past trends; • Judgements used in projecting economic scenarios and probability weights applied to reflect future economic conditions; and • Adjustments to model driven ECL results to address emerging trends. <p>(Refer Note 4.1, 10 and 52 to the Financial Statements)</p>	<p>We performed the following audit procedures:</p> <p>We have examined the policies approved by the Board of Directors of the Company that articulate the objectives of managing each portfolio and their business models. We have also verified the methodology adopted for computation of ECL ("ECL Model") that addresses policies approved by the Board of Directors, procedures and controls for assessing and measuring credit risk on all lending exposures measured at amortised cost.</p> <p>Additionally, we have confirmed that adjustments to the output of the ECL Model is consistent with the documented rationale and basis for such adjustments and that the amount of adjustment have been approved by the Audit Committee of the Board of Directors.</p> <p>Our audit procedures related to the allowance for ECL included the following, among others:</p> <ul style="list-style-type: none"> • Testing the design and operating effectiveness of the following: <ul style="list-style-type: none"> - completeness and accuracy of the Exposure at Default ("EAD") and the classification thereof into stages consistent with the definitions applied in accordance with the policy approved by the Board of Directors including the appropriateness of the qualitative factors to be applied. - completeness, accuracy and appropriateness of information used in the estimation of the PD and LGD for the different stages depending on the nature of the portfolio; and - accuracy of the computation of the ECL estimate including reasonableness of the methodology used to determine macro-economic overlays and adjustments to the output of the ECL Model. • Test of details on a sample in respect of the following: <ul style="list-style-type: none"> - we tested accuracy and completeness of the input data such as ratings and period of default and other related information used in estimating the PD; - completeness and accuracy of the staging of the loans and the underlying

		<p>data based on which the ECL estimates have been computed.</p> <ul style="list-style-type: none"> - we evaluated reasonableness of LGD estimates by comparing actual recoveries post the loan asset becoming credit impaired with estimates of LGD; and - we evaluated the incorporation of the applicable assumptions into the ECL Model and tested the mathematical accuracy and computation of the allowances by using the same input data used by the Company. <ul style="list-style-type: none"> • We also evaluated the adequacy of the adjustment after stressing the inputs used in determining the output as per the ECL Model and ensured that the adjustment was in conformity with the amount approved by the Audit Committee. • We also assessed the disclosures made in relation to the ECL allowance to confirm compliance with the provisions of Ind AS 107.
2.	<p>Key Information Technology and General Controls</p> <p>The Company is dependent on its Information Technology ("IT") systems due to the significant number of transactions that are processed daily across such multiple and discrete IT systems.</p> <p>Also, IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner and under controlled environments. Appropriate controls contribute to mitigating the risk of potential fraud or errors as a result of changes to applications and data.</p> <p>On account of the pervasive use of its IT systems, the testing of the general computer controls of the key IT systems used in financial reporting was considered to be a Key Audit Matter</p>	<p>With the assistance of our IT specialists, we obtained an understanding of the Company's IT applications, databases and operating systems relevant to financial reporting and the control environment. For these elements of the IT infrastructure the areas of our focus included access security (including controls over privileged access), program change controls, database management and network operations.</p> <p>In particular:</p> <ul style="list-style-type: none"> • we tested the design, implementation and operating effectiveness of the Company's general IT controls over the key IT systems relevant to financial reporting. This included evaluation of Company's controls over segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being recertified during the period of audit; • We also tested key automated business cycle controls and logic for the reports generated through the IT infrastructure that were relevant for financial reporting or were used in the exercise of internal financial controls with reference to financial

		statements. Our tests included testing of the compensating controls or alternate procedures to assess whether there were any unaddressed IT risks that would materially impact the financial statements.

Information Other than the Financial Statements and Auditors' Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures thereto, Management Discussion and Analysis ("MD&A") (collectively referred to as "other information") but does not include the financial statements and our auditors' report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditor's report unless law or regulation

precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit of the financial statements, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31 March 2023, taken on record by the Board of Directors, none of the directors are disqualified as on 31 March 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
 - g. With respect to the other matters to be included in the Auditors' report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements (Refer Note 46 to the financial statements);
 - ii. The Company has made provision, as required under the applicable law or accounting standards for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its' knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The Management has represented, that, to the best of its' knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on the audit procedures performed that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company w.e.f. April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.
2. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to financial statements of Aditya Birla Finance Limited (the "Company") as of 31st March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statement and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of Internal Financial Controls with reference to Financial Statement, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control with reference to financial statements includes those policies and

procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2023 based on the criteria for internal financial control with reference to financial statement established by the respective Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date) to the members of Aditya Birla Finance Limited on the Financial Statements as at and for the year ended March 31, 2023)

To the best of our information and according to the explanations provided to us by the Company and the books of account examined by us in the normal course of audit, we state that:

(i) In respect of the Company's Property, Plant and Equipment:

(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of its Property, Plant and Equipment, and the relevant details of Right-of-Use assets.

(B) The Company has maintained proper records showing full particulars of Intangible Assets.

(b) The Property, Plant and Equipment, were physically verified during the year by the Management in accordance with a regular programme of verification which in our opinion, provides for physical verification of all the property, plant and equipment at reasonable intervals. No material discrepancies were noticed on such verification.

(c) Based on our examination of the documents provided to us, we report that, the title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in are held in the name of the Company as at the balance sheet date.

(d) The Company has not revalued any of its Property, Plant and Equipment (Including Right of Use assets) or intangible assets or both during the year. Accordingly, paragraph 3(i)(d), of the Order is not applicable.

(e) No proceedings have been initiated during the year or are pending against the Company as at 31 March 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii) In respect of the Company's inventories:

(a) The Company is engaged primarily in lending activities and consequently does not hold any physical inventories. Accordingly, paragraph 3(ii)(a) of the Order is not applicable.

(b) The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, by banks or financial institutions on the basis of security of loans (assets) during the year. As disclosed in Note 72 to the financial statements, the differences between the items reported in the quarterly returns / statements filed by the Company (including subsequent revisions thereto) with such banks or financial institutions and the books of account maintained by the Company, were not material. However, we have not carried out a specific audit of such statements.

(iii) As explained in note 1 to the financial statements, the Company is a non-deposit taking non-banking financial company ("NBFC") registered with the Reserve Bank of India ("RBI") and as part of its business activities, is engaged in the business of lending across various types of loans.

During the year, in the ordinary course of its business, the Company has made investments in, provided guarantee/ security to and granted loans and advances in the nature of loans, secured and unsecured, to companies, firms, limited liability partnerships and other parties. With respect to such investments, guarantees/ security and loans and advances:

(a) The provisions of paragraph 3(iii)(a) of the Order are not applicable to the Company as its principal business is to give loans;

(b) In our opinion, having regard to the nature of the Company's business, the investments made, guarantees provided, security given and the terms and conditions for the grant of

all loans and advances in the nature of loans and guarantees provided during the year are, prima facie, not prejudicial to the Company's interest;

- (c) In respect of loans and advances in the nature of loans (together referred to as "loan assets"), the schedule of repayment of principal and payment of interest has been stipulated. Note 4.1(v) to the Financial Statements explains the Company's accounting policy relating to impairment of financial assets which include loans assets. In accordance with that policy, loan assets with balances as at 31 March, 2023, aggregating ₹250,709.88 lakh were categorised as credit impaired ("Stage 3") and ₹ 218,735.72 lakh were categorised as those where the credit risk has increased significantly since initial recognition ("Stage 2"). Disclosures in respect of such loans have been provided in Note 10 to the Financial Statements. Additionally, out of loans and advances in the nature of loans with balances as at the year-end aggregating ₹ 75,75,784.68 lakhs, where credit risk has not significantly increased since initial recognition (categorised as "Stage 1"), delinquencies in the repayment of principal and payment of interest aggregating ₹11,393.19 lakh were also identified, albeit for a period of less than 31 days. In all other cases, the repayment of principal and interest is regular. Having regard to the nature of the Company's business and the volume of information involved, it is not practicable to provide an itemised list of loan assets where delinquencies in the repayment of principal and interest have been identified.
- (d) The total amount overdue for more than ninety days, in respect of loans and advances in the nature of loans, as at the year-end is ₹ 1,38,898.34 lakh. Reasonable steps are being taken by the Company for recovery of the principal and interest.
- (e) The provisions of paragraph 3(iii)(e) of the Order are not applicable to the Company as its principal business is to give loans.
- (f) The Company has not granted any loans or advances in the nature of loans that were either repayable on demand or without specifying any terms or period of repayment.
- (iv) In our opinion, the Company has complied with the provisions of Section 185 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees provided or security given, as applicable and the provisions of Section 186 of the Companies Act 2013 are not applicable to the Company.
- (v) In our opinion and according to the information and explanations given to us, the Company being Non-Banking Finance Company registered with RBI, provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014, as amended, are not applicable to the Company. We are informed by the management that no order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal against the Company in this regard.
- (vi) The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013, for business activities carried out by the Company. Hence, reporting under paragraph 3 (vi) of the order is not applicable.
- (vii) In respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues, including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Cess and other material statutory dues applicable to it, with the appropriate authorities. As explained to us, the Company did not have any dues payable on account of sales tax, service tax, duty of customs, duty of excise and value added tax.
- (b) There were no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax Cess and any other material statutory dues in arrears as at 31 March 2023, for a period of more than six months from the date they became payable.

- (c) The Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31 March 2023, on account of disputes are given below:

*Includes interest and penalty

- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) With respect to reporting requirements of paragraph 3(ix) of the Order:
- The Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - The Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.
 - In our opinion, term loans availed by the Company during the year, were applied by the Company for the purposes for which the loans were obtained.

- (d) On the basis of the maturity profile of financial assets and financial liabilities provided in Note 44 to the Financial Statements, financial liabilities maturing within the 12 months following the reporting date (i.e. 31 March 2023) falls short of the expected recoveries from financial assets during that period. Further, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) of the Order is not applicable.
- (f) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under paragraph 3(x)(a) of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partially or optionally) during the year under review and hence reporting under paragraph 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge, no material fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under section 143(12) of the Companies Act, 2013, has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report) and provided to us, while determining the nature, timing and extent of our audit procedures.
- (xii) The Company is not a Nidhi Company and hence reporting under paragraph 3(xii) of the Order is not applicable.
- (xiii) In our opinion, the Company has complied with the provisions of Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements, etc., as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its directors or directors of its holding company or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 ("RBI Act") and it has obtained the registration.
- (b) The Company has conducted the Non-Banking Financial activities with a valid Certificate of Registration ("CoR") from the RBI as per the RBI Act. The Company has not conducted any housing finance activities and is not required to obtain CoR for such activities from the RBI.
- (c) The Company is not a Core Investment Company ("CIC") and hence reporting under paragraph 3(xvi)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations provided to us, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) has more than one CIC as part of the Group. The Group has 1 CIC which is registered with the

**Deloitte
Haskins & Sells LLP**

Singhi & Co.

Reserve Bank of India and 2 CICs which are in the process of registration with Reserve Bank of India.

- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report, indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.
- (xxi) The Company did not have any Subsidiary, Associate or Joint Venture and hence, reporting under the clause (xxi) of the Order is not applicable.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2023

Note 1: Corporate information - Brief description about the Company

Aditya Birla Finance Limited ('ABFL' or 'the Company') is a public company domiciled in India incorporated on 28 August, 1991 under the provisions of the Companies Act, 1956.

The Company is registered with Reserve Bank of India (RBI) as non-deposit taking systematically important Non Banking Financial Company (NBFC) with Registration no.N-01.00500 and is certified as ISO 9001: 2015 for all its Business processes by Intertek.

The Company is also certified with ISO 27001: 2013 - Information security Management System (ISMS) for Human resource and administration, Information Technology and Internal audit & compliance functions.

The Company is among the leading well-diversified financial services company in India offering end-to-end lending, financing and wealth management solutions to a diversified range of customers across the country.

The Company is one of the wholly owned subsidiary of Aditya Birla Capital Limited and the ultimate parent company is Grasim Industries Limited.

The registered office of the Company is Indian Rayon Compound, Veraval, Gujarat - 362266.

The audited financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On 09 May, 2023 Board of Directors of the Company approved and recommended the audited financial statements for consideration and adoption by the shareholders in its Annual General Meeting.

Note 2: Basis of Preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other relevant provisions of the Act and the guidelines and directives issued by the Reserve Bank of India (RBI), to the extent applicable. The financial statements have been prepared and presented on going concern basis. The financial statements have been prepared under the historical cost convention, as modified by the application of fair value measurements required or allowed by relevant accounting standards. Accounting policies have been consistently applied to all periods presented, unless otherwise stated.

The preparation of financial statements requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the disclosed amount of contingent liabilities. Areas involving a higher degree of judgement or complexity, or areas where assumptions are significant to the Company are discussed in Note 5 - Significant accounting judgements, estimates and assumptions.

The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lakh, except when otherwise indicated.

Note 3: Presentation of financial statements:

The financial statements of the Company are presented as per Schedule III (Division III) of the Companies Act, 2013 applicable to NBFCs, as notified by the Ministry of Corporate Affairs (MCA). Financial assets and financial liabilities are generally reported on a gross basis except when, there is an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event and the parties intend to settle on a net basis in the following circumstances:

- i. The normal course of business
- ii. The event of default
- iii. The event of insolvency or bankruptcy of the Company and/or its counterparties

Functional and Presentation currency

The financial statements are presented in Indian rupees (rounded to the nearest lakhs) which is determined to be the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Note 4: Significant accounting policies:

Note 4.1: Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Note 4.1 (i): Classification of financial instruments

The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Company classifies its financial assets into the following measurement categories:

1. Financial assets to be measured at amortised cost
2. Financial assets to be measured at fair value through other comprehensive income
3. Financial assets to be measured at fair value through profit or loss account

The business model is assessed on the basis of aggregated portfolios based on observable factors. These factors include:

- ▶ Reports reviewed by the entity's key management personnel on the performance of the financial assets.
- ▶ The risks impacting the performance of the business model (and the financial assets held within that business model) and its management thereof.
- ▶ The compensation of the managing teams (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).
- ▶ The expected frequency, value and timing of trades.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account.

The Company also assesses the contractual terms of financial assets on the basis of its contractual cash flow characteristics that are solely for the payments of principal and interest on the principal amount outstanding.

'Principal' is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or amortisation of the premium/discount).

In making this assessment, the Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at fair value through profit or loss.

Sales that are infrequent and insignificant in value both individually and in aggregate are considered to be consistent with the business model whose objective is to hold and collect the contractual cash flows.

The Company classifies its financial liabilities at amortised costs unless it has designated liabilities at fair value through the profit and loss account or is required to measure liabilities at fair value through profit or loss.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2023

Note 4.1 (ii): Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, except in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Subsequent measurement - Financial assets measured at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely for the payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate method (EIR). Amortised cost is calculated by taking into account any fees or costs that are an integral part of the EIR. The amortisation is included in Interest income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

These financial assets comprise bank balances, trade receivables, loans and other financial assets.

Subsequent measurement - Financial assets measured at fair value through other comprehensive income

Debt instruments: A 'debt instrument' is classified as at the Fair Value through Other Comprehensive Income (FVTOCI) if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent Solely Payment of Principal and Interest (SPPI).

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the Other Comprehensive Income (OCI). However, the Company recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Equity Instruments: All equity investments in scope of Ind AS 109 are measured at fair value. For all such equity investments, the Company may make an irrevocable election to present in OCI the subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the Fair Value through Profit or Loss (FVTPL) category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Subsequent measurement - Items at fair value through profit or loss

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2023

Note 4.1 (iii): Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include borrowings including Company overdrafts and trade and other payables.

Subsequent measurement

The measurement of financial liabilities depends on their classification.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Note 4.1 (iv): Recognition and Derecognition of financial assets and liabilities

Recognition:

A financial asset or financial liability is recognised in the balance sheet when the Company becomes a party to the contractual provisions of the instrument, which is generally on trade date. Loans and receivables are recognised when cash is advanced (or settled) to the borrowers. Financial assets at fair value through profit or loss are recognised initially at fair value. All other financial assets are recognised initially at fair value plus directly attributable transaction costs.

Derecognition:

Financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- (a) The right to receive cash flows from the asset have expired, or
- (b) The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (i) the Company has transferred substantially all the risks and rewards of the asset, or (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Note 4.1 (v): Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments are measured at amortised cost e.g., loans, debt securities, deposits, and other balances
- b) Financial assets that are measured as at FVTOCI
- c) Loan commitments which are not measured as at FVTPL
- d) Financial guarantee contracts which are not measured as at FVTPL.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2023

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

The Company has established a policy to perform an assessment at the end of each reporting period of whether credit risk has increased significantly since initial recognition by considering the change in the risk of default occurring over the remaining life of the financial instrument.

To calculate ECL, the Company estimate the risk of a default occurring on the financial instrument during its expected life. ECLs are estimated based on the present value of all cash shortfalls over the remaining expected life of the financial asset i.e., the difference between the contractual cash flows that are due to the Company under the contract, and the cash flows that the Company expects to receive are discounted at the effective interest rate of the loan.

The Company groups its loans into Stage 1, Stage 2 and Stage 3, based on the applied impairment methodology, as described below:

Stage 1: 12-months ECL

For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognised.

Stage 2: Lifetime ECL – not credit impaired

For exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired, a lifetime ECL (i.e. reflecting the remaining lifetime of the financial asset) is recognised.

Stage 3: Lifetime ECL – credit impaired

Exposures are assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount.

ECL impairment loss allowance (or reversal) during the period is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'Impairment on financial instruments' in the Statement of Profit and Loss. On the other side, for financial assets measured as at amortised cost, ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

In terms of the requirement as per RBI notification no. RBI/2019-20/170 DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 dated 13 March, 2020 on Implementation of Indian Accounting Standards, Non-Banking Financial Companies (NBFCs) are required to create an impairment reserve for any shortfall in impairment allowances under Ind AS 109 and Income Recognition, Asset Classification and Provisioning (IRACP) norms (including provision on standard assets). The impairment allowances under Ind AS 109 made by the company exceeds the total provision required under IRACP (including standard asset provisioning), as at 31 March, 2023 and accordingly, no amount is required to be transferred to impairment reserve.

Note 4.1 (vi): Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2023

Note 4.1 (vii): Write-offs

The Company reduces the gross carrying amount of a financial asset when the Company has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subjected to write-offs. The Company reserves the right to recover such written off amount. Any subsequent recoveries against such loans are credited to the statement of profit and loss.

Note 4.1 (viii): Derivative Financial Instruments and Hedge Accounting:

The Company enters into forward contracts to hedge the foreign currency risk of firm commitments and highly probable forecast transactions. Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the Statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item.

The Company enters into derivative financial instruments viz. foreign exchange forward contracts, interest rate swaps and cross currency swaps to manage its exposure to interest rate and foreign exchange rate risks. The Company does not hold derivative financial instruments for speculative purposes.

Hedge Accounting : The Company designates certain hedging instruments in respect of foreign currency risk and interest rate risk as cash flow hedges. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows, and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

The effective portion of changes in the fair value of the designated portion of derivatives that qualify as cash flow hedges is recognised in Other Comprehensive Income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in the Statement of Profit and Loss.

Amounts previously recognised in Other Comprehensive Income and accumulated in other equity relating to (effective portion as described above) are re-classified to the Statement of Profit and Loss in the periods when the hedged item affects profit or loss. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains and losses are transferred from equity and included in the initial measurement of the cost of the non-financial asset or non-financial liability.

Hedge accounting is discontinued when the hedging instrument expires, terminated, or exercised, without replacement or rollover (as part of the hedging strategy), or if its designation as a hedge is revoked, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in Other Comprehensive Income and accumulated in other equity at that time remains in other equity and is recognised when the forecast transaction is ultimately recognised in Statement of Profit and Loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in other equity is recognised immediately in the Statement of Profit and Loss.

Note 4.1 (ix): Determination of fair value

On initial recognition, all the financial instruments are measured at fair value. For subsequent measurement, the Company measures certain categories of financial instruments (as explained in note 4.1 (ii) and (iii)) at fair value on each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2023

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

Note 4.2: Revenue from operations

Note 4.2 (i): Interest Income: For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the EIR. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Any subsequent changes in the estimation of the future cash flows is recognised in interest income with the corresponding adjustment to the carrying amount of the assets.

Interest income on credit impaired assets is recognised by applying the effective interest rate to the net amortised cost (net of provision) of the financial asset.

Note 4.2 (ii): Dividend Income

Dividend income is recognised

- a. When the right to receive the payment is established which is generally when shareholders approve the dividend,
- b. it is probable that the economic benefits associated with the dividend will flow to the entity and
- c. the amount of the dividend can be measured reliably

Note 4.2 (iii): Rental Income

Rental income arising from operating leases is recognised on a straight-line basis over the lease term. In cases where the increase is in line with expected general inflation. Rental Income is recognised as per the contractual terms.

Operating leases are leases where the Company does not transfer substantially all of the risk and benefits of ownership of the asset.

Note 4.2 (iv): Fees & Commission Income

Fees and commissions are recognised when the Company satisfies the performance obligation, at transaction price based on a five-step model as set out below, unless included in the effective interest calculation:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract. For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.

Note 4.2 (v): Net gain/(loss) on Fair value changes

Any differences between the fair values of financial assets classified as fair value through the profit or loss (refer Note 34), held by the Company on the balance sheet date is recognised as an unrealised gain/(loss). In cases there is a net gain/(loss) in the aggregate, the same is recognised in "Net gains on fair value changes" under Revenue from operations in the statement of Profit and Loss. Similarly, any realised gain or loss on sale of financial instruments measured at FVTPL is recognised in net gain/(loss) on fair value changes.

Similarly, any differences between the fair values of financial assets classified as fair value through other comprehensive income are disclosed in the OCI.

However, net gain/(loss) on derecognition of financial instruments classified as amortised cost is presented separately under the respective head in the Statement of Profit and Loss.

Note 4.3: Expenses

Note 4.3 (i): Finance Costs

Finance costs represents Interest expense recognised by applying the EIR to the gross carrying amount of financial liabilities other than financial liabilities classified as FVTPL.

Interest expense includes issue costs that are initially recognized as part of the carrying value of the financial liability and amortized over the expected life using the effective interest method. These include fees and commissions payable to advisers and other expenses such as external legal costs, provided these are incremental costs that are directly related to the issue of a financial liability.

Note 4.3 (ii): Retirement and other employee benefits

Short term employee benefit

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus/ex-gratia are recognised in the period in which the employee renders the related service.

Post employment employee benefit

a) Defined contribution schemes

The Company makes defined contribution to Government managed Employee Provident Fund, Government managed Employee Pension Fund, Employee Deposit Linked Insurance, Employee State Insurance and Superannuation Schemes which are recognised in Statement of Profit and Loss on accrual basis. Payments to defined contribution retirement benefit plans are recognised as an expense when employee have rendered the service entitling them to the contribution.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2023

If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

b) Defined benefit expenses

The Company's liabilities under Payment of Gratuity Act and long term compensated absences are determined on the basis of actuarial valuation made at the end of each financial year using the projected unit credit method. Actuarial gain and losses are recognised immediately in Statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

The Company presents the entire leave as a provision in the Balance Sheet, since it does not have any unconditional right to defer its settlement for twelve months after the reporting date.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss at the earliest of:

- ▶ The date of the plan amendment or curtailment, and
- ▶ The date that the Company recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation under employee benefit expenses in the Statement of Profit and Loss.

- ▶ Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements,
- ▶ Net interest expense or income.

An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, attrition rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Other long-term employee benefits

Company's liabilities towards compensated absences to employees are accrued on the basis of valuations, as at the Balance Sheet date, carried out by an independent actuary using Projected Unit Credit Method. Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised immediately in the Statement of Profit and Loss.

The Company presents the Provision for compensated absences under provisions in the Balance Sheet.

Note 4.3 (iii): Share-based payments

The Parent Company (Aditya Birla Capital Limited) issues stock options to certain employees of the Company. These transactions are recognised as equity-settled share based payment transactions by Parent company. The stock compensation expense is determined based on grant date fair value of options and is recognised on a straight line basis over the vesting period in the statement of profit and loss.

Equity-settled share-based payments to employees are measured by reference to the fair value of the equity instruments at the grant date using Black–Scholes Model.

The fair value, determined at the grant date of the equity settled share-based payments, is charged to profit and loss on the straight-line basis over the vesting period of the option, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

In case of forfeiture/lapse stock option, which is not vested, amortised portion is reversed by credit to employee compensation expense. In situation where the stock option expires unexercised, the related balance standing to the credit of the Employee Stock Options Outstanding Account is transferred within equity.

Note 4.3 (iv): Rent expense

In case of short term leases and leases for which the underlying asset is of low value, the company has elected not to apply the requirements of Ind AS 116 and the lease payments associated with those leases are recognised as rent expense on a straight line basis.

Note 4.3 (v): Leases

The Company as a lessee

The Company's lease assets primarily consist of leases for office buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes right – of – use ("ROU") asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the under lying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset generates cash flows that are largely dependent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2023

The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment on exercise of an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
2. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Applied the exemption not to recognize right-of-use assets and liabilities for Space Sharing Agreements with Group Companies.
4. Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
5. Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly for all contracts as on April 1, 2019, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17.

The weighted average incremental borrowing rate applied to lease liabilities as at 01 April, 2022 is between the range of 4.83% p.a. to 7.05% p.a. for a period varying from 1 to 10 years.

Critical accounting judgements and key sources of estimation uncertainty

Critical judgements required in the application of Ind AS 116 may include, among others, the following:

- Identifying whether a contract (or part of a contract) includes a lease;
- Determining whether it is reasonably certain that an extension or termination option will be exercised;
- Classification of lease agreements (when the entity is a lessor);
- Determination of whether variable payments are in substance fixed;
- Establishing whether there are multiple leases in an arrangement;
- Determining the stand-alone selling prices of lease and non-lease components.

Key sources of estimation uncertainty in the application of Ind AS 116 may include, among others, the following:

- Estimation of the lease term;
- Determination of the appropriate rate to discount the lease payments;
- Assessment of whether a right-of-use asset is impaired.

Note 4.3 (vi): Other income and expenses

All Other income and expense are recognized in the period they occur.

Note 4.3 (vii): Impairment of non-financial assets

The carrying amounts of non-financial assets are reviewed at each reporting date if there is any indication of impairment based on internal/external factors. An asset is treated as impaired when the carrying cost of the assets exceeds its recoverable value. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2023

An impairment loss, if any, is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss.

Note 4.3 (viii): Borrowing Cost

Borrowing costs that are directly attributable to the acquisition, construction, or production of a qualifying asset are capitalised as a part of the cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

All other borrowing costs are expensed in the period in which they occur at amortised cost using Effective Interest Rate (EIR).

Borrowing costs consist of interest and other costs that an entity incurs in connection with borrowing funds.

Note 4.3 (ix): Taxes

Current tax

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit or loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it becomes probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss account is recognised either in OCI or in equity. Deferred tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income (OCI) or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Note 4.4: Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet and for the purpose of statement of cash flows comprise cash at bank and cheques in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. They are held for the purposes of meeting short-term cash commitments (rather than for investment or other purposes).

Note 4.5: Property, Plant and Equipments

All items of property, plant and equipments are stated at historical cost, net of accumulated depreciation and impairment loss if any. The cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2023

Intangible assets not ready for the intended use on the date of Balance Sheet are disclosed as Intangible assets under development.

Note 4.7: Provisions and Contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Note 4.8: Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Note 4.9: Earnings Per Share

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share.

Basic earnings per share (EPS) is calculated by dividing the net profit for the year attributable to ordinary equity holders of Company by the weighted average number of ordinary shares outstanding during the year.

Diluted EPS is calculated by dividing the net profit attributable to ordinary equity holders of Company (after adjusting for interest on the convertible preference shares and interest on the convertible bond, in each case, inclusive of tax) by the weighted average number of ordinary shares outstanding during the year plus the weighted average number of ordinary shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares.

Note 4.10: Segment Reporting

The Company is engaged primarily in the business of financing and accordingly there are no separate reportable segments as per Ind AS 108 dealing with Operating Segment. The Company has its operations within India and all revenue is generated within India.

Note 4.11: Dividend

The Company recognises a liability to make cash to equity holders of the Company when the dividend is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, an interim dividend is authorised when it is approved by the Board of Directors and final dividend is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

Note 4.12: Business Combination under Common Control

A common control business combination, involving entities or businesses in which all of the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination and where the control is not transitory, is accounted for in accordance with Appendix C to Ind AS 103 'Business Combinations'.

Business combinations involving entities or businesses under common control are accounted for using the pooling of interest method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values, or recognize new assets or liabilities. Adjustments are made only to harmonize significant accounting policies.
- The financial information in the financial statements in respect of prior periods are restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination.
- The identity of the reserves are preserved and appear in the financial statements of the transferee in the same form in which they appeared in the financial statements of the transferor.

The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves with disclosure of its nature and purpose in the notes.

Note 5: Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosure and the disclosure of contingent liabilities, at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

Note 5.1: Business Model Assessment

Classification and measurement of financial assets depends on the results of the Solely Payments of Principal and Interest and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated.

The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

Note 5.2: Estimation of defined benefit plans (gratuity benefits)

Refer Note 4.3 (ii)

Note 5.3: Fair value measurement:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Note 5.4: Impairment of loans portfolio

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes which can result in different levels of allowances.

It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary. The impairment loss on loans and advances is disclosed in more detail in Note 10.

Note 5.5: Provisions other than impairment on loan portfolio and contingent liabilities

The Company operates in a regulatory and legal environment that, by nature, has a heightened element of litigation risk inherent to its operations. As a result, it is involved in various litigation, arbitration and proceedings in the ordinary course of the Company's business.

When the Company can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows to be probable, the Company records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed.

Given the subjectivity and uncertainty of determining the probability and amount of losses, the Company takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents. Significant judgement is required to conclude on these estimates.

Note 5.6: Effective Interest Rate (EIR) method

The EIR is the rate that exactly discounts estimated future cash flows of the financial instrument through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount. The future cash flows are estimated taking into account all the contractual terms of the instrument. The calculation of the EIR includes all fees paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets measured at fair value through profit and loss ("FVTPL"), transaction costs are recognised in the statement of profit and loss at initial recognition.

Note 5.7: Recognition of deferred tax assets for carried forward losses

Refer Note 4.3 (ix)

Note 5.8: Estimation of useful life of property, plant and equipments and intangible assets

Refer note 4.5 and 4.6

Note 5.9: Accounting policy for Long Term Incentive Plan

The company pays Long Term Incentives to certain employees on fulfilment of prescribed criteria/conditions. The Company's liability towards Long Term Incentive is determined actuarially based on certain assumptions regarding rate of Interest, staff attrition and mortality as per Projected Unit Credit Method. Expenses towards long term incentive are recognised in the Statement of Profit and Loss.

Note 8.1 : Hedging activities and derivatives

The Company is exposed to certain risks relating to its external commercial borrowings and Non Convertible Debentures. The primary risks managed using derivative instruments are foreign currency risk and interest rate risk. The Company's risk management strategy and how it is applied to manage risk is explained in Note 52.

Note 8.2 : Derivatives designated as hedging instruments

Cash flow hedges

The Company is exposed to foreign currency risk arising from its External Commercial borrowings amounting to ₹ 93,148.62 lakhs. Interest on the borrowing is payable at a floating rate. The Company economically hedged the foreign currency risk arising from the debt with a 'receive floating pay fixed' cross-currency interest rate swap ('swap'). The notional amount of swap is disclosed in the table below. The swap contract converts the cash outflows of the foreign currency borrowing as per table below to cash outflows in INR with a notional amount of ₹ 93,148.62 lakhs at fixed interest rate.

Name of Lender	Foreign Currency Denominated Borrowing Amount		Interest rate type		Notional Amount of swap (₹)		Interest rate swap type	
	31 March 2023	31 March 2022	31 March 2023	31 March 2022	31 March 2023	31 March 2022	31 March 2023	31 March 2022

USD Denominated (in USD lakhs) (Maturity in Mar 2026)	500.00	300.00	Floating rate interest	Floating rate interest	41,165.00	22,278.00	Fixed rate interest	Fixed rate interest

There is an economic relationship between the hedged item and the hedging instrument as the terms of the cross currency swap contract match that of the foreign currency borrowing (notional amount, interest payment dates, principal repayment date etc.). The Company has established a hedge ratio of 1:1 for the hedging relationships as the underlying risk of the cross currency swap are identical to the hedged risk components. To test the hedge effectiveness, the Company uses the hypothetical derivative method and compares the changes in the fair value of the hedging instruments against the changes in fair value of the hedged items attributable to the hedged risks. The hedge ineffectiveness can arise mainly if there is a change in the credit risk of the Company or the counterparty.

The company has also taken overnight index swap deals to hedge its cashflows for underlying NCDs. The details are disclosed in the table below:

Particulars	Borrowing Amount		Interest rate type		Notional Amount of swap (₹)		Interest rate swap type	
	31 March 2023	31 March 2022	31 March 2023	31 March 2022	31 March 2023	31 March 2022	31 March 2023	31 March 2022
Interest rate swaps	10,000.00	-	Floating rate interest	-	10,000.00	-	Fixed rate interest	-

The impact of the hedging instruments and hedge items on the balance sheet is, as follows

Fair Value Hedge

Fair value hedges hedge the exposure to changes in the fair value of a recognised asset or liability, or an identified portion of such an asset, liability, that is attributable to a particular risk and could affect profit or loss. For designated and qualifying fair value hedges, the cumulative change in the fair value of a hedging derivative is recognised in the statement of profit and loss under Net gain on fair value changes. Meanwhile, the cumulative change in the fair value of the hedged item attributable to the risk hedged is recorded as part of the carrying value of the hedged item in the balance sheet and is also recognised in the statement of profit and loss under Net gain on fair value changes. The Company classifies a fair value hedge relationship when the hedged item (or group of items) is a distinctively identifiable asset or liability hedged by one or a few hedging instruments.

The impact of the hedging instruments and hedged items on the balance sheet is as follows

Particulars	Notional Amounts		Carrying amount of hedging instruments Assets/(Liabilities)		Line item in the Balance Sheet		Change in fair value used for measuring ineffectiveness for the year

Note 30: Nature and purpose of reserve

Securities Premium Reserve: Security premium reserve is used to record the premium on the issue of shares. The reserve is utilised in accordance with provisions of the Companies Act, 2013.

Special Reserve: Special reserve represents the reserve created pursuant to the Reserve Bank of India Act, 1934 (the "RBI Act"). Appropriation from this Reserve Fund is permitted only for the purposes specified by RBI.

Capital Reserve: Capital reserve refers to difference on account of net assets taken over and purchase consideration paid for merger of wealth management undertaking of Aditya Birla Money Mart Limited with the Company and the difference on account of net assets taken over and purchase consideration paid for merger of transaction business of Aditya Birla Capital Technology Services Limited, ABCTSL (formerly known as Aditya Birla My Universe Limited, ABMUL) undertaking with the Company.

Capital Redemption reserve : Preference shares of Rs. 10 Crore were redeemed at the Board meeting held on January 30, 2020. As per the provisions of Companies Act, 2013, the preference shares were redeemed out of the profits of the company and therefore a sum equivalent to the nominal amount of shares redeemed were transferred to capital redemption reserve.

Share options outstanding account: Share options outstanding account is created as required by Ind AS 102 'Share Based Payments' on the Employee Stock Option Scheme operated by the Company for employees of the Company.

General Reserve: This reserve is created on account of merger. As per court order, this reserve can be utilised for distribution of dividends.

Retained Earnings: Retained earnings refer to the percentage of net earnings not paid out as dividends, but retained by the Company to be reinvested in its core business, or to pay debts.

Other Comprehensive Income : The Company has elected to recognise changes in the fair value of certain instruments in equity securities and debt instruments in other comprehensive income. These changes are accumulated with the FVTOCI reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are de-recognised.

The Company uses hedging instruments as part of its management of foreign currency risk and interest rate risk associated on borrowings. For hedging foreign currency and interest rate risk, the Company uses foreign currency forward contracts and cross currency interest rate swaps. To the extent these hedges are effective, the change in fair value of the hedging instrument is recognised in the cash flow hedging reserve. Amounts recognised in the cash flow hedging reserve is reclassified to the statement of profit or loss when the hedged item affects profit or loss (e.g. interest payments).

Defined Benefit Plan

The Company has a defined benefit gratuity plan (funded). The Company's defined benefit gratuity plan is a final salary plan for employees, which requires contributions to be made to a separately administered fund. The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the Act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and last drawn salary. The fund is managed by Aditya Birla Sun Life Insurance Company Limited which is fellow subsidiary of the Company.

The following tables summarizes the components of net benefit expense recognized in the statement of profit and loss and the funded status and amounts recognized in the balance sheet for the gratuity plan.

Note 48: Capital

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a capital adequacy ratio, which is weighted assets divided by total capital derived as per the RBI requirements. As per the RBI guidelines, Company being a Non Banking Finance Company has to maintain 15% of capital adequacy ratio.

The actual Capital Adequacy Ratio is as under:

Particulars	31 March, 2023	31 March, 2022
Capital Adequacy Ratio	16.38%	21.77%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year. No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March, 2023 and 31 March, 2022.

Valuation methodologies of financial instruments not measured at fair value: Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements. These fair values were calculated for disclosure purposes only.

Short-term financial assets and liabilities: The carrying amounts of cash & cash equivalents, other bank balance, trade receivables, other financial assets, trade payables and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.

Borrowings

Floating Rate Borrowings: Floating rate borrowings are valued on the basis of Applicable Benchmark (viz; Tenor Linked T-Bill, Repo Rate, Tenor Linked MCLR, or any external benchmark as the case may be) + Spread, if applicable.

Fixed Rate Borrowings: Fixed rated borrowing are valued on the basis of valuation report shared by ICRA.

Note 49.2: Disclosure pursuant to Ind AS 113 "Fair Value Measurement"

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Company determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method, market comparable method, recent transactions happened in the company and other valuation models.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as explained below :

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, units of mutual funds (open ended) and traded bonds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(e) Valuation techniques

Equity instruments: The listed equity instrument are actively traded on stock exchanges with readily available active prices on a regular basis. Such instruments are classified as Level 1. Unlisted equity securities are classified at Level 3.

Investment in Preference Shares: Investment made in preference share is not actively traded on stock exchange and such instrument are classified as level 2.

Investment in Govt Securities : The fair values of investments made in Government Securities is based on valuation report from ICRA as at the reporting period and the same are classified under Level 2.

Investment in Alternate funds and Mutual funds : Units held in funds of AIF and Mutual funds are measured based on their net asset value (NAV), taking into account redemption and/or other restrictions. Such instruments are generally Level 2. NAV represents the price at which the issuer will issue further units of AIF and the price at which issuers will redeem such units from the investors.

Investment in Debt Securities: Fair value of these instrument is derived based on the indicative quote of price and yields prevailing in the market as at reporting date. Company has used quoted price of national stock exchange wherever bonds are traded actively. In cases where debt securities are not actively traded company has used CRISIL corporate bond valuer model for measuring fair value i.e. fair value has been computed using the Fixed Income Money Market and Derivatives Association of India ('FIMMDA') data on corporate bond spreads and such instruments are classified as Level 2.

Derivative Financial Instruments : A generally accepted framework for the valuation of the swap explains the position in each leg of the swap as a 'bond'. Therefore, a receive floating - pay fixed swap can be viewed as a portfolio consisting a short position in fixed bond and long position a floating rate bond. The value of the swap is the net proceeds from such bond positions i.e. Receipt - Payment. The swaps were valued on and with inputs from the swap providers using the terms of the swap contract.

Equity shares measured at Fair Value through Other Comprehensive Income: Unquoted equity shares are measured at fair value through other comprehensive income on the basis of the net worth of the investee company and are classified as Level 3.

Note 52: Risk management

(a) Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings (Including Debt Securities & Subordinate Liabilities) and trade and other payables. The main purpose of these financial liabilities is to finance and support the company's operations. The Company's principal financial assets include loans, investments, cash and cash equivalents and other receivables that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a Risk Management Committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The Risk Committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors review and agree policies for managing each of these risks, which are summarised below.

The Company has identified and implemented comprehensive policies and procedures to assess, monitor and manage risk throughout the Company. The risk management process is continuously reviewed, improved and adapted in the changing risk scenario and the agility of the risk management process is monitored and reviewed for its appropriateness in the changing risk landscape. The process of continuous evaluation of risks includes taking stock of the risk landscape on an event-driven basis.

The Company has an elaborate process for risk management. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis.

Operational & Business Risk

Loss of Risk that is related to activities carried out within an entity, arising from incomplete structure, failure of systems, untrained people, inefficient products or processes. To make the structure more robust a Board approved Operational Risk Management Framework has been put in place which is implemented by a dedicated team within the Risk Management function. A bottom up risk control self-assessment process identifies high risk areas, potential gaps and serves as an early warning system so that remedial measures can be initiated in a timely manner.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. In the case of the Company, market risk primarily comprises of interest rate risk. Financial instruments affected by market risk include loans and borrowings.

The analyses exclude the impact of movements in market variables on the carrying values of gratuity, other post-retirement obligations and provisions.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March, 2023 and 31 March, 2022.

Interest rate risk

Interest rate risk is the risk of loss in company's net income out of change in level of interest rates and/or their implied volatility. To mitigate the interest rate risk, ALM policy of the company stipulates interest rate sensitivity gap of all the time buckets. The Interest rate sensitivity statement is prepared every month and placed before ALCO. The statement captures the duration of rate sensitive assets & liabilities of the company. The impact of change in interest rate on the earning of the company is also measured every month and same is presented to ALCO.

Note 52: Risk management (continued)

Foreign Exchange Risk

Foreign exchange risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of fluctuation in foreign exchange rates primarily relates to its External Commercial Borrowings. The Company uses derivative instruments like cross currency swaps to hedge exposure to foreign currency risk.

The Company has taken foreign currency floating rate borrowings, which are linked to USD SOFR or JPY TONA. For managing the foreign currency risk and interest rate risk, arising from changes in applicable benchmark (USD SOFR or JPY TONA) on such borrowings, the Company has entered into Cross Currency Swap (CCS) for the entire loan liability covering the entire tenor of the loan along with the interest payable. Under the terms of the CCS, the Company pays interest at the fixed rate to the swap counterparty in INR and receives the floating interest payments based on the applicable benchmark (USD SOFR or JPY TONA) in foreign currency.

Credit risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligations. The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties and for geographical and industry concentrations, and by monitoring exposures in relation to such limits.

The Company has established a credit quality review process to provide early identification of possible changes in the creditworthiness of counterparties, including regular collateral revisions. Counterparty limits are established by the use of a credit risk classification system, which assigns each counterparty a risk rating. Risk ratings are subject to regular revision. The credit quality review process aims to allow the Company to assess the potential loss as a result of the risks to which it is exposed and take corrective action.

Impairment assessment

The ECL model Credit loss provisioning approach has now moved from incurred model. This forces entity to understand the significance of credit risk and its movement since its initial recognition. This model ensures (a) timely recognition of ECLs (b) assessment of significant increase in credit risk which will provide better disclosure (c) ascertainment of better business ratios.

The references below show where the Company's impairment assessment and measurement approach is set out in this report. It should be read in conjunction with the Summary of significant accounting policies in Note 4.

- An explanation of the Company's internal grading system (Note 'Definition of default below)
- How the Company defines, calculates and monitors the probability of default, exposure at default and loss given default) (Note 'The Company's internal rating and PD estimation process', 'Probability of Default', 'Exposure at Default' below)
- When the Company considers there has been a significant increase in credit risk of an exposure (Note 'Significant increase in credit risk' below)
- The Company's policy of segmenting financial assets where ECL is assessed on a collective basis (Note 'Grouping financial assets measured on a collective basis' below)
- The details of the ECL calculations for Stage 1, Stage 2 and Stage 3 assets (Notes 'Probability of default', 'Exposure at default' and 'loss given default' below)

Definition of default

The Company considers a financial instrument defaulted and therefore Stage 3 (credit impaired) for ECL calculations generally in most cases when the borrower becomes 90 days past due on its contractual payments.

As a part of a qualitative assessment of whether a customer is in default, the Company also considers a variety of instances that may indicate unlikeliness to pay. When such events occur, the Company carefully considers whether the event should result in treating the customer as defaulted and therefore assessed as Stage 3 for ECL calculations or whether Stage 2 is appropriate. Such events include:

- a) Significant financial difficulty of the borrower or issuer;
- b) A breach of contract such as a default or past due event;
- c) The restructuring of a loan or advance by the company on terms that the company would not consider otherwise;
- d) It is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; or
- e) The disappearance of an active market for a security because of financial difficulties and the customer has delay in his repayments over a month.

Note 52: Risk management (continued)

The Company's internal rating and PD estimation process

- a. Internal Rating: A robust internal credit rating framework is vital for effective credit risk management. It is specified by RBI on credit risk management that lenders should have an internal rating framework and the lenders must have independent Credit Risk Control Units (CRCU) or equivalents that are responsible for the design or selection, implementation and performance of their internal rating systems. Accordingly the Company also have an internal rating framework developed along with CRISIL, with ratings being assigned to all the customer/ portfolio pool – (eligible customers for Ratings) and used extensively in internal decision-making.
- b. It is further specified in the policy that Internal rating/grading/scoring of the borrower/client is at least Investment grade rating as per the Company's internal credit rating model or valid/live external rating.

Probability of Default (PD)

PD is calculated basis likelihood that the borrower will default within one year horizon (Basis for Stage 1), For Stage 2 – it is defined as significant increase in credit risk and probability is defined as borrower's probability to default in lifetime.

Exposure at Default

Gross exposure/potential gross exposure under a facility (i.e. the amount that is legally owed to the lender) at the time of default by a borrower. Exposure at Default gives an estimate of the amount outstanding.

Loss Given Default (LGD)

LGD is usually shown as the percentage of Exposure at Default that the lender might lose in case the borrower defaults. It depends, among others, on the type of collateral, it's value and the expected proceeds from the sale (e.g. sales proceeds from sales of collaterals/securities) of the assets, NPV net of recovery costs.

Significant increase in credit risk

- a. There is significant increase in credit risk, when there is deterioration in account performance and expected resolution is not available.
- b. Further, for large borrowers after assessing the following Risks in totality and deterioration in each factor, it is then assessed whether there is a significant increase in credit risk
- Industry Risk
 - Business Risk
 - Management Risk
 - Financial Risk
 - Banking Conduct & Facility level Conduct.
- c. Significant increase in credit risk is also gauged through Credit rating. Credit rating is an opinion of capacity of borrower to meet its financial obligations to the depositor or bondholder (i.e. lender of money) on a particular issue or type of instrument (i.e. a domestic or foreign currency: short-term or medium or long-term, etc.) in a timely manner. The rating measures the relative risk of an issuers ability and willingness to repay both interest and principal over the period of the rated instrument. i.e. rating signifies the risk of default of the borrower that is rated.

Collateral Security:

The Company's net exposure to credit risk, after taking into account credit risk mitigation, have been tabulated below:

Note 52: Risk management (continued)

The Company by way of loan sanction letter and other loan securing documents agrees with its customers on collateral security to be provided by the customers in secured loan exposures that are subject to credit risk. Collateral security enables us to recover all or part of the outstanding exposure by liquidating the collateral asset provided, in cases where the borrower is unable or unwilling to fulfil its primary obligations.

Collateral security accepted by the Company could be in the form of:

- a) Financial collateral in the form of pledge of equity shares, units of mutual funds, assignment of life insurance policies;
- b) Current assets in the form of inventories meant for sale or receivables arising out of the sale of finished goods
- c) Fixed asset (in the form of immovable properties – real estate, Plant and Machinery, Equipment's)
- d) Third-party obligation (in the form of Irrevocable Unconditional Guarantee issued by Bank, Third party);
- e) Risk participation from Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE)
- f) Assignment of borrower's rights and interests under agreements with third parties.

In addition, the Company also stipulates escrow of cash flows and a Debt Service Reserve Account (DSRA) for project loans

Collateral serves to mitigate the inherent risk of credit loss in an exposure, by either improving recoveries in the event of a default or substituting the borrower.

As part of the assessment of a credit transaction the availability, adequacy and suitability of collateral for the transaction is evaluated and decided upon. The Company's processes includes verification of the title to the collateral offered and valuation by technical experts where warranted. The Company accept as collateral only securities of good quality and have in place legally effective and enforceable documentation. For guarantee's taken, the guarantor's creditworthiness is assessed during the credit assessment process of the transaction. The Company has collateral type specific haircuts in place which are reviewed at intervals as appropriate to the type of collateral.

The Company recognises that collateral can be a credit mitigant (alternative source of repayment), but does not replace or dilute the underwriting standards the company adopts to underwrite credit exposures.

(b) Forward looking Information :

The Company is required to provide for impairment allowance basis expected credit loss (ECL), which is calculated using empirical portfolio performance and adjusted for forward looking macroeconomic factors, as prescribed by Ind AS. The overall provisioning made through this approach, continues to be in excess of the floor provisions as prescribed by RBI for NBFCs.

The assessment of credit risk and estimation of ECL is statistically validated. It considers all relevant information about past events, current conditions and some elements of predicted performance of the portfolio.

ECL has been calculated using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD).

In the process of determining the PD, the macro economic impact is intrinsically built in in our current approach. The overall performance through the life cycle of the loan, considers the impact of macro-economic parameters like GDP or once in events like de-monetisation etc. Most of the portfolios have seen one to two complete economic cycles and hence the default probabilities experienced by the Company takes into account the upturn, downturn and central (balanced) economic scenario.

In the internally rated portfolio, the Industry rating module (sourced from CRISIL under agreement) recognizes factors like demand prediction, supply side glut / constraints, impact of imports and exports and the government policies which are more forward looking and making the through-the-cycle default probabilities to point-in-time default probability.

Grouping financial assets measured on a collective basis

The Company calculates ECLs either on a collective or an individual basis.

Asset classes where the Company calculates ECL on an individual basis include:

1. Corporate Portfolio

Asset classes where the Company calculates ECL on a collective basis include:

1. Retail Portfolio

The ECL methodology allows for individual assessment for corporates and therefore these loans are generally measured individually as each of these exposures have unique characteristics and structuring. For retail exposures and exposures which can be clubbed in homogenous pools, ECL is measured on a collective basis. This has been arrived at based on common characteristics like nature of product, customer profile etc .

(d) Liquidity risk and funding management

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances.

The Company manages its liquidity requirement by analysing the maturity pattern of Company's cash flows of financial assets and financial liabilities. The Asset Liability Management of the Company is periodically reviewed by its Asset Liability Management Committee.

The Company maintains a portfolio of highly marketable and diverse assets that are assumed to be easily liquidated in the event of an unforeseen interruption in cash flow. The Company also has lines of credit that it can access to meet liquidity needs. In accordance with the Company's policy, the liquidity position is assessed under a variety of scenarios, giving due consideration to stress factors relating to both the market in general and specifically to the Company. Net liquid assets consist of cash. The ratios during the year were, as follows:

Advances to borrowings ratios

Particulars	2023	2022
Year-end	111.42%	116.57%
Maximum	114.84%	118.99%
Minimum	111.42%	116.57%
Average	113.08%	118.16%

Borrowings from banks and financial institutions and issue of debentures are considered as important sources of funds to finance lending to customers. They are monitored using the advances to borrowings ratio, which compares loans and advances to customers as a percentage of secured and unsecured borrowings.

Notes:

- In computing the above information, certain estimates/ assumptions have been made by the Company's management.
- Unweighted values have been calculated as outstanding balances maturing or callable within 30 days (for inflows and outflows).
- Weighted values have been calculated after the application of respective haircuts (for HQLA) and stress factors on inflow and outflow.
- The calculation has been arrived based on average daily computation.

Note 56: Liquidity Coverage Ratio (continued)

C) Qualitative Disclosure

a) The main drivers of their LCR results and the evolution of the contribution of inputs to the LCR's calculation over time : RBI had introduced the liquidity coverage ratio (LCR) to ensure that NBFC has an adequate stock of unencumbered high-quality liquid assets (HQLA) to survive a significant liquidity stress lasting for a period of 30 days. LCR is defined as a ratio of HQLA to the total net cash outflows estimated for the next 30 calendar days. At March 31, 2023, the applicable minimum LCR required to be maintained by NBFC is 70%. The Company has an Asset Liability Management Committee (ALCO), a management level committee to handle liquidity risk. The ALCO meets at periodic intervals. At the apex level, the Risk Committee (RC), a sub-committee of the Board of Directors of the Company, oversees the liquidity risk management. The RC subsequently updates the Board of Directors on the same.

b) Intra-period changes as well as changes over time: The details for the four quarter ended 30th June 2022, 31st September 2022, 31st December 2022 and year ended 31st March 2023 are disclosed in 52C-8) Liquidity Coverage Ratio.

- In terms of the requirement as per RBI notification no. RBI/2019-20/170 DOR (NBFC).CC.PD. No.109/22.10.106/2019-20 dated March 13, 2020 on Implementation of Indian Accounting Standards, Non Banking Finance Companies (NBFCs) are required to create an impairment reserve for any shortfall in impairment allowances under Ind AS 109 and Income Recognition, Asset Classification and Provisioning (IRACP) norms (including provision on standard assets). The impairment allowances under Ind AS 109 made by the corporation exceeds the total provision required under IRACP (including standard asset provisioning), as at March 31, 2023 and accordingly, no amount is required to be transferred to impairment reserve.
- Amounts in NPA that have been classified otherwise than as stage-3 represent loan assets that were restructured but have not completed one year of satisfactory performance as at the reporting date.

As on 31 March, 2022

On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Rules, 2015. The effective date for adoption of these amendments is annual period beginning on or after April 1, 2023. The significant amendments are as below.

(i) Ind AS 1 - Presentation of Financial Statements

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The Company has evaluated the amendment and the impact of the amendment is insignificant on its financial statements.

(ii) Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The Company has evaluated the amendment and the impact of the amendment is insignificant on its financial statements.

(iii) Ind AS 12 - Income Taxes

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The Company has evaluated the amendment and the impact of the amendment is insignificant on its financial statements.

INDEPENDENT AUDITORS' REPORT**To the Members of Aditya Birla Finance Limited
Report on the Audit of the Financial Statements****Opinion**

We have audited the accompanying financial statements of Aditya Birla Finance Limited (the "Company"), which comprise the Balance Sheet as at 31st March 2022, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the 'financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("SA"s). Our responsibilities under those Standards are further described in the Auditors' Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

We draw attention to Note 70 to the financial statements, in which the Company describes the continuing uncertainties arising from the COVID 19 pandemic.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditors' Response
1.	<p>Allowances for Expected Credit Losses ("ECL"):</p> <p>As at March 31, 2022, the carrying value of loan assets measured at amortised cost, aggregated ₹ 53,60,746.02 lakh (net of allowance of expected credit loss ₹1,07,482.53 lakh) constituting approximately 94% of the Company's total assets. Significant judgement is used in classifying these loan assets and applying appropriate measurement principles. ECL on such loan assets measured at amortised cost is a critical estimate involving greater level of management judgement.</p> <p>As part of our risk assessment, we determined that the allowance for ECL on loan assets has a high degree of estimation uncertainty, with a potential range of reasonable outcomes for the financial statements.</p> <p>The elements of estimating ECL which involved increased level of audit focus are the following:</p> <ul style="list-style-type: none"> • Qualitative and quantitative factors used in staging the loan assets measured at amortised cost. • Basis used for estimating Probabilities of Default ("PD"), Loss Given Default ("LGD") and Exposure at Default ("EAD") at product level with past trends; • Judgements used in projecting economic scenarios and probability weights applied to reflect future economic conditions; and • Adjustments to model driven ECL results to address emerging trends. <p>(Refer Note 4.1, 10 and 52 to the Financial Statements)</p>	<p>We performed the following audit procedures:</p> <p>We have examined the policies approved by the Board of Directors of the Company that articulate the objectives of managing each portfolio and their business models. We have also verified the methodology adopted for computation of ECL ("ECL Model") that addresses policies approved by the Board of Directors, procedures and controls for assessing and measuring credit risk on all lending exposures measured at amortised cost.</p> <p>Additionally, we have confirmed that adjustments to the output of the ECL Model is consistent with the documented rationale and basis for such adjustments and that the amount of adjustment have been approved by the Audit Committee of the Board of Directors.</p> <p>Our audit procedures related to the allowance for ECL included the following, among others:</p> <ul style="list-style-type: none"> • Testing the design and operating effectiveness of the following: <ul style="list-style-type: none"> - completeness and accuracy of the Exposure at Default ("EAD") and the classification thereof into stages consistent with the definitions applied in accordance with the policy approved by the Board of Directors including the appropriateness of the qualitative factors to be applied. - completeness, accuracy and appropriateness of information used in the estimation of the PD and LGD for the different stages depending on the nature of the portfolio; and - accuracy of the computation of the ECL estimate including reasonableness of the methodology used to determine macro-economic overlays and adjustments to the output of the ECL Model. • Test of details on a sample in respect of the following: <ul style="list-style-type: none"> - we tested accuracy and completeness of the input data such as ratings and period of default and other related information used in estimating the PD; - completeness and accuracy of the staging of the loans and the underlying data based on which the ECL estimates have been computed.

Sr. No.	Key Audit Matter	Auditors' Response
		<ul style="list-style-type: none"> - we evaluated reasonableness of LGD estimates by comparing actual recoveries post the loan asset becoming credit impaired with estimates of LGD; and - we evaluated the incorporation of the applicable assumptions into the ECL Model and tested the mathematical accuracy and computation of the allowances by using the same input data used by the Company. • We also evaluated the adequacy of the adjustment after stressing the inputs used in determining the output as per the ECL Model and ensured that the adjustment was in conformity with the amount approved by the Audit Committee. • We also assessed the disclosures made in relation to the ECL allowance to confirm compliance with the provisions of Ind AS 107.
2.	<p>Key Information Technology and General Controls</p> <p>The Company is dependent on its Information Technology ("IT") systems due to the significant number of transactions that are processed daily across such multiple and discrete IT systems.</p> <p>Also, IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner and under controlled environments. Appropriate controls contribute to mitigating the risk of potential fraud or errors as a result of changes to applications and data.</p> <p>On account of the pervasive use of its IT systems, the testing of the general computer controls of the key IT systems used in financial reporting was considered to be a Key Audit Matter</p>	<p>With the assistance of our IT specialists, we obtained an understanding of the Company's IT applications, databases and operating systems relevant to financial reporting and the control environment. For these elements of the IT infrastructure the areas of our focus included access security (including controls over privileged access), program change controls, database management and network operations.</p> <p>In particular:</p> <ul style="list-style-type: none"> • we tested the design, implementation and operating effectiveness of the Company's general IT controls over the key IT systems relevant to financial reporting. This included evaluation of Company's controls over segregation of duties and access rights being provisioned / modified based on duly approved requests, access for exit cases being revoked in a timely manner and access of all users being recertified during the period of audit; • We also tested key automated business cycle controls and logic for the reports generated through the IT infrastructure that were relevant for financial reporting or were used in the exercise of internal financial controls with reference to financial statements. Our tests included testing of the compensating controls or alternate

		procedures to assess whether there were any unaddressed IT risks that would materially impact the financial statements.

Information Other than the Financial Statements and Auditors' Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures thereto, Management Discussion and Analysis ("MD&A") (collectively referred to as "other information") but does not include the financial statements and our auditors' report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the Key Audit Matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit of the financial statements, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
- d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors as on 31 March 2022, taken on record by the Board of Directors, none of the directors are disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure A'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- g. With respect to the other matters to be included in the Auditors' report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards for material foreseeable losses, if any, or long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. With respect of dividend declared and paid:
- (a) There was no dividend proposed in the previous year which is declared and paid by the Company during the year.
- (b) The interim dividend declared and paid by the Company during the year is in accordance with section 123 of the Companies Act 2013 to the extent it applies to payment of dividend. No dividend was declared and paid subsequent to the balance sheet date till the date of this report.
2. As required by the Companies (Auditor's Report) Order, 2020 (the 'Order') issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the 'Act')

We have audited the Internal Financial Controls with reference to financial statements of Aditya Birla Finance Limited (the "Company") as of 31st March, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining Internal Financial Controls based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's Internal Financial Controls with reference to Financial Statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Financial Statement and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of Internal Financial Controls with reference to Financial Statement, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of Internal Financial Controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls with reference to Financial Statements to future periods are subject to the risk that the Internal Financial Controls with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate Internal Financial Controls system with reference to Financial Statements and such Internal Financial Controls with reference to Financial Statements were operating effectively as at 31 March, 2022 based on the criteria for Internal Financial Control with reference to Financial Statement established by the respective Company considering the essential components of internal control stated in the Guidance Note.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date) to the members of Aditya Birla Finance Limited on the Financial Statements as at and for the year ended 31st March 2022)

To the best of our information and according to the explanations provided to us by the Company and the books of account examined by us in the normal course of audit, we state that:

- (i) In respect of the Company's Property, Plant and Equipment:
- (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of its Property, Plant and Equipment, and the relevant details of Right-of-Use assets.
 - (B) The Company has maintained proper records showing full particulars of Intangible Assets.
 - (b) The Property, Plant and Equipment, were physically verified during the year by the Management in accordance with a regular programme of verification which in our opinion, provides for physical verification of all the property, plant and equipment at reasonable intervals. No material discrepancies were noticed on such verification.
 - (c) Based on our examination of the documents provided to us, we report that, the title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (Including Right of Use assets) or intangible assets or both during the year. Accordingly, paragraph 3(i)(d), of the Order is not applicable.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at 31 March 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) In respect of the Company's Inventories:
- (a) The Company is engaged primarily in lending activities and consequently does not hold any physical inventories. Accordingly, paragraph 3(ii)(a) of the Order is not applicable.
 - (b) As stated in note no 65, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, by banks or financial institutions on the basis of security of loans (assets) during the year. We have observed differences / reconciliation items in the quarterly returns or statements filed by the Company with such banks or financial institutions as compared to the books of account maintained by the Company. However, we have not carried out a specific audit of such statements. The details of such differences / reconciliation items are given in note no. 65 of the Financial Statements of the Company:

(₹ in Lakhs)

Quarter ended	Particulars of Securities Provided	Amount as per books of account	Amount as reported in the quarterly return/ statement	Amount of difference
June 2021	Loans receivable	43,48,961	43,42,495	6,466
September 2021	Loans receivable	46,26,445	46,10,894	15,551
December 2021	Loans receivable	48,16,907	48,44,432	(27,525)
March 2022	Loans receivable	53,35,302	53,34,821	481

(iii) As explained in note 1 to the financial statements, the Company is a non-deposit taking non-banking financial company ("NBFC") registered with the Reserve Bank of India ("RBI") and as part of its business activities, is engaged in the business of lending across various types of loans.

During the year, in the ordinary course of its business, the Company has made investments in, provided guarantee/ security to and granted loans and advances in the nature of loans, secured and unsecured, to companies, firms, limited liability partnerships and other parties. With respect to such investments, guarantees/ security and loans and advances:

- (a) The provisions of paragraph 3(iii)(a) of the Order are not applicable to the Company as its principal business is to give loans;
- (b) In our opinion, having regard to the nature of the Company's business, the investments made, guarantees provided, security given and the terms and conditions for the grant of all loans and advances in the nature of loans and guarantees provided during the year are, prima facie, not prejudicial to the Company's interest;
- (c) In respect of loans and advances in the nature of loans (together referred to as "loan assets"), the schedule of repayment of principal and payment of interest has been stipulated. Note 4.1(v) to the Financial Statements explains the Company's accounting policy relating to impairment of financial assets which include loans assets. In accordance with that policy, loan assets with balances as at 31 March, 2022, aggregating ₹195,603.41 lakhs were categorised as credit impaired ("Stage 3") and ₹ 295,576.00 lakhs were categorised as those where the credit risk has increased significantly since initial recognition ("Stage 2"). Disclosures in respect of such loans have been provided in Note 10 to the Financial Statements. Additionally, out of loans and advances in the nature of loans with balances as at the year-end aggregating ₹ 49,77,028.10 lakhs, where credit risk has not significantly increased since initial recognition (categorised as "Stage 1"), delinquencies in the repayment of principal and payment of interest aggregating ₹ 16,927.35 lakhs were also identified, albeit of less than 31 days. In all other cases, the repayment of principal and interest is regular. Having regard to the nature of the Company's business and the volume of information involved, it is not practicable to provide an itemised list of loan assets where delinquencies in the repayment of principal and interest have been identified.
- (d) The total amount overdue for more than ninety days, in respect of loans and advances in the nature of loans, as at the year-end is ₹ 1,25,930.25 lakhs. Reasonable steps are being taken by the Company for recovery of the principal and interest.
- (e) The provisions of paragraph 3(iii)(e) of the Order are not applicable to the Company as its principal business is to give loans.
- (f) The Company has not granted any loans or advances in the nature of loans that were either repayable on demand or without specifying any terms or period of repayment.

- (iv) In our opinion, the Company has complied with the provisions of Section 185 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees provided or security given, as applicable and the provisions of Section 186 of the Companies Act 2013 are not applicable to the Company.
- (v) In our opinion and according to the information and explanations given to us, the Company being Non-Banking Finance Company registered with RBI, provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014, as amended, are not applicable to the Company. We are informed by the management that no order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal against the Company in this regard.
- (vi) The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013, for business activities carried out by the Company. Hence, reporting under paragraph 3 (vi) of the order is not applicable.
- (vii) In respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed statutory dues, including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Cess and other material statutory dues applicable to it, with the appropriate authorities. As explained to us, the Company did not have any dues payable on account of sales tax, service tax, duty of customs, duty of excise and value added tax.
- (b) There were no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax Cess and any other material statutory dues in arrears as at 31 March 2022, for a period of more than six months from the date they became payable.
- (c) The Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on 31 March 2022, on account of disputes are given below:

(₹ in Lakhs)

Name of the statute	Nature of dues	Amount involved*	Amount unpaid	Period to which the amount relates	Forum where dispute is pending

- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- (ix) With respect to reporting requirements of paragraph 3(ix) of the Order:
- The Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - The Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.
 - In our opinion, term loans availed by the Company during the year, were applied by the Company for the purposes for which the loans were obtained.
 - On the basis of the maturity profile of financial assets and financial liabilities provided in Note 44 to the Financial Statements, financial liabilities maturing within the 12 months following the reporting date (i.e. 31 March 2022) falls short of the expected recoveries from financial assets during that period. Further, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(e) of the Order is not applicable.
 - The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause (ix)(f) of the Order is not applicable.

- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under paragraph 3(x)(a) of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partially or optionally) during the year under review and hence reporting under paragraph 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge, no material fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under section 143(12) of the Companies Act, 2013, has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and upto the date of this report) and provided to us, while determining the nature, timing and extent of our audit procedures.
- (xii) The Company is not a Nidhi Company and hence reporting under paragraph 3(xii) of the Order is not applicable.
- (xiii) In our opinion, the Company has complied with the provisions of Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements, etc., as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion, during the year the Company has not entered into any non-cash transactions with its directors or directors of its holding company or persons connected with them and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 ("RBI Act") and it has obtained the registration.
- (b) The Company has conducted the Non-Banking Financial activities with a valid Certificate of Registration ("CoR") from the RBI as per the RBI Act. The Company has not conducted any housing finance activities and is not required to obtain CoR for such activities from the RBI.
- (c) The Company is not a Core Investment Company ("CIC") and hence reporting under paragraph 3(xvi)(c) of the Order is not applicable to the Company.
- (d) The Group does not have more than one CIC as part of the group.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report, indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither

give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- (xx) (a) There are no unspent amounts towards Corporate Social Responsibility ('CSR') on other than ongoing projects requiring transfer to a Fund specified in Schedule VII to the Companies Act, 2013, in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under paragraph 3(xx)(a) of the Order is not applicable for the year.
- (b) In respect of ongoing projects, the Company has transferred the unspent amount towards CSR, to a special account within a period of 30 days from the end of the financial year, in compliance with the provisions of section 135(6) of the Act.
- (xxi) The Company did not have any Subsidiary, Associate or Joint Venture and hence, reporting under the clause (xxi) of the Order is not applicable.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2022

Note 1: Corporate information - Brief description about the Company

Aditya Birla Finance Limited ('ABFL' or 'the Company') is a public company domiciled in India incorporated on 28 August, 1991 under the provisions of the Companies Act, 1956.

The Company is registered with Reserve Bank of India (RBI) as non-deposit taking systematically important Non Banking Financial Company (NBFC) with Registration no.N-01.00500 and is certified as ISO 9001: 2015 for all its Business processes by British Standards Institution (BSI).

The Company is also certified with ISO 27001: 2013 - Information security Management System (ISMS) for Human resource and administration, Information Technology and Internal audit & compliance functions.

The Company is among the leading well-diversified financial services company in India offering end-to-end lending, financing and wealth management solutions to a diversified range of customers across the country.

The Company is one of the wholly owned subsidiary of Aditya Birla Capital Limited and the ultimate parent company is Grasim Industries Limited.

The registered office of the Company is Indian Rayon Compound, Veraval, Gujarat - 362266.

The audited financial statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On 11 May, 2022 Board of Directors of the Company approved and recommended the audited financial statements for consideration and adoption by the shareholders in its Annual General Meeting.

Note 2: Basis of Preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and other relevant provisions of the Act and the guidelines and directives issued by the Reserve Bank of India (RBI), to the extent applicable. The financial statements have been prepared and presented on going concern basis. The financial statements have been prepared under the historical cost convention, as modified by the application of fair value measurements required or allowed by relevant accounting standards. Accounting policies have been consistently applied to all periods presented, unless otherwise stated.

The preparation of financial statements requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the disclosed amount of contingent liabilities. Areas involving a higher degree of judgement or complexity, or areas where assumptions are significant to the Company are discussed in Note 5 - Significant accounting judgements, estimates and assumptions.

The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lakh, except when otherwise indicated.

Note 3: Presentation of financial statements:

The financial statements of the Company are presented as per Schedule III (Division III) of the Companies Act, 2013 applicable to NBFCs, as notified by the Ministry of Corporate Affairs (MCA). Financial assets and financial liabilities are generally reported on a gross basis except when, there is an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event and the parties intend to settle on a net basis in the following circumstances:

- i. The normal course of business
- ii. The event of default
- iii. The event of insolvency or bankruptcy of the Company and/or its counterparties

Functional and Presentation currency

The financial statements are presented in Indian rupees (rounded to the nearest lakhs) which is determined to be the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Note 4: Significant accounting policies:

Note 4.1: Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Note 4.1 (i): Classification of financial instruments

The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Company classifies its financial assets into the following measurement categories:

1. Financial assets to be measured at amortised cost
2. Financial assets to be measured at fair value through other comprehensive income
3. Financial assets to be measured at fair value through profit or loss account

The business model is assessed on the basis of aggregated portfolios based on observable factors. These factors include:

- ▶ Reports reviewed by the entity's key management personnel on the performance of the financial assets.
- ▶ The risks impacting the performance of the business model (and the financial assets held within that business model) and its management thereof.
- ▶ The compensation of the managing teams (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).
- ▶ The expected frequency, value and timing of trades.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account.

The Company also assesses the contractual terms of financial assets on the basis of its contractual cash flow characteristics that are solely for the payments of principal and interest on the principal amount outstanding.

'Principal' is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or amortisation of the premium/discount).

In making this assessment, the Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at fair value through profit or loss.

Sales that are infrequent and insignificant in value both individually and in aggregate are considered to be consistent with the business model whose objective is to hold and collect the contractual cash flows.

The Company classifies its financial liabilities at amortised costs unless it has designated liabilities at fair value through the profit and loss account or is required to measure liabilities at fair value through profit or loss.

Note 4.1 (ii): Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, except in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2022

Subsequent measurement - Financial assets measured at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely for the payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate method (EIR). Amortised cost is calculated by taking into account any fees or costs that are an integral part of the EIR. The amortisation is included in Interest income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

These financial assets comprise bank balances, trade receivables, loans and other financial assets.

Subsequent measurement - Financial assets measured at fair value through other comprehensive income

Debt instruments: A 'debt instrument' is classified as at the Fair Value through Other Comprehensive Income (FVTOCI) if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent Solely Payment of Principal and Interest (SPPI).

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the Other Comprehensive Income (OCI). However, the Company recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Equity Instruments: All equity investments in scope of Ind AS 109 are measured at fair value. For all such equity investments, the Company may make an irrevocable election to present in OCI the subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the Fair Value through Profit or Loss (FVTPL) category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Subsequent measurement - Items at fair value through profit or loss

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Note 4.1 (iii): Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include borrowings including Company overdrafts and trade and other payables.

Subsequent measurement

The measurement of financial liabilities depends on their classification.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Note 4.1 (iv): Recognition and Derecognition of financial assets and liabilities

Recognition:

A financial asset or financial liability is recognised in the balance sheet when the Company becomes a party to the contractual provisions of the instrument, which is generally on trade date. Loans and receivables are recognised when cash is advanced (or settled) to the borrowers. Financial assets at fair value through profit or loss are recognised initially at fair value. All other financial assets are recognised initially at fair value plus directly attributable transaction costs.

Derecognition:

Financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- (a) The right to receive cash flows from the asset have expired, or
- (b) The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (i) the Company has transferred substantially all the risks and rewards of the asset, or (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial Liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Note 4.1 (v): Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments are measured at amortised cost e.g., loans, debt securities, deposits, and other balances
- b) Financial assets that are measured as at FVTOCI
- c) Loan commitments which are not measured as at FVTPL
- d) Financial guarantee contracts which are not measured as at FVTPL.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2022

The Company has established a policy to perform an assessment at the end of each reporting period of whether credit risk has increased significantly since initial recognition by considering the change in the risk of default occurring over the remaining life of the financial instrument.

To calculate ECL, the Company estimate the risk of a default occurring on the financial instrument during its expected life. ECLs are estimated based on the present value of all cash shortfalls over the remaining expected life of the financial asset i.e., the difference between the contractual cash flows that are due to the Company under the contract, and the cash flows that the Company expects to receive are discounted at the effective interest rate of the loan.

The Company groups its loans into Stage 1, Stage 2 and Stage 3, based on the applied impairment methodology, as described below:

Stage 1: 12-months ECL

For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognised.

Stage 2: Lifetime ECL – not credit impaired

For exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired, a lifetime ECL (i.e. reflecting the remaining lifetime of the financial asset) is recognised.

Stage 3: Lifetime ECL – credit impaired

Exposures are assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount.

ECL impairment loss allowance (or reversal) during the period is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'Impairment on financial instruments' in the Statement of Profit and Loss. On the other side, for financial assets measured as at amortised cost, ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

In terms of the requirement as per RBI notification no. RBI/2019-20/170 DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 dated 13 March, 2020 on Implementation of Indian Accounting Standards, Non-Banking Financial Companies (NBFCs) are required to create an impairment reserve for any shortfall in impairment allowances under Ind AS 109 and Income Recognition, Asset Classification and Provisioning (IRACP) norms (including provision on standard assets). The impairment allowances under Ind AS 109 made by the company exceeds the total provision required under IRACP (including standard asset provisioning), as at 31 March, 2022 and accordingly, no amount is required to be transferred to impairment reserve.

Note 4.1 (vi): Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Note 4.1 (vii): Write-offs

The Company reduces the gross carrying amount of a financial asset when the Company has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subjected to write-offs. The Company reserves the right to recover such written off amount. Any subsequent recoveries against such loans are credited to the statement of profit and loss.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2022

Note 4.1 (viii): Derivative Financial Instruments and Hedge Accounting:

The Company enters into forward contracts to hedge the foreign currency risk of firm commitments and highly probable forecast transactions. Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the Statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item.

The Company enters into derivative financial instruments viz. foreign exchange forward contracts, interest rate swaps and cross currency swaps to manage its exposure to interest rate and foreign exchange rate risks. The Company does not hold derivative financial instruments for speculative purposes.

Hedge Accounting : The Company designates certain hedging instruments in respect of foreign currency risk and interest rate risk as cash flow hedges. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows, and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

The effective portion of changes in the fair value of the designated portion of derivatives that qualify as cash flow hedges is recognised in Other Comprehensive Income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in the Statement of Profit and Loss.

Amounts previously recognised in Other Comprehensive Income and accumulated in other equity relating to (effective portion as described above) are re-classified to the Statement of Profit and Loss in the periods when the hedged item affects profit or loss. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains and losses are transferred from equity and included in the initial measurement of the cost of the non-financial asset or non-financial liability.

Hedge accounting is discontinued when the hedging instrument expires, terminated, or exercised, without replacement or rollover (as part of the hedging strategy), or if its designation as a hedge is revoked, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in Other Comprehensive Income and accumulated in other equity at that time remains in other equity and is recognised when the forecast transaction is ultimately recognised in Statement of Profit and Loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in other equity is recognised immediately in the Statement of Profit and Loss.

Note 4.1 (ix): Determination of fair value

On initial recognition, all the financial instruments are measured at fair value. For subsequent measurement, the Company measures certain categories of financial instruments (as explained in note 4.1 (ii) and (iii)) at fair value on each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2022

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

Note 4.2: Revenue from operations

Note 4.2 (i): Interest Income: For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the EIR. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Any subsequent changes in the estimation of the future cash flows is recognised in interest income with the corresponding adjustment to the carrying amount of the assets.

Interest income on credit impaired assets is recognised by applying the effective interest rate to the net amortised cost (net of provision) of the financial asset.

Note 4.2 (ii): Dividend Income

Dividend income is recognised

- a. When the right to receive the payment is established which is generally when shareholders approve the dividend,
- b. it is probable that the economic benefits associated with the dividend will flow to the entity and
- c. the amount of the dividend can be measured reliably

Note 4.2 (iii): Rental Income

Rental income arising from operating leases is recognised on a straight-line basis over the lease term. In cases where the increase is in line with expected general inflation. Rental Income is recognised as per the contractual terms.

Operating leases are leases where the Company does not transfer substantially all of the risk and benefits of ownership of the asset.

Note 4.2 (iv): Fees & Commission Income

Fees and commissions are recognised when the Company satisfies the performance obligation, at fair value of the consideration received or receivable based on a five-step model as set out below, unless included in the effective interest calculation:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2022

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract. For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.

Note 4.2 (v): Net gain/(loss) on Fair value changes

Any differences between the fair values of financial assets classified as fair value through the profit or loss (refer Note 34), held by the Company on the balance sheet date is recognised as an unrealised gain/(loss). In cases there is a net gain/(loss) in the aggregate, the same is recognised in "Net gains on fair value changes" under Revenue from operations in the statement of Profit and Loss. Similarly, any realised gain or loss on sale of financial instruments measured at FVTPL is recognised in net gain/(loss) on fair value changes.

Similarly, any differences between the fair values of financial assets classified as fair value through other comprehensive income are disclosed in the OCI.

However, net gain/(loss) on derecognition of financial instruments classified as amortised cost is presented separately under the respective head in the Statement of Profit and Loss.

Note 4.3: Expenses

Note 4.3 (i): Finance Costs

Finance costs represents Interest expense recognised by applying the EIR to the gross carrying amount of financial liabilities other than financial liabilities classified as FVTPL.

Interest expense includes issue costs that are initially recognized as part of the carrying value of the financial liability and amortized over the expected life using the effective interest method. These include fees and commissions payable to advisers and other expenses such as external legal costs, provided these are incremental costs that are directly related to the issue of a financial liability.

Note 4.3 (ii): Retirement and other employee benefits

Short term employee benefit

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus/ex-gratia are recognised in the period in which the employee renders the related service.

Post employment employee benefit

a) Defined contribution schemes

The Company makes defined contribution to Government managed Employee Provident Fund, Government managed Employee Pension Fund, Employee Deposit Linked Insurance, Employee State Insurance and Superannuation Schemes which are recognised in Statement of Profit and Loss on accrual basis. Payments to defined contribution retirement benefit plans are recognised as an expense when employee have rendered the service entitling them to the contribution.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2022

If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

b) Defined benefit expenses

The Company's liabilities under Payment of Gratuity Act and long term compensated absences are determined on the basis of actuarial valuation made at the end of each financial year using the projected unit credit method. Actuarial gain and losses are recognised immediately in Statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

The Company presents the entire leave as a provision in the Balance Sheet, since it does not have any unconditional right to defer its settlement for twelve months after the reporting date.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss at the earliest of:

- ▶ The date of the plan amendment or curtailment, and
- ▶ The date that the Company recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation under employee benefit expenses in the Statement of Profit and Loss.

- ▶ Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements,
- ▶ Net interest expense or income.

An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, attrition rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Other long-term employee benefits

Company's liabilities towards compensated absences to employees are accrued on the basis of valuations, as at the Balance Sheet date, carried out by an independent actuary using Projected Unit Credit Method. Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised immediately in the Statement of Profit and Loss.

The Company presents the Provision for compensated absences under provisions in the Balance Sheet.

Note 4.3 (iii): Rent expense

In case of short term leases and leases for which the underlying asset is of low value, the company has elected not to apply the requirements of Ind AS 116 and the lease payments associated with those leases are recognised as rent expense on a straight line basis.

Note 4.3 (iv): Leases

The Company as a lessee

The Company's lease assets primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes right – of – use ("ROU") asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the under lying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset generates cash flows that are largely dependent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment on exercise of an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
2. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
4. Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly for all contracts as on April 1, 2019, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17. The weighted average incremental borrowing rate applied to lease liabilities as at 01 April, 2021 is between the range of 4.95% p.a. to 6.95% p.a. for a period varying from 1 to 10 years.

Critical accounting judgements and key sources of estimation uncertainty

Critical judgements required in the application of Ind AS 116 may include, among others, the following:

- Identifying whether a contract (or part of a contract) includes a lease;
- Determining whether it is reasonably certain that an extension or termination option will be exercised;
- Classification of lease agreements (when the entity is a lessor);
- Determination of whether variable payments are in substance fixed;
- Establishing whether there are multiple leases in an arrangement;
- Determining the stand-alone selling prices of lease and non-lease components.

Key sources of estimation uncertainty in the application of Ind AS 116 may include, among others, the following:

- Estimation of the lease term;
- Determination of the appropriate rate to discount the lease payments;
- Assessment of whether a right-of-use asset is impaired.

Note 4.3 (v): Other income and expenses

All Other income and expense are recognized in the period they occur.

Note 4.3 (vi): Impairment of non-financial assets

The carrying amounts of non-financial assets are reviewed at each reporting date if there is any indication of impairment based on internal/external factors. An asset is treated as impaired when the carrying cost of the assets exceeds its recoverable value. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An impairment loss, if any, is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss.

Note 4.3 (vii): Borrowing Cost

Borrowing costs that are directly attributable to the acquisition, construction, or production of a qualifying asset are capitalised as a part of the cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

All other borrowing costs are expensed in the period in which they occur at amortised cost using Effective Interest Rate (EIR). Borrowing costs consist of interest and other costs that an entity incurs in connection with borrowing funds.

Note 4.3 (viii): Taxes

Current tax

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit or loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2022

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it becomes probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss account is recognised either in OCI or in equity. Deferred tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income (OCI) or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Note 4.4: Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet and for the purpose of statement of cash flows comprise cash at bank and cheques in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. They are held for the purposes of meeting short-term cash commitments (rather than for investment or other purposes).

Note 4.5: Property, Plant and Equipments

All items of property, plant and equipments are stated at historical cost, net of accumulated depreciation and impairment loss if any. The cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised. The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

Depreciation methods, estimated useful lives and residual value

Depreciation on the property, plant and equipments is provided on straight line method using the rates arrived as per estimates made by the management supported by technical assessment which coincides with the useful lives of assets as specified in Schedule II to the Companies Act, 2013, except for the assets specified below. The Company has used the following useful lives of the property, plant and equipments to provide depreciation.

Aditya Birla Finance Limited
Notes to the Financial Statements
For the year ended 31 March, 2022

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Asset	Useful Life as Prescribed by Schedule II of the Companies Act, 2013	Estimated Useful Life by Company
Office Computers and Electronic Equipments (including Plant & Machinery)	3 Years	4 Years
Vehicles	8 Years	5 Years
Furniture, Fixtures and Other Office Equipments	10 Years	7 Years
Office equipment	5 Years	4 Years
Software	6 Years	3 years (However it may vary based on tenure of license)
Leasehold Improvements	Over the primary period of the lease	Lower of 3 Years or primary period

Useful life of assets different from prescribed in Schedule II has been estimated by management supported by technical assessment.

Depreciation on assets acquired / sold during the year is recognised on a pro-rata basis to the Statement of Profit and Loss from/ till the date of acquisition or sale.

The residual values, useful lives and methods of depreciation of property, plant and equipments are reviewed at each financial year end and adjusted prospectively, if appropriate.

Note 4.6: Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses if any. Intangible assets are amortised on straight line basis over a period of 3 years. The useful lives of intangible assets are assessed as finite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Statement of Profit and Loss unless such expenditure forms part of carrying value of another asset.

Gains or losses from derecognition of intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Note 4.7: Provisions and Contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Note 4.8: Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Note 4.9: Earnings Per Share

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic earnings per share (EPS) is calculated by dividing the net profit for the year attributable to ordinary equity holders of Company by the weighted average number of ordinary shares outstanding during the year. Diluted EPS is calculated by dividing the net profit attributable to ordinary equity holders of Company (after adjusting for interest on the convertible preference shares and interest on the convertible bond, in each case, inclusive of tax) by the weighted average number of ordinary shares outstanding during the year plus the weighted average number of ordinary shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares.

Note 4.10: Segment Reporting

Operating business segment results are reviewed regularly by the Company's Chief Operating Decision Maker to make decisions about resources to be allocated to the segments and assess their performance. Business segment is the primary segment comprising of 'Financing activity'. As the Company operates only in a single business segment, no segment information thereof is given as required under Ind AS 108.

Note 4.11: Dividend

The Company recognises a liability to make cash to equity holders of the Company when the dividend is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, an interim dividend is authorised when it is approved by the Board of Directors and final dividend is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

Note 4.12: Business Combination under Common Control

A common control business combination, involving entities or businesses in which all of the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination and where the control is not transitory, is accounted for in accordance with Appendix C to Ind AS 103 'Business Combinations'. Business combinations involving entities or businesses under common control are accounted for using the pooling of interest method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values, or recognize new assets or liabilities. Adjustments are made only to harmonize significant accounting policies.
- The financial information in the financial statements in respect of prior periods are restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination.
- The identity of the reserves are preserved and appear in the financial statements of the transferee in the same form in which they appeared in the financial statements of the transferor.

The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves with disclosure of its nature and purpose in the notes.

Note 5: Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosure and the disclosure of contingent liabilities, at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

Note 5.1: Business Model Assessment

Classification and measurement of financial assets depends on the results of the Solely Payments of Principal and Interest and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated.

The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

Note 5.2: Estimation of defined benefit plans (gratuity benefits)

Refer Note 4.3 (ii)

Note 5.3: Fair value measurement:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Note 5.4: Impairment of loans portfolio

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes which can result in different levels of allowances.

It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.

The impairment loss on loans and advances is disclosed in more detail in Note 10.

Note 5.5: Provisions other than impairment on loan portfolio and contingent liabilities

The Company operates in a regulatory and legal environment that, by nature, has a heightened element of litigation risk inherent to its operations. As a result, it is involved in various litigation, arbitration and proceedings in the ordinary course of the Company's business.

When the Company can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows to be probable, the Company records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed.

Given the subjectivity and uncertainty of determining the probability and amount of losses, the Company takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents. Significant judgement is required to conclude on these estimates.

Note 5.6: Effective Interest Rate (EIR) method

The EIR is the rate that exactly discounts estimated future cash flows of the financial instrument through the expected life of the financial instrument or, where appropriate, a shorter period, to the net carrying amount. The future cash flows are estimated taking into account all the contractual terms of the instrument. The calculation of the EIR includes all fees paid or received between parties to the contract that are incremental and directly attributable to the specific lending arrangement, transaction costs, and all other premiums or discounts. For financial assets measured at fair value through profit and loss ("FVTPL"), transaction costs are recognised in the statement of profit and loss at initial recognition.

Note 5.7: Recognition of deferred tax assets for carried forward losses

Refer Note 4.3 (viii)

Note 5.8: Estimation of useful life of property, plant and equipments and intangible assets

Refer note 4.5 and 4.6

Note 8.1 : Hedging activities and derivatives

The Company is exposed to certain risks relating to its external commercial borrowings and Non Convertible Debentures. The primary risks managed using derivative instruments are foreign currency risk and interest rate risk. The Company's risk management strategy and how it is applied to manage risk are explained in Note 52.

Note 8.2 : Derivatives designated as hedging instruments

Cash flow hedges

The Company is exposed to foreign currency risk arising from its External Commercial borrowings amounting to ₹ 1,46,367.54 Lakhs. Interest on the borrowing is payable at a floating rate. The Company economically hedged the foreign currency risk arising from the debt with a 'receive floating pay fixed' cross-currency interest rate swap ('swap'). The notional amount of swap is disclosed in the table below. The swap contract converts the cash outflows of the foreign currency borrowing as per table below to cash outflows in INR with a notional amount of ₹ 1,46,367.54 lakhs at fixed interest rate.

There is an economic relationship between the hedged item and the hedging instrument as the terms of the cross currency swap contract match that of the foreign currency borrowing (notional amount, interest payment dates, principal repayment date etc.). The Company has established a hedge ratio of 1:1 for the hedging relationships as the underlying risk of the cross currency swap are identical to the hedged risk components. To test the hedge effectiveness, the Company uses the hypothetical derivative method and compares the changes in the fair value of the hedging instruments against the changes in fair value of the hedged items attributable to the hedged risks. The hedge ineffectiveness can arise mainly if there is a change in the credit risk of the Company or the counterparty.

The impact of the hedging instruments and hedge items on the balance sheet are, as follows

Fair Value Hedge

Fair value hedges hedge the exposure to changes in the fair value of a recognised asset or liability, or an identified portion of such an asset, liability, that is attributable to a particular risk and could affect profit or loss. For designated and qualifying fair value hedges, the cumulative change in the fair value of a hedging derivative is recognised in the statement of profit and loss under Net gain on fair value changes. Meanwhile, the cumulative change in the fair value of the hedged item attributable to the risk hedged is recorded as part of the carrying value of the hedged item in the balance sheet and is also recognised in the statement of profit and loss under Net gain on fair value changes. The Company classifies a fair value hedge relationship when the hedged item (or group of items) is a distinctively identifiable asset or liability hedged by one or a few hedging instruments.

The impact of the hedging instruments and hedged items on the balance sheet is as follows

Particulars	Notional Amounts		Carrying amount of hedging instruments Assets/(Liabilities)	Line item in the Balance Sheet		Change in fair value used for measuring ineffectiveness for the period

Capital Reserve: Capital reserve refers to difference on account of net assets taken over and purchase consideration paid for merger of wealth management undertaking of Aditya Birla Money Mart Limited with the Company and the difference on account of net assets taken over and purchase consideration paid for merger of transaction business of Aditya Birla Capital Technology Services Limited, ABCTSL (formerly known as Aditya Birla My Universe Limited, ABMUL) undertaking with the Company.

Capital Redemption reserve : Preference shares of Rs. 10 Crore were redeemed at the Board meeting held on January 30, 2020. As per the provisions of Companies Act, 2013, the preference shares were redeemed out of the profits of the company and therefore a sum equivalent to the nominal amount of shares redeemed were transferred to capital redemption reserve.

General Reserve: This reserve is created on account of merger. As per court order, this reserve can be utilised for distribution of dividends.

Retained Earnings: Retained earnings refer to the percentage of net earnings not paid out as dividends, but retained by the Company to be reinvested in its core business, or to pay debts.

Other Comprehensive Income : The Company has elected to recognise changes in the fair value of certain instruments in equity securities and debt instruments in other comprehensive income. These changes are accumulated with the FVTOCI reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are de-recognised. The Company uses hedging instruments as part of its management of foreign currency risk and interest rate risk associated on borrowings. For hedging foreign currency and interest rate risk, the Company uses foreign currency forward contracts and cross currency interest rate swaps. To the extent these hedges are effective, the change in fair value of the hedging instrument is recognised in the cash flow hedging reserve. Amounts recognised in the cash flow hedging reserve is reclassified to the statement of profit or loss when the hedged item affects profit or loss (e.g. interest payments).

Note 48: Capital

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a capital adequacy ratio, which is weighted assets divided by total capital derived as per the RBI requirements. As per the RBI guidelines, Company being a Non Banking Finance Company has to maintain 15% of capital adequacy ratio.

The actual Capital Adequacy Ratio is as under:

Particulars	31 March, 2022	31 March, 2021
Capital Adequacy Ratio	21.77%	22.70%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March, 2022 and 31 March, 2021.

Valuation methodologies of financial instruments not measured at fair value: Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements. These fair values were calculated for disclosure purposes only.

Short-term financial assets and liabilities: The carrying amounts of cash & cash equivalents, bank balance, trade receivables, other financial assets, trade payables and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.

Borrowings

Floating Rate Borrowings: Floating rate borrowings are valued on the basis of Applicable Benchmark (viz; Tenor Linked T-Bill, Repo Rate, Tenor Linked MCLR, or any external benchmark as the case may be) + Spread, if applicable.

Fixed Rate Borrowings: Fixed rated borrowing are valued on the basis of valuation report shared by ICRA.

Note 49.2: Disclosure pursuant to Ind AS 113 "Fair Value Measurement"

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Company determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method, market comparable method, recent transactions happened in the company and other valuation models.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as explained below :

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, units of mutual funds (open ended) and traded bonds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Note 49: Financial Instruments (continued)

(e) Valuation techniques

Equity instruments: The majority of equity instrument are actively traded on stock exchanges with readily available active prices on a regular basis. Such instruments are classified as Level 1. Unlisted equity securities are classified at Level 3.

Investment in Preference Shares: Investment made in preference share is not actively traded on stock exchange and such instrument are classified as level 2.

Investment in Govt Securities : The fair values of investments made in Government Securities is based on valuation report from ICRA as at the reporting period and the same are classified under Level 2.

Investment in Alternate funds : Units held in funds of AIF are measured based on their published net asset value (NAV), taking into account redemption and/or other restrictions. Such instruments are generally Level 2. NAV represents the price at which the issuer will issue further units of AIF and the price at which issuers will redeem such units from the investors.

Investment in Debt Securities: Fair value of these instrument is derived based on the indicative quote of price and yields prevailing in the market as at reporting date. Company has used quoted price of national stock exchange wherever bonds are traded actively. In cases where debt securities are not actively traded company has used CRISIL corporate bond valuer model for measuring fair value i.e. fair value has been computed using the Fixed Income Money Market and Derivatives Association of India ('FIMMDA') data on corporate bond spreads and such instruments are classified as Level 2.

Derivative Financial Instruments : A generally accepted framework for the valuation of the swap explains the position in each leg of the swap as a 'bond'. Therefore, a receive floating - pay fixed swap can be viewed as a portfolio consisting a short position in fixed bond and long position a floating rate bond. The value of the swap is the net proceeds from such bond positions i.e. Receipt – Payment. The swaps were valued on and with inputs from the swap providers using the terms of the swap contract.

Equity shares measured at Fair Value through Other Comprehensive Income: Unquoted equity shares are measured at fair value through other comprehensive income on the basis of the net worth of the investee company and are classified as Level 3.

Note 52: Risk management

(a) Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings (including Debt Securities & Subordinate Liabilities) and trade and other payables. The main purpose of these financial liabilities is to finance and support the company's operations. The Company's principal financial assets include loans, investments, cash and cash equivalents and other receivables that derive directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a Risk Management Committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The Risk Committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors review and agree policies for managing each of these risks, which are summarised below.

The Company has identified and implemented comprehensive policies and procedures to assess, monitor and manage risk throughout the Company. The risk management process is continuously reviewed, improved and adapted in the changing risk scenario and the agility of the risk management process is monitored and reviewed for its appropriateness in the changing risk landscape. The process of continuous evaluation of risks includes taking stock of the risk landscape on an event-driven basis.

The Company has an elaborate process for risk management. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis.

Operational & Business Risk

Loss of Risk that is related to activities carried out within an entity, arising from incomplete structure, failure of systems, untrained people, inefficient products or processes. To make the structure more robust a Board approved Operational Risk Management Framework has been put in place which is implemented by a dedicated team within the Risk Management function. A bottom up risk control self-assessment process identifies high risk areas, potential gaps and serves as an early warning system so that remedial measures can be initiated in a timely manner.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. In the case of the Company, market risk primarily comprises of interest rate risk. Financial instruments affected by market risk include loans and The analyses exclude the impact of movements in market variables on the carrying values of gratuity, other post-retirement obligations and provisions.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March, 2022 and 31 March, 2021.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Interest rate sensitivity

Since the Company manages its interest rate risk on domestic borrowings by ensuring, at maximum, its long term borrowings from domestic banks at floating rate of interest and in case of reduction in interest rate, it initiates negotiations with bankers for realigning the interest rate and/or repaying the high interest rate exposures, the interest rate change in market as such doesn't affect Company's profitability materially.

Market indices	Change in Interest rate	31 March, 2022		31 March, 2021	
		Impact on profit before tax	Impact on equity	Impact on profit before tax	Impact on equity
Interest rate	25 Basis Point down	6,929.29	5,164.32	5,613.65	4,184.51

Note 52: Risk management (continued)

Foreign Exchange Risk

Foreign exchange risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates primarily relates to its External Commercial Borrowings. The Company uses derivative instruments like forwards to hedge exposure to foreign currency risk.

The Company has taken foreign currency floating rate borrowings, which are linked to LIBOR. For managing the foreign currency risk and interest rate risk, arising from changes in LIBOR on such borrowings, the Company has entered into Cross Currency Interest Rate Swap (CCIRS) and forward contracts for the entire loan liability and tenure of the facility. Under the terms of the CCIRS, the Company pays interest at the fixed rate to the swap counterparty in INR and receives the floating interest payments based on LIBOR in foreign currency.

Credit risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligations. The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties and for geographical and industry concentrations, and by monitoring exposures in relation to such limits.

The Company has established a credit quality review process to provide early identification of possible changes in the creditworthiness of counterparties, including regular collateral revisions. Counterparty limits are established by the use of a credit risk classification system, which assigns each counterparty a risk rating. Risk ratings are subject to regular revision. The credit quality review process aims to allow the Company to assess the potential loss as a result of the risks to which it is exposed and take corrective action.

Impairment assessment

The ECL model Credit loss provisioning approach has now moved from incurred model. This forces entity to understand the significance of credit risk and its movement since its initial recognition. This model ensures (a) timely recognition of ECLs (b) assessment of significant increase in credit risk which will provide better disclosure (c) ascertainment of better business ratios.

The references below show where the Company's impairment assessment and measurement approach is set out in this report. It should be read in conjunction with the Summary of significant accounting policies in Note 5.

- An explanation of the Company's internal grading system (Note 'Definition of default' below)
- How the Company defines, calculates and monitors the probability of default, exposure at default and loss given default) (Note 'The Company's internal rating and PD estimation process', 'Probability of Default', 'Exposure at Default' below)
- When the Company considers there has been a significant increase in credit risk of an exposure (Note 'Significant increase in credit risk' below)
- The Company's policy of segmenting financial assets where ECL is assessed on a collective basis (Note 'Grouping financial assets measured on a collective basis' below)
- The details of the ECL calculations for Stage 1, Stage 2 and Stage 3 assets (Notes 'Probability of default', 'Exposure at default' and 'loss given default' below)

Definition of default

The Company considers a financial instrument defaulted and therefore Stage 3 (credit impaired) for ECL calculations generally in most cases when the borrower becomes 90 days past due on its contractual payments.

As a part of a qualitative assessment of whether a customer is in default, the Company also considers a variety of instances that may indicate unlikeliness to pay. When such events occur, the Company carefully considers whether the event should result in treating the customer as defaulted and therefore assessed as Stage 3 for ECL calculations or whether Stage 2 is appropriate. Such events include:

- a) Significant financial difficulty of the borrower or issuer;
- b) A breach of contract such as a default or past due event;
- c) The restructuring of a loan or advance by the company on terms that the company would not consider otherwise;
- d) It is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; or
- e) The disappearance of an active market for a security because of financial difficulties and the customer has delay in his repayments over a month.

Note 52: Risk management (continued)

The Company's internal rating and PD estimation process

- a. Internal Rating: A robust internal credit rating framework is vital for effective credit risk management. It is specified by RBI on credit risk management that lenders should have an internal rating framework and the lenders must have independent Credit Risk Control Units (CRCU) or equivalents that are responsible for the design or selection, implementation and performance of their internal rating systems. Accordingly the Company also have an internal rating framework developed along with CRISIL, with ratings being assigned to all the customer/ portfolio pool – (eligible customers for Ratings) and used extensively in internal decision-making.
- b. It is further specified in the policy that internal rating/grading/scoring of the borrower/client is at least Investment grade rating as per the Company's internal credit rating model or valid/live external rating.

Probability of Default (PD)

PD is calculated basis likelihood that the borrower will default within one year horizon (Basis for Stage 1), For Stage 2 – it is defined as significant increase in credit risk and probability is defined as borrower's probability to default in lifetime.

Exposure at Default

Gross exposure/potential gross exposure under a facility (i.e. the amount that is legally owed to the lender) at the time of default by a borrower. Exposure at Default gives an estimate of the amount outstanding.

Loss Given Default (LGD)

LGD is usually shown as the percentage of Exposure at Default that the lender might lose in case the borrower defaults. It depends, among others, on the type of collateral, it's value and the expected proceeds from the sale (e.g. sales proceeds from sales of collaterals/securities) of the assets, NPV net of recovery costs.

Significant increase in credit risk

- a. There is significant increase in credit risk, when there is deterioration in account performance and expected resolution is not available.
- b. Further, for large borrowers after assessing the following Risks in totality and deterioration in each factor, it is then assessed whether there is a significant increase in credit risk
- Industry Risk
 - Business Risk
 - Management Risk
 - Financial Risk
 - Banking Conduct & Facility level Conduct.
- c. Significant increase in credit risk is also gauged through Credit rating. Credit rating is an opinion of capacity of borrower to meet its financial obligations to the depositor or bondholder (i.e. lender of money) on a particular issue or type of instrument (i.e. a domestic or foreign currency: short-term or medium or long-term, etc.) in a timely manner. The rating measures the relative risk of an issuers ability and willingness to repay both interest and principal over the period of the rated instrument. i.e. rating signifies the risk of default of the borrower that is rated.

Note 52: Risk management (continued)

The Company by way of loan sanction letter and other loan securing documents agrees with its customers on collateral security to be provided by the customers in secured loan exposures that are subject to credit risk. Collateral security enables us to recover all or part of the outstanding exposure by liquidating the collateral asset provided, in cases where the borrower is unable or unwilling to fulfil its primary obligations.

Collateral security accepted by the Company could be in the form of:

- a) Financial collateral in the form of pledge of equity shares, units of mutual funds, assignment of life insurance policies;
- b) Current assets in the form of inventories meant for sale or receivables arising out of the sale of finished goods
- c) Fixed asset (in the form of immovable properties – real estate, Plant and Machinery, Equipment's)
- d) Third-party obligation (in the form of Irrevocable Unconditional Guarantee issued by Bank, Third party);
- e) Risk participation from Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE)
- f) Assignment of borrower's rights and interests under agreements with third parties.

In addition, the Company also stipulates escrow of cash flows and a Debt Service Reserve Account (DSRA) for project loans

Collateral serves to mitigate the inherent risk of credit loss in an exposure, by either improving recoveries in the event of a default or substituting the borrower.

As part of the assessment of a credit transaction the availability, adequacy and suitability of collateral for the transaction is evaluated and decided upon. The Company's processes includes verification of the title to the collateral offered and valuation by technical experts where warranted. The Company accept as collateral only securities of good quality and have in place legally effective and enforceable documentation.

For guarantee's taken, the guarantor's creditworthiness is assessed during the credit assessment process of the transaction. The Company has collateral type specific haircuts in place which are reviewed at intervals as appropriate to the type of collateral.

The Company recognises that collateral can be a credit mitigant (alternative source of repayment), but does not replace or dilute the underwriting standards the company adopts to underwrite credit exposures.

(b) Forward looking Information :

The Company is required to provide for impairment allowance basis expected credit loss (ECL), which is calculated using empirical portfolio performance and adjusted for forward looking macroeconomic factors, as prescribed by Ind AS. The overall provisioning made through this approach, continues to be in excess of the floor provisions as prescribed by RBI for NBFCs.

The assessment of credit risk and estimation of ECL is statistically validated. It considers all relevant information about past events, current conditions and some elements of predicted performance of the portfolio.

ECL has been calculated using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD).

In the process of determining the PD, the macro economic impact is intrinsically built in in our current approach. The overall performance through the life cycle of the loan, considers the impact of macro-economic parameters like GDP or once in events like de-monetisation etc. Most of the portfolios have seen one to two complete economic cycles and hence the default probabilities experienced by the Company takes into account the upturn, downturn and central (balanced) economic scenario.

In the internally rated portfolio, the Industry rating module (sourced from CRISIL under agreement) recognizes factors like demand prediction, supply side glut / constraints, impact of imports and exports and the government policies which are more forward looking and making the through-the-cycle default probabilities to point-in-time default probability.

Grouping financial assets measured on a collective basis

The Company calculates ECLs either on a collective or an individual basis.

Asset classes where the Company calculates ECL on an individual basis include:

1. Corporate Portfolio

Asset classes where the Company calculates ECL on a collective basis include:

1. Retail Portfolio

The ECL methodology allows for individual assessment for corporates and therefore these loans are generally measured individually as each of these exposures have unique characteristics and structuring. For retail exposures and exposures which can be clubbed in homogenous pools, ECL is measured on a collective basis. This has been arrived at based on common characteristics like nature of product, customer profile etc.

Note 52: Risk management (continued)

(d) Liquidity risk and funding management

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances.

The Company manages its liquidity requirement by analysing the maturity pattern of Company's cash flows of financial assets and financial liabilities. The Asset Liability Management of the Company is periodically reviewed by its Asset Liability Management Committee.

The Company maintains a portfolio of highly marketable and diverse assets that are assumed to be easily liquidated in the event of an unforeseen interruption in cash flow. The Company also has lines of credit that it can access to meet liquidity needs. In accordance with the Company's policy, the liquidity position is assessed under a variety of scenarios, giving due consideration to stress factors relating to both the market in general and specifically to the Company. Net liquid assets consist of cash. The ratios during the year were, as follows:

Advances to borrowings ratios

Particulars	2022	2021
Year-end	116.57%	115.49%
Maximum	118.99%	119.34%
Minimum	116.57%	110.41%
Average	118.16%	114.83%

Borrowings from banks and financial institutions and issue of debentures are considered as important sources of funds to finance lending to customers. They are monitored using the advances to borrowings ratio, which compares loans and advances to customers as a percentage of secured and unsecured borrowings.

C) Qualitative Disclosure

a) The main drivers of their LCR results and the evolution of the contribution of inputs to the LCR's calculation over time: RBI had introduced the liquidity coverage ratio (LCR) to ensure that NBFC has an adequate stock of unencumbered high-quality liquid assets (HQLA) to survive a significant liquidity stress lasting for a period of 30 days. LCR is defined as a ratio of HQLA to the total net cash outflows estimated for the next 30 calendar days. At March 31, 2022, the applicable minimum LCR required to be maintained by NBFC is 60%.
The Company has an Asset Liability Management Committee (ALCO), a management level committee to handle liquidity risk. The ALCO meets at periodic intervals. At the apex level, the Risk Committee (RC), a sub-committee of the Board of Directors of the Company, oversees the liquidity risk management. The RC subsequently updates the Board of Directors on the same.
b) Intra-period changes as well as changes over time: Company has started maintaining LCR w.e.f. 1st December, 2020. The details for the four quarters ended 30th June, 2021, 30th September, 2021, 31st December, 2021 and year ended 31st March, 2022 are disclosed in 56 Liquidity Coverage Ratio.
c) The composition of HQLAs: The Company, for the year ended 31 March 2022, had average HQLA of Rs. 1,745.11 crore vis-à-vis 1,417.56 crore for the quarter ended March 31, 2021.

Note 70: The COVID -19 pandemic continues to spread across the globe and India, which has contributed to a significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. The financial results, includes the potential impact of the COVID-19 pandemic on the Company's financial results which are dependent on future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether Government mandated or elected by the Company and its subsequent impact on the recoverability's on the Company's assets. The Company has, based on current available information and based on the policy approved by the Board, determined the provision for impairment of financial assets including the additional overlay for uncertainty over the potential macro-economic impact of the pandemic.

Based on the current indicators of future economic conditions, the Company considers this provision to be adequate and expects to recover the carrying amount of these financial assets. Given the uncertainty over the potential macro-economic condition, the impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

INDEPENDENT AUDITOR'S REPORT

**To the Members of Aditya Birla Finance Limited
Report on the Audit of the Financial Statements**

Opinion

We have audited the accompanying financial statements of Aditya Birla Finance Limited (the "Company"), which comprise the Balance Sheet as at 31st March 2021, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act ("SA"s). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

We draw attention to Note 51(e) to the financial statements, in which the Company describes the continuing uncertainties arising from the COVID 19 pandemic.

Our opinion on the financial statements is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1.	<p>Allowances for Expected Credit Losses:</p> <p>As at March 31, 2021, the carrying value of loan assets measured at amortised cost, aggregated ₹ 47,59,743.36 lakh (net of allowance of expected credit loss ₹1,02,118.65 lakh) constituting approximately 94% of the Company's total assets. Significant judgement is used in classifying these loan assets and applying appropriate measurement principles. The allowance for expected credit losses ("ECL") on such loan assets measured at amortised cost is a critical estimate involving greater level of management judgement.</p> <p>As part of our risk assessment, we determined that the allowance for ECL on loan assets has a high degree of estimation uncertainty, with a potential range of reasonable outcomes for the financial statements.</p> <p>The elements of estimating ECL which involved increased level of audit focus are the following:</p> <ul style="list-style-type: none"> • Qualitative and quantitative factors used in staging the loan assets measured at amortised cost. • Basis used for estimating Probabilities of Default ("PD"). • Basis used for estimating Loss Given Default ("LGD"). • Judgements used in projecting economic scenarios and probability weights applied to reflect future economic conditions. • Adjustments to model driven ECL results to address emerging trends. 	<p>We performed the following audit procedures:</p> <p>We have examined the policies approved by the Board of Directors of the Company that articulate the objectives of managing each portfolio and their business models. We have also verified the methodology adopted for computation of ECL ("ECL Model") that addresses policies approved by the Board of Directors, procedures and controls for assessing and measuring credit risk on all lending exposures measured at amortised cost.</p> <p>Additionally, we have confirmed that adjustments to the output of the ECL Model is consistent with the documented rationale and basis for such adjustments and that the amount of adjustment has been approved by the Audit Committee of the Board of Directors.</p> <p>Our audit procedures related to the allowance for ECL included the following, among others:</p> <ul style="list-style-type: none"> • Testing the design and effectiveness of internal controls over the following: <ul style="list-style-type: none"> - completeness and accuracy of the Exposure at Default ("EAD") and the classification thereof into stages consistent with the definitions applied in accordance with the policy approved by the Board of Directors including the appropriateness of the qualitative factors to be applied. - completeness, accuracy and appropriateness of information used in the estimation of the PD and LGD for the different stages depending on the nature of the portfolio; and - computation of the ECL including methodology used to determine macro-economic overlays and adjustments to the output of the ECL Model.

2.	<p>Information Technology and General Controls</p> <p>The Company is dependent on its Information Technology ("IT") systems due to the significant number of transactions that are processed daily across such multiple and discrete IT systems.</p> <p>Also, IT application controls are critical to ensure that changes to applications and underlying data are made in an appropriate manner and under controlled environments. Appropriate controls contribute to mitigating the risk of potential fraud or errors as a result of changes to applications and data.</p>	<p>With the assistance of our IT specialists, we obtained an understanding of the Company's IT applications, databases and operating systems relevant to financial reporting and the control environment. For these elements of the IT infrastructure the areas of our focus included access security (including controls over privileged access), program change controls, database management and network operations.</p> <p>In particular:</p> <ul style="list-style-type: none"> • we tested the design, implementation and operating effectiveness of the Company's general IT controls over the IT systems relevant to financial

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Directors' report including Annexures to Director's Report, but does not include the financial statements and our auditors report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance

Deloitte Haskins & Sells LLP

of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and

**Deloitte
Haskins & Sells LLP**

qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The financial statements of the Company as at and for the year ended March 31, 2020 prepared in accordance with Ind AS have been audited by the predecessor auditor/other auditors. The report of these auditors on these comparative financial information expressed an un-modified opinion.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g. With respect to the other matters to be included in the Auditor's report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us the

**Deloitte
Haskins & Sells LLP**

remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Aditya Birla Finance Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those

Deloitte Haskins & Sells LLP

policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021 based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The financial statements were authorised for issue by the Board of Directors on 13 May, 2021.

2 Basis of Preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read together with the Companies (Indian Accounting Standards) Rules, 2015, the Companies (Indian Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared under the historical cost convention, as modified by the application of fair value measurements required or allowed by relevant accounting standards. Accounting policies have been consistently applied to all periods presented, unless otherwise stated.

The preparation of financial statements requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the disclosed amount of contingent liabilities. Areas involving a higher degree of judgement or complexity, or areas where assumptions are significant to the Company are discussed in Note 6 - Significant accounting judgements, estimates and assumptions.

The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lakh, except when otherwise indicated.

To provide more reliable and relevant information about the effect of certain items in the Balance Sheet and Statement of Profit and Loss, the Company has changed the classification of certain items. Accordingly, previous period/year figures have been re-grouped or reclassified, to conform to such current period grouping / classifications. There is no impact on Equity or Net Loss due to these regrouping / reclassifications.

3 Presentation of financial statements:

The financial statements of the Company are presented as per Schedule III (Division III) of the Companies Act, 2013 applicable to NBFCs, as notified by the Ministry of Corporate Affairs (MCA). Financial assets and financial liabilities are generally reported on a gross basis except when, there is an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event and the parties intend to settle on a net basis in the following circumstances:

- i. The normal course of business
- ii. The event of default
- iii. The event of insolvency or bankruptcy of the Company and/or its counterparties

4 Statement of compliance:

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 and the other relevant provisions of the Act.

5 Significant accounting policies:

5.1 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Aditya Birla Finance Limited
Notes to the Financial Statements
for the year ended 31 March, 2021

(i) Classification of financial instruments

The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective.

The Company classifies its financial assets into the following measurement categories:

1. Financial assets to be measured at amortised cost
2. Financial assets to be measured at fair value through other comprehensive income
3. Financial assets to be measured at fair value through profit or loss account

The business model is assessed on the basis of aggregated portfolios based on observable factors. These factors include:

- ▶ Reports reviewed by the entity's key management personnel on the performance of the financial assets.
- ▶ The risks impacting the performance of the business model (and the financial assets held within that business model) and its management thereof.
- ▶ The compensation of the managing teams (for example, whether the compensation is based on the fair value of the assets managed or on the contractual cash flows collected).
- ▶ The expected frequency, value and timing of trades.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account.

The Company also assesses the contractual terms of financial assets on the basis of its contractual cash flow characteristics that are solely for the payments of principal and interest on the principal amount outstanding.

'Principal' is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset (for example, if there are repayments of principal or amortisation of the premium/discount).

In making this assessment, the Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at fair value through profit or loss.

Sales that are infrequent and insignificant in value both individually and in aggregate are considered to be consistent with the business model whose objective is to hold and collect the contractual cash flows.

The Company classifies its financial liabilities at amortised costs unless it has designated liabilities at fair value through the profit and loss account or is required to measure liabilities at fair value through profit or loss.

(ii) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, except in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement - Financial assets measured at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely for the payments of principal and interest on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate method (EIR). Amortised cost is calculated by taking into account any fees or costs that are an integral part of the EIR. The EIR amortisation is included in fee and commission income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

These financial assets comprise bank balances, trade receivables, loans and other financial assets.

Aditya Birla Finance Limited
Notes to the Financial Statements
for the year ended 31 March, 2021

Subsequent measurement - Financial assets measured at fair value through other comprehensive income

Debt Instruments

A 'debt instrument' is classified as at the Fair Value through Other Comprehensive Income (FVTOCI) if both of the following criteria are met:

- a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- b) The asset's contractual cash flows represent Solely Payment of Principal and Interest (SPPI).

Debt Instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value.

Fair value movements are recognized in the Other Comprehensive Income (OCI). However, the Company recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from the equity to Statement of Profit and Loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Equity Instruments

All equity investments in scope of Ind AS 109 are measured at fair value. For all such equity investments, the Company may make an irrevocable election to present in OCI the subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the Fair Value through Profit or Loss (FVTPL) category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Subsequent measurement - Items at fair value through profit or loss

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified at FVTPL.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

(iii) Financial Liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include borrowings including Company overdrafts and trade and other payables.

Subsequent measurement

The measurement of financial liabilities depends on their classification.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

(iv) Recognition and Derecognition of financial assets and liabilities

Recognition:

A financial asset or financial liability is recognised in the balance sheet when the Company becomes a party to the contractual provisions of the instrument, which is generally on trade date. Loans and receivables are recognised when cash is advanced (or settled) to the borrowers. Financial assets at fair value through profit or loss are recognised initially at fair value. All other financial assets are recognised initially at fair value plus directly attributable transaction costs.

Aditya Birla Finance Limited
Notes to the Financial Statements
for the year ended 31 March, 2021

Derecognition:

Financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- (a) The right to receive cash flows from the asset have expired, or
- (b) The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (i) the Company has transferred substantially all the risks and rewards of the asset, or (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(v) **Impairment of financial assets**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments are measured at amortised cost e.g., loans, debt securities, deposits, and other balances
- b) Financial assets that are measured as at FVTOCI
- c) Loan commitments which are not measured as at FVTPL
- d) Financial guarantee contracts which are not measured as at FVTPL.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Aditya Birla Finance Limited
Notes to the Financial Statements
for the year ended 31 March, 2021

The Company has established a policy to perform an assessment at the end of each reporting period of whether credit risk has increased significantly since initial recognition by considering the change in the risk of default occurring over the remaining life of the financial instrument.

To calculate ECL, the Company estimates the risk of a default occurring on the financial instrument during its expected life. ECLs are estimated based on the present value of all cash shortfalls over the remaining expected life of the financial asset i.e., the difference between the contractual cash flows that are due to the Company under the contract, and the cash flows that the Company expects to receive are discounted at the effective interest rate of the loan.

The Company groups its loans into Stage 1, Stage 2 and Stage 3, based on the applied impairment methodology, as described below:

Stage 1: 12-months ECL

For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognised.

Stage 2: Lifetime ECL – not credit impaired

For exposures where there has been a significant increase in credit risk since initial recognition but are not credit impaired, a lifetime ECL (i.e. reflecting the remaining lifetime of the financial asset) is recognised.

Stage 3: Lifetime ECL – credit impaired

Exposures are assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of that asset have occurred. For exposures that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortised cost (net of provision) rather than the gross carrying amount.

ECL impairment loss allowance (or reversal) during the period is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'Impairment on financial instruments' in the Statement of Profit and Loss. On the other side, for financial assets measured as at amortised cost, ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

In terms of the requirement as per RBI notification no. RBI/2019-20/170 DOR (NBFC).CC.PD.No.109/22.10.106/2019-20 dated 13 March, 2020 on Implementation of Indian Accounting Standards, Non-Banking Financial Companies (NBFCs) are required to create an impairment reserve for any shortfall in impairment allowances under Ind AS 109 and Income Recognition, Asset Classification and Provisioning (IRACP) norms (including provision on standard assets). The impairment allowances under Ind AS 109 made by the company exceeds the total provision required under IRACP (including standard asset provisioning), as at 31 March, 2021 and accordingly, no amount is required to be transferred to impairment reserve.

(vi) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(vii) Write-offs

The Company reduces the gross carrying amount of a financial asset when the Company has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subjected to write-offs. The Company reserves the right to recover such written off amount. Any subsequent recoveries against such loans are credited to the statement of profit and loss.

(viii) Derivative Financial Instruments and Hedge Accounting:

The Company enters into forward contracts to hedge the foreign currency risk of firm commitments and highly probable forecast transactions. Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the Statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item.

The Company enters into derivative financial instruments viz. foreign exchange forward contracts, interest rate swaps and cross currency swaps to manage its exposure to interest rate and foreign exchange rate risks. The Company does not hold derivative financial instruments for speculative purposes.

Aditya Birla Finance Limited
Notes to the Financial Statements
for the year ended 31 March, 2021

Hedge Accounting : The Company designates certain hedging instruments in respect of foreign currency risk and Interest rate risk as cash flow hedges. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows, and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

The effective portion of changes in the fair value of the designated portion of derivatives that qualify as cash flow hedges is recognised in Other Comprehensive Income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognised immediately in the Statement of Profit and Loss.

Amounts previously recognised in Other Comprehensive Income and accumulated in other equity relating to (effective portion as described above) are re-classified to the Statement of Profit and Loss in the periods when the hedged item affects profit or loss. However, when the hedged forecast transaction results in the recognition of a non-financial asset or a non-financial liability, such gains and losses are transferred from equity and included in the initial measurement of the cost of the non-financial asset or non-financial liability.

Hedge accounting is discontinued when the hedging instrument expires, terminated, or exercised, without replacement or rollover (as part of the hedging strategy), or if its designation as a hedge is revoked, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in Other Comprehensive Income and accumulated in other equity at that time remains in other equity and is recognised when the forecast transaction is ultimately recognised in Statement of Profit and Loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in other equity is recognised immediately in the Statement of Profit and Loss.

(ix) Determination of fair value

On initial recognition, all the financial instruments are measured at fair value. For subsequent measurement, the Company measures certain categories of financial instruments (as explained in note 5.1 (ii) and (iii)) at fair value on each balance sheet date.

Aditya Birla Finance Limited
Notes to the Financial Statements
for the year ended 31 March, 2021

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation at the end of each reporting period.

5.2 Revenue from operations

(i) Interest Income

For all debt instruments measured either at amortised cost or at fair value through other comprehensive income, interest income is recorded using the EIR. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Any subsequent changes in the estimation of the future cash flows is recognised in interest income with the corresponding adjustment to the carrying amount of the assets.

Interest income on credit impaired assets is recognised by applying the effective interest rate to the net amortised cost (net of provision) of the financial asset.

(ii) Dividend Income

Dividend income is recognised

- a. when the right to receive the payment is established which is generally when shareholders approve the dividend,
- b. it is probable that the economic benefits associated with the dividend will flow to the entity and
- c. the amount of the dividend can be measured reliably

(iii) Rental Income

Rental income arising from operating leases is recognised on a straight-line basis over the lease term. In cases where the increase is in line with expected general inflation, rental income is recognised as per the contractual terms.

Operating leases are leases where the Company does not transfer substantially all of the risk and benefits of ownership of the asset.

(iv) Fees & Commission Income

Fees and commissions are recognised when the Company satisfies the performance obligation, at fair value of the consideration received or receivable based on a five-step model as set out below, unless included in the effective interest calculation:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract. For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.

(v) Net gain on Fair value changes

Any differences between the fair values of financial assets classified as fair value through the profit or loss (refer Note 35), held by the Company on the balance sheet date is recognised as an unrealised gain / loss. In cases there is a net gain/loss in the aggregate, the same is recognised in "Net gains on fair value changes" under Revenue from operations in the statement of Profit and Loss. Similarly, any realised gain or loss on sale of financial instruments measured at FVTPL is recognised in net gain / loss on fair value changes.

Similarly, any differences between the fair values of financial assets classified as fair value through other comprehensive income are disclosed in the OCI.

However, net gain / loss on derecognition of financial instruments classified as amortised cost is presented separately under the respective head in the Statement of Profit and Loss.

5.3 Expenses

(i) Finance Costs

Finance costs represents interest expense recognised by applying the EIR to the gross carrying amount of financial liabilities other than financial liabilities classified as FVTPL.

Interest expense includes issue costs that are initially recognized as part of the carrying value of the financial liability and amortized over the expected life using the effective interest method. These include fees and commissions payable to advisers and other expenses such as external legal costs, provided these are incremental costs that are directly related to the issue of a financial liability.

(ii) Retirement and other employee benefits

Short term employee benefit

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include short term compensated absences such as paid annual leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus/ex-gratia are recognised in the period in which the employee renders the related service.

Post employment employee benefit

a) Defined contribution schemes

The Company makes defined contribution to Government managed Employee Provident Fund, Government managed Employee Pension Fund, Employee Deposit Linked Insurance, Employee State Insurance and Superannuation Schemes which are recognised in Statement of Profit and Loss on accrual basis. Payments to defined contribution retirement benefit plans are recognised as an expense when employee have rendered the service entitling them to the contribution.

If the contribution payable to the scheme for service received before the Balance Sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the Balance Sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Aditya Birla Finance Limited
Notes to the Financial Statements
for the year ended 31 March, 2021

b) Defined benefit expenses

The Company's liabilities under Payment of Gratuity Act and long term compensated absences are determined on the basis of actuarial valuation made at the end of each financial year using the projected unit credit method. Actuarial gain and losses are recognised immediately in Statement of Profit and Loss as income or expense. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields at the Balance Sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

The Company presents the entire leave as a provision in the Balance Sheet, since it does not have any unconditional right to defer its settlement for twelve months after the reporting date.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss at the earliest of:

- ▶ The date of the plan amendment or curtailment, and
- ▶ The date that the Company recognises related restructuring costs

Net Interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation under employee benefit expenses in the Statement of Profit and Loss.

- ▶ Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements,
- ▶ Net interest expense or income.

An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, attrition rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Other long-term employee benefits

Company's liabilities towards compensated absences to employees are accrued on the basis of valuations, as at the Balance Sheet date, carried out by an independent actuary using Projected Unit Credit Method. Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised immediately in the Statement of Profit and Loss.

The Company presents the Provision for compensated absences under provisions in the Balance Sheet.

(iii) Rent expense

In case of short term leases and leases for which the underlying asset is of low value, the company has elected not to apply the requirements of Ind AS 116 and the lease payments associated with those leases are recognised as rent expense on a straight line basis.

(iv) Leases

The Company as a lessee

The Company's lease assets primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset (2) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes right-of-use ("ROU") asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

Aditya Birla Finance Limited
Notes to the Financial Statements
for the year ended 31 March, 2021

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset generates cash flows that are largely dependent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of the leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment on exercise of an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
2. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
4. Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly for all contracts as on April 1, 2019, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind AS 17.

The weighted average incremental borrowing rate applied to lease liabilities as at 01 April, 2020 is between the range of 6.72% p.a. to 7.15% p.a. for a period varying from 1 to 10 years.

Critical accounting judgements and key sources of estimation uncertainty

Critical judgements required in the application of Ind AS 116 may include, among others, the following:

- Identifying whether a contract (or part of a contract) includes a lease;
- Determining whether it is reasonably certain that an extension or termination option will be exercised;
- Classification of lease agreements (when the entity is a lessor);
- Determination of whether variable payments are in substance fixed;
- Establishing whether there are multiple leases in an arrangement;
- Determining the stand-alone selling prices of lease and non-lease components.

Key sources of estimation uncertainty in the application of Ind AS 116 may include, among others, the following:

- Estimation of the lease term;
- Determination of the appropriate rate to discount the lease payments;
- Assessment of whether a right-of-use asset is impaired.

(v) Other income and expenses

All Other income and expense are recognized in the period they occur.

Aditya Birla Finance Limited
Notes to the Financial Statements
for the year ended 31 March, 2021

(vi) Impairment of non-financial assets

The carrying amounts of non-financial assets are reviewed at each reporting date if there is any indication of impairment based on internal/external factors. An asset is treated as impaired when the carrying cost of the assets exceeds its recoverable value. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An impairment loss, if any, is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss.

(vii) Borrowing Cost

Borrowing costs that are directly attributable to the acquisition, construction, or production of a qualifying asset are capitalised as a part of the cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale.

All other borrowing costs are expensed in the period in which they occur at amortised cost using Effective Interest Rate (EIR). Borrowing costs consist of interest and other costs that an entity incurs in connection with borrowing funds.

(viii) Taxes

Current tax

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit or loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it becomes probable that future taxable profit will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss account is recognised either in OCI or in equity. Deferred tax items are recognised in correlation to the underlying transaction either in Other Comprehensive Income (OCI) or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

(ix) Functional and presentational currency

The financial statements are presented in Indian rupees (rounded to the nearest lakhs) which is determined to be the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

5.4 Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet and for the purpose of statement of cash flows comprise cash at bank and cheques in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. They are held for the purposes of meeting short-term cash commitments (rather than for investment or other purposes).

Aditya Birla Finance Limited
Notes to the Financial Statements
for the year ended 31 March, 2021

5.5 Property, Plant and Equipments

All items of property, plant and equipments are stated at historical cost, net of accumulated depreciation and impairment loss if any. The cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognised. The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

Depreciation methods, estimated useful lives and residual value

Depreciation on the property, plant and equipments is provided on straight line method using the rates arrived as per estimates made by the management supported by technical assessment which coincides with the useful lives of assets as specified in Schedule II to the Companies Act, 2013, except for the assets specified below. The Company has used the following useful lives of the property, plant and equipments to provide depreciation.

Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Asset	Useful Life as Prescribed by Schedule II of the Companies Act, 2013	Estimated Useful Life by Company
Office Computers and Electronic Equipments (including Plant & Machinery)	3 Years	4 Years
Vehicles	8 Years	5 Years
Furniture, Fixtures and Other Office Equipments	10 Years	7 Years
Leasehold Improvements	Over the primary period of the lease	3 Years

Useful life of assets different from prescribed in Schedule II has been estimated by management supported by technical assessment.

Depreciation on assets acquired / sold during the year is recognised on a pro-rata basis to the Statement of Profit and Loss from / till the date of acquisition or sale.

The residual values, useful lives and methods of depreciation of property, plant and equipments are reviewed at each financial year end and adjusted prospectively, if appropriate.

5.6 Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses if any. Intangible assets are amortised on straight line basis over a period of 3 years.

The useful lives of intangible assets are assessed as finite.

Intangible assets with finite lives are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates. The amortisation expense on intangible assets with finite lives is recognised in the Statement of Profit and Loss unless such expenditure forms part of carrying value of another asset.

Gains or losses from derecognition of intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

5.7 Provisions and Contingencies

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

5.8 Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

5.9 Earnings Per Share

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share.

Basic earnings per share (EPS) is calculated by dividing the net profit for the year attributable to ordinary equity holders of Company by the weighted average number of ordinary shares outstanding during the year.

Diluted EPS is calculated by dividing the net profit attributable to ordinary equity holders of Company (after adjusting for interest on the convertible preference shares and interest on the convertible bond, in each case, inclusive of tax) by the weighted average number of ordinary shares outstanding during the year plus the weighted average number of ordinary shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares.

5.10 Segment Reporting

Operating business segment results are reviewed regularly by the Company's Chief Operating Decision Maker to make decisions about resources to be allocated to the segments and assess their performance. Business segment is the primary segment comprising of 'Financing activity'. As the Company operates only in a single business segment, no segment information thereof is given as required under Ind AS 108.

5.11 Dividend

The Company recognises a liability to make dividend distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity or Statement of profit or loss account.

5.12 Business Combination under Common Control

A common control business combination, involving entities or businesses in which all of the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination and where the control is not transitory, is accounted for in accordance with Appendix C to Ind AS 103 'Business Combinations'.

Business combinations involving entities or businesses under common control are accounted for using the pooling of interest method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values, or recognize new assets or liabilities. Adjustments are made only to harmonize significant accounting policies.
- The financial information in the financial statements in respect of prior periods are restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination.
- The identity of the reserves are preserved and appear in the financial statements of the transferee in the same form in which they appeared in the financial statements of the transferor.

The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves with disclosure of its nature and purpose in the notes.

6 Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosure and the disclosure of contingent liabilities, at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes:

6.1 Business Model Assessment

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. This assessment includes judgement reflecting all relevant evidence including how the performance of the assets is evaluated and their performance measured, the risks that affect the performance of the assets and how these are managed and how the managers of the assets are compensated. The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

6.2 Estimation of defined benefit plans (gratuity benefits)

Refer Note 5.3 (ii)

6.3 Fair value measurement:

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

6.4 Impairment of loans portfolio

The measurement of impairment losses across all categories of financial assets requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These estimates are driven by a number of factors, changes which can result in different levels of allowances.

It has been the Company's policy to regularly review its models in the context of actual loss experience and adjust when necessary.

The impairment loss on loans and advances is disclosed in more detail in Note 11.

6.5 Provisions other than impairment on loan portfolio and contingent liabilities

The Company operates in a regulatory and legal environment that, by nature, has a heightened element of litigation risk inherent to its operations. As a result, it is involved in various litigation, arbitration and proceedings in the ordinary course of the Company's business.

When the Company can reliably measure the outflow of economic benefits in relation to a specific case and considers such outflows to be probable, the Company records a provision against the case. Where the probability of outflow is considered to be remote, or probable, but a reliable estimate cannot be made, a contingent liability is disclosed.

Given the subjectivity and uncertainty of determining the probability and amount of losses, the Company takes into account a number of factors including legal advice, the stage of the matter and historical evidence from similar incidents. Significant judgement is required to conclude on these estimates.

6.6 Effective Interest Rate (EIR) method

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty interest and charges).

This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well expected changes to India's base rate and other fee income/expense that are integral parts of the instrument.

6.7 Recognition of deferred tax assets for carried forward losses

Refer Note 5.3 (viii)

6.8 Estimation of useful life of property, plant and equipments and intangible assets

Note 9.1 : Hedging activities and derivatives (continued)

The Company is exposed to certain risks relating to its external commercial borrowings. The primary risks managed using derivative instruments are foreign currency risk and interest rate risk. The Company's risk management strategy and how it is applied to manage risk are explained in Note 51.

Note 9.2 : Derivatives designated as hedging instruments

Cash flow hedges

The Company is exposed to foreign currency risk arising from its External Commercial borrowings amounting to ₹ 1,46,367.54 Lakhs. Interest on the borrowing is payable at a floating rate. The Company economically hedged the foreign currency risk arising from the debt with a 'receive floating pay fixed' cross-currency interest rate swap ('swap'). The notional amount of swap is disclosed in the table below. The swap contract converts the cash outflows of the foreign currency borrowing as per table below to cash outflows in INR with a notional amount of ₹ 1,46,367.54 lakhs at fixed interest rate.

Note 9.2 : Derivatives designated as hedging instruments (contd.)

There is an economic relationship between the hedged item and the hedging instrument as the terms of the cross currency swap contract match that of the foreign currency borrowing (notional amount, interest payment dates, principal repayment date etc.). The Company has established a hedge ratio of 1:1 for the hedging relationships as the underlying risk of the cross currency swap are identical to the hedged risk components.

The hedge ineffectiveness can arise mainly if there is a change in the credit risk of the Company or the counterparty.

The impact of the hedging instruments on the balance sheet is, as follows

Note 31: Nature and purpose of reserve

Securities Premium Reserve: Security premium reserve is used to record the premium on the issue of shares. The reserve is utilised in accordance with provisions of the Companies Act, 2013.

Special Reserve: Special reserve represents the reserve created pursuant to the Reserve Bank of India Act, 1934 (the "RBI Act"). Appropriation from this Reserve Fund is permitted only for the purposes specified by RBI.

Capital Reserve: Capital reserve refers to difference on account of net assets taken over and purchase consideration paid for merger of wealth management undertaking of Aditya Birla Money Mart Limited with the Company and the difference on account of net assets taken over and purchase consideration paid for merger of transaction business of Aditya Birla Capital Technology Services Limited, ABCTSL (formerly known as Aditya Birla My Universe Limited, ABMUL) undertaking with the Company.

General Reserve: This reserve is created on account of merger. As per court order, this reserve can be utilised for distribution of dividends.

FVTOCI Investments : The Company has elected to recognise changes in the fair value of certain instruments in equity securities and debt instruments in other comprehensive income. These changes are accumulated with the FVTOCI reserve within equity. The Company transfers amounts from this reserve to retained earnings when the relevant equity securities are de-recognised.

Retained Earnings: Retained earnings refer to the percentage of net earnings not paid out as dividends, but retained by the Company to be reinvested in its core business, or to pay debts.

Cash flow hedge reserve : The Company uses hedging instruments as part of its management of foreign currency risk and interest rate risk associated on borrowings. For hedging foreign currency and interest rate risk, the Company uses foreign currency forward contracts and cross currency interest rate swaps. To the extent these hedges are effective, the change in fair value of the hedging instrument is recognised in the cash flow hedging reserve. Amounts recognised in the cash flow hedging reserve is reclassified to the statement of profit or loss when the hedged item affects profit or loss (e.g. interest payments).

Capital Redemption reserve : Preference shares of ₹ 10 Crore were redeemed at the Board meeting held on January 30, 2020. As per the provisions of Companies Act, 2013, the preference shares were redeemed out of the profits of the company and therefore a sum equivalent to the nominal amount of shares redeemed were transferred to capital redemption reserve.

Defined Benefit Plan

The Company has a defined benefit gratuity plan (funded). The Company's defined benefit gratuity plan is a final salary plan for employees, which requires contributions to be made to a separately administered fund. The gratuity plan is governed by the Payment of Gratuity Act, 1972. Under the Act, employee who has completed five years of service is entitled to specific benefit. The level of benefits provided depends on the member's length of service and last drawn salary. The fund is managed by Aditya Birla Sun Life Insurance Company Limited.

The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and the funded status and amounts recognized in the balance sheet for the gratuity plan.

Aditya Birla Finance Limited
Notes to the Financial Statements (continued)
for the year ended 31 March, 2021
(Currency: ₹ in Lakhs except otherwise stated)

The principal assumptions used in determining gratuity obligations for the Company's plans are shown below:

	31 March, 2021	31 March, 2020
Expected return on Plan assets	6.30%	6.45%
Discount Rate	6.30%	6.45%
Salary Escalation Rate	7.00%	7.00%
Retirement age	60 years	60 years
Mortality rate	Indian Assured Lives mortality (2012-14)	Indian Assured Lives mortality (2012-14)
Attrition / Withdrawal rates, based on age: (per annum)		
Up to 30 years	14.00%	14.00%
31 - 40 years	12.60%	12.60%
41 - 50 years	5.60%	5.60%
Above 50 years	2.80%	2.80%

The estimates of future salary increases considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields as at Balance Sheet date.

Disaggregation of plan assets:

	31 March, 2021	31 March, 2020
Unquoted investments:		
Insurer managed funds (Investments with Aditya Birla Sun Life Insurance Company Limited)	1,931.76	1,789.54
Total	1,931.76	1,789.54

A quantitative sensitivity analysis for significant assumption is as shown below:

Assumptions	Discount rate		
	0.5% Increase	0.5% decrease	0.5% increase 0.5% decrease
Sensitivity level	2,922.38	3,262.10	3,260.22 2,922.33
Impact on defined benefit obligation - (31 March, 2021)			
Impact on defined benefit obligation - (31 March, 2020)	2,515.71	2,810.77	2,809.43 2,515.57

The sensitivity analysis above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the year.

The following payments are expected contributions to the defined benefit plan in future years:

	31 March, 2021	31 March, 2020
Expected payment for future years	168.22	170.19
Within the next 12 months (next annual reporting period)		
Between 2 and 5 years	757.61	551.19
Between 6 and 9 years	937.20	861.64
10 years and above	5,114.43	4,614.01
Total expected payments	6,977.46	6,197.03

The Company expects to contribute ₹ 1,815.77 lakhs (31 March, 2020 : ₹ 1,474.80 lakhs) to the fund in the next financial year. The weighted average duration of the defined benefit obligation as at 31 March, 2021 is 11 years (31 March, 2020: 11 years).

Other Long Term Incentive Benefits

Liability for the scheme is determined based on actuarial valuations.

Note 49: Capital

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a capital adequacy ratio, which is weighted assets divided by total capital derived as per the RBI requirements. As per the RBI guidelines, Company being a Non Banking Finance Company has to maintain 15% of capital adequacy ratio.

The actual Capital Adequacy Ratio is as under:

Particulars	31 March, 2021	31 March, 2020
Capital Adequacy Ratio	22.70%	19.08%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March, 2021 and 31 March, 2020.

Note 50: Fair value measurement

The fair value of a financial instrument on initial recognition is normally the transaction price (fair value of the consideration given or received). Subsequent to initial recognition, the Company determines the fair value of financial instruments that are quoted in active markets using the quoted bid prices (financial assets held) or quoted ask prices (financial liabilities held) and using valuation techniques for other instruments. Valuation techniques include discounted cash flow method, market comparable method, recent transactions happened in the company and other valuation models.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as explained below :

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, units of mutual funds (open ended) and traded bonds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Note 50: Fair value measurement

Valuation techniques

Equity Instruments and units of mutual fund: The majority of equity instrument are actively traded on stock exchanges with readily available active prices on a regular basis. Such instruments are classified as Level 1. Units held in funds are measured based on their published net asset value (NAV), taking into account redemption and/or other restrictions. Such Instruments are also classified as Level 1. Unlisted equity securities are classified at Level 3.

Investment in Preference Shares: As per latest guideline issued by FBIL, the Preference shares which are not rated by a rating agency, the YTM method has been adopted. The preference shares are fair valued on the basis of YTM method, hence they are classified as Level 3. For the year ended March, 2020, the preference shares were fair valued on the basis of a similar compulsorily convertible preference shares issued by Tata Motors Finance Limited, hence they were classified as Level 3 for the year ended March, 2020.

Investment in Govt Securities : The fair values of Investments made in Government Securities is based on valuation report from ICRA as at the reporting period and the same are classified under Level 2.

Investment in Alternate funds : Units held in funds of AIF are measured based on their published net asset value (NAV), taking into account redemption and/or other restrictions. Such instruments are generally Level 2. NAV represents the price at which the issuer will issue further units of AIF and the price at which issuers will redeem such units from the investors.

Investment in Debt Securities and Bonds : Fair value of these instrument is derived based on the indicative quote of price and yields prevailing in the market as at reporting date. Company has used quoted price of national stock exchange wherever bonds are traded actively. In cases where debt securities are not actively traded company has used CRISIL corporate bond valuer model for measuring fair value i.e. fair value has been computed using the Fixed Income Money Market and Derivatives Association of India ('FIMMDA') data on corporate bond spreads.

Derivative Financial Instruments : A generally accepted framework for the valuation of the swap explains the position in each leg of the swap as a 'bond'. Therefore, a receive fixed - pay floating swap can be viewed as a portfolio consisting a long position in fixed bond and short position a floating rate bond. The value of the swap is the net proceeds from such bond positions i.e. Receipt - Payment. The swaps were valued on and with inputs from Bloomberg database using the terms of the swap contract.

Equity shares measured at Fair Value through Other Comprehensive Income: Unquoted equity shares are measured at fair value through other comprehensive income on the basis of the net worth of the investee company and are classified as Level 3.

Movements in Level 3 financial Instruments measured at fair value

The following tables show a reconciliation of the opening and closing amounts of Level 3 financial assets and liabilities which are recorded at fair value:

Impact on fair value of level 3 financial instruments measured at fair value of changes to key assumptions

The table summarises the valuation techniques together with the significant unobservable inputs used to calculate the fair value of the Group's Level 3 assets and liabilities.

Relationships between unobservable inputs have not been incorporated in this summary.

Quantitative analysis of significant unobservable inputs

Instrument Price

When specific market prices are not available, the Company uses net worth of the investee company. Given the nature of this approach, the actual range of prices used as inputs are usually quite wide. Therefore, the range is not indicative of the uncertainty associated with the fair value of the individual financial instrument.

Sensitivity of fair value measurements to changes in unobservable market data

The table below describes the effect of changing the significant unobservable inputs to reasonable possible alternatives.

Sensitivity data are calculated using a number of techniques, including adjusting model inputs to reasonable changes within the fair value methodology.

Valuation methodologies of financial instruments not measured at fair value

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements. These fair values were calculated for disclosure purposes only.

Short-term financial assets and liabilities

For financial assets and financial liabilities that have a short-term maturity (less than twelve months), the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value. Such amounts have been classified as Level 2 on the basis that no adjustments have been made to the balances in the balance sheet.

Loans

Loans can be categorized into two main categories based on the rate of interest charged on such loans:

- A) Floating rate Loans: Floating rate loans are loans in which the interest rates are reset at a periodic interval based on a pre-decided reference rate.
- B) Fixed Rate Loans: Fixed rate loans are loans in which the interest rates are decided at the time of sanction of the loan and are not reset automatically.

Floating Rate Loans:

The floating rate loans are valued on the basis of MCLR + Spread specific to the Company. This MCLR rate is being reset on periodic intervals based on the pre-decided reference rate. Hence, they are classified as Level 3.

Fixed Rate Loans:

1. A fixed rate loan given can be viewed as a plain vanilla bond purchased that pays a fixed rate of interest and has fixed redemption date with no options or variable terms attached to it. Value of a Bond is equal to the present value of coupon payments and the redemption price discounted at the yield to maturity ("YTM") as on the Valuation Date of a similar loan. Accordingly, the Company has used the present value technique for valuation of the Fixed Rate Loans given by the Company.

2. In case of loans, they are considered as financial assets and the contractual cash flows are defined over the tenure of the loan. Since the loans are not traded in active markets and company does not have any active markets for identical assets, the Company has not used any level 1 inputs as per INDAS 113. The Company has used the prevailing risk free rate as the valuation date and the credit default spread based on FIMMDA-PDAI Gilt curve for Valuation of Corporate Bonds-Corporates Valuation Matrix, being a level 2 input, as on the valuation date; to determine the discount factor for arriving at the fair value of these loans using the present value technique.

Borrowings

Floating Rate Borrowings:

The floating rate borrowings are valued on the basis of MCLR + Spread.

Fixed Rate Borrowings:

The methodology to arrive at yield and bond price is similar and is used in valuation for mutual fund industry. Trades reported may be analysed based on polls received and internal spread models of IMaCS to arrive at final yield for the security using the process mentioned below.

1. Last traded Yield/price that has been reported on NSE, BSE, MCX, FTRAC and NDS-OM is used for valuation as per existing rules for trade size and outliers used for Scrip level valuation. However polls are carried out for outliers trades.
2. In case above conditions are not met, yield is calculated considering trades in same issuer of similar maturity in line with overall market movement and market data collected. Polls may be carried out for outliers and for final valuation yield.
3. In case the above two conditions are not met, matrix movement (benchmark movement of relevant maturity bucket as analysed based on overall trades available/bid-ask and or poll on the similar securities shall be applied on previous day's yield to arrive at Yield/Price for the day.
4. If yield/price is not determinable based on above steps due to non-availability of data, outliers and/or such exceptional events, valuation shall be provided based on previous days Yield/Price.

Note 50: Fair value measurement

1. The fair value of interest rate swaps is calculated as the present value of estimated future cash flows based on observable yield curves and an appropriate discount factor.
2. The fair value of forward foreign exchange contracts is calculated as the present value determined using forward exchange rates and interest rate curve of respective currencies.
3. The fair value of currency swap is calculated as the present value determined using forward exchange rates, currency basis spreads between the respective currencies, interest rate curves and an appropriate discount factor.

Note 51: Risk management

(a) Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings and trade and other payables. The main purpose of these financial liabilities is to finance and support the company's operations. The Company's principal financial assets include loans, investments, cash and cash equivalents and other receivables that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a Risk Management Committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The Risk Committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors review and agree policies for managing each of these risks, which are summarised below.

The Company has identified and implemented comprehensive policies and procedures to assess, monitor and manage risk throughout the Company. The risk management process is continuously reviewed, improved and adapted in the changing risk scenario and the agility of the risk management process is monitored and reviewed for its appropriateness in the changing risk landscape. The process of continuous evaluation of risks includes taking stock of the risk landscape on an event-driven basis.

The Company has an elaborate process for risk management. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis.

Operational & Business Risk

Loss of Risk that is related to activities carried out within an entity, arising from incomplete structure, failure of systems, untrained people, inefficient products or processes. To make the structure more robust a Board approved Operational Risk Management Framework has been put in place which is implemented by a dedicated team within the Risk Management function. A bottom up risk control self-assessment process identifies high risk areas, potential gaps and serves as an early warning system so that remedial measures can be initiated in a timely manner.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. In the case of the Company, market risk primarily comprises of interest rate risk. Financial instruments affected by market risk include loans and The analyses exclude the impact of movements in market variables on the carrying values of gratuity, other post-retirement obligations and provisions.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at 31 March, 2021 and 31 March, 2020.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Interest rate sensitivity

Since the Company manages its interest rate risk on domestic borrowings by ensuring, at maximum, its long term borrowings from domestic banks at floating rate of interest and in case of reduction in interest rate, it initiates negotiations with bankers for realigning the interest rate and/or repaying the high interest rate exposures, the interest rate change in market as such doesn't affect Company's profitability materially.

Market Indices	Change in interest rate	31 March, 2021		31 March, 2020	
		Impact on profit before tax	Impact on equity	Impact on profit before tax	Impact on equity
Interest rate	25 Basis Point down	5,613.65	4,184.51	5,859.61	4,479.66

	50 Basis Point Up	(11,227.30)	(8,369.02)	(11,719.22)	(8,959.33)

Foreign Exchange Risk

Foreign exchange risk is the risk of impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates primarily relates to its External Commercial Borrowings. The Company uses derivative instruments like forwards to hedge exposure to foreign currency risk.

The Company has taken foreign currency floating rate borrowings, which are linked to LIBOR. For managing the foreign currency risk and interest rate risk, arising from changes in LIBOR on such borrowings, the Company has entered into Cross Currency Interest Rate Swap (CCIRS) and forward contracts for the entire loan liability and tenure of the facility. Under the terms of the CCIRS, the Company pays interest at the fixed rate to the swap counterparty in INR and receives the floating interest payments based on LIBOR in foreign currency.

Credit risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligations. The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties and for geographical and industry concentrations, and by monitoring exposures in relation to such limits.

The Company has established a credit quality review process to provide early identification of possible changes in the creditworthiness of counterparties, including regular collateral revisions. Counterparty limits are established by the use of a credit risk classification system, which assigns each counterparty a risk rating. Risk ratings are subject to regular revision. The credit quality review process aims to allow the Company to assess the potential loss as a result of the risks to which it is exposed and take corrective action.

Impairment assessment

The ECL model credit loss provisioning approach has now moved from incurred model. This forces entity to understand the significance of credit risk and its movement since its initial recognition. This model ensures (a) timely recognition of ECLs (b) assessment of significant increase in credit risk which will provide better disclosure (c) ascertainment of better business ratios.

The references below show where the Company's impairment assessment and measurement approach is set out in this report. It should be read in conjunction with the Summary of significant accounting policies in Note 5.

- An explanation of the Company's internal grading system (Note 'Definition of default and cure' below)
- How the Company defines, calculates and monitors the probability of default, exposure at default and loss given default (Note 'The Company's internal rating and PD estimation process', 'Probability of Default', 'Exposure at Default' below)
- When the Company considers there has been a significant increase in credit risk of an exposure (Note 'Significant increase in credit risk' below)
- The Company's policy of segmenting financial assets where ECL is assessed on a collective basis (Note 'Grouping financial assets measured on a collective basis' below)
- The details of the ECL calculations for Stage 1, Stage 2 and Stage 3 assets (Notes 'Probability of default', 'Exposure at default' and 'loss given default' below)

Definition of default

The Company considers a financial instrument defaulted and therefore Stage 3 (credit impaired) for ECL calculations in all cases when the borrower becomes 90 days past due on its contractual payments.

As a part of a qualitative assessment of whether a customer is in default, the Company also considers a variety of instances that may indicate unlikelihood to pay. When such events occur, the Company carefully considers whether the event should result in treating the customer as defaulted and therefore assessed as Stage 3 for ECL calculations or whether Stage 2 is appropriate. Such events include:

- a) Significant financial difficulty of the borrower or issuer;
- b) A breach of contract such as a default or past due event;
- c) The restructuring of a loan or advance by the company on terms that the company would not consider otherwise;
- d) It is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; or
- e) The disappearance of an active market for a security because of financial difficulties and the customer has delay in his repayments over a month.

The Company's internal rating and PD estimation process

- a. Internal Rating: A robust internal credit rating framework is vital for effective credit risk management. It is specified by RBI on credit risk management that lenders should have an internal rating framework and the lenders must have independent Credit Risk Control Units (CRCU) or equivalents that are responsible for the design or selection, implementation and performance of their internal rating systems. Accordingly the Company also has an internal rating framework developed along with CRISIL, with ratings being assigned to all the customer/ portfolio pool – (eligible customers for Ratings) and used extensively in internal decision-making.
- b. It is further specified in the policy that internal rating/grading/scoring of the borrower/client is at least investment grade rating as per the Company's internal credit rating model or valid/live external rating.

Probability of Default (PD)

PD is calculated basis likelihood that the borrower will default within one year horizon (Basis for Stage 1), For Stage 2 – it is defined as significant increase in credit risk and probability is defined as borrower's probability to default in lifetime.

Exposure at Default

Gross exposure/potential gross exposure under a facility (i.e. the amount that is legally owed to the lender) at the time of default by a borrower. Exposure at Default gives an estimate of the amount outstanding.

Loss Given Default(LGD)

LGD is usually shown as the percentage of Exposure at Default that the lender might lose in case the borrower defaults. It depends, among others, on the type of collateral, its value and the expected proceeds from the sale (e.g. sales proceeds from sales of collaterals/securities) of the assets, NPV net of recovery costs.

Significant Increase in credit risk

- a. There is significant increase in credit risk, when there is deterioration in account performance and expected resolution is not available.
- b. Further, for large borrowers after assessing the following Risks in totality and deterioration in each factor, it is then assessed whether there is a significant increase in credit risk
 - i. Industry Risk
 - ii. Business Risk
 - iii. Management Risk
 - iv. Financial Risk
 - v. Banking Conduct & Facility level Conduct.
- c. Significant increase in credit risk is also gauged through Credit rating. Credit rating is an opinion of capacity of borrower to meet its financial obligations to the depositor or bondholder (i.e. lender of money) on a particular issue or type of instrument (i.e. a domestic or foreign currency: short-term or medium or long-term, etc.) in a timely manner. The rating measures the relative risk of an issuer's ability and willingness to repay both interest and principal over the period of the rated instrument. i.e. rating signifies the risk of default of the borrower that is rated.

Collateral Security:

The Company's net exposure to credit risk, after taking into account credit risk mitigation, have been tabulated below:

Particulars	As at March 31, 2021			As at March 31, 2020		
	Outstanding	Cash collateral	Nature of Non-cash collateral	Outstanding	Cash collateral	Nature of Non-cash collateral

The Company by way of loan sanction letter and other loan securing documents agrees with its customers on collateral security to be provided by the customers in secured loan exposures that are subject to credit risk. Collateral security enables us to recover all or part of the outstanding exposure by liquidating the collateral asset provided, in cases where the borrower is unable or unwilling to fulfil its primary obligations.

Collateral security accepted by the Company could be in the form of:

- a) Financial collateral in the form of pledge of equity shares, units of mutual funds, assignment of life insurance policies;
- b) Current assets in the form of inventories meant for sale or receivables arising out of the sale of finished goods
- c) Fixed asset (in the form of immovable properties – real estate, Plant and Machinery, Equipment's)
- d) Third-party obligation (in the form of Irrevocable Unconditional Guarantee issued by Bank, Third party);
- e) Risk participation from Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE)
- f) Assignment of borrower's rights and interests under agreements with third parties.

In addition, the Company also stipulates escrow of cash flows and a Debt Service Reserve Account (DSRA) for project loans

Collateral serves to mitigate the inherent risk of credit loss in an exposure, by either improving recoveries in the event of a default or substituting the borrower.

As part of the assessment of a credit transaction the availability, adequacy and suitability of collateral for the transaction is evaluated and decided upon. The Company's processes includes verification of the title to the collateral offered and valuation by technical experts where warranted. The Company accepts as collateral only securities of good quality and have in place legally effective and enforceable documentation.

For guarantees taken, the guarantor's creditworthiness is assessed during the credit assessment process of the transaction. We have collateral type specific haircuts in place which are reviewed at intervals as appropriate to the type of collateral.

The Company recognises that collateral can be a credit mitigant (alternative source of repayment), but does not replace or dilute the underwriting standards the company adopts to underwrite credit exposures.

(b) Forward looking Information :

The Company is required to provide for impairment allowance basis expected credit loss (ECL), which is calculated using empirical portfolio performance and adjusted for forward looking macroeconomic factors, as prescribed by Ind AS. The overall provisioning made through this approach, continues to be in excess of the floor provisions as prescribed by RBI for NBFCs.

The assessment of credit risk and estimation of ECL is statistically validated. It considers all relevant information about past events, current conditions and some elements of predicted performance of the portfolio.

ECL has been calculated using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD).

In the process of determining the PD, the macro economic impact is intrinsically built in in our current approach. The overall performance through the life cycle of the loan, considers the impact of macro-economic parameters like GDP, Unemployment factor or once in events like de-monetisation etc. Most of the portfolios have seen one to two complete economic cycles and hence the default probabilities experienced by the Company takes into account the upturn, downturn and central (balanced) economic scenario.

In the internally rated portfolio, the Industry rating module (sourced from CRISIL under agreement) recognizes factors like demand prediction, supply side glut / constraints, impact of imports and exports and the government policies which are more forward looking and making the through-the-cycle default probabilities to point-in-time default probability.

Forward looking macro-economic factors as appropriate to the sub portfolios of the Company, that can demonstrate some degree of correlation to the forward looking default probability are being evaluated and will be adopted as the company concludes the revalidation exercise for the models to be used from FY 2021.

For FY 2020, COVID – 19 impact has been considered and suitably modeled to forecast and provide for the future impact and a separate note on the same has been provided.

Grouping financial assets measured on a collective basis

The Company calculates ECLs either on a collective or an individual basis.

Asset classes where the Company calculates ECL on an individual basis include:

1. Corporate Portfolio

Asset classes where the Company calculates ECL on a collective basis include:

1. Retail Portfolio

The ECL methodology allows for individual assessment for corporates and therefore these loans are generally measured individually as each of these exposures have unique characteristics and structuring. For retail exposures and exposures which can be clubbed in homogenous pools, ECL is measured on a collective basis. This has been arrived at based on common characteristics like nature of product, customer profile etc.

(c) Analysis of risk concentration

Concentration analysis are presented for Portfolio pool, Location, Top borrower exposures, Group exposures etc. These are regularly analysed and presented for further review/action. Based on the exposures of the company towards various sectors, analysis is as follows :

Note 51: Risk management (continued)

(d) Liquidity risk and funding management

Liquidity risk is defined as the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset. Liquidity risk arises because of the possibility that the Company might be unable to meet its payment obligations when they fall due as a result of mismatches in the timing of the cash flows under both normal and stress circumstances.

The Company manages its liquidity requirement by analysing the maturity pattern of Company's cash flows of financial assets and financial liabilities. The Asset Liability Management of the Company is periodically reviewed by its Asset Liability Management Committee.

The Company maintains a portfolio of highly marketable and diverse assets that are assumed to be easily liquidated in the event of an unforeseen interruption in cash flow. The Company also has lines of credit that it can access to meet liquidity needs. In accordance with the Company's policy, the liquidity position is assessed under a variety of scenarios, giving due consideration to stress factors relating to both the market in general and specifically to the Company. Net liquid assets consist of cash. The ratios during the year were, as follows:

Advances to borrowings ratios

	2021	2020
Year-end	115.49%	105.94%
Maximum	119.34%	112.25%
Minimum	110.41%	105.94%
Average	114.83%	109.79%

Borrowings from banks and financial institutions and issue of debentures are considered as important sources of funds to finance lending to customers. They are monitored using the advances to borrowings ratio, which compares loans and advances to customers as a percentage of secured and unsecured borrowings.

(e) Methodology for estimation of additional expected credit loss provision for COVID-19

The COVID-19 pandemic continues to spread across the globe and India, which has contributed to a significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. The financial results, includes the potential impact of the COVID-19 pandemic on the Company's financial results which are dependent on future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the second wave of COVID-19 pandemic and any action to contain its spread or mitigate its impact whether Government mandated or elected by the Company and its subsequent impact on the recoverability's on the Company's assets. The Company has, based on current available information and based on the policy approved by the Board, determined the provision for impairment of financial assets including the additional overlay for uncertainty over the potential macro-economic impact of the pandemic.

Based on the current indicators of future economic conditions, the Company considers this provision to be adequate and expects to recover the carrying amount of these financial assets. Given the uncertainty over the potential macro-economic condition, the impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions.

(f) Impact of Restructuring

The economic fallout on account of the Covid-19 pandemic has led to significant financial stress for borrowers across the board. The resultant stress potentially impacted the long-term viability of many firms, otherwise having a good track record under the existing promoters, due to their debt burden becoming disproportionate relative to their cash flow generation abilities. Such wide spread impact could impair the entire recovery process, posing significant financial stability risks.

Considering the above, with the intent to facilitate revival of real sector activities and mitigate the impact on the ultimate borrowers, RBI has decided to provide a window under the Prudential Framework to enable the lenders to implement a resolution plan in respect of eligible MSME, corporate exposures, Small borrowers and Personal Loans while classifying such exposures as Standard, subject to specified conditions.

Under this framework, ABFL identified the customers that required handholding and were significantly impacted under the COVID related stress but who would bounce back if given the option to pay a lower instalment or payment holiday for 6 to 12 months. The Company has restructured only 2.46 % of the overall book and has taken adequate provisions against these loans.

Notes:

- Circular requirement for LCR disclosure is applicable from Dec 1, 2020 hence comparative information has not been provided.
- In computing the above information, certain estimates/ assumptions have been made by the Company's management which have been relied upon by the auditors.
- Unweighted values must be calculated as outstanding balances maturing or callable within 30 days (for inflows and outflows).
- Weighted values must be calculated after the application of respective haircuts (for HQLA) and stress factors on inflow and outflow.

C) Qualitative Disclosure

a) The main drivers of their LCR results and the evolution of the contribution of inputs to the LCR's calculation over time : RBI had introduced the liquidity coverage ratio (LCR) to ensure that NBFC has an adequate stock of unencumbered high-quality liquid assets (HQLA) to survive a significant liquidity stress lasting for a period of 30 days. LCR is defined as a ratio of HQLA to the total net cash outflows estimated for the next 30 calendar days. At March 31, 2021, the applicable minimum LCR required to be maintained by NBFC is 50%.

The Company has an Asset Liability Management Committee (ALCO), a management level committee to handle liquidity risk. The ALCO meets at periodic intervals. At the apex level, the Risk Committee (RC), a sub-committee of the Board of Directors of the Company, oversees the liquidity risk management. The RC subsequently updates the Board of Directors on the same.

b) Intra-period changes as well as changes over time: Company has started maintaining LCR w.e.f 1st December 2020. The details for the month ended 31 December 2020 and quarter ended 31st March 2021 are disclosed in 52C-B) Liquidity Coverage Ratio.

c) The composition of HQLAs: The Company, for the three month ended 31 March 2021, had average HQLA of Rs. 1,417.56 crore vis-à-vis 1,017.74 crore for the one month ended December 31, 2020.

58 At the meeting of the Board of Directors held on September 10, 2019, the Board had approved the Scheme of Arrangement under Section 230 – 232 and other applicable provisions of the Companies Act, 2013, for merger of Online Platform and marketing business ("transaction business") of Aditya Birla Capital Technologies Services Limited, ABCTSL (formerly known as Aditya Birla MyUniverse Limited, ABMUL) with the Company. The National Company Law Tribunal, bench at Ahmedabad (NCLT) passed an order on 13 December, 2019 approving the Scheme of Arrangement and the Transactions Business Merger Committee at its meeting held on 01 January, 2020 made Scheme effective from 01 January, 2020. Both the companies are wholly owned subsidiaries of Aditya Birla Capital Limited. The merger qualifies as a 'common control transaction' and has been accounted for using the pooling of interest method as per Appendix C to Ind AS 103 'Business Combinations'. The appointed date for this business combination was 01 April, 2018. Accordingly, the financial statements for the year ended 31 March, 2020 have been restated as if the business combination had occurred with effect from the appointed date.

59 In accordance with the instructions in the RBI circular dated April 07 2021, all lending institutions shall refund / adjust 'interest on interest' to all borrowers, irrespective of whether moratorium had been fully or partially availed, or not availed. Pursuant to these instructions, the Indian Banks Association (IBA) in consultation with other industry participants / bodies published the methodology for calculation of the amount of such 'interest on interest'. Accordingly, the Company has estimated the ₹ 16.42 crores amount and made provision for refund/adjustment.

60 During the year, interest income, fee and other costs measured on the basis of Effective Interest Rate are aggregated and disclosed as a part of interest income. The figures for the corresponding previous year/periods have accordingly been restated.

61 Operating business segment results are reviewed regularly by the Company's Chief Operating Decision Maker to make decisions about resources to be allocated to the segments and assess their performance. Business segment is the primary segment comprising of 'Financing activity'. As the Company operates only in a single business segment, no segment information thereof is given as required under Ind AS 108. The Company has its operations within India and all revenue is generated within India.

**INDEPENDENT AUDITORS' LIMITED REVIEW REPORT ON THE
UNAUDITED QUARTER ENDED FINANCIAL RESULTS PURSUANT TO
REGULATION 52 OF THE SEBI (LODR) REGULATIONS, 2015, AS
AMENDED**

TO THE BOARD OF DIRECTORS OF ADITYA BIRLA FINANCE LIMITED

1. We have reviewed the accompanying Statement of Unaudited Financial Results of **Aditya Birla Finance Limited** (the "Company") for the quarter ended June 30, 2023 (the "Statement") being submitted by the Company pursuant to the requirement of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements ("SRE") 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India ("ICAI"). A review of interim financial information consists of making inquiries, primarily of Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all

In issuing and maintaining its ratings, India Ratings relies on factual information it receives from issuers and underwriters and from other sources India Ratings believes to be credible. India Ratings conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security.

The manner of India Ratings' factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in India where the rated security is offered and sold, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors

Users of India Ratings' ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all of the information India Ratings relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its ratings India Ratings must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

India Ratings seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. For this reason, you should always consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that India Ratings is continuously evaluating and updating. Therefore, ratings are the collective work product of India Ratings and no individual, or group of individuals, is solely responsible for a rating. All India Ratings reports have shared authorship. Individuals identified in an India Ratings report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. India Ratings is not your advisor, nor is India Ratings providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services. Investors may find India Ratings ratings to be important information, and India Ratings notes that you are responsible for communicating the contents of this letter, and any changes with respect to the rating, to investors.

It will be important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason India Ratings deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between India Ratings and you or between India Ratings and any user of the ratings.

In this letter, "India Ratings" means India Ratings & Research Pvt. Ltd. and any successor in interest.

We are pleased to have had the opportunity to be of service to you. If we can be of further assistance, please email us at infogrp@indiaratings.co.in

^ The rating of the market-linked debentures is an ordinal assessment of the underlying credit risk of the instrument and does not factor in the market risk that investors in such instruments will assume. This market risk stems from the fact that coupon payment on the instrument will be based on the performance of a reference index or equity share (detailed in the information memorandum of the issue). PP-MLD refers to full principal protection in the equity-linked notes, wherein the issuer is obligated to pay the full principal upon maturity.

Analytical Approach: The ratings reflect the credit profile of Grasim Industries Limited (Grasim; IND AAA/Stable), which is the ultimate parent of ABFL through Grasim's ownership (a 54.2% stake) in Aditya Birla Capital Ltd (ABFL's parent). The ratings factor in Ind-Ra's expectation that the financial services segment would continue to be highly important for Grasim and the larger Aditya Birla group (AB group) franchise from a long-term perspective.

Ind-Ra understands that the financial services business remains a key focus area for the AB group, and it has a close oversight from the group's top management; although, its share in the consolidated balance sheet and profitability of the ultimate parent and the group is modest. In addition, Grasim's management has stated that the financial services business continues to be among the core businesses for them, and Grasim will maintain its majority ownership in the financial services business, and as such, intends to provide all the required support to the business. On a standalone basis, ABFL

has created a sizeable franchise in the non-banking financial company (NBFC) domain, with a fairly diversified portfolio across segments.

Key Rating Drivers

Stronger Parent with High Propensity and Ability to Support: Ind-Ra expects ABFL to receive timely financial support from Grasim. The AB group considers ABFL's lending business to be critical to its long-term growth prospects. ABFL has received regular equity infusions (INR37.47 billion over FY13-FY23) from its erstwhile parent, Aditya Birla Nuvo Ltd, and subsequently, from Aditya Birla Capital. Grasim has a strong operating profile with adequate resources in terms of on-book liquidity and investment book to support ABFL's requirements. The AB group has stated that there is a close co-ordination between the management of Grasim and the financial services business, and Grasim's intention and interest is to ensure a smooth flow of resources from itself to the financial services segment at all times. There is also a board overlap between Grasim (the ultimate parent) and the financial services arm, Aditya Birla Capital, which houses ABFL and holds 100% stake in it.

Established Franchise with Spread-out Portfolio: ABFL has a diversified book across segments (FY23: loan book: INR788.5 billion; equity: INR114.2 billion) and is a significant player in the NBFC segment. ABFL has also been classified in the upper layer category by the Reserve Bank of India, requiring adherence to a wider regulatory compliance, of which listing before FY26, remains a crucial milestone to be achieved. ABFL's advances grew 47.1% yoy to INR788.5 billion as of FY23. ABFL has a well-diversified loan book across semi-wholesale/wholesale business segments such as loan against property (LAP)/small and medium-sized enterprises (SME), project finance and corporate lending. However, ABFL has incrementally increased the share of granular retail and SME proportion in the loan book by expanding in the SME/micro, small and medium enterprises segment, with product facilities focused on term loan/working capital debt loans, LAP, lease rental discounting, business loans/personal loans, along with supply chain finance compared to the wholesale book (project finance and structured finance).

Incrementally, the company has entered into new retail segments through partnerships with fintechs and direct selling agent-based sourcing such as business, personal and digital loans to improve its blended margins, bolster growth and enhance its diversification. These segments are characterised by high levels of competition from banks and NBFCs. The growth in the wholesale book moderated over FY20-FY23 due to a cautious approach to reduce ticket size, along with increased pricing pressure from competition. The share of secured book remained at 62.9% in FY23. Further, the share of retail and SME in overall loan book stood at 65.5% in FY23 (FY22: 59%)

Disbursements are on an improving trend and grew by 105% yoy in FY23. The growth in disbursements, along with a higher retention across borrowers than the historical trend for ABFL supported by rising interest rates in the past nine months, resulted in a 10% qoq and 46% yoy asset under management growth (FY22: 12.6%). However, Ind-Ra believes ABFL, in its operating segment, would face high competition from small finance banks, private banks and larger NBFCs. ABFL plans to expand franchise by branch expansion which stood at 323, largely in Tier 2 and 3 cities, by scaling up the retail and SME book.

Diversified Funding: ABFL's funding profile remains comfortable and diversified across banks, financial institutions and capital markets. Post-September 2018, the company has reduced its share of CPs (FY23: 9.7% of the total funding mix; FY18: 25%). As planned, ABFL plans to maintain CPs' share below 15% of the overall total loan book, keeping it matched with short tenure loan book. Furthermore, the bank's funding share in the overall funding mix increased to 54% in FY23 (FY22: 48.3%). Also, NCDs stood at 26.7% in FY23, external commercial borrowing (2.8%), cash credit/working capital demand loan (5.4%) are the other borrowing avenues for ABFL. As the mix of funding and asset side is balanced between fixed and floating in the same share, there has been a pass-through of rising funding cost to borrowers. As per the management, ABFL would match the proportion of short-term borrowings in its liabilities to the extent of short-term assets in the overall assets under management to contain gaps in the asset-liability tenor.

Liquidity Indicator - Adequate: In terms of asset-liability management, ABFL's structural liquidity statement at end-March 2023, excluding unutilised lines had minor gaps in the up to one-year buckets. However, the gaps remained adequately covered with unutilised bank lines. ABFL had unutilised bank lines of INR70.9 billion as of March 2023, along with high-quality liquid assets (cash, government securities, and callable deposits) of INR25.07 billion. The company has a diversified funding profile, with adequate access to banks and capital markets, and it has the capability to raise funds at competitive rates. Moreover, considering ABFL is a part of the Aditya Birla group, Ind-Ra expects the ultimate parent to support it during the time of stress.

Stable Profitability Buffers: ABFL's return on assets, which was 1.8%-2.0% during FY17-FY19, had moderated to 1.5% in FY21. However, the change in product mix more towards retail and SMEs, along with the increase in unsecured book in overall mix, has helped ABFL improve the lending yields, and hence, drive the return on assets to 2.45% in FY23 (FY22: 2.3%). The net interest margins (including fee income) also improved to 6.8% in FY23 (FY22: 6.2%), as there has been a doubling of exposure on the unsecured side (digital loans, retail unsecured loans) in FY23. Although moving to granular in retail and SME would attract a higher operating and credit cost, it could be compensated with a rise in yields. Also, while the company operates at highly competitive yields in project finance, large and mid-corporate and the SF space, its share in the overall book has moderated. The company's ability to manage its credit costs with a changing book mix remains a key monitorable.

Adequate Capitalisation: ABFL's equity-to-assets ratio moderated to 13.6% in FY23 (FY22: 17.3%), due to the strong loan book growth, which remained higher than internal accruals. The Tier-1 ratio stood at 13.9% in FY23 (FY22: 18.07%). The increase in the company's leverage (gross debt/ equity) to 6.19x in FY23 (FY22: 4.66x) would necessitate a capital raise in the medium term to continue higher loan growth than internal accruals. There has been a capital raise at Aditya Birla Capital level of INR30 billion, a portion of which could be infused to support lending entities growth. Furthermore, the agency expects ABFL to maintain liquidity buffers to absorb any possible asset quality pressures with a changing book mix, along with seasoning.

Asset Quality on Improving Trend Through Resolution: ABFL's asset quality has faced headwinds post September 2018, with an increase in delinquencies, partly due to the slowdown in the broader economy. The company, however, witnessed resolution in certain assets, leading to a moderation in gross stage 3 assets to 3.12% in FY23 (FY22: 3.1%) from the peak of 3.9% in 3QFY22. The standard restructured book also reduced to 1.5% in FY23 (FY22: 3.1%). ABFL has disbursed around INR19.07 billion under the Emergency Credit Linked Guaranteed Scheme till FY23, thereby benefitting 12.1% of the overall loan book. The overall expected credit loss provisions stood at 2% in FY23 (FY22: 3.0%). The provision coverage ratio improved to 46.2% in FY23 (FY22: 39.5%). However, its unsecured book, which is yet to be seasoned, could witness higher delinquencies in the event of a rising pressure on borrower cash flows due to inflation.

The company's credit costs grew to 1.43% in FY23 (FY22: 1.36%), largely due to a higher loan book mix towards the unsecured segment (FY23: 37.1%, FY22: 25.3%). ABFL's exposures under project finance are diversified across infrastructure assets (roads and power-transmission, distribution and renewables), hospitality, healthcare and others, with a focus on better-rated corporates with strong sponsors.

The existing non-performing assets have largely come from the large and mid-corporate segments, particularly from the corporate finance, structured finance and project finance book. However, an incremental rise in delinquencies could be driven by other segments such as SME, semi-wholesale and retail unsecured loans, as the business momentum and cash flows of borrowers would be affected by inflationary and rising interest rates pressures. Ind-Ra will monitor the overall delinquencies for ABFL in the medium term, along with the seasoning of the unsecured loan book in the medium term.

Rating Sensitivities

Negative: Developments that could, individually or collectively, lead to a negative rating action include:

- dilution of the support expectations, which could be on account of weakened commercial prospects, a weak operating/financial performance or otherwise;
- ABFL's sustained below-average operating performance, inability to manage the asset quality as the book seasons out over the medium term, resulting in higher-than-expected losses, a continued higher-than-articulated leverage ratio, weakened liability or liquidity profile, or diminished business prospects, or any other adverse impact;
- lack of timely support in terms of equity capital or liquidity, if required;
- any material deterioration in the standalone profile of ABFL or in the credit profile of Grasim; and
- ABFL's gross leverage exceeding 6.5x on a sustained basis with the existing loan portfolio.

ESG Issues

ESG Factors Minimally Relevant to Rating: Unless otherwise disclosed in this section, the ESG issues are credit neutral or have only a minimal credit impact on ABFL, due to either their nature or the way in which they are being managed by the entity. Company Profile

Formed in 1991, ABFL was formerly known as Birla Global Finance Limited. It is now a subsidiary of the newly listed Aditya Birla Capital. ABFL was previously largely engaged in the short-term finance segment. However, it entered into project finance, corporate lending and mortgage financing businesses in FY12. Moreover, the company is engaged in the debt and syndication advisory business.

ABFL is an indirect subsidiary of Grasim. The latter holds 100% stake in ABFL through a 54.2% stake in Aditya Birla Capital; the promoters hold an additional 16.8%, and the public holds a 29% stake in Aditya Birla Capital.

Dear Sir/Madam,

Re: ICRA Rating for Rs. 5,000 crore Retail NCD Programme of Aditya Birla Finance Limited (Rs. 5,000 crore unutilised)

In terms of the Rating Agreement/Statement of Work executed between your company and ICRA Limited (ICRA), ICRA is required to review the rating, on an annual basis, or as and when the circumstances so warrant.

Please note that the Rating Committee of ICRA, after due consideration of the latest development in your company, has reaffirmed the rating of your captioned programme at "[ICRA] AAA" (pronounced as ICRA Triple A). The outlook on the long-term rating is stable. Instruments with [ICRA]AAA rating are considered to have the highest degree of safety regarding timely servicing of financial obligations. Such instruments carry lowest credit risk.

In any of your publicity material or other document wherever you are using above rating, it should be stated as [ICRA]AAA(stable).

This rating is specific to the terms and conditions of the proposed issue as was indicated to us by you and any change in the terms or size of the issue would require the rating to be reviewed by us. If there is any change in the terms and conditions or size of the instrument rated, as above, the same must be brought to our notice before the issue of the instrument. If there is any such change after the rating is assigned by us and accepted by you, it would be subject to our review and may result in change in the rating assigned.

ICRA reserves the right to review and/ or, revise the above rating at any time on the basis of new information or unavailability of information or such other circumstances, which ICRA believes, may have an impact on the rating assigned to you.

The rating, as aforesaid, however, should not be treated as a recommendation to buy, sell or hold the instruments issued by you.

You are also requested to forthwith inform us about any default or delay in repayment of interest or principal amount of the instrument rated, as above, or any other debt instruments/ borrowing and keep us informed of any other developments which may have a direct or indirect impact on the debt servicing capability of the company including any proposal for re-schedulement or postponement of the repayment programmes of the dues/ debts of the company with any lender(s) / investor(s). Further, you are requested to inform us immediately as and when the borrowing limit for the instrument rated, as above, or as prescribed by the regulatory authority(ies) is exceeded.

We thank you for your kind cooperation extended during the course of the rating exercise. Please let us know if you need any clarification.

We look forward to further strengthening our existing relationship and assure you of our best services.

With kind regards,

Yours faithfully,
For ICRA Limited

*Instrument details are provided in Annexure I

Rationale

ICRA has considered the consolidated business and financial profile of Aditya Birla Capital Limited (ABCL) and its Group entities (collectively referred to as the ABCL Group and enlisted in Annexure II) as the basis for the ratings. The ratings also factor in the implicit support expectations from the Aditya Birla Group and the parent – Grasim Industries Limited (Grasim; rated [\[ICRA\]AAA \(Stable\)/\[ICRA\]A1+](#)).

The ratings consider the strong ultimate parentage and the strategic fit and importance of the ABCL Group, which houses all the financial services entities (lending, asset management and insurance among others), to the Aditya Birla Group. Support from the promoter group is demonstrated by the strong capital and managerial aid and the stated intent of the parent to ensure adequate capitalisation and liquidity of the ABCL Group. The ratings also consider the diversity in the ABCL Group's revenue profile and the management's vast experience in the financial services domain.

Further, the ratings factor in ABCL's adequate capitalisation level, supported by internal capital generation and the track record of capital infusions from the parent. ABCL raised equity capital of Rs. 3,000 crore through a qualified institution placement (QIP) of Rs. 1,750 crore and a preferential issuance of equity shares of Rs. 1,250 crore to its promoter and promoter group entity in Q1 FY2024. The recent equity capital raise and internal accruals are expected to support the Group's growth plans in the near to medium term. ABCL's borrowing profile remains diversified, though the funding cost is expected to increase in the near term, in line with the market. The Group's profitability (excluding the insurance business) remains healthy, supported by the lending and asset management businesses.

ABCL's consolidated asset quality profile remains moderate with gross stage 3 of 3.1% as on March 31, 2023 (3.6% as on March 31, 2022). ICRA notes the growing share of unsecured segments, which are exposed to higher asset quality challenges and increased credit costs. However, the improved net interest margin is likely to support the profitability. Going forward, the Group's ability to control slippages across segments remains a key monitorable.

ICRA also notes the ABCL Group's improving profitability, despite the loss in the health insurance segment, which is in the growth phase. Going forward, the company's ability to manage its asset quality while maintaining its gearing levels, given the expectations of high portfolio growth mainly in the unsecured segments, will remain a key rating sensitivity.

ICRA has reaffirmed and withdrawn the rating outstanding on the Rs. 2,415.00-crore non-convertible debenture programme as the instruments have been redeemed in full and there are no dues outstanding against the same. ICRA has also reaffirmed and withdrawn the rating outstanding on the Rs. 100.00-crore subordinated debt programme as the instrument has been fully redeemed with no dues outstanding against the same. The rating was withdrawn at the request of the company and in accordance with ICRA's policy on the withdrawal of credit ratings.

Key rating drivers and their description

Credit strengths

Strong ultimate parentage of Grasim; key management personnel with vast experience in financial services domain – ABCL is a subsidiary of Grasim, which held 52.79% as of June 30, 2023, while the other companies in the Aditya Birla Group had a 16.31% stake. It is the holding company of all the financial services entities of the Group and is a prominent growth driver for the Group. Its strategic significance to the Aditya Birla Group is reflected in the capital support from the parent, as and when required (latest equity infusion was Rs. 1,250 crore in Q1 FY2024 by promoter and promoter group companies). The ABCL Group enjoys strong financial flexibility by virtue of being a part of the Aditya Birla Group. ICRA expects Grasim to maintain a shareholding of more than 51% in the company. ICRA also factors in the vast experience of ABCL's key management personnel in the financial services domain.

Diversified financial services group – The ABCL Group is a diversified financial services group with a presence in various segments such as lending, life insurance, health insurance, asset management, asset reconstruction and securities broking among others. ABCL's lending business is through two entities – Aditya Birla Finance Limited (ABFL; with a non-banking financial company (NBFC) licence) and Aditya Birla Housing Finance Limited (ABHFL; with a housing finance company (HFC) licence). ABCL's consolidated lending book increased at a high pace to Rs. 94,364 crore (+40% YoY) as on March 31, 2023, with secured business contributing 34%, followed by corporate/mid-market (26%), personal & consumer (16%), HFC (15%), unsecured business (9%).

Further, the concentration of the top 20 exposures declined to 6.6% of ABFL's total exposure (29.5% of ABCL's consolidated adjusted net worth) as of March 31, 2023 (8.6% and 34.5%, respectively, as on March 31, 2022). While a large part of the portfolio is secured (~70% of ABFL's portfolio and 100% of ABHFL's portfolio), which helps reduce losses in the event of defaults, ICRA notes ABCL's rising focus on the unsecured retail segments which are exposed to asset quality pressures.

Apart from lending, the ABCL Group has a prominent presence in the asset management business through Aditya Birla Sunlife AMC Limited (ABSL AMC), which is the sixth largest asset management company (AMC) in terms of the average assets under management (AUM). The ABCL Group has a presence in both life insurance (through Aditya Birla Sun Life Insurance Company Limited) and health insurance (through Aditya Birla Health Insurance Company Limited). While the health insurance entity is in the initial years (growing at a fast pace), the life insurance company had a market share of 2.1% in FY2023.

ABFL's portfolio stood at Rs. 80,556 crore as on March 31, 2023 (YoY growth of 46%) with secured business loans, the corporate/mid-market segment, personal & consumer loans, and the unsecured business segment forming 40%, 31%, 19% and 10%, respectively, of the portfolio. Portfolio growth was largely driven by the growth in the retail unsecured and small and medium-sized enterprise (SME) segments.

Good financial flexibility and diversified funding profile – As a part of the Aditya Birla Group, ABCL has good financial flexibility in raising funds at competitive rates. Its (lending businesses) borrowing profile remains diversified with bank term loans, debentures, commercial paper (CP), National Housing Bank (NHB) and external commercial borrowings forming 54%, 27%, 9%, 2% and 2%, respectively, of the total borrowings as on March 31, 2023. The proportion of CP in the aggregate funding mix remained moderate at ~9% as on March 31, 2023 (though higher than ~6% as on March 31, 2022). The ABCL Group maintains

adequate unutilised bank lines and has a board-approved funding line from Grasim, which can be utilised in case of liquidity requirements.

ABFL's borrowing profile comprised bank term loans, non-convertible debentures, commercial paper, external commercial borrowings (ECBs) and subordinated debt & others with a share of 54%, 23%, 10%, 3% and 10%, respectively, as on March 31, 2023. ICRA also notes the diversification in the borrower profile as ABFL has borrowings from corporate treasuries, banks, mutual funds, insurance companies and high-net-worth individuals (HNIs).

Adequate capitalisation; demonstrated ability to raise equity – ABCL's capitalisation remains adequate with a consolidated adjusted gearing (borrowings/adjusted net worth¹) of 4.4 times as on March 31, 2023 (4.2 times as of March 31, 2022). The capitalisation is further supported by the recent equity capital raise of Rs. 3,000 crore in Q1 FY2024, including Rs. 1,250 crore from the promoters (Rs. 1,000 crore from Grasim and Rs. 250 crore from a promoter group company) and Rs. 1,750 crore from external investors. The recent equity capital raise and internal accruals are expected to support the Group's growth plans in the near to medium term. The capitalisation is expected to be further supported by the likely monetisation of the stake in ABSL AMC² by ABCL. Given the strong parentage and its demonstrated ability to raise capital, ABCL's capitalisation profile is expected to remain adequate. ICRA expects support from the parent to be forthcoming as and when required.

ABFL's gearing increased to 6.2 times as on March 31, 2023 from 4.7 times as on March 31, 2022, given its high portfolio growth. Considering the significant growth plans, the company is likely to require capital in the medium term. ICRA expects equity infusion from the parent, ABCL, to meet the growth plans.

Improving profitability – The Group's profitability is largely supported by its lending and asset management businesses, but is partially offset by the losses in the health insurance entity (Aditya Birla Health Insurance Company Limited). Excluding the insurance business (life and health insurance) and the one-off gain of Rs. 2,739 crore³, ABCL's profitability remained healthy with a return on equity of 13.0% in FY2023 (14.1% in FY2022). ICRA expects the profitability to remain comfortable. Further, ICRA notes the diversity in revenues with income from the lending operations and the asset management business.

ABFL's net interest margin (NIM) improved to 5.6% in FY2023 from 5.2% in FY2022 on account of the change in the product mix towards higher-yielding retail and unsecured loans. However, the NIM is expected to be in this range despite further changes in the portfolio mix, given the anticipated increase in the cost of funds. The credit cost has increased marginally and remains high due to the rise in the share of the unsecured portfolio and slippages from the restructured book. Operating expenses have increased and are likely to remain high, given the company's plan to expand its branch presence and invest in digital assets for building the digital lending platform to support its high growth plans. ABFL's return on assets remained in the range of 2.1-2.2% but its return on equity increased to 14.6% (FY2023) from 11.9% (FY2022) with the rise in leverage.

Credit challenges

Asset quality remains moderate with growth in relatively riskier retail unsecured loans – ABCL's consolidated gross and net stage 3 assets for the lending businesses stood at 3.1% and 1.8%, respectively, as on March 31, 2023 compared to 3.6% and 2.2%, respectively, as on March 31, 2022. While the company witnessed slippages from the restructured book and unsecured segments, the reported asset quality was supported by the high growth in the AUM. The Group's provision coverage ratio improved to 44.2% (March 2023) from 38.0% (March 2022).

ICRA notes the reduction in the concentration of the top group exposures and in ticket sizes across segments and the granularisation of the portfolio with the increased share of smaller-ticket retail loans. However, with the significant ramp-up in its relatively riskier retail unsecured loan book in the last one year and the expected high growth in its scale of operations,

¹ Adjusted net worth is adjusted for net worth of insurance companies

² Promoter stake (ABCL and Sun Life) of 86.5% in ABSL AMC has to be reduced to 75% by October 2024

³ Fair value gain of Rs. 2,739 crore due to difference between fair value of retained interest in Aditya Birla Health Insurance Company Limited and derecognition of its net assets as it ceased to be a subsidiary and has been accounted for as a joint venture w.e.f. October 21, 2022

the company's ability to maintain its asset quality indicators over economic cycles would be a key monitorable. Further, the growth in long-term loan assets, like retail mortgage loans, remains largely untested.

ABFL's gross and net stage 3 asset levels increased on an absolute basis but declined marginally on percentage terms to 3.1% and 1.7%, respectively, as on March 31, 2023 (3.6% and 2.1%, respectively, as on March 31, 2022), due to high portfolio growth. Net stage 3 assets/net worth stood at 11.8% as on March 31, 2023 (12.0% as on March 31, 2022). The company's restructured loans declined to 1.4% as on March 31, 2023 (3.2% as on March 31, 2022). ABFL's asset quality remains exposed to slippages from unsecured segments.

Liquidity position: Strong

The ABCL Group had cash and liquid investments of Rs. 2,905 crore and unutilised bank lines of Rs. 5,282 crore as on March 31, 2023 against debt repayments of Rs. 14,665 crore due in the next six months. Further, the liquidity will be supported by collections from the loan book. The liquidity profile is also supported by a board-approved funding line from Grasim.

At the standalone level, ABFL had debt amounting to Rs. 12,670 crore as on March 31, 2023, maturing by September 2023, against which it had cash and liquid investments worth Rs. 2,507 crore and undrawn bank lines of Rs. 3,812 crore. Collections from the loan book provide further comfort.

Rating sensitivities

Positive factors – Not applicable

Negative factors – A material change in the expected level of support or a material deterioration in the credit risk profile of ABCL's parent (i.e. Grasim) could warrant a rating downgrade. Pressure on the ratings could also arise if there is a deterioration in the ABCL's consolidated capitalisation profile (adjusted gearing) on a sustained basis and/or weakening of the ABCL Group's solvency levels (net stage 3 assets divided by adjusted net worth) to more than 20% on a sustained basis.

The Complexity Indicator refers to the ease with which the returns associated with the rated instrument could be estimated. It does not indicate the risk related to the timely payments on the instrument, which is rather indicated by the instrument's credit rating. It also does not indicate the complexity associated with analysing an entity's financial, business, industry risks or complexity related to the structural, transactional or legal aspects. Key features of rated perpetual debt programme

The one notch lower rating assigned to ABFL's perpetual debt programme compared to the [ICRA]AAA rating for the other long-term debt programmes reflects the specific features of these instruments wherein the debt servicing is additionally linked to meeting the regulatory norms on capitalisation and reported profitability. The domestic regulatory norms include regulatory approvals from the RBI for debt servicing (including principal repayments) if the company reports a loss and is not liable to service the debt in case it breaches the minimum regulatory capitalisation norms.

ANNEXURE 1**TO WHOMSOEVER IT MAY CONCERN**

Details of monetary penalties imposed by SEBI on Vistra ITCL (India) Limited are as below:

- 1) SEBI issued Show Cause Notice dated March 12, 2018 under Rule 4(1) of SEBI (Procedure for holding inquiry and imposing penalties by Adjudicating Officer) Rules 1995 read with Section 15-I of SEBI Act, 1992 - In the matter of LRN Limited, SEBI vide its Adjudication order No. EAD-9/SM/141/2018-19 dated October 26, 2018 imposed penalty of Rs. 5 Lakhs on the Company for violation of Regulation 15(1) (i) and Regulation 16 of SEBI (Debenture Trustee) Regulations, 1992. Vistra had challenged the said SEBI Order by filling appeal to Securities Appellate Tribunal ('SAT') and pleaded to set aside the said Order, however SAT vide its order dated October 17, 2019 dismissed the said appeal and accordingly the penalty was paid to SEBI on October 24, 2019.
- 2) In the matter of Vaishno Devi Dairy Products Limited (presently known as Sahindra Vaishno Devi Dairy Products Limited) alleging the violation of provision of Debenture Trustee Regulations. SEBI vide its Adjudication order dated April 27, 2022 imposed penalty of Rs. 10,00,000/- (Rupees Ten Lakh) on Vistra under section 15HB of the SEBI Act, 1992. Vistra has challenged the said Order by filling an appeal to SAT on June 10, 2022 and has pleaded to set aside the said Order. Vistra has filed rejoinder on November 24, 2022. The matter is listed for arguments before SAT on September 12, 2023.
